**La Debacle** Oct 10 2020 "First published as an Oxford World's Classics paperback 2000. Reissued 2017"--Title page verso.

*The War of the Doomed* Jul 27 2019 Documents the Jewish resistance to Nazi occupation in Poland outside the confines of Warsaw. It tells of armed resistance in the forests and commando units as well as in POW and extermination camps. Also included is a fresh analysis of the Warsaw rebellion concerning the resistance that was hindered by the isolation and vulnerability of the participants. Taken together, the sources and memoirs reveal the ingenuity and bravery of Jews who proved themselves capable of heroic acts despite

their previous mundane lives.

**Writing as Resistance** Jun 25 2019

**Hebrew in its West Semitic Setting. A Comparative Survey of Non-Masoretic Hebrew Dialects and Traditions. Part 2. Phonetics and Phonology; Part 3.**

**Morphosyntactics** Apr 27 2022 This work is a comprehensive survey of non-Masoretic Hebrew dialects and traditions against the background of the related, primarily other West Semitic languages, but also the less close East and South Semitic and non-Semitic branches of the Semito-Hamitic phylum are taken into account. The previously published Part One contains Hebrew and comparative lexical material. Part Two contains a systematic phonetic and phonological discussion including an historical survey. Part Three contains a discussion of morphological and syntactical aspects as well as a comprehensive statistical synopsis of the entire language structure compared with selected related languages.

*Hamito-Semitic Etymological Dictionary* Jun 05 2020 This dictionary is a fundamental source of information on the extinct proto-language of the ancient Hamito-Semites, the Proto-Hamito-Semitic language, and contains more than 2,500 reconstructed words.

*Defiance* Sep 28 2019 The prevailing image of European Jews during the Holocaust is one of helpless victims, but in fact many Jews struggled against the terrors of the Third Reich. In *Defiance*, Nechama Tec offers a riveting history of one such group, a forest community in western Belorussia that would number more than 1,200 Jews by 1944--the largest armed rescue operation of Jews by Jews in World War II. Tec reveals that this extraordinary community included both men and women, some with weapons, but mostly unarmed, ranging from infants to the elderly. She reconstructs for the

first time the amazing details of how these partisans and their families--hungry, exposed to the harsh winter weather-- managed not only to survive, but to offer protection to all Jewish fugitives who could find their way to them. Arguing that this success would have been unthinkable without the vision of one man, Tec offers penetrating insight into the group's commander, Tuvia Bielski. Tec brings to light the untold story of Bielski's struggle as a partisan who lost his parents, wife, and two brothers to the Nazis, yet never wavered in his conviction that it was more important to save one Jew than to kill twenty Germans. She shows how, under Bielski's guidance, the partisans smuggled Jews out of heavily guarded ghettos, scouted the roads for fugitives, and led retaliatory raids against Belorussian peasants who collaborated with the Nazis. Herself a Holocaust survivor, Nechama Tec here draws on wide-ranging research and never before published interviews with surviving partisans-- including Tuvia Bielski himself--to reconstruct here the poignant and unforgettable story of those who chose to fight. *Rescue and Resistance* Aug 27 2019 Profiles 166 men and women who struggled to save Jews from German aggression during World War II, and includes brief biographies of major Nazi figures

**Lily's Promise** Jun 17 2021 The Sunday Times top 10 bestseller With a foreword by HRH The Prince of Wales 'A stunningly moving book about the power of hope and love to overcome the very worst of mankind' Piers Morgan When Holocaust survivor Lily Ebert was liberated in 1945, a Jewish-American soldier gave her a banknote on which he'd written 'Good luck and happiness'. And when her great-grandson, Dov, decided to use social media to track down the family of the GI, 96-year-old Lily found herself making headlines round the world. Lily had promised herself that if she survived

