*Star Fall* Jan 05 2021 SERIES FINALE!!! The enemy marches on. While hope is fading, all is not lost. Grayson has information that could change the outcome of the war. He's beaten but not broken and ready to rejoin the fight. Except his failing starship is weeks away from the nearest port. Except slowing the aliens means convincing sworn enemies to join forces in a fight they cannot win. Except his only chance at victory may rest in a derelict ship floating beyond the edge of space. Earth is in the enemy's crosshairs and time is running out. It'll take every last bit of strength, courage, and resolve Grayson possesses to stop the invasion before it's game over. Or is it already too late?  
*Johnny Tremain* Mar 07 2021 After injuring his hand, a silversmith's apprentice in Boston becomes a messenger for the Sons of Liberty in the days before the American Revolution.  
[Wooden Rings](#) Nov 22 2019 Making wooden rings is a fun and interesting hobby that anyone

can learn fairly quickly, no matter if they have woodworking experience or not. The process requires very few tools, inexpensive materials, and just about everyone will be able to turn out a nice looking ring on their very first effort. Inside these pages are step by step instructions as well as photographic examples of over fifty rings, and more than 400 color images that describe every aspect of the process. This includes detailed chapters on wood selection, as well as basic construction methods, gluing, inlaying, shaping, and finishing. Each of these processes is described in detail, complete with pictures and explanations so that anyone can follow along and make an excellent looking ring. A wooden ring is more than just a piece of jewelry, it is a traditional item with historical and cultural significance. Wooden rings were some of the very first pieces of jewelry ever made, and they have a tradition that is almost as old as woodworking itself. Since the discovery of how to work precious metals,

wooden ring making has become a forgotten art that only a few still practice today. With this book, anyone can make a truly beautiful and one of a kind ring that is a statement to craftsmanship and the time honored tradition of woodworking.

[Silent War](#) Oct 22 2019 Cassidy joins the rebellion fighting the dark regime responsible for the suppression of the governing AI, pitting his extraordinary skills and resolve against the forces of corruption and control. While one truth has set him free, a second revelation awaits. But will it elevate him to the next level... or lead to the downfall of everything?

*The Curious Incident of the Dog in the Night-Time* Nov 03 2020 NATIONAL BESTSELLER • A modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. “Disorienting and reorienting the reader to devastating effect.... Suspenseful and

harrowing.” —The New York Times Book Review Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.

**The Speed of Trust** Jun 10 2021 From Stephen R. Covey's eldest son come a revolutionary book that will guide business leaders, public figures and their organizations towards unprecedented productivity and satisfaction. Trust, says Stephen M. R. Covey, is the very basis of the 21st century's global economy, but its power is generally overlooked and misunderstood. Covey shows you how to inspire immediate trust in everyone you encounter - colleagues, constituents, the marketplace - allowing you to forego the time-killing and energy-draining check and balance bureaucracies that are so often relied upon in lieu of actual trust.

**Exodus** Jun 22 2022 In the year 2050, Earth makes first contact. By 2052, the war is over. We lose. Our last hope for survival rests inside a massive hangar hidden within the Rocky Mountains. Pioneer is the largest starship ever constructed. A marvel of human ingenuity and the apex of our technological know-how, she's

ready to embark on a long journey across the final frontier in search of a new world to call home. But space is full of danger. And some problems are hard to leave behind... If you're a fan of Battlestar Galactica, Star Trek, Aliens, or The Expanse, you'll love Exodus - the latest sci-fi epic from million-selling author M.R. Forbes. **A Handful of Summers** Jul 31 2020 A cult classic, from an era populated by the most colourful tennis players of all time, A Handful of Summers is an uninhibited account of adventures on the tennis circuits of the world. More about the hilarious escapades of players than the game itself, the book begins with a short series of vignettes from Forbes' childhood on a Cape farm, then takes the reader on a tennis tour - into locker rooms and restaurants, narrow streets and small hotels, and onwards to the lawns of Wimbledon and the caramel coloured clays of Roland Garros.

