[The Life of Dad](#) Dec 19 2021 THE STORY OF FATHERHOOD AND WHAT IT MEANS TO BE A FATHER TODAY, BASED ON A DECADE-LONG STUDY OF NEW AND EXPECTANT FATHERS. Becoming a father is one of most common but also one of the most profoundly life-altering experiences a man can have. It is up there with puberty, falling in love and experiencing your first loss. Fifty years ago a father's role was assumed to be clear: he went to work; he provided the pay cheque; and he acted as a disciplinarian when he got home. But today a father's role is much more fluid and complex. Dr Anna Machin has spent the past decade working with new and expectant fathers, studying the experiences of fathers and the questions fathers have: "Will fatherhood change me?", "How do other men fulfil the role?", "How can I help my child grow into a healthy, happy adult?". In [The Life of Dad](#), Dr Machin draws on her research and the latest findings in genetics, neuroscience and psychology to tell the story of fatherhood. She will show the extraordinary physiological changes a man undergoes when he becomes a father, investigate how a man's genes can influence what sort of father he will be, and will show how a dad makes a unique contribution to his child's life, helping to foster independence of mind and spirit. Throughout the book, readers will encounter the voices of real dads, expectant and established, as well as fascinating insights into fatherhood from across the globe. [The Life of Dad](#) throws out the old stereotypes of fatherhood in an entertaining and informative journey through the role of dad - helping you decide what sort of father you want to be. "A tour-de-force exploration of the forgotten half of the parenthood business. Essential reading for every expectant dad - and mum." - Robin Dunbar, professor of evolutionary psychology, University of Oxford

[52 Things Kids Need from a Dad](#) Sep 28 2022 "God, please help me...another game of Candy Land..." Quite a few dads spend time with their kids. However, many have no clue what their kids really need. Enter author Jay Payleitner, veteran dad of five, who's also struggled with how to build up his children's lives. His [52 Things Kids Need from a Dad](#) combines straightforward features with step-up-to-the-mark challenges men will appreciate: a full year's worth of focused, doable ideas—one per week, if desired uncomplicated ways to be an example, like "kiss your wife in the kitchen" tough, frank advice, like "throw away your porn" And, refreshingly... NO exhaustive (and exhausting) lists of "things you should do" NO criticism of dads for being men and acting like men Dads will feel respected and empowered, and gain confidence to initiate activities that build lifelong positives into their kids. Great gift or men's group resource!

[52 Things Sons Need From Their Dads](#) Feb 09 2021 These 52 quick-to-read chapters offer a bucketful of man-friendly ideas on building a father-son relationship. By your life and example, you can show your boy how to work hard and have fun, often at the same time; live with honesty and self-respect; and develop the inner confidence to live purposefully.

[From Dude to Dad](#) Oct 05 2020 Congrats: You're going to be a dad! Now what? Dude, relax; you're going to be fine. But it wouldn't hurt to get a few pointers—a road map of what lies ahead. That's what this book is for. From

Dude to Dad gives you the need-to-know essentials on pregnancy, birthing, and parenthood, and how it's okay to be scared out of your mind. You'll learn what the expecting mom is going through during each trimester, how you can be the best partner and dad-to-be, and how to immediately start bonding with baby. Be prepared for the arrival that will ultimately change your life in the best way possible.

Why a Son Needs a Dad Aug 15 2021 To a son, Dad is a superhero--big, strong, and always there to save the day. Whether tossing a ball or bandaging a skinned knee, Dad's hands are a constant source of comfort and safety.

Dad Up! Nov 25 2019 From one of the country's most beloved comedians and host of CBC Radio's incredibly popular program The Debaters comes a funny, poignant, and at times unexpectedly wise look at what it means to be a dad in this day and age. Steve Patterson has been thinking about dad-dom for quite a while. In Dad Up! he gives his all to be the best father possible to two young girls while imparting his hard-won wisdom and insights to readers everywhere. The youngest of five boys growing up in an Irish Catholic household, Patterson mines his childhood for any sage advice he might have picked up from his own dad. He talks with candour about the difficulty he and his wife, Nancy, had conceiving, finding humour in their experiences with the fertility clinic's automated phone calls (which Patterson calls "RoboPimp") informing them when Nancy was ovulating. He chronicles the disappointment of failing to get pregnant, only to have the miracle conception take place in Regina during Grey Cup Week, under the guiding spirit of the Saskatchewan Roughriders and comedian Brent Butt (don't ask). From that point on, Steve Patterson assumes full dad-mode, riffing on the biohazard that is changing a diaper, the absolute futility of stuffed animals, becoming a public breastfeeding warrior in the most unexpected of places, and how growing up a little boy in no way prepares you to being a father to little girls. Most importantly, Dad Up! charts the awesome experience of watching tiny infants that you somehow had a hand in creating evolve into confident and crafty little people, and the lessons that they teach along the way.