Auschwitz she would tell everyone the truth about the camp. Now was her chance. In *Lily's Promise* she writes movingly about her happy childhood in Hungary, the death of her mother and two youngest siblings on their arrival at Auschwitz in 1944 and her determination to keep her two other sisters safe. She describes the inhumanity of the camp and the small acts of defiance that gave her strength. From there she and her sisters became slave labour in a munitions factory, and then faced a death march that they barely survived. Lily lost so much, but she built a new life for herself and her family, first in Israel and then in London. It wasn't easy; the pain of her past was always with her, but this extraordinary woman found the strength to speak out in the hope that such evil would never happen again. 'Utterly compelling, heartbreaking, truthful and yet redemptive, a memoir of the Holocaust, a testimony of irrepressible spirit and an unforgettable family chronicle, written in lucid prose by a truly remarkable woman about her life from Hungary to Auschwitz, Israel to London. I couldn't stop reading it.' Simon Sebag Montefiore

Hebrew in Its West Semitic Setting Nov 03 2022 This is the third and final volume of the lexical part of the work. Section Bb contains comparative material to the root system from cognate languages, including sixteen Semitic and three Cushitic fairly well represented languages as well as Tuareg, Hausa, old Egyptian and Coptic quoted systematically; Omotic; Berber other than Tuareg, and Chadic other than Hausa likewise as groups; other Semitic and Cushitic less regularly; etymological and semantic comments follow dictionary entries; phonological discussion, including an attempt at the determination of pre-Semitic phonemes on the basis of actual attestation, is mainly concentrated in the introduction. Sections CDE contain the numerals (under 100), pronouns and particles, Hebrew material together with the

comparative one and discussion after the entries.

Dictionary of the North-west Semitic Inscriptions May 29 2022

*The Passing of the Great Race* Apr 15 2021 *The Passing of the Great Race* is one of the most prominent racially oriented books of all times, written by the most influential American conservationist that ever lived. Historically, topically, and geographically, Grant's magnum opus covers a vast amount of ground, broadly tracing the racial basis of European history, emphasising the need to preserve the northern European type and generally improve the White race. Grant was, logically, a proponent of eugenics, and along with Lothrop Stoddard was probably the single most influential creator of the national mood that made possible the immigration control measures of 1924. *The Passing of the Great Race* remains one of the foremost classic texts of its kind. This new edition supersedes all others in many respects. Firstly, it comes with a number of enhancements that will be found in no other edition, including: an introductory essay by Jared Taylor (American Renaissance), which puts Grant's text into context from our present-day perspective; a full complement of editorial footnotes, which correct and update Grant's original narration; an expanded index; a reformatted bibliography, following modern conventions of style and meeting today's more demanding requirements. Secondly, great care has been placed on producing an aesthetically appealing volume, graphically and typographically—something that will not be found elsewhere.

*Pogrom: Kishinev and the Tilt of History* Oct 22 2021 Finalist for the National Jewish Book Award (History) Named one of the Best Books of the Year by the Economist and the East Hampton Star Shortlisted for the Mark Lynton History Prize Separating historical fact from fantasy, an acclaimed historian retells the story of Kishinev, a riot that transformed the course

of twentieth-century Jewish history. So shattering were the aftereffects of Kishinev, the rampage that broke out in late-Tsarist Russia in April 1903, that one historian remarked that it was “nothing less than a prototype for the Holocaust itself.” In three days of violence, 49 Jews were killed and 600 raped or wounded, while more than 1,000 Jewish-owned houses and stores were ransacked and destroyed. Recounted in lurid detail by newspapers throughout the Western world, and covered sensationally by America’s Hearst press, the pre-Easter attacks seized the imagination of an international public, quickly becoming the prototype for what would become known as a “pogrom,” and providing the impetus for efforts as varied as *The Protocols of the Elders of Zion* and the NAACP. Using new evidence culled from Russia, Israel, and Europe, distinguished historian Steven J. Zipperstein’s wide-ranging book brings historical insight and clarity to a much-misunderstood event that would do so much to transform twentieth-century Jewish life and beyond.

