The People's Tycoon Feb 10 2021 How a Michigan farm boy became the richest man in America is a classic, almost mythic tale, but never before has Henry Ford's outsized genius been brought to life so vividly as it is in this engaging and superbly researched biography. The real Henry Ford was a tangle of contradictions. He set off the consumer revolution by producing a car affordable to the masses, all the while lamenting the moral toll exacted by consumerism. He believed in giving his workers a living wage, though he was entirely opposed to union labor. He had a warm and loving relationship with his wife, but sired a son with another woman. A rabid anti-Semite, he nonetheless embraced African American workers in the era of Jim Crow. Uncovering the man behind the myth, situating his achievements and their attendant controversies firmly within the context of early twentieth-century America, Watts has given us a comprehensive, illuminating, and fascinating biography of one of America's first mass-culture celebrities.

Drag Racing 201 - Racing in the New Economy Jan 24 2022 Following the success of his first book, Drag Racing 101, where IH Racing's Team Owner Ike Heckler Jr. explains how to build your first race car and secure sponsorship, Ike now brings you Drag Racing 201 - Racing in the New Economy. After racing at NHRA tracks in the northeast and southeast for the past 10 years in a booming economy where securing sponsorships was relatively easy, Ike takes you on an exciting journey through 2010 and explains what it is like to uproot your personal life in order to pursue the goal of semi-pro drag racing. With over 52 career round wins and national media exposure from SPEED TV's Pinks All Out, NHRA's National Dragster, and NMCA's Fastest Street Car magazine, Ike has secured corporate sponsorships from Lucas Oil, VP Racing Fuels, WIX Filters, O'Reilly Auto Parts, ReMax Realty, Holiday Inn Hotels & Resorts, CARQUEST Auto Parts, and Ken's Speed & Machine. IH Racing's primary sponsor, Premier Properties of the Space Coast, is owned by Mr. Heckler and develops residential and commercial properties in southeast Florida. In Drag Racing 201 Ike explains how to use your own company together with your other sponsors to be able to fund a full race season and be able to travel the hundreds of miles from racetrack to racetrack economically. From getting into the Final 32 at the Pinks All Out event in West Palm, FL to making the WIX All Out 16 at the Pinks All Out event at zMax Dragway in Charlotte, Ike brings you along to all the other races and other fun events he was able to attend in 2010 with the help of good friends and sponsors. You will also ride along as he moves from Florida to North Carolina, then back to Florida just so he could honor his commitment to all his sponsors and race the season. He will also show you how the degrading economy affected his racing operation in 2010 and how he had to adjust and sacrifice his personal life to be able to race and survive. Drag Racing 201 then looks into the future of the sport and projects how it may look a few years from now and gives the reader some valuable tips on how to afford racing a full season and how the racer may have to live differently in order to race and live their dream. Ike also gives the reader some valuable sponsorship tips along the way that will help with sponsor exposure and could make securing sponsorships a little easier. This 80 page full color book has over 75 pictures highlighting the West Palm FL, Charlotte NC, and the Bristol TN Pinks All Out events (and getting on SPEED TV), the Atlanta, NHRA Unleashed event, and what it feels like to work for an NHRA national event. If your goal is to drag race in the New Economy, this book is a must read that will save you money and increase your sponsor exposure !!

Dux Bellorum Jul 26 2019 Erik Larsson survived the collapse. He helped establish a community of survivors, a beacon of hope they called The Freehold. He watched as marauders, fueled by greed and jealousy destroyed everything he'd worked so hard to salvage. Citizen, soldier, survivor--he has adapted to the new America and survived. But can he survive long enough to make it home? Living on the razor edge of desperation, Erik helps lead his band of survivors north to the long-sought safety of Upstate New York. As Erik, Brin, and Ted hit the long road north, they thought they'd left their troubles behind but soon discover the thousand-mile journey through a disintegrating post-collapse America to be more dangerous than anyone could have expected... Dux Bellorum is an intense, fast-paced post-apocalyptic thriller that delivers an explosive conclusion to the Future History of America trilogy.

Private Heller and the Bantam Boys: An American Medic in World War I Sep 19 2021 In time for the 100th anniversary of America's entry into the First World War, Private Heller and the Bantam Boys—based on Heller's long-hidden diary—tells the tale of a group of privileged yet naive Princeton University students and their big, brawny Midwestern farm boy interloper, Ralph Heller. To them, war is a grand adventure not to be missed, and they enlist as medics and ambulance drivers (think Hemingway and dos Passos) to make sure they can get to France before the war ends. These college boys go about their training filled with idealism and bravado and, despite constant marching and drilling, absolutely no preparation for what they're about to face. When their transport ship comes under U-boat attack off the Welsh coast, the idea that they could get killed before they reach the front begins to sink in. Once in France, and with a seemingly unlimited supply of red wine (water is for crops and animals), and hormone-fueled high spirits, the Bantam Boys are ready for anything that comes their way. Or so they think. Devastation touches all, as they enter a hell of mud, rats, poison gas, flying lead, and rotting corpses where they're just as likely in the confusion of No Man's Land to end up heading toward the Germans rather than away from them. From the comic to the horrific, Private Heller and the Bantam Boys will touch readers of all ages.