Dad's Book of Awesome Science Experiments Jan 20 2022 The science behind, "But, why?" Don't get caught off guard by your kids' science questions! You and your family can learn all about the ins and outs of chemistry, biology, physics, the human body, and our planet with Dad's Book of Awesome Science Experiments. From Rock Candy Crystals to Magnetic Fields, each of these fun science projects features easy-to-understand instructions that can be carried out by even the youngest of lab partners, as well as awesome, full-color photographs that guide you through each step. Complete with 30 interactive experiments and explanations for how and why they work, this book will inspire your family to explore the science behind: Chemistry, with Soap Clouds Biology, with Hole-y Walls Physics, with Straw Balloon Rocket Blasters Planet Earth, with Acid Rain The Human Body, with Marshmallow Pulse Keepers Best of all, every single one of these projects can be tossed together with items around the house or with inexpensive supplies from the grocery store. Whether your kid wants to create his or her own Mount Vesuvius or discover why leaves change colors in the fall, Dad's Book of Awesome Science Experiments will bring out the mad scientists in your family--in no time!

So You're Going to Be a Dad, revised edition Jun 20 2019 For the first-time dad, useful and practical information about pregnancy, childbirth, and baby care, including: what to say -- and what not to say--when you hear the news; taking care of moms-to-be; what childbirth feels like; crying, diapers, and bedtime; and baby-proofing the home.

Check out more HOW TO... picture books: How to Babysit a Grandpa How to Babysit a Grandma How to Catch Santa How to Get Your Teacher Ready How to Raise a Mom How to Read to a Grandma or Grandpa

How to Be a Dad Feb 27 2020 'All hail the Guru of Fatherhood' - Dermot O'Leary - The first doctor-written guide to becoming a dad - Combines the medical knowledge of a healthcare professional with real-life experience - Step-by-step - from conception to caring for your newborn baby - Honest, humorous and engaging, this book answers the questions you've been too afraid to ask At this crucial life-moment, knowledge is power, but you probably

know less than you think: What's a cervix? Can we still have sex? Why's the midwife doing that? How do I make up a bottle and is that poo normal? Dad's role is more important than you might ever have imagined, so what can you do to help? 'I hope that as a doctor and a new dad, I will go some way towards answering those "man questions" that never quite make it to the pub, locker-room, water cooler or any other locations where men might find themselves having meaningful chats with another guy. Think of this as a papery man hug in what is a potentially treacherous world of terminology, hormones, social change, sleep deprivation and finally dirty nappies with tiny feet attached.'

**Dad's Playbook** May 24 2022 This gift book for dads collects together 100 of the best quotes from the greatest coaches of all time, including John Wooden, Vince Lombardi, Tommy Lasorda, Phil Jackson, and many more, and then applies the lessons to fatherhood. Illustrated throughout with photos of famous coaches, with a foreword by Steve Young.

**My Dad** Jun 01 2020 A beautiful and lyrical celebration of fatherhood, My Dad reveals all the little things that one child's dad does that make him the best dad in the world.

**Daddy Needs a Drink** Jul 02 2020 In the tradition of Dave Barry, an irreverent look at fatherhood from a dad who truly loves his kids—even when they're driving him nuts. Robert Wilder's hilarious and boldly candid essays about the realities of parenting go down like gin and tonic on a hot summer afternoon. People A Santa Fe dad shares heartwarming, comic, often ludicrous tales of raising a family in this laugh-out-loud book perfect for anyone who enjoys the edgy humor of David Sedaris or the whimsical commentary of Dave Barry. Waxing both profound and profane on issues close to a father's heart—from exploding diapers to toddler tantrums, from the horrors of dressing up as Frosty the Snowman to the moments that make a father proud—Robert Wilder brilliantly captures the joys and absurdities of being a parent today. With an artist wife and two kids—a daughter, Poppy, and a son, London—Robert Wilder considers himself as open-minded as the next man. Yet even he finds himself parentally challenged when his toddler son, London, careens around the house in the buff or asks the kind of outrageous, embarrassing questions only a kid can ask. A high school teacher who sometimes refers to himself jokingly as Mister Mom (when his wife, Lala, is busy in her studio), Wilder shares warmly funny stories on everything from sleep deprivation to why school-sponsored charities can turn otherwise sane adults into blithering and begging idiots. Whether trying to conjure up the perfect baby name (Poppy came to his wife's mother in a dream) or hiring a Baby Whisperer to get some much-needed sleep, Wilder offers priceless life lessons on discipline, potty training, even phallic fiddling (courtesy of young London). He describes the perils of learning to live monodextrously (doing everything with one hand while carrying your child around with the other) and the joys of watching his daughter morph into a graceful, wise, unique little person right before his eyes. By turns tender, irreverent, and hysterically funny, Daddy Needs a Drink is a hilarious and poignant tribute to his family by a man who truly loves being a father.

