Moonlight And Midtown Sep 05 2020 "Mixes cherished fantasy classics with modern magic and moxie" – Foreword After battling werewolves and evil aunties, Bryar Rose is ready to enjoy her new life. No more crazy aunties. Her curse is toast. And Bry's new man, Knox, is literally a dream come true. Best of all, Bry will soon attend a regular high school. Forget those sketchy tutors! To get ready, Bry is dedicating the rest of her summer to some serious back-to-school shopping with her best friend, Elle. It's a blast, except for one thing: Mysterious strangers are following Bry across Manhattan. All these stalkers have oddly familiar scents and an uncanny ability to slip into the shadows whenever Bry tries to confront them. Even worse, their presence is making Knox act crazy with a capital C. "Bauer's unique voice blends magical fantasy, swooning romance, and a bucketful of teenage sass." – Booklist But Bry's having none of it. Enough of her life has already been ruined by secrets. With Elle's help, Bry plans to confront these strangers, find out what they want, and send them packing. Trouble is, the truth about their identity won't be so easy to manage, especially when Bry finds out how these stalkers could change her future with Knox...and not for the better. Witches don't wield toilet brushes, so "Rapunzel care" becomes the job of Tower Tithes like me. Not that we choose this gig. We're just unlucky elves who get magically chucked into servitude. Since our kind live for ages, being a Tower Tithe can drag on for thousands of years... and I'm seventeen. Yipes. That said, it wouldn't be too awful if I had a cool Rapunzel. No such luck. I serve none other than Lady R, the social media sensation and sadist who lives in Manhattan's famous Apex Towers. With the help of her manager—a witch named Jocasta—Lady R releases daily gossip videos while assigning me “torture chores.” Many tasks are designed to remind me how Lady R is the gorgeous variety of elf, while I'm beyond plain. Fire And Cinder Aug 05 2020 Meet the Magicorum: modern folks who are supernaturally locked into fairy tale life templates. For eighteen-year-old Elle, that

role is Cinderella. Meanwhile, Agatha is her evil stepsister. Things go downhill from there... Cinderella On The Run Elle—never call her Cinderella—has found the love of her life in Alec Le Charme, the prince of a jewelry dynasty. But when Alec gets spirited away, Elle must ditch her Manhattan home for the perilous Faerie Lands. To save Alec, Elle must also swap her glass slippers for a flying carpet. But will switching templates from Cinderella to Aladdin snap Elle's sanity? Whatever. Bring on the straight jacket. Elle is one Cinderella who's determined to save her prince, no matter what. Evil Stepsister or Elf Queen? Agatha always accepted her role as Elle's evil stepsister. Then her life template changes from nasty sibling to evil elf queen. Agatha has one thought on that score. Thanks but no thanks. Agatha refuses the regal life, even though stepping away from her crown means ignoring her lifelong attraction to the elf prince, Jacoby. Then everything changes. Agatha discovers that Elle's life is at risk... and the only way to save her Cinderella is by teaming up with Jacoby. Trouble is, that's a lot of togetherness. Working with Jacoby could easily end in disaster, not only for Agatha's heart, but also for Elle and Alec's lives. Fairy Tales of the Magicorum Modern fairy tales with sass, action, and romance 1. Fairies And Frosting Oct 07 2020 "One of those series that takes you by storm! From start to finish I was pulled into this world of fairytale templates and magic!" - Dairy of a Wannabe Writer At last, Elle (never call her Cinderella) is reunited with Alec, the Prince of Le Charme Jewelers. Yay! But the pair soon discovers that Alec's gemstone empire is about to go bankrupt. Boo. So our favorite couple devises a kick-ass scheme to save Le Charme. To announce their plan, Elle and Alec will hold a Glass Slipper Festival complete with music, dancing and cake. Lots of cake. There's only one problem. The Unseelie fae have returned. Talk about bad news. No one combines lovely looks with dark intentions better than the Unseelie. Now, those nefarious fae want to destroy Elle, Alec and any hope for Le Charme. It doesn't end there, either. The Unseelie are also targeting Elle's stepsister, Agatha, as well as her old friend, Jacoby. And when will the Unseelie launch their deadly schemes? Angelbound (Angelbound Origins #1) Oct 31 2022 Eighteen year old Myla Lewis is a girl who loves two things: kicking ass and kicking ass. She's not your