Kiss Me, Kill Me Aug 19 2021 Secrets don't stay secret... Carrie Overton's personal miracle came on the side of a deserted country road sixteen years ago. On her way to her new life, she helped a young woman deliver to a baby boy. But the women vanished, leaving the baby behind, and was not seen again until she was found murdered. But the dead don't stay buried... Sixteen years later, the secret Carrie has kept all this time returns to haunt her. The teenagers of Shadow Falls are being preyed upon, taken one by one, and she can't help but believe it's all tangled up with her son's birth mother and her tragic, violent end. You should never trust a stranger... There's a handsome stranger in town who's getting too close and asking too many questions. Carrie doesn't trust him, sensing that he's keeping secrets of his own. Secrets she's going to have to uncover if she wants to protect the life she has built and keep her son safe from a killer. From a New York Times and USA Today Bestselling, RITA® Award-winning author

By the Seat of My Pants: A Pilot's Progress from 1917 to 1930 Nov 21 2021 By the Seat of My Pants is Dean Smith's story of his life as a flying cadet in WWI, an airmail pilot in the 1920's and, lastly, as the lead aviator in Admiral Byrd's 1928 Antarctic expedition. Told in a self-deprecating style with a matter of fact sense of humor, it is an engaging read

from start to finish. Passages describe airmail runs heading West with no maps or runways available, and Smith's interesting take on the Byrd Expedition is a version of events not in the official records. Indeed, Smith claims his log-diary, which mysteriously went missing once the party returned stateside, was most likely stolen by Byrd himself lest it conflict with his narrative of the expedition.

Everlasting Ending Dec 23 2021 They say, "It is better to have loved and lost than to never have loved at all" but is it really? Girlfriends create bonds thicker than blood and Angela, Cynthia, Kelly, and Tara are no different. But the pressure of love - or lack thereof - can be too much. Angela's life is perfect, at least to the outside world, but behind closed doors secrets are tearing her perfect world apart. Cynthia wants love, but her history with dating says it's not in the cards. Until she meets a man that shows her what love is supposed to be...maybe. Kelly's recent decisions has forced her beau into celibacy. Tara wants love, but her man doesn't show it so she's taken aback when he suddenly wants a shotgun wedding. With a sisterly bond these girlfriends help each other learn true love of self. Having that foundation is the key to having the relationships they all desire. It is the roadmap to their everlasting ending.

Rollover Accident Reconstruction May 16 2021 The last ten years have seen explosive growth in the technology available to the collision analyst, changing the way reconstruction is practiced in fundamental ways. The greatest technological advances for the crash reconstruction community have come in the realms of photogrammetry and digital media analysis. The widespread use of scanning technology has facilitated the implementation of powerful new tools to digitize forensic data, create 3D models and visualize and analyze crash vehicles and environments. The introduction of unmanned aerial systems and standardization of crash data recorders to the crash reconstruction community have enhanced the ability of a crash analyst to visualize and model the components of a crash reconstruction. Because of the technological changes occurring in the industry, many SAE papers have been written to address the validation and use of new tools for collision reconstruction. Collision Reconstruction Methodologies Volumes 1-12 bring together seminal SAE technical papers surrounding advancements in the crash reconstruction field. Topics featured in the series include: • Night Vision Study and Photogrammetry • Vehicle Event Data Recorders • Motorcycle, Heavy Vehicle, Bicycle and Pedestrian Accident Reconstruction The goal is to provide the latest technologies and methodologies being introduced into collision reconstruction - appealing to crash analysts, consultants and safety engineers alike.