Quiches, Kugels, and Couscous Sep 01 2022 What is Jewish cooking in France? In a journey that was a labor of love, Joan Nathan traveled the country to discover the answer and, along the way, unearthed a treasure trove of recipes and the often moving stories behind them. Nathan takes us into kitchens in Paris, Alsace, and the Loire Valley; she visits the bustling Belleville market in Little Tunis in Paris; she breaks bread with Jewish families around the observation of the Sabbath and the celebration of special holidays. All across France, she finds that Jewish cooking is more alive than ever: traditional dishes are honored, yet have acquired a certain French finesse. And completing the circle of influences: following Algerian independence, there has been a huge wave of Jewish immigrants from North Africa, whose stuffed brik and couscous, eggplant dishes and tagines—as well as their hot

flavors and Sephardic elegance—have infiltrated contemporary French cooking. All that Joan Nathan has tasted and absorbed is here in this extraordinary book, rich in a history that dates back 2,000 years and alive with the personal stories of Jewish people in France today.

*History of the Persian Empire* Jan 31 2020 Out of a lifetime of study of the ancient Near East, Professor Olmstead has gathered previously unknown material into the story of the life, times, and thought of the Persians, told for the first time from the Persian rather than the traditional Greek point of view.

"The fullest and most reliable presentation of the history of the Persian Empire in existence."—M. Rostovtzeff

**Parallel Journeys** Aug 08 2020 She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz extermination camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Aushchwitz, he was a tennage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was WWII. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.

**Jewish Resistance Against the Nazis** Jan 25 2022 This volume puts to rest the myth that the Jews went passively to the slaughter like sheep. Indeed Jews resisted in every Nazi-occupied country - in the forests, the ghettos, and the concentration camps. The essays presented here consider

Jewish resistance to be resistance by Jewish persons in specifically Jewish groups, or by Jewish persons working within non-Jewish organizations. Resistance could be armed revolt; flight; the rescue of targeted individuals by concealment in non-Jewish homes, farms, and institutions; or by the smuggling of Jews into countries where Jews were not objects of Nazi persecution. Other forms of resistance include every act that Jewish people carried out to fight against the dehumanizing agenda of the Nazis - acts such as smuggling food, clothing, and medicine into the ghettos, putting on plays, reading poetry, organizing orchestras and art exhibits, forming schools, leaving diaries, and praying. These attempts to remain physically, intellectually, culturally, morally, and theologically alive constituted resistance to Nazi oppression, which was designed to demolish individuals, destroy their soul, and obliterate their desire to live.

Sex and the IWorld Mar 15 2021 A political scientist and pastor offers a positive, holistic vision that helps readers engage the cultural debate on sex and marriage in personal ethics and public policy.

*The Jews of Warsaw, 1939-1943* Apr 03 2020 Depicts the Nazi persecution of the Jewish community of Warsaw and traces the development of the Jewish armed resistance movement in the Warsaw ghetto

**Peterson's AP European History** Sep 08 2020

*History* Sep 20 2021 This book includes 14 essays written by the author that provide practical advice for teachers and students to assist both in achieving the best results for teaching, learning, and writing about history. Part 1 offers suggestions for enlivening classroom presentations. Part 2 addresses the problems of teaching students to write, and part 2 focuses on history tests and exams, including ways to construct and respond to essay questions.

**Notes on Nationalism** Dec 24 2021 'The general uncertainty as to what is really happening makes it easier to cling to lunatic beliefs' Biting and timeless reflections on patriotism, prejudice and power, from the man who wrote about his nation better than anyone. Penguin Modern: fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series, with each one offering a concentrated hit of its contemporary, international flavour. Here are authors ranging from Kathy Acker to James Baldwin, Truman Capote to Stanislaw Lem and George Orwell to Shirley Jackson; essays radical and inspiring; poems moving and disturbing; stories surreal and fabulous; taking us from the deep South to modern Japan, New York's underground scene to the farthest reaches of outer space.

*Cartoonists Against the Holocaust* Oct 29 2019

Theological Dictionary of the Old Testament (Set of 15 Volumes) Jan 01 2020 This multivolume work is still proving to be as fundamental to Old Testament studies as its companion set, the Kittel-Friedrich Theological Dictionary of the New Testament, has been to New Testament studies. Beginning with father, and continuing through the alphabet, the TDOT volumes present in-depth discussions of the key Hebrew and Aramaic words in the Old Testament. Leading scholars of various religious traditions (including Roman Catholic, Lutheran, Reformed, Anglican, Greek Orthodox, and Jewish) and from many parts of the world (Denmark, France, Germany, Great Britain, Greece, Israel, Italy, the Netherlands, Norway, Sweden, Switzerland, and the United States) have been carefully selected for each article by editors Botterweck, Ringgren, and Fabry and their consultants, George W. Anderson, Henri Cazelles, David Noel Freedman, Shemaryahu Talmon, and Gerhard Wallis. The intention of the writers is to concentrate on meaning, starting from the more

