Process of Aging Feb 12 2021 Processes of Aging: Social and Psychological Perspectives is based on a monumental series of studies on the psychological and social aspects of aging in relation to mental health. This effort gives scientists from North America and Europe an opportunity to explore the concepts, methodological problems, and conclusions of their researches in the rapidly growing field of gerontology. Much work has been done in an attempt to present this material in sequential and systematic fashion. Original work of sixty-six research workers from twelve countries is represented in this two-volume set. They offer an inventory of principal fields of gerontological research, in advanced countries. Human aging, in its many ramifications, is becoming one of the major areas of research interest among an increasing number of students in the biological, behavioral, and social sciences. Although the phenomena of aging were largely overlooked as subject matter for research during the early stages in the development of all basic sciences, it was inevitable that students would eventually become curious about the final processes of maturation. Events of recent years have hastened the need

for social action on behalf of older people and, consequently, the need for scientific knowledge about their characteristics, circumstances, and requirements. *Processes of Aging: Social and Psychological Perspectives* will be of interest to research workers, teachers, and advanced students concerned with the psychological, psychiatric, psychosocial, and socioeconomic aspects of aging. Many of the theoretical and analytical discussions and the specific studies offer guidance for top-level planners and policy administrators in public agencies and voluntary organizations. This volume is highly sensitive to older people as such: how they feel about themselves and the world, and in the way they behave in relation to others. It is must reading in the health and welfare of aging.

Russell A. Smith, an Oral History May 18 2021

If Only God Would Answer Sep 02 2022 What to do when you ask, seek, and knock--and nothing happens. Mosley addresses some of the unanswered questions and personal dilemmas we've all faced in our prayer lives. You'll learn how to break your big requests into small steps, how to become part of the process of answered prayer, and how to pray for what God can do rather than continually focusing on personal failure.

The Fifties May 30 2022 Surveys the social, cultural, and political history of the United States during the decade of the 1950's.

The Internet is Not the Answer Nov 11 2020 In this sharp and witty book, long-time Silicon Valley observer and author Andrew Keen argues that, on balance, the Internet has had a disastrous impact on all our lives. By tracing the history of the Internet, from its founding in the 1960s to the creation of the World Wide Web in 1989, through the waves of start-ups and the rise of the big data companies to the increasing attempts to monetize almost every human activity, Keen shows how the Web has had a deeply negative effect on our culture, economy and society. Informed by Keen's own research and interviews, as well as the work of other writers, reporters and academics, *The Internet is Not the Answer* is an urgent investigation into the tech world - from the threat to privacy posed by social media and online surveillance by government agencies, to the impact of the Internet on unemployment and economic inequality. Keen concludes by outlining the changes that he believes must be made, before it's too late. If we do nothing, he warns, this new technology and the companies that control it will continue to impoverish us all.

Wonder Woman in the Fifties Jul 20 2021 For the first time ever, DC collects the best Wonder Woman tales from the 1950s. In this decade, the Amazon Princess fought for justice against spy rings, robots, hidden societies of evil, supernatural beings, and much more. Plus, a female reporter uncovers Diana's greatest secrets on a trip to Paradise Island. Collects material from Wonder Woman #45, #50, #60, #66, #72, #76, #80, #90, #94-95, #98-101, #103, #105, #107, and #108;

All Star Comics #56-57; and Sensation Comics #97-100.

It Came From the 1950s! Mar 28 2022 An eclectic and insightful collection of essays predicated on the hypothesis that popular cultural documents provide unique insights into the concerns, anxieties and desires of their times. 1950s popular culture is analysed by leading scholars and critics such as Christopher Frayling, Mark Jancovich, Kim Newman and David J. Skal.

Framing the Fifties Jan 26 2022 This anthology offers an account of German cinema in the fifties, focusing on popular genres, famous stars and dominant practices, taking into account the complicated relationships between East and West Germany, and by paying attention to the economic and political conditions of film production and reception during this period.

The Fifties in America Oct 23 2021 Surveys the events and people of the United States and Canada from 1950 through 1959.