**My Dad Is Amazing** Sep 04 2020 A joyful tribute to fathers from the bestselling creators of Hello! Lucky! and authors of My Mom is Magical and You Are Fantastic!. Is your dad cooler than a million popsicles? Tougher than a rhino wrestler? Cuddlier than a ton of bunnies? Celebrate all the things that make Dad amazing with this joyful book!

**Becoming a Dad** Nov 18 2021 Guides prospective fathers in parenting from pregnancy to the third year, providing advice for practical and emotional challenges, pinpointing developmental milestones, and detailing the role of a father in a child's life.

**Do Fathers Matter?** Jan 28 2020 For too long, we've thought of fathers as little more than sources of authority and economic stability in the lives of their children. Yet cutting-edge studies drawing unexpected links between fathers and children are forcing us to reconsider our assumptions and ask new questions: What changes occur in men when they are "expecting"? Do fathers affect their children's language development? What are the risks and rewards of being an older-than-average father at the time the child is born? What happens to a father's hormone levels at every stage of his child's development, and can a child influence the father's health? Just how much do fathers matter? In *Do Fathers Matter?* the award-winning journalist and father of five Paul Raeburn overturns the many myths and stereotypes of fatherhood as he examines the latest scientific findings on the parent we've often overlooked. Drawing on research from neuroscientists, animal behaviorists, geneticists, and developmental psychologists, among others, Raeburn takes us through the various stages of fatherhood, revealing the profound

physiological connections between children and fathers, from conception through adolescence and into adulthood—and the importance of the relationship between mothers and fathers. In the process, he challenges the legacy of Freud and mainstream views of parental attachment, and also explains how we can become better parents ourselves. Ultimately, Raeburn shows how the role of the father is distinctly different from that of the mother, and that embracing fathers' significance in the lives of young people is something we can all benefit from. An engrossing, eye-opening, and deeply personal book that makes a case for a new perspective on the importance of fathers in our lives no matter what our family structure, *Do Fathers Matter?* will change the way we view fatherhood today.

[Love You, Dad](#) Jul 14 2021 A celebration of fatherhood through wildlife photos features thank you messages to fathers and facts about animal dads.

[You're Going to be a Dad!](#) Jun 13 2021 Learn from a whole community of dads so you're fully prepared to be a great first-time dad and partner. The moment you find out you're going to be a dad is one of incredible joy, shock, and anxiousness - often all the same time! This detailed new dads guide, from the writers and dads at DaddiLife - the world's leading online platform for fathers - provides the reassurance and practical advice needed for first time fathers. It addresses the real challenges that new dads and dads to be go through, while also providing the answers at every step of the way - from conception and early scans, through to delivery and the full first year with your baby, including the important milestones at each stage with your new extended family.

[What Every Man Should Know about Being a Dad](#) Aug 27 2022 When a man becomes a father, it can be a very daunting time. He is suddenly thrust into a new and emotional world. He can feel unprepared (despite the preceding nine months of build-up), useless (despite all the "uses" the mother of his child could offer him), and apprehensive. However, the new father is about to embark upon the most exciting and rewarding experience of his life. But let's face it, no one teaches men exactly how to become fathers. So, what does being a dad in the 21st Century mean? Dads today, more than ever, want to play an active role in their children's lives and development. To do this, fathers need to know how children grow up so that they can learn to cope with, play with, control, and love their kids in an intelligent way. This book provides a guide for men on how to be a good dad and a supportive partner. Dealing directly with the key issues and the many stresses that fathers can face, it looks at the psychological research on child development, parenting, and fathering in particular. It examines such thorny topics as step-fatherhood, the changing relationship between partners, and sex after babies. It also offers valuable advice on problems all dads will face — how to bond, how to provide sensible discipline, learning to play, and managing teenage tantrums and traumas. The author, David Cohen, is a psychologist, and a father and step-father. In a quirky and anecdotal style, and drawing on eclectic material, this book tells men everything they need to know about being a dad.