**Forgotten** Sep 25 2022 Sheriff Hayden Duke was born on the Starship Pilgrim, and expects to die there. Access points to the ship's controls are sealed, and systems that guide her are out of reach. It isn't perfect, but he has all he needs to be content- until his wife disappears. The only clue is a bloody hand print beneath a hatch that hasn't opened in hundreds of years.

**Hell's Rejects** Aug 24 2022 The most powerful starships ever constructed are gone. Thousands are dead. A fleet is in ruins. The attackers are unknown. The orders are clear: Recover the ships. Bury the bastards who stole them. Lieutenant Abigail Cage never expected to find

herself in Hell. As a Highly Specialized Operational Combatant, she was one of the most respected soldiers in the military. Now she's doing hard labor on the most miserable planet in the universe. Not for long. The Earth Republic is looking for the most dangerous individuals it can control. The best of the worst, and Abbey happens to be one of them. The deal is simple: Bring back the starships, earn your freedom. Try to run, you die. It's a suicide mission, but she has nothing to lose. The only problem? There's a new threat in the galaxy. One with a power unlike anything anyone has ever seen. One that's been waiting for this moment for a very, very, long time. And they want Abbey, too. Be careful what you wish for. They say Hell hath no fury like a woman scorned. They have no idea...

**Star Fire** Mar 19 2022 New from million-copy bestseller M.R. Forbes. One man's epic story of loyalty, perseverance, and hope in a galaxy at war. Alliance Navy Commander Grayson Stone is patrolling a nearby space station when a mysterious starship appears. It emerges from a storm of fire, its shields impenetrable, its weapons overwhelming, attacking without provocation and annihilating everything in its path. While his ship is badly damaged in the assault, Grayson manages to survive. Suddenly trapped behind the front line of the invasion, faced with gut-wrenching choices and near-impossible odds, he'll do whatever it takes to escape the grasp of the terrifying new enemy and send warning back home. Because if he

fails, humankind will fall.

Deception Apr 20 2022 Interstellar colony ship Deliverance. Somewhere in deep space. The Deliverance is tragically off course, missing its rendezvous with the escaping fleet and leaving the survival of the colony in serious jeopardy. Pulled out of hibernation years too late, Caleb is thrown into the middle of the crisis and forced back into the fight. With the ship low on power and time running out, it's up to him to find some way, any way, to overcome an impossible situation and get the colony to safety. Otherwise, the only thing he'll be protecting is a tomb... Deception is the second book in the Forgotten Colony series. The first book, Deliverance, was a Top 10 sci-fi bestseller, and also reached #1 in both Military Science-fiction and Space Opera. If you love Aliens, Battlestar Galactica, Starship Troopers, Ender's Game, or Edge of Tomorrow, you'll love this epic military sci-fi thriller.

The Lies of Locke Lamora Aug 20 2019

"Remarkable . . . Scott Lynch's first novel, The Lies of Locke Lamora, exports the suspense and wit of a cleverly constructed crime caper into an exotic realm of fantasy, and the result is engagingly entertaining."—The Times (London) An orphan's life is harsh—and often short—in the mysterious island city of Camorr. But young Locke Lamora dodges death and slavery, becoming a thief under the tutelage of a gifted con artist. As leader of the band of light-

fingered brothers known as the Gentleman Bastards, Locke is soon infamous, fooling even the underworld's most feared ruler. But in the shadows lurks someone still more ambitious and deadly. Faced with a bloody coup that threatens to destroy everyone and everything that holds meaning in his mercenary life, Locke vows to beat the enemy at his own brutal game—or die trying. Praise for The Lies of Locke Lamora "Fresh, original, and engrossing . . . gorgeously realized."—George R. R. Martin "Right now, in the full flush of a second reading, I think The Lies of Locke Lamora is probably in my top ten favorite books ever. Maybe my top five. If you haven't read it, you should. If you have read it, you should probably read it again."—Patrick Rothfuss, New York Times bestselling author of The Name of the Wind "A unique fantasy milieu peopled by absorbing, colorful characters . . . Locke's wit and audacity endear him to victims and bystanders alike."—The Seattle Times "A true genre bender, at home on almost any kind of fiction shelf . . . Lynch immediately establishes himself as a gifted and fearless storyteller, unafraid of comparisons to Silverberg and Jordan, not to mention David Liss and even Dickens."—Booklist (starred review) "High-octane fantasy . . . a great swashbuckling yarn of a novel."—Richard Morgan *Damnation* Jun 29 2020 The enemy is everywhere. Our existence hangs by a thread. On Earth we're dying - the ships have landed. On Proxima we're ignorant - the sabotage

