Believing God Oct 26 2022 "Is it working? Your belief system, that is. Is it really working? God's intention all along has been for the believer's life to work. From divine perspective toward terrestrial turf, God meant for his children to succeed. . . Are our Christian lives successful? Are they achieving and experiencing what Scripture said they would? In a recent sermon my son-in-law preached, Curt told us the only way we were going to impact the world and the next generation is to prove that our faith in Christ is real and that it works. For countless Christians I'm convinced it's real. My concern is whether or not we have the fruit to suggest it works."—Beth Moore; *Believing God*

When Godly People Do Ungodly Things Feb 06 2021 It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. *When Godly People Do*

Ungodly Things will be a guide to authentic repentance and restoration.

It's not like they were close. She hadn't seen him—or her grandmother, the ice queen—in almost 20 years. But when Adella Atwater, the manager of her grandmother's apartment house, called and said Jillian's expenses would be paid if she'd fly in for the burial, a free trip to New Orleans was too intriguing to resist. What Adella didn't tell her was that the apartment house wasn't a house at all and, whatever it was, bore the dead weight of a long and painful history. As soon as Jillian meets the odd assortment of renters and realizes that her grandmother had no idea she was coming, she hatches a plan to escape. But the investigation into her father's death quickly unfolds and Jillian is drawn into the lives of the colorful collection of saints and sinners who pass through Saint Silvanus. She soon discovers there is more at stake than she ever imagined. Who is behind the baffling messages and the strange relics left on the steps? Is it possible that her family is actually cursed? Or is it just this crazy old house that holds them all under its spell? Jillian walks into a web of spiritual and personal danger borne out of her family's broken history, and despite Adella's wildest efforts, only God himself can orchestrate the undoing of all that is going on at Saint Silvanus.