Paris in the Fifties Aug 21 2021 The author recounts his time in 1950s Paris as a young foreign correspondent for Time magazine, offering a memoir of the city's elite

The 1950s' Most Wanted™ Jan 02 2020 Journey back fifty years to explore the decade of baby boomers, the Red scare, and the birth of rock and roll with Robert Rodriguez's *The 1950s' Most Wanted: The Top 10 Book of Rock & Roll Rebels, Cold War Crises, and All-American Oddities*. America was revving its engines when the fifties came along, and its citizens more than ready for everything the historic decade had to offer. Rodriguez takes you on a spin down memory lane with dozens of top-ten lists filled with amazing, amusing, and even astonishing trivia from the 1950s. Television exploded into the mainstream in the 1950s, and in this book you'll find kids' television, shows that were immensely popular then but forgotten now, and potential series that never got off the ground. Film and music history are also well represented, with lists highlighting the fathers of rock and roll and some unlikely recording artists, plus catchphrases from contemporary films and first roles of future stars. Relive the most notorious crimes of the decade, such as the one that inspired the TV show and film *The Fugitive*, and its big scandals, such as the quiz show debacle and the deportation of Charlie Chaplin. You'll read about politicians, celebrities, fashion, toys, fads, and disasters. Relearn the hip slang of the time while finding out which tales from the fifties were really tall tales or urban legends that are now debunked. Rodriguez gives you a whole decade's worth of fun, facts, and all-important memories. It may have been half a century ago, but with *The 1950s' Most Wanted™*, it'll seem like just yesterday.

America at the Ballot Box Oct 11 2020 A chronological collection of essays, *America at the Ballot Box* uses the history of presidential elections to illuminate both the fundamental character of American political democracy, and its evolution from the early Republic to the

late twentieth century.

British Cinema in the Fifties Sep 21 2021 This text explores some of the key debates about British cinema and film theory, and examines the curious mix of rebellion and conformity which marked British cinema in the post-war era.

Witness in His Own Cause Dec 25 2021 In this unique and enlightening work, Oliver Lu translates into English the memoirs of the East German political and cultural figure Gustav Just. Lu gives readers of the English language the opportunity to experience the history of a country hidden from the West. They will learn how Mr. Just was wrongly accused of plotting against the German government and how his trial served as a stereotypical communist 'show-trial.' By absorbing this commentary on Just's first-hand experience, readers will understand the prison conditions that he endured and the political platform to which he and his associates had aspired. Thoroughly researched and impeccably translated, this book should become an important primary source for all students, scholars, and laypeople in the up-and-coming field of interest in the former Soviet bloc.

Original Sin and Everyday Protestants Jun 26 2019 In the years following World War II, American Protestantism experienced tremendous growth, but conventional wisdom holds that midcentury Protestants practiced an optimistic, progressive, complacent, and materialist faith. In *Original Sin and Everyday Protestants*, historian Andrew Finstuen argues against this prevailing view, showing that theological issues in general--and the ancient Christian doctrine of original sin in particular--became newly important to both the culture at large and to a generation of American Protestants during a postwar "age of anxiety" as the Cold War took root. Finstuen focuses on three giants of Protestant thought--Billy Graham, Reinhold Niebuhr, and Paul Tillich--men who were among the era's best known public figures. He argues that each thinker's strong commitment to the doctrine of original sin was a powerful element of the broad public influence that they enjoyed. Drawing on extensive correspondence from everyday Protestants, the book captures the voices of the people in the pews, revealing that the ordinary, rank-and-file Protestants were indeed thinking about Christian doctrine and especially about "good" and "evil" in human nature. Finstuen concludes that the theological concerns of ordinary American Christians were generally more complicated and serious than is commonly assumed, correcting the view that postwar American culture was becoming more and more secular from the late 1940s through the 1950s.

