This book calls believers to reject superficiality and revolutionize their lives by embracing a God-guided approach to prayer. The Book of the Secrets of Prayer and its Requirements Jul 23 2022 This book describes the importance of prayer and its requirements. It describes what is essential for the disciple in terms of the external acts and its inner secrets of prayer, and revealing its refined hidden meanings in terms of humility, sincerity and intention. Presented to the English speaking public is a translation of two chapters of Ghazal's great work, *Ihya ulum al-din*. The chapter is entitled *kitabasar al-salah* (the book of the secrets of prayer and its requirements). This translation was originally carried out by E E Caverley which I have edited in places to give the reader a clearer understanding of the text and correcting the Quranic references. I have also included in the book the prophetic narrations in the original Arabic to give the reader of Arabic a fuller flavour of the intended meaning. The two chapters selected are entitled "fevadail al-salahwa al-sajudwa-aljama.hwa al-azaanwaibaraha" (virtue of the prayer, prostration, congregation, call to prayer and its precepts). And the third chapter from the book entitled *fee shuruut al-batinah min a.amaal al-qalb*. (Inward stipulations for the acts of the heart) The first chapter generally focuses on the pre-eminent status of prayer and its superiority over all other forms of worship in Islam. Instilling in the one who is about to initiate the prayer the enormity and seriousness of the action. The second chapter in the book focuses on the mind-set of the one who is engaged in prayer, humility being a fundamental pillar in this regard. Imam Ghazali also offers practical remedies to attain this status of humility and describes the base nature of heedlessness before one's Creator. I hope this book acts as a means of proximity since nothing can facilitate this noble goal to reach one's Lord but the Prayer. But prostate in adoration, and bring thyself the closer (to Allah) Surah Alaq.19

The Power of Prayer in a Believer's Life Jul 11 2021 Long before the megachurch, nearly 6,000 people crowded every service to hear Charles Spurgeon. Discover why his

masterful preaching astonished his era! Considered by his peers then and now as "The Prince of Preachers", Charles Spurgeon built London's Metropolitan Tabernacle into the world's largest independent congregation during the nineteenth century. While many factors have been highlighted that help explain the effectiveness of Spurgeon's preaching, the foremost secret that empowered Charles Spurgeon was his devotion to prayer. When people would walk through the Metropolitan Tabernacle, Spurgeon would take them to the basement prayer room where people were always on their knees interceding for the church. Then Spurgeon would declare, "Here is the powerhouse of this church. That statement is backed by the amazing number of sermons that Spurgeon preached on prayer. Spurgeon was a great believer and teacher in passionate, Holy Spirit-directed prayer. His word pictures of the majestic throne of grace that God calls believers to be privileged to come before is well worth the price of the book alone. You will be inspired and challenged in your prayer life, especially if you experience struggles in prayer.

Red Moon Rising Jan 25 2020 From the Upper Room of Pentecost to Azusa Street in Los Angeles, God has used prayer movements throughout history to change the world. Over fifteen years ago, a group of students gathered for a prayer vigil in Chichester, England—and the prayers they started haven't stopped. Out of that first meeting came 24-7 Prayer: an international movement of prayer, mission, and justice that has reached Chinese underground churches, Indian slums, Papua New Guinea jungles, ancient English cathedrals, and even a brewery in Missouri. Red Moon Rising is the story of how that movement continues today—and how each of us can be a part of the miracles God is doing through a new generation.

The Soul of Prayer Aug 24 2022 "Here is a no-nonsense theologian who goes for the jugular. In Forsyth's company we are aware of both the glory and the gravity of what we are doing when we go to our knees in prayer." -Eugene H. Peterson P. T. Forsyth is sometimes described as an English pre-cursor to Karl Barth. He was born in 1848 to a Scottish family of humble origins and later in life attended Aberdeen University, where he graduated with first-class honours in classical literature in 1869. In 1876 he was ordained and called to minister in Shipley, Yorkshire. In his early ministry in the Congregational Church, Forsyth fought orthodoxy and sought for the right to rethink Christian theology and pursue liberal thought. In 1878, however, Forsyth experienced a conversion from, in his own words, "being a Christian to being a believer, from a lover of love to an object of grace." A profound awareness of pastoral responsibility was awakened which radically altered the the course of his ministry. His conversion thrust him from the leadership of liberalism to a recovery of the theology of grace. Quickly, he became one of the better-known figures in British Nonconformity. In 1894, he received a call to Emmanuel College in Cambridge, where he preached his famous sermon, "Holy

Father" in 1896. In 1901, he accepted a position as principal of Hackney Theological College, London where he remained until he died in 1921. Over his lifetime Forsyth published 25 books and more than 260 articles. He is often credited with recovering for his generation the reality and true dimensions of the grace of God.

A Daily Prayer, Short and Sweet Mar 27 2020 In *A Daily Prayer, Short and Sweet*, Bill Henderson puts down on paper many of the conversations he has had with God, and the result is a daily devotional whose prayers explore avenues that are frequently on the minds and hearts of all of us. "I have known all my life about prayer," Henderson writes. "Like breathing in and breathing out, it is just a natural part of moment-by-moment living-every hour, every day." Henderson looks back on his childhood memories of learning to pray: "I can remember my mother praying over me at the crib. I can feel her face next to mine, and I knew she was talking to God about me. It was a while before I heard the words, but I remember them like yesterday. My father prayed for me at the dinner table-long, eloquent, and sincere talks with God, often reminding God of what had been promised, not demanding, just celebrating the unshakeable foundation that had been laid through the generations." As an adult, praying became a way for Henderson to articulate his feelings and codify his commitments to God in a way that hasn't always felt natural or easy-or consistent- but that has still led him to enjoy a deeper, more fulfilling relationship with the Almighty.