[Rad Dad](#) Sep 23 2019 *Rad Dad: Dispatches from the Frontiers of Fatherhood* combines the best pieces from the award-winning zine *Rad Dad* and from the blog *Daddy Dialectic*, two kindred publications that have tried to explore parenting as political territory. Both of these projects have pushed the conversation around fathering beyond the safe, apolitical focus most books and websites stick to; they have not been complacent but have worked hard to create a diverse, multi-faceted space in which to grapple with the complexity of fathering. Today more than ever, fatherhood demands constant improvisation, risk, and struggle. With grace and honesty and strength, *Rad Dad's* writers tackle all the issues that other parenting guides are afraid to touch: the brutalities, beauties, and politics of the birth experience, the challenges of parenting on an equal basis with mothers, the tests faced by transgendered and gay fathers, the emotions of sperm donation, and parental confrontations with war, violence, racism, and incarceration. *Rad Dad* is for every father out in the real world trying to parent in ways that are loving, meaningful, authentic, and ultimately revolutionary. Contributors Include: Steve Almond, Jack Amoureux, Mike Araujo, Mark Andersen, Jeff Chang, Ta-Nehisi Coates, Jeff Conant, Sky Cosby, Jason Denzin, Cory Doctorow, Craig Elliott, Chip Gagnon, Keith Hennessy, David L. Hoyt, Simon Knapus, Ian MacKaye, Tomas Moniz, Zappa Montag, Raj Patel, Jeremy Adam Smith, Jason Sperber, Burke Stansbury, Shawn Taylor, Tata, Jeff West, and Mark Whiteley.

[The Single Father: A Dad's Guide to Parenting Without a Partner](#) Aug 03 2020 In this ground-breaking volume author Armin Brott gives single dads the knowledge, skills, and support they need to become-and remain-actively involved fathers. With the same thoroughness, accessibility, and humor that have made the books in his critically

acclaimed New Father series the best and most popular fatherhood guides in the country, Brott steers divorced, separated, gay, widowed, and never-married men through every aspect of fathering without a partner. Incorporating the advice of top psychologists, lawyers, and other experts, The Single Father offers a wealth of essential information and practical tips. Illustrated with cartoons that underscore the challenges and, yes, even the satisfactions of single parenting, and complete with an extensive list of resources for divorced, widowed, and gay dads, The Single Father is one book no single dad can afford to do without.

The Dad Book Oct 29 2022

You're Dad Jun 25 2022 The hilarious and heartwarming companion to international bestselling author Liz Climo's You're Mom From new dads to those who've been around the block, dads who go to work to those who are at home, and all the dads in between, You're Dad is a touching tribute to fathers everywhere. With humor, heart, and adorable drawings, Liz Climo celebrates fatherhood in all its shapes and sizes (and species). Featuring different types of dads and the paths they can travel, Climo's whimsical animal illustrations take us through the adventures of fatherhood, commemorating the laughter and the tears as well as the stumbles and the triumphs. Perfect for dads, the dad-like, any and all parents, and the people who love them, this sweet collection of fatherly love will move and delight.

I Lost My Dad Nov 06 2020 When a little boy loses sight of his father at a big department store, he searches all

over the establishment, tracking people whose appearances match his parent's in some way.

Go Ask Your Dad Jan 08 2021 Go Ask Your Dad challenges fathers from different faiths, cultures, and generations to come together and answer tough questions dads, children, and families face today. Fathers must learn from the past, be prepared now and in the future to discuss everything from sexual education and identity to what kind of career path a youth could choose. They need to have answers on how to handle negative things such as cyber-bullying and ISIS, but also must encourage good choices for health, happiness and a brighter tomorrow. The authors of Go Ask Your Dad don't claim to be perfect dads; they do promise, in this book, you will find valuable lessons from their mistakes and successes.

Dude, You're Gonna Be a Dad! Mar 22 2022 There are approximately 3,712 ways for a guy to look stupid during pregnancy - this book's here to help you avoid all(most) of them. And here's your first hint: Focus on what you can be doing for her rather than what's happening to her. She's pregnant. She knows that. You know that. And her 152 baby books tell her exactly what she can expect. Your job is to learn what you can do between the stick turning blue and the drive to the delivery room to make the next nine months go as smoothly as possible. That's where John Pfeiffer steps in. Like any good coach, he's been through it. He's dealt with the morning sickness and doctor visits, painting the baby's nursery and packing the overnight bag, choosing a name, hospital, and the color of the car-seat cover. All the while he remained positive and responsive - there with a "You're beautiful" when necessary - but assertive during the decision-making process (he didn't want to wind up with a kid named Percy). And now it's your turn. She might be having the baby, but you have plenty of responsibilities.