nearly complete. Our strongholds are routed. Our defenses crippled. Our wills are broken. Our hope is gone... .. or is it? Three heroes. Two battlefronts. One desperate chance for victory. Don't miss the exhilarating final installment of Forgotten Vengeance, the series readers have called 'a wild page-turner, ' or binge read the entire trilogy starting with Invasion today!

Mindfracked Jan 17 2022 In the twenty-fourth century, technology has cracked the secret inner workings of the human mind wide open. Memories are only as persistent as the timestamp with which they're written, while human consciousness can be saved to a storage device the size of a quarter and temporarily imprinted on another person's brain stem in order to gain control. The possibilities are endless. As a member of Special Investigations, Cassidy is nearing his fiftieth imprint. Male, female, young or old, the tenet is always the same. Borrow the repo, do the job, clean up the loose ends and don't corrupt. After seventy years in the department, he thinks he's seen it all. He's never seen anything like this. Waking up illegally imprinted and sent to hunt a dangerous fugitive is just the start. Cassidy's about to learn that the world he knows isn't what it seems... Nothing is.

**Starship Eternal** Feb 06 2021 -----  
----- A lost starship... A dire warning from futures past... A desperate search for salvation... -----

Captain Mitchell "Ares" Williams is a Space Marine and the hero of the Battle for Liberty, whose Shot Heard 'Round the Universe saved the planet from a nearly unstoppable war machine. He's handsome, charismatic, and the perfect poster boy to help the military drive enlistment. Pulled from the war and thrown into the spotlight, he's as efficient at charming the media and bedding beautiful celebrities as he was at shooting down enemy starfighters. After an assassination attempt leaves Mitchell critically wounded, he begins to suffer from strange hallucinations that carry a chilling and oddly familiar warning: They are coming. Find the Goliath or humankind will be destroyed. Convinced that the visions are a side-effect of his injuries, he tries to ignore them, only to learn that he may not be as crazy as he thinks. The enemy is real and closer than he imagined, and they'll do whatever it takes to prevent him from rediscovering the centuries lost starship. Narrowly escaping capture, out of time and out of air, Mitchell lands at the mercy of the Riggers - a ragtag crew of former commandos who patrol the lawless outer reaches of the galaxy. Guided by a captain with a reputation for cold-blooded murder, they're dangerous, immoral, and possibly insane. They may also be humanity's last hope for survival in a war that has raged beyond eternity.

Pride and Prejudice Feb 24 2020 Pride and Prejudice by Jane Austen, is considered as one of the worlds top book classics. It was initially published in 1813 and was the author's second

novel which also became her most popular novel. The scene is set in England in early 19th century with 20 year old Elizabeth Bennett, the second eldest of five daughters developing a relationship with the single, handsome and wealthy gentleman, Mr Darcy. Elizabeth endures issues of upbringing, independence, social manners, morality, education and marriage within a high aristocrat society. As their love unfolds, Mr Darcy overcomes his pride of being with someone of a lower social class and Elizabeth overcomes her prejudice of Mr Darcy. A classic love story and one of the most famous novels in English literature. This digital edition is beautifully formatted with an active Table of Contents that goes directly to each chapter. Mermaids Classics, an imprint of Mermaids Publishing brings the very best of old book classics to a modern era of digital reading by producing high quality books in ebook format.