every day quasi-demon, half-demon and half-human, girl. For the past five years, Myla has lived for the days she gets to fight in Purgatory's arena. When souls want a trial by combat for their right to enter heaven or hell, they go up against her, and she hasn't lost a battle yet. But as she starts her senior year at Purgatory High, the arena fights aren't enough to keep her spirits up anymore. When the demons start to act weird, even for demons, and the King of the Demons, Armageddon, shows up at Myla's school, she knows that things are changing and it's not looking good for the quasi-demons. Myla starts to question everything, and doesn't like the answers she finds. What happened seventeen years ago that turned the quasi-demons into slave labor? Why was her mom always so sad? And why won't anyone tell her who her father is? Things heat up when Myla meets Lincoln, the High Prince of the Thrax, a super sexy half-human and half-angel demon hunter. But what's a quasi-demon girl to do when she falls for a demon hunter? It's a good thing that Myla's not afraid of breaking a few rules. With a love worth fighting for, Myla's going to shake up Purgatory.

Zinnia Special Edition May 02 2020 "Has EVERY damn thing I want in a series ... great world building, slow-building romance, and great sidekicks!" - The Accidental Reader As the last dragon shifter, I live alone, hiding in one of Earth's sacred deserts. My human handlers tell me that I have no parents, no name, and no purpose other than to train for battle and one day become a vessel for the reincarnation of Chimera, the greatest dragon shifter of all. Sadly, Chimera's rebirth will mean my own death. But my handlers say this sacrifice is a noble fate that will rebuild the dragon shifter world. I shall die on my seventeenth birthday. That's five days from now. Then I hear music thumping across the desert. I take my mortal form, follow the sound, and find humans dancing in what they call a rave. There is a stage and a rock band. One thing quickly becomes clear: Unlike the audience, the musicians are dragon shifters, just like me. And one of them, the guitar player Rhodes, makes my knees turn watery. The lead singer, Kaps, has something strangely familiar about her. It all adds up to one conclusion: My handlers lied to me. I'm not the last of my kind. Memories reappear. I had parents once. Portia and Tempest. I even had a name. Zinnia. Perhaps I have a reason to live as well. I step past the dancing humans to confront the players. I will find out the full truth, no matter what. Portia Nov 07 2020 Unlike her famous older brother Maxon, Princess Portia isn't known for killing demons or attracting admirers. The reason why is simple: a spell was cast on Portia, and the magic has marked her to one day transform into a dreaded Void demon. To fight this horrible fate, Portia's spent her life hiding in libraries and learning magic. But when the Void demons threaten to destroy all the after-realms--and the handsome dragon Emperor Tempest offers his help--

then Portia suspects that her future holds more than just a demonic metamorphosis. Fate is calling the bookworm princess onto the battlefield, and it's a fight against both deadly enemies and her heart's desires.