Father Figure May 12 2021 A thoughtful and "utterly mind-blowing" exploration of fatherhood and masculinity in the 21st century (New York Times). There are hundreds of books on parenting, and with good reason—becoming a parent is scary, difficult, and life-changing. But when it comes to books about parenting identity, rather than the nuts and bolts of raising children, nearly all are about what it's like to be a mother. Drawing on research in sociology, economics, philosophy, gender studies, and the author's own experiences, Father Figure sets out to fill that gap. It's an exploration of the psychology of fatherhood from an archetypal perspective as well as a cultural history that challenges familiar assumptions about the origins of so-called traditional parenting roles. What paradoxes and contradictions are inherent in our common understanding of dads? Might it be time to rethink some aspects of fatherhood? Gender norms are changing, and old economic models are facing disruption. As a result, parenthood and family life are undergoing an existential transformation. And yet, the narratives and images of dads available to us are wholly inadequate for this transition. Victorian and Industrial Age tropes about fathers not only dominate the media, but also contour most people's lived experience. Father Figure offers a badly needed update to our collective understanding of fatherhood—and masculinity in general. It teaches dads how to embrace the joys of fathering while guiding them toward an image of manliness for the modern world.

Dad By My Side Oct 25 2019 The New York Times bestselling celebration of the father-child relationship from Instagram sensation Soosh is perfect for new dads and Father's Day -- now as a board book! Whether they're playing make-believe, teaching you new things, or warding off monsters under the bed, dads are always there when you need them. Celebrate the special bond between dads and daughters in this charmingly illustrated story of a larger-than-life father and his adorable little girl that's bursting with whimsy and love.

The Dad's Edge Apr 30 2020 If you could improve one area in your dad journey...what would it be? What would it be like if you mastered not one, but several aspects of your dad journey all at once? What would life be like if you improved your level of patience, had better and deeper connections with your wife and kids, improved your relationships outside the immediate family, and all while mastering a good work/life balance? How would life be different if you did this? Hello, I'm Larry Hagner and I'm a dad. I love being a dad. And I believe that being a dad is one of the most rewarding aspects of a man's life. However, being a father can humble you like nothing else can. There really is no roadmap. With so few resources out there for dads like us, I decided to create The Dad Edge to help YOU as a dad to give you easy to implement techniques you can use to be your very best and enjoy your journey of fatherhood. The Dad's Edge will help you: \* Master work/life balance\* Discover three techniques to improve and maintain a great connection with your kids\* Improve your connection & intimacy with your spouse, no matter how busy you are\* Improve your relationships outside the immediately family\* Uncover three easy ways to improve your patience short term and long term\* Discover simple ways to show up big for your kids

and be present in the moment\* Thrive (Not Survive) your journey of fatherhood If you can identify with one or more of these issues, I understand first hand. Every one of us struggles with these issues on our dad journey and now I've empowered you with some great strategies and a solid roadmap in The Dad's Edge so you can relax and feel confident you are "good dad focused" and nothing will stand in your way!

Fathering Your School-Age Child Dec 27 2019 A practical handbook on all aspects of fatherhood during the third to the ninth year (pre-K through the fourth grade) by the best-selling, critically acclaimed author of The Expectant Father Following the success of the three previous volumes in this series—The Expectant Father, The New Father: A Dad's Guide to the First Year and Fathering Your Toddler—this book is similarly packed with facts, tips, and advice on all aspects of fatherhood. When is it the best time to encourage a child's independence? What's the difference between daycare vs. preschool? What are the unique ways fathers impact their youngster's life? The answers to these questions and hundreds more are found in the pages of this easy-to-follow, informative volume. With wisdom, compassion, and humor, author Armin Brott devotes a chapter to each school year from prekindergarten through the fourth grade. In each chapter he outlines the physical, intellectual, emotional, and social changes the child is going through, and examines the emotional and psychological development the father may be experiencing. He also discusses issues that develop between dad and mom as well as matters that involve the whole family. In addition, each chapter contains a section called "You and Your Child," in which activities and issues appropriate to the given age are discussed. Other topics cover the latest research on child development, including brain growth, good and bad news about watching television, and the use of computers and other technology. There is ample advice for dads who are older, single, divorced, in the military, stepfathers, and stay-at-home dads, and the book incorporates the author's and other fathers' personal experiences, as well as the advice of top researchers in the field. Illustrated throughout with delightful New Yorker cartoons that underscore the universality of the joys and woes of parenting, Fathering Your School-Age Child is an essential sourcebook for every dad. It's certain to give every mom helpful insights as well.