**Destruction** Jul 23 2022 The Deliverance isn't alone. That's not a surprise. The planet was chosen for a reason. But the situation is more dire than Caleb ever imagined. The enemy he's encountered isn't the enemy he was seeking, and the conflict is expanding in ways he can barely conceive. Taken prisoner by an opponent both familiar and foreign, he'll have to prove himself one more time... Or watch everything he's fought so hard to protect be destroyed. Destruction is the fourth book in the Forgotten Colony series. If you love Aliens, Battlestar Galactica, Starship Troopers, Ender's Game, or

Edge of Tomorrow, you'll love this epic military sci-fi thriller.

Rebellion. The Complete Series Dec 16 2021

**Star Kill** Jun 17 2019 Out of the fire, and into...Alliance Navy Commander Grayson Stone is a prisoner. His encounter with the alien invaders is behind him, a reckoning years in the making ahead. War in the galaxy is about to explode in a way he never imagined. The fate of humankind rests on a razor's edge. He won't remain idle. One way or another, he's determined to escape. To send warning of the imminent assault and sound the call to this new war. To save humankind. Or lose everything. To kill. Or be killed.

**Parliamentary Papers** May 29 2020  
Eight Hours for Laborers on Government Work  
Jan 25 2020

**The Peter Principle** Apr 27 2020 In a hierarchy, every employee rises to the level of their own incompetence. This simple maxim, defined by this classic book over 40 years ago, has become a beacon of truth in the world of work. From the civil service to multinational companies to hospital management, it explains why things constantly go wrong: promotion up a hierarchy inevitably leads to over-promotion and incompetence. Through barbed anecdotes and wry humour the authors define the problem and show how anyone, whether at the top or bottom of the career ladder, can avoid its

pitfalls. Or, indeed, avoid promotion entirely!  
*No Good Deed* Sep 01 2020 Once. Just once. Sheriff Hayden Duke would love to get involved in a mess that didn't blow up into an all-out disaster. Not this time. His hunt for clues has led him to more questions and a whole heap of new trouble: He lost his horse, his newest ally is a wanted man, and the enemy he's chasing isn't the enemy he expected. They're worse. Much, much worse. They say no good deed goes unpunished. There's only one thing Hayden can do in response: Get back in the saddle and find a way to survive the inevitable showdown.

**Desperation** Aug 12 2021 The Deliverance has arrived. The planet is beautiful, lush, teeming with life and perfectly suited to the colony's needs. It's supposed to be everything they ever dreamed of. Instead, it's a nightmare. Caleb knows the truth. The ship's real mission has nothing to do with settlement. The plan is much more sinister than that. Now the race is on to prepare for the coming storm, to secure the colony and find the enemy before the enemy finds them. But when fear leads to a desperate betrayal, will it be the innocent who pay the ultimate price? Desperation is the third book in the Forgotten Colony series. The first book, Deliverance, was a Top 10 sci-fi bestseller, and also reached #1 in both Military Science-fiction and Space Opera. If you love Aliens, Battlestar Galactica, Starship Troopers, Ender's Game, or Edge of Tomorrow, you'll love this epic military sci-fi thriller.

**Foresight** Oct 26 2022 An experimental starship. An unprepared pilot. An unexpected crew. A fight for the fate of the future. Captain Nicholas Shepherd is a test pilot for Grimmel Corporation's latest experimental starship, Foresight. As a development platform for desperately needed advanced technology, a successful run of the ship's systems is vital to enable humankind's exodus from an alien-occupied Earth. After Foresight suffers a malfunction during its final scheduled flight, the lost opportunity provides the enemy the opening they need for one last attack. With his family caught in the crossfire, Nicholas realizes that the flawed starship is their best chance to escape. But it isn't long before what started as a desperate evacuation turns into something more. Much more. Joined by an unintended crew of survivors, Nicholas is about to embark on an impossible mission that will take them far beyond the outer reaches of known space. If he fails, the future of humankind will not only be lost... It will be completely erased.