general, everyday senses and building to an understanding of theologically significant concepts. To avoid artificially restricting the focus of the articles, TDOT considers under each keyword the larger groups of words that are related linguistically or semantically. The lexical work includes detailed surveys of a word's occurrences, not only in biblical material but also in other ancient Near Eastern writings. Sumerian, Akkadian, Egyptian, Ethiopic, Ugaritic, and Northwest Semitic sources are surveyed, among others, as well as the Qumran texts and the Septuagint; and in cultures where no cognate word exists, the authors often consider cognate ideas. TDOT's emphasis, though, is on Hebrew terminology and on biblical usage. The contributors employ philology as well as form-critical and tradition-historical methods, with the aim of understanding the religious statements in the Old Testament. Extensive bibliographical information adds to the value of this reference work. This English edition attempts to serve the needs of Old Testament students without the linguistic background of more advanced scholars; it does so, however, without sacrificing the needs of the latter. Ancient scripts (Hebrew, Greek, etc.) are regularly transliterated in a readable way, and meanings of foreign words are given in many cases where the meanings might be obvious to advanced scholars. Where the Hebrew text versification differs from that of English Bibles, the English verse appears in parentheses. Such features will help all earnest students of the Bible to avail themselves of the manifold theological insights contained in this monumental work.

**X Troop** Feb 23 2022 "Brilliantly researched, utterly gripping history: the first full account of a remarkable group of Jewish refugees—a top-secret band of brothers—who waged war on Hitler."—Alex Kershaw, New York Times best-selling author of

The Longest Winter and TheLiberator The incredible World War II saga of the German-Jewish commandos who fought in Britain's most secretive special-forces unit—but whose story has gone untold until now June 1942. The shadow of the Third Reich has fallen across the European continent. In desperation, Winston Churchill and his chief of staff form an unusual plan: a new commando unit made up of Jewish refugees who have escaped to Britain. The resulting volunteers are a motley group of intellectuals, artists, and athletes, most from Germany and Austria. Many have been interned as enemy aliens, and have lost their families, their homes—their whole worlds. They will stop at nothing to defeat the Nazis. Trained in counterintelligence and advanced combat, this top secret unit becomes known as X Troop. Some simply call them a suicide squad. Drawing on extensive original research, including interviews with the last surviving members, Leah Garrett follows this unique band of brothers from Germany to England and back again, with stops at British internment camps, the beaches of Normandy, the battlefields of Italy and Holland, and the hellscape of Terezin concentration camp—the scene of one of the most dramatic, untold rescues of the war. For the first time, X Troop tells the astonishing story of these secret shock troops and their devastating blows against the Nazis. “Garrett’s detective work is stunning, and her storytelling is masterful. This is an original account of Jewish rescue, resistance, and revenge.”—Wendy Lower, author of *The Ravine* and National Book Award finalist *Hitler’s Furies*

The Leo Frank Case May 17 2021 The events surrounding the 1913 murder of the young Atlanta factory worker Mary Phagan and the subsequent lynching of Leo Frank, the transplanted northern Jew who was her employer and accused killer, were so wide ranging and tumultuous that they

prompted both the founding of B'nai B'rith's Anti-Defamation League and the revival of the Ku Klux Klan. The Leo Frank Case was the first comprehensive account of not only Phagan's murder and Frank's trial and lynching but also the sensational newspaper coverage, popular hysteria, and legal demagoguery that surrounded these events. Forty years after the book first appeared, and more than ninety years after the deaths of Phagan and Frank, it remains a gripping account of injustice. In his preface to the revised edition, Leonard Dinnerstein discusses the ongoing cultural impact of the Frank affair.

