Pratiques de Yoga Avancées - Leçons faciles pour une vie extatique May 29 2020 Le principe du Yoga est simple. Il y a une réalité extérieure et une réalité intérieure et notre système nerveux est la porte entre les deux. Des pratiques de yoga efficaces activent l'ouverture de cette porte. Le résultat ? Paix, créativité, bonheur et une montée régulière de félicité extatique qui rayonne à travers nous... Les Pratiques de Yoga Avancées (AYP) mettent ensemble les méthodes de yoga les plus efficaces en un système souple intégré que chacun peut utiliser. Les instructions sont données dans un langage simple pour la méditation profonde, le pranayama de la respiration spinale, les manipulations du corps (asanas, mudras et bandhas), les pratiques sexuelles tantriques, et d'autres méthodes qui sont appliquées de façon systématique pour ouvrir la porte de notre système nerveux à une expérience permanente plus haute. C'est une approche qui n'est pas sectaire et qui est compatible avec n'importe quel environnement religieux ou système de croyance. Ce livre comprend environ 240 leçons faciles à suivre, avec de nombreuses questions et réponses pratiques entre des pratiquants de yoga et l'auteur. Que vous débutiez le yoga ou que vous soyez un vétéran, les leçons AYP peuvent vous servir de ressource utile pour votre voyage sur le chemin que vous avez choisi.

French in Action Mar 19 2022 Since it was first published, French in Action: A Beginning Course in Language and Culture—The Capretz Method has been widely recognized in the field as a model for video-based foreign-language instructional materials. The third edition, revised by Pierre Capretz and Barry Lydgate, includes new, contemporary illustrations throughout and, in the Documents section of each lesson, more-relevant information for today's students. A completely new feature is a journal by the popular character Marie-Laure, who observes and comments humorously on the political, cultural, and technological changes in the world between 1985 and today. The new edition also incorporates more content about the entire Francophone world. In use by hundreds of colleges, universities, and high schools, French in Action remains a powerful educational resource that this third edition updates for a new generation of learners. Part 2 gives students at the intermediate level the tools they need to communicate effectively in French and to understand and appreciate French and Francophone cultures.