**The End of Liberty (War Eternal, Book Two)** Dec 04 2020 An ancient starship discovered... An eternal enemy revealed... An impossible mission to save humankind... The Goliath has been discovered, the first of its secrets revealed. Now the race is on for Captain Mitchell Williams and his crew to return to Liberty and recover Origin's lost memories before the enemy can complete its violent conquest. It's a mission with a near-zero chance of success. A mission that only the

Riggers would be crazy enough to accept, and skilled enough to survive. A mission that will test the limits of Mitchell's mind, body, and soul, and force him to make an impossible choice that could cost the lives of millions. This is war, and if he can't win a battle for a single planet, how can he possibly change the outcome of a conflict that has raged beyond eternity?

**Man of War** Jul 11 2021 In the year 2280, an alien fleet attacked the Earth. Their weapons were unstoppable, their defenses unbreakable. Our technology was inferior, our militaries overwhelmed. Only one starship escaped before civilization fell. Earth was lost. It was never forgotten. Fifty-two years have passed. A message from home has been received. The time to fight for what is ours has come. Welcome to the rebellion.

The Sheriff 3 Oct 02 2020 On an Earth decimated by war, a lone gunslinger delivers justice, protecting the innocent and righting the wrongs of a broken world. Some call him lawman. Some call him madman. Some call him vigilante. Some call him killer. Some call him legend. They all call him the Sheriff. This is his story. BOOK 3: Sheriff Duke continues his search for the elusive Colonel. A search that will lead him deeper into his past and a confrontation with a surprising and deadly opponent.

*Unsettled* Sep 20 2019 "Unsettled is a remarkable book—probably the best book on climate change for the intelligent

layperson—that achieves the feat of conveying complex information clearly and in depth." —Claremont Review of Books "Surging sea levels are inundating the coasts." "Hurricanes and tornadoes are becoming fiercer and more frequent." "Climate change will be an economic disaster." You've heard all this presented as fact. But according to science, all of these statements are profoundly misleading. When it comes to climate change, the media, politicians, and other prominent voices have declared that "the science is settled." In reality, the long game of telephone from research to reports to the popular media is corrupted by misunderstanding and misinformation. Core questions—about the way the climate is responding to our influence, and what the impacts will be—remain largely unanswered. The climate is changing, but the why and how aren't as clear as you've probably been led to believe. Now, one of America's most distinguished scientists is clearing away the fog to explain what science really says (and doesn't say) about our changing climate. In *Unsettled: What Climate Science Tells Us, What It Doesn't, and Why It Matters*, Steven Koonin draws upon his decades of experience—including as a top science advisor to the Obama administration—to provide up-to-date insights and expert perspective free from political agendas. Fascinating, clear-headed, and full of surprises, this book gives readers the tools to both understand the climate issue and be savvier consumers of science media in general.

Koonin takes readers behind the headlines to the more nuanced science itself, showing us where it comes from and guiding us through the implications of the evidence. He dispels popular myths and unveils little-known truths: despite a dramatic rise in greenhouse gas emissions, global temperatures actually decreased from 1940 to 1970. What's more, the models we use to predict the future aren't able to accurately describe the climate of the past, suggesting they are deeply flawed. Koonin also tackles society's response to a changing climate, using data-driven analysis to explain why many proposed "solutions" would be ineffective, and discussing how alternatives like adaptation and, if necessary, geoengineering will ensure humanity continues to prosper. *Unsettled* is a reality check buoyed by hope, offering the truth about climate science that you aren't getting elsewhere—what we know, what we don't, and what it all means for our future.

**Closed For The Season** Dec 24 2019 A contemporary thriller by the bestselling author of *The Old Willis Place*. Two 13-year-old boys, Arthur and Logan, set out to solve the mystery of a murder that took place some years ago in the old house Logan's family has just moved into. The boys' quest takes them to the highest and lowest levels of society in their small Maryland town, and eventually to a derelict amusement park that is supposedly closed for the season.