Silvas Moves to Barton Nov 02 2022 Sylvester Roland's friends called him Silvas, at six foot two and one-half, he is a big man. Solid muscle, he has large hands and knows how to use them. He is ruggedly good looking with short, dusty blond hair, steel blue eyes and a soft but deep voice. Silvas had joined the Navy after he graduated high school in 1964. He was tough as nails and became a Navy SEAL; he fought in Nam, served his country for 20 years, and retired a Commander. When Silvas retired the CIA Clandestine Service recruited him. For almost a quarter of a century Silvas fought the Colombian drug cartels. In 2007 with Colombian commandos, he found Juan Leon Montoya Valdez. Valdez, the head of the largest drug cartel in South America, died from a gunshot wound to the heart. Silvas was there before the commandos saw Valdez, Silvas shot and killed him, and took \$5,000,000. Silvas had leave and headed home to Arizona. After returning home he had a complete mental breakdown. Silvas spent two years at Bethesda Naval Hospital, Psychiatric Unit. Following his release he now needs a change of scenery. Silvas decides on Barton, Vermont a place where he can hunt and fish to his heart's content. Barton is more than a place to fish his cares away; it becomes the place Silvas finds the love of his life. The nightmare he has lived most of his life is over, he can pass the time with the woman who steals his heart. When the Valdez Family uncovers Sylvester's identity and plans to murder him, he is saved by his sixth sense. Now Silvas will have no choice but to return to the nightmare he thought he left. This time he will have to cut off the serpent's head.

4.6L & 5.4L Ford Engines Oct 01 2022 Since 1991, the popular and highly modifiable Ford 4.6-liter has become a modern-day V-8 phenomenon, powering everything from Ford Mustangs to hand-built hot rods and the 5.4-liter has powered trucks, SUVs, the Shelby GT500, and more. The wildly popular 4.6-liter has created an industry unto itself with a huge supply of aftermarket high-performance parts, machine services, and accessories. Its design delivers exceptional potential, flexibility, and reliability. The 4.6-liter can be built to produce 300 hp up to 2,000 hp, and in turn, it has become a favorite among rebuilders, racers, and high-performance enthusiasts. 4.6-/5.4-Liter Ford Engines: How to Rebuild expertly guides you through each step of rebuilding a 4.6-liter as well as a 5.4-liter engine, providing essential information and insightful detail. This volume delivers the complete nuts-and-bolts rebuild story, so the enthusiast can professionally rebuild an engine at home and achieve the desired performance goals. In addition, it contains a retrospective of the engine family, essential identification information, and component differences between engines made at Romeo and Windsor factories for identifying your engine and selecting the right parts. It also covers how to properly plan a 4.6-/5.4-liter build-up and choose the best equipment for your engine's particular application. As with all Workbench Series books, this book is packed with detailed photos and comprehensive captions, where you are guided step by step through the disassembly, machine work, assembly, start-up, break-in, and tuning procedures for all iterations of the 4.6-/5.4-liter engines, including 2-valve and 3-valve SOHC and the 4-valve DOHC versions. It also includes an easy-to-reference spec chart and suppliers guide so you find the right equipment for your particular build up.

Outsourced Apr 02 2020 In the 21st Century war and espionage have been transformed. With the CIA on the ropes, the armed forces stretched thin, and the need for special operations capabilities at an all-time high, the United States government has turned to private corporations to help shoulder the load. Companies such as Blackwater USA, Triple Canopy and Abraxas field over 50,000 private soldiers and spies who conduct missions formerly restricted to the military and the CIA. National security has been outsourced. In Outsourced Camille Black, a former CIA counterterrorism officer, has left the Agency to create Black Management, a private corporation that specializes in providing former Special Forces operators and CIA case officers for covert operations. Active in the volatile Middle East, it competes heavily in the cutthroat counterterrorism business. One day, the CIA contracts Camille to track down and eliminate her ex-fiancé Hunter Stone, a Pentagon spy accused of selling arms to terrorist cells. Battling her old feelings, but fueled by Stone's disloyalty to both his country and to her, Camille slips into the shadows of the War on Terror to track him down. Dodging death with each step, she finds herself in the crossfire of the Pentagon and the CIA, where good and evil blur and trust is bought and sold. Outsourced exposes the headlines of tomorrow. Impeccably researched and masterfully crafted, Outsourced is an edge-of-your seat thriller with a rare glimpse behind the scenes into how private corporations conduct and profit from the multi-billion dollar War on Terror. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Lost & Forgotten May 04 2020 Imagine waking one day with a new face and no memory, an opportunity to pick a new name and start a new life; a clean slate. Orphaned as children, separated for 22 years, Melissa is intent on finding her

identical twin, Marissa; however Marissa is now Mariah and not who she used to be. Melissa's search brings her to Los Angeles, crossing paths with Tyron, the only person aware of the truth, a person with immoral intent. As Melissa searches for her twin and Mariah searches for who she was, they are both faced with first time romances. Their brief crossing of paths and wisps of twin psychic connections provides one hope, and the other confusion. Tyron hatches a plan to bring them together, for a price that includes more than just their money. Lost & Forgotten is story of wealth and poverty for far from pretty identical twin sisters as one meets evil in her search for her other half, and the other struggles to start a new life and find out who she was.