**Hebrew in its West Semitic Setting. A Comparative Survey of Non-Masoretic Hebrew Dialects and Traditions.**

**Part 1. A Comparative Lexicon** Oct 02 2022 This is the third and final volume of the lexical part of the work. Section Bb contains comparative material to the root system from cognate languages, including sixteen Semitic and three Cushitic fairly well represented languages as well as Tuareg, Hausa, old Egyptian and Coptic quoted systematically; Omotic; Berber other than Tuareg, and Chadic other than Hausa likewise as groups; other Semitic and Cushitic less regularly; etymological and semantic comments follow dictionary entries; phonological discussion, including an attempt at the determination of pre-Semitic phonemes on the basis of actual attestation, is mainly concentrated in the introduction. Sections CDE contain the numerals (under 100), pronouns and particles, Hebrew material together with the comparative one and discussion after the entries.

**The Story of God's Love for You** Mar 03 2020 It's an adventure story about a young Hero who comes from a far country to win back his lost treasure. It's a love story about a brave Prince who leaves his palace, his throne—everything—to rescue the one he loves. The best

thing about this Story is—it's true! And at the center of the Story, there is a baby. The Child upon whom everything would depend. All the stars, mountains, oceans, and galaxies were nothing compared to how much God loved his children. He would move heaven and earth to be near them. Always. Whatever happened, whatever it cost him, he would always love them. And so it was that the wonderful love story began. The Story of God's Love for You: Is for teenagers and adults who want to read and learn about the story of God's love for them Includes 44 short chapters that lead you through the beautiful story of the Bible—Genesis to Revelation Masterfully shows how all the individual Bible stories fit together into one cohesive narrative that points to Jesus Makes the big picture of Scripture clear to new believers, and helps seasoned believers fall in love with the Bible all over again Features text from bestselling author Sally Lloyd-Jones that brings the truths of the Bible into a new light for today's world The beauty and peace that only God's love can provide pulses through every page. Just as The Jesus Storybook Bible is an essential book for the library of every child, The Story of God's Love for You is an essential book for the library of every adolescent and adult.

**Lesson Plans for Daily Life Through History** Mar 27 2022 Brings history lessons to life with 50 document-based lesson

plans to accompany *Daily Life through History*.

*Gilgamesh Epic and Old Testament Parallels* Jul 19 2021

Cuneiform records made some three thousand years ago are the basis for this essay on the ideas of death and the afterlife and the story of the flood which were current among the ancient peoples of the Tigris-Euphrates Valley. With the same careful scholarship shown in his previous volume, *The Babylonian Genesis*, Heidel interprets the famous Gilgamesh Epic and other related Babylonian and Assyrian documents. He compares them with corresponding portions of the Old Testament in order to determine the inherent historical relationship of Hebrew and Mesopotamian ideas.

*Ethiopian Semitic: Studies in Classification* Jul 31 2022

*Jewish Resistance During the Holocaust* Jul 07 2020

It is a common belief that Jews did nothing to resist their own fate in the Holocaust. However, the realities of disintegrating physical and psychological conditions, and the efforts of ghetto undergrounds to counter collaborationist Judenrat policies and the despair, could not but lead to a breakdown in spiritual life.

*Mussolini and the Rise of Fascism (Text Only Edition)* May 05 2020

In this fascinating look at the unique conjuncture of factors surrounding Il Duce's seizure of power, eminent historian Donald Sassoon traces the political circumstances that sent Italy on a collision course with the most destructive war of the century.

**Teaching Climate History** Nov 30 2019 Welcome to the Anthropocene. Since the start of the Industrial Revolution, human-caused climate change has impacted the globe with the burning of fossil fuels. The debate in classrooms and the political realm should not be whether climate change is happening or how much it places human civilization at risk but over how societies and individuals should respond. This interdisciplinary book offers an in-depth examination of the

history of the Earth's climate and how historians and citizens can influence contemporary climate debate and activism. The author explains climate history and climate science and makes this important subject matter accessible to a general audience. Chapter topics include examining the Earth's geological past, the impact of climate on human evolution, the impact of climate on earlier civilizations, climate activism, and the need for international cooperation. Presenting climate history, human history, and climate science in a readable format and featuring resources for students, this book is meant for use by teachers in high school elective or an introductory college course setting.