**Deliverance** May 21 2022 The war is over.

Earth is lost. Running is the only option. It may already be too late. Caleb is a former Marine Raider and commander of the Vultures, an elite search and rescue team that's spent the last two years pulling high-value targets out of alien-ravaged cities and shipping them off-world. Now he's on the last starship out, under orders to join forty-thousand survivors on their journey to a new home. It's not the mission he wants, but it's a mission he's doing his best to accomplish. When Caleb meets the colony's head sheriff, she represents an opportunity for a fresh start and a chance to leave his old life behind for good... Only the mission will be harder to complete than either of them realize. And the colonists will need the old Caleb more than he ever imagined... Enter the universe of the Forgotten with Deliverance, the first book in the Forgotten Colony series. If you're a fan of Aliens, Battlestar Galactica, Starship Troopers, Ender's Game, or Edge of Tomorrow, you'll love this epic military sci-fi thriller.

**Isolation** May 09 2021 The enemy is coming. The enemy is already here. For years they've prepared. Plotted. Planned. For years they've waited to strike. From above... ...and below. Earth is under siege. The enemy covers the landscape. Proxima is unharmed. But that's about to change. No armies can stop this menace. No defenses can slow the advance. We are scattered and isolated. We are ignorant and weak. No help is coming. No help remains... ...or does it? Old heroes will sacrifice everything. New heroes will rise. Join them.

**The Sheriff 2** Oct 14 2021 On an Earth decimated by war, a lone gunslinger delivers justice, protecting the innocent and righting the wrongs of a broken world. Some call him lawman. Some call him madman. Some call him vigilante. Some call him killer. Some call him legend. They all call him... ...the Sheriff. This is chapter two of his story. In the tradition of classic westerns and set against a post-apocalyptic sci-fi backdrop, if you like Fallout, Firefly, Mad Max, or the Dark Tower, you'll love The Sheriff.

**The Fourth Industrial Revolution** Jul 19 2019 The founder and executive chairman of the World Economic Forum on how the impending technological revolution will change our lives We are on the brink of the Fourth Industrial Revolution. And this one will be unlike any other in human history. Characterized by new technologies fusing the physical, digital and biological worlds, the Fourth Industrial Revolution will impact all disciplines, economies and industries - and it will do so at an unprecedented rate. World Economic Forum data predicts that by 2025 we will see: commercial use of nanomaterials 200 times stronger than steel and a million times thinner than human hair; the first transplant of a 3D-printed liver; 10% of all cars on US roads being driverless; and much more besides. In The Fourth Industrial Revolution, Schwab outlines the key technologies driving this revolution, discusses the major impacts on governments, businesses, civil society and

individuals, and offers bold ideas for what can be done to shape a better future for all. **Earth Unending** Sep 13 2021 A menacing wasteland. A destructive new weapon. A planet on the edge of catastrophe. Sheriff Duke can't rest. There's no time to slow down. The threats are unending. The enemy unyielding. If he wants to stop the apocalypse, he'll have to cross a treacherous wasteland where the cannibals and murderers are the least of his worries, and the creatures infesting the landscape aren't the most dangerous thing in his path. The race is on, the doomsday clock is counting down, and if he fails it will be more than his wife and child that are caught in the fallout. It'll be the whole world.

**Earth Unknown** Apr 08 2021 Some things are meant to stay forgotten... Former Centurion Space Force Captain Nathan Stacker is a criminal. He isn't proud of it, but the truth is there aren't many options for men like him in a place like Proxima - humankind's closest settlement to Earth. It's surprisingly hard to make a clean start on a planet with a population of over one hundred million, and the only thing keeping him out of a containment center is a job as a courier for the Trust - the planet's ruthless crime syndicate. It isn't the life he dreamed of when he entered the Space Force, but at least he has a wife who loves him. Everything changes when Nathan returns home to find her violently murdered, killed over a dangerous secret he never knew she held. Charged with her homicide, desperate to

uncover the truth and avenge her death,  
Nathan launches a bold escape to the only  
place in the universe he thinks he'll be safe:

Earth. He couldn't be more wrong. He's about  
to learn that some secrets are bigger than a  
planet. Some secrets are impossible to escape.  
And some secrets have the power to destroy

more than one life and more than one world.  
Some secrets have the power to destroy  
everything.