America in the Fifties and Sixties: Julián Mariás on the United States Dec 13 2020 With this one-volume, English-language presentation of two of his books on the United States, the Spanish philosopher Julián Mariás joins the ranks of those foreign intellectuals and travelers who have made significant commentaries on our developing

society. Such writers as Alexis de Tocqueville, Frances Trollope, Frederick Marryat, Charles Dickens, Harriet Martineau, James Bryce, and Denis Brogan have examined the American forest when our own writers have been detained among its trees. In forcing us to look at ourselves through their eyes, they have brought about major breakthroughs in our understanding and perception of ourselves. Rather than reiterating that the United States is a place dominated by modernity, by invasion of private life, and by aggressive materialism, Marias is charmed by "the flavor of age" he finds permeating the country, surprised by its "essential loneliness," and impressed by the basic spirituality of the American people who, in contrast to the Europeans, have already begun to reach a point of saturation in their desire for material goods. For our contemporary image of ourselves as a harassed nation, Marias offers consolation by reminding us of aspects of the national life we tend to forget and which other foreign commentators have found it convenient to ignore.

Perspectives on Federico Fellini Apr 28 2022

Answering Tough Interview Questions for Dummies Mar 04 2020 Written for all job hunters - new entrants, mid-level people, very experienced individuals, and technical and non-technical job seekers - *Answering Tough Interview Questions For Dummies* is packed with the building blocks for show-stopping interviews.

The High School Scene in the Fifties Jan 14 2021 A critical look at high school culture in postwar America in which Jewish and Gentile school alumnae recall the Americanization process of their teenage years in the 1950s.

someone you love is at risk of developing the disease or wishes to slow its advancement, this book will give you vital information to help you reduce risk and safeguard health and quality of life.

Laying the Foundations Nov 23 2021

Lost in the Fifties Mar 16 2021 Wheeler Dixon examines the lost films and directors of the 1950s. Contrasting traditional themes of love, marriage, and family, the author's 1950s film world unveils once-taboo issues and television shows such as 'Captain Midnight' are juxtaposed with the cheerful world of 'I Love Lucy'.

The Fifties Mystique Apr 16 2021 Many young women 'long to put the clock back to the post-war years when life seemed prettier and nicer.' In this book Jessica Mann demolishes such preconceptions about their mothers' or grandmothers' young days, showing that in reality life was uglier and nastier. Born just before WW2, she grew up in the post-war era of austerity, restrictions and hypocrisy, before anyone even dreamed of Women's Lib. *The Fifties Mystique* is both a personal memoir and a polemic. In explaining the lives of pre-feminists to the post-feminists of today, Mann discusses the period's very different attitudes to sex, childbirth, motherhood and work, describes how she and other young women lived in that distant world with its forgotten restrictions and warns against taking hard-won rights for granted.

The Fifties Feb 24 2022 The Pulitzer Prize-winning journalist examines the social, political, economic, and cultural history of the 1950s. By the author of *The Best and the Brightest* and *The Summer of '49*. 250,000 first printing. \$250,000 ad/promo. Tour.

House Documents Aug 28 2019

The Fifties Aug 01 2022

An Answer to a Book intituled Christianity as Old as the Creation [by Matthew Tindal] ... The second edition, corrected Feb 01 2020

Special Relations Dec 01 2019 A study of Anglo-American cultural and countercultural exchange from the mid Fifties to the mid-Seventies, *Special Relations* explores aspects of London modernism, the anti-war movement, student rebellion, black power, the second-wave feminist and gay liberation movements, and transatlantic nostalgia.

The Fifties: Fiction, Poetry, Drama Jul 28 2019 A collection of essays (see contents screen) about American literature of the 1950's, including Salinger, Hemingway, Faulkner, Mailer, Bellow, Jack Kerouac, and Tennessee Williams. Includes biographical sketches of the writers and the contributors.

Back to the Fifties Nov 04 2022 '*Back to the Fifties*' examines the explosion of Fifties nostalgia in Hollywood film and popular music from the early 1970s to the late 1980s. It both complicates and transcends standard diagnoses of the political function of nostalgia in popular media, and sheds new light on a crucial and underexamined period in American politics and culture. By closely examining the ways that 'the Fifties' were remade and recalled in films and in pop music,

the book notes the importance of 'the Fifties' to a generation of Americans and explores the ways popular culture facilitates cultural memory.

Dewdroppers, Waldos, and Slackers Sep 29 2019 Lists the meanings and backgrounds of thousands of twentieth-century catch phrases, slang terms, and buzzwords, many of which have fallen out of use, in a volume complemented by historical and sociological essays.

