**Mosby's Dental Assisting Exam Review - E-Book** Jul 31 2020 Prepare for national certification, local or state exams, or course review with Mosby's Dental Assisting Exam Review, 4th Edition! Based on the content in the Certified Dental Assistant (CDA®) examination administered by the Dental Assisting National Board (DANB), the book provides a comprehensive review of general chairside assisting, radiation health and safety, and infection control. On the Evolve website, a test generator lets you practice taking timed, simulated exams with randomized questions. In total, this resource includes 3,000 multiple-choice questions between the print book and Evolve site. That's nearly 10 times the number of questions on the actual CDA® exam! 3,000 total multiple-choice questions are provided between the print book and the Evolve website — all modeled after the questions in the Certified Dental Assistant (CDA®) examination — and include answers and rationales. Three print practice tests are included in the Mosby's Dental Assisting Exam Review text and have the same number and type of questions you can expect to see in the General Chairside, Infection Control, and Radiation Health and Safety component exams. Evolve website includes the equivalent of more than six additional CDA®-style exams, and allows you to answer questions in Practice and Exam modes. Test generator on Evolve allows you to create an unlimited number of unique CDA® exam-style practice tests while in Exam mode, giving you test-taking experience in a realistic online environment, and provides feedback after completion of the exam. Clock functionality on Evolve includes a test timer allowing you to practice CDA®-exam time management. State-by-state Expanded Functions questions are included on Evolve, providing preparation for the board exam in any state. NEW! 200 additional multiple-choice questions provide even more exam preparation. NEW! Updated full-color photos and illustrations help explain difficult concepts. REVISED! Content review sections include the latest concepts in general chairside assisting, radiation health and safety, and infection control.

Written by radiation therapy expert Leia Levy, with contributions by other radiation therapy educators and clinicians, this study tool provides everything you need to prepare for the ARRT Radiation Therapy Certification Exam. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. Over 1000 multiple-choice questions in Registry format are provided in the text, allowing you to both study and simulate the actual exam experience. Focus questions and key information in tables make it easy to find and remember information for the exam. Review exercises reinforce learning with a variety of question formats to fit different learning styles. Questions are organized by ARRT content categories and are available in study mode with immediate feedback after each question, or in exam mode, which simulates the test-taking experience in

a timed environment with ARRT exam-style questions.