The Brutal Time Jul 04 2020 "I love Christina Bauer's style of writing, the characters are fabulous, and the protagonist is truly amazing. I love Myla and the incredible Lincoln. Wow, incredible!" - Christina Blake, Goodreads Myla Lewis loves kicking demon ass. Sadly, now that she's the Great Scala as well as Queen of the demon hunting thrax, there's no time to battle baddies. Sure, it's great to rule alongside her main squeeze Lincoln--and their baby Maxon is adorbs--but what about some demon killing fun? Then Myla gets a chance to fight tons of evildoers, but it's in the worst way imaginable. All the thrax disappear, except for Lincoln. Even sweet baby Maxon vanishes. With the demon hunters gone, the worldwide population of big bads goes berserk. Talk about a nightmare. Turns out, the evil archangel Lucifer left behind another magical trinket that's causing trouble. This time, Lucifer's signet ring has changed the past, preventing the thrax from ever organizing in the first place. To bring back the thrax and their son, Myla and Lincoln must travel back in history--to the era called the Brutal Time--and try to convince the pre-thrax peoples to team up. Trouble is, these folks already have a powerful leader, the Red Scourge, and that creep doesn't want his people hunting down demons. Nope. The Red Scourge has only one goal. Kill Myla and Lincoln, fast. "These books don't just capture your attention, they straight up demand it. Angelbound Enhanced Dec 29 2019 Eighteen-year-old Myla Lewis is a girl who loves two things: kicking ass and kicking ass. She's not your every day quasi-demon, part-demon and part-human, girl. For the past five years, Myla has lived for the days she gets to fight in Purgatory's arena. When souls want a trial by combat for their right to enter Heaven or Hell, they go up against her, and she hasn't lost a battle yet. But as she starts her senior year at Purgatory High, the arena fights aren't enough to keep her spirits up anymore. When the demons start to act weird, even for demons, and the King of the Demons, Armageddon, shows up at Myla's school, she knows that things are changing and it's not looking good for the quasi-demons. Myla starts to question everything, and doesn't like the answers she finds. What happened seventeen years ago that turned the quasi-demons into slave labor? Why was her mom always so sad? And why won't anyone tell her who her father is? Things heat up when Myla meets Lincoln, the High Prince of the Thrax, a super sexy part-human and part-angel demon hunter. With a love worth fighting for, Myla's going to shake up Purgatory. ***Special enhanced edition with eight full-page images*** "This book is so wonderful. People think that Myla's supernatural pregnancy is making her cray cray. Mostly because that's what Evil Lincoln is telling everyone, and that man's a great liar. What a creep. Wolves And Roses Dec 21 2021 "Fun for Twilight fans!" - School Library Journal Seventeen-year-old Bryar Rose has a problem. She's descended from one of the three magical races—shifters, fairies, or witches. That makes her one of the Magicorum, and Magicorum always follow a fairy tale life template. In Bryar's case, that template should be Sleeping Beauty. Should be the key word. Trouble is, Bryar is nowhere near the sleeping beauty life template. Not even close. She doesn't like birds or woodland creatures. She can't sing. And she certainly can't stand Prince Philpot, the so-called "His Highness of Hedge Funds" that her aunties want her to marry. Even worse, Bryar's having recurring dreams of a bad boy hottie and is obsessed with finding papyrus from ancient Egypt. What's up with that? "Exciting and well-conceived" – Kirkus All Bryar wants is to attend a regular high school with normal humans and forget all about shifters, fairies, witches, and the curse that Colonel Mallory the Magnificent placed on her. And she might be able to do just that—if only she can just keep her head down until her eighteenth birthday when the spell that's ruined her life goes buh-bye. But that plan gets turned upside down when Bryar Rose meets Knox, the bad boy who's literally from her dreams. Knox is a powerful werewolf, and his presence in her life changes everything, and not just because he makes her knees turn into Jell-O. If Bryar can't figure out who—or what—she really is, it might cost both her and Knox their lives... as well as jeopardize the very nature of magic itself. Scythe Apr 12 2021 "Christina Bauer has a gift with sucking you into a story and not letting go until the final sentence is over. This was one of those stories." - The Book Herald A prequel novella to the new series from USA Today's 'must read YA paranormal romance' author, Christina Bauer. Truth time. I go to a Learning Squirrel High School. Don't judge. On second thought, judge away. Learning Squirrel is one step above attending class in a junkyard. But what do you expect? Everything's made out of garbage these days. At least, I have my freelance work to keep Mom and me housed, clothed, and fed. How? I'm your regular high school science geek for hire... only my work manipulates space-time. These gigs pay really well, but the government wants people like me dead. Good thing I'm super careful about hiding from their detection systems. Then I screw up a job. Badly. My house slips into two-dimensional space-time. It only lasts for a few seconds, but the move still sets off about a dozen government alarms. If they track me down, Mom and I are good as dead. Long story short, I need to pay someone off, hide the evidence, and keep us safe. Unfortunately, that means asking the Scythe for help. He runs the local underground crime scene and has absolutely no conscience. Or I'm pretty sure he doesn't. It's hard to think straight when a guy's that hot in an evil Mafioso kingpin kind of way. More importantly, he's a crime lord who can conceal my slip-up with a few clicks on his minion's computer keyboards. But the Scythe has his price. In this case, he

wants me to finish a certain dimensional prototype for him in twenty-four hours. I can do it, but it might mean Learning Squirrel High gets blown up in the process. Oh yes, and there's also my new hot classmate who may or may not be an alien... and he says he'll do anything to help me. This job won't be easy, but I've gotten out of worse scrapes. Maybe.