Pop Goes the Decade: The Fifties Jun 30 2022 Covering significant historical and cultural moments, public figures and celebrities, art and entertainment, and technology that influenced life during the decade, this book documents the 1950s through the lens of popular culture. • Presents a balanced perspective on the decade that debunks the popular myth that the 1950s was uniformly a happy, carefree time of wholesome fun and "the good old days" • Documents the suburban transformation that drastically changed American society • Provides data that shows television viewing statistics and viewer ratings that helps readers see the influence of television media in the 1950s • Includes a section that explores how the changes within the 1950s have a legacy that continue to affect our current cultural climate

Place of Skulls Oct 30 2019 A man with no known past and no name as been dispatched to the deserts, ghost towns, and underbelly of drug-infested Mexico to uncover a secret that could forever change the scope and teachings of Christianity. A DEA agent has written that he possesses the unmistakable and undeniable proof that Christ did indeed return to earth again and walk the land of the Aztecs almost fifteen hundred years after his crucifixion on the cross. But has the agent found a relic? An artifact? A long lost manuscript of the written Word? No one knows, and the agent dies before he can smuggle the secret out of an empty grave. Ambrose Lincoln can't dig past the charred fragments of his memory, but he must unravel the legend of Quetzalcoatl, the white-skinned, blue-eyed, god figure whose sixteenth century ministry, death, resurrection, and mystical promise to return someday to gather up his people closely parallels the Biblical story of the man called Christ. Is Quetzalcoatl merely a myth, or was he Christ himself? Lincoln's quest to find the answers, he becomes involved in a rogue CIA plot to invade Mexico and wage an unholy war on drugs, financed by operatives working for Hitler's Germany. He finds himself pursued by the same mysterious assassin who struck down the DEA agent. Does the artifact actually exist? Who possesses it now? Lincoln battles an unseen and unknown enemy in an effort to survive long enough to discover the truth. If he doesn't, he knows that death awaits him on the desert sands of a land held sacred for centuries by the mysterious and holy ones.

Is That Your Final answer? Aug 09 2020 It was the end of the 20th century and the dawn of a new millennium. America was enjoying an unprecedented period of prosperity, the stock market achieving all-

time highs, no wars, and the federal government actually generating an annual surplus. But a rising tide does not lift all boats. Greg Rafferty has been fired out of one corporate nightmare and is on thin ice in another. A recent long-term relationship collapse, and ever-increasing isolation has induced a delusional belief that his only means of survival is to win a million dollars on the nation's highest rated television show. Unbelievably, he is ultimately afforded an opportunity to turn this obsessive pipe dream into reality. A cross between "Office Space" and "Sex in the City" from a male perspective, "Is That Your Final Answer?" is the hilarious and poignant account of one man's search for love and reason in a cold and irrational world.🔗

Health, Aging, Illness and Poverty Apr 04 2020

My Answer is No . . . If That's Okay with You May 06 2020 Outlines an alternative approach for setting boundaries without jeopardizing important relationships, in a guide for women that draws on the insights of celebrities, a former first lady, and two police chiefs to help readers authenticate their true feelings while maintaining their values about caring and generosity. Reprint. 35,000 first printing.

Answer to the Central Pacific Railroad Company Submitted by Leland Stanford, President, at San Francisco, Cal., July 28th and 29th, 1887 Sep 09 2020

The Fifties Jul 08 2020 Advanced academic degree, to raise children and keep a home in the suburbs, to follow your dreams of having a profession, and even to live, politically and sexually, far from the mainstream of American life. These are stories of women's lives - some very tragic, some remarkably heroic - and they reveal to us all over again an era we thought we knew so well.

Quick, Answer Me Before I Forget the Question Jun 18 2021 An entertaining and informative look at aging addresses a host of common questions about midlife in an easy-to-follow Q-&-A format that furnishes essential facts about such topics as memory loss, money, baldness, plastic surgery, health, and other life experiences. Original.

The Haunted Fifties Oct 03 2022 Collection of pieces which appeared between 1953 and 1961 in I.F. Stone's weekly, a one-man newsletter.