Dad Tired and Loving It Mar 30 2020 Do You Want to Be a Spiritual Leader? Start Here Have the day-to-day realities of being a dad and husband left you frustrated or just plain worn out? You're not alone. Jerrad Lopes felt that way too—until he started blogging about his struggles and discovered thousands of other men who want to be good husbands and fathers but don't know where to start. You will learn that spiritual leaders realize their story isn't the story—it's all about Jesus point their wives, children, community, and world toward God stumble their way through spiritual leadership rather than doing nothing seek humility rather than striving for perfection refuse to let their sin and shame stop them from leading their family look for adventure in the kingdom of God, not in the world create gospel-centered memories with their wife and children When you begin to understand the bigger picture of God's purpose for you in your marriage and family, you'll see that the good news of Jesus makes it possible for you to love and lead without fear and discouragement. Get equipped and encouraged as you become the man God is calling you to be—even when you're dad tired.

Why a Daughter Needs a Dad Jul 26 2022 Based on Gregory Lang's New York Times bestselling series! The perfect Father's Day gift, birthday present for dad, or sweet treasure for a daughter of any age! A sweet picture book showcasing all the ways a father will help his daughter grow, this is the gift for every girl dad and little girl to celebrate their special bond. Featuring charming animal illustrations and heartwarming rhymes about the moments fathers and daughters share, Why a Daughter Needs a Dad is the perfect story to connect father and daughter together. From the first time I held you, so perfect and new, I promised to do everything that I could do To help you become your most wonderful YOU, My darling, my daughter, my girl. For new dads, fathers-to-be, or for that perfect father-daughter moment, this sweet storybook celebrates how a father helps his little girl grow.

You Made Me a Dad Feb 21 2022 A picture book for expectant fathers and already-fathers everywhere—a perfect gift for Father's Day and baby showers. In this touching celebration of fatherhood, the close bond between parent and child comes to life with heartwarming resonance. Laurenne Sala's tranquil text, accompanied by Mike Malbrough's tender watercolor illustrations, creates a warm look at the joys, fears, and responsibilities of being a dad over the years. Tear-inducing in the best way, and a great companion to the team's You Made Me a Mother. I loved you before I saw you. When you were just a heartbeat. Then a picture. Then a teeny-tiny kick...

So You're Going to Be a Dad Aug 23 2019 Dr Peter Downey knows babies and kids, and his bestselling book - now in this 25th anniversary edition - helps first-time dads prepare for what's coming their way ... with a grain of

salt and a smile on their face. Fully revised and updated, he explores the joys and trials of new parenting, including: Surviving pregnancy and childbirth Nappies, breast pumps, sleep deprivation Living with a baby in your house The gear you need ... and the gear you don't Navigating the latest apps, social media and the online parenting world Lots of stuff about sex And more importantly, how to be a switched-on dad in the 21st Century New to this edition is a Foreword by Mark Scott, revised glossary of handy words new dads need to know (and some they don't), as well as updated words of wisdom from other ordinary fathers. So You're Going to Be a Dad remains the most engaging, reassuring and down-to-earth book for new dads around.

Still a Dad Oct 17 2021

The Ultimate Stay-at-Home Dad Apr 11 2021 A practical guide for modern-day parenting geared towards stay-at-home dads, offering advice on everything from learning to cook and clean with children, to dealing with mental health and relationships, with the easygoing perspective that dads can use their natural talents to parent any way that they choose. The Ultimate Stay-at-Home Dad manual takes the best advice and wisdom from a dads' group, and puts it into a format to help new stay-at-home fathers. Characterized by actionable and direct advice to fathers, the book takes on parenting from a father's point of view and encourages dads to use their natural talents to become a better parent. That advice is further bolstered by an additional 57 other dads who also give advice. All this advice is framed by the author's personal stories, which help the reader connect with the content and drives the advice home. This is a book that takes on day-to-day parenting, not just as a stay-at-home dad--working fathers could benefit from this book as much as at-home dads.
