Between Two Harbors Mar 30 2020 Catalina Island—the name conjures images of a pristine tropical island. Located twenty-six miles off the coast of

Southern California, Catalina Island is known as the “island of romance” for good reason. A popular destination for boaters, fishermen, and tourists, it’s a recreational mecca at sea—a place where people come to escape from the reality of urban life. Boasting 86,000 square miles of unspoiled and undeveloped natural beauty, Catalina is an island paradise with wild animals, surrounded by an ocean teeming with fish. For thirty-two years, Charles Douglas “Doug” Oudin lived a fantasy life on this secluded oasis. As the former harbormaster, he saw it all—harrowing storms, dramatic ocean rescues, traumatic accidents, and the tragic death of actress Natalie Wood. Encounters with sharks, buffalo, wild boar, and even a “sea serpent” are just a few of the strange and unique experiences he had while living on the island. Now, in this memoir, he shares his story. For those who know and love Catalina—and those who have always wanted to visit—Between Two Harbors reveals a glimpse of what life on the island is really like.

The Harbormaster's Daughter Apr 23 2022 The story of a mother and daughter in an idyllic Cape Cod town... On a freezing January night, LaRee

Farnham answers a knock at her door to find a policewoman holding three-year-old Vita Gray, whose mother has just been murdered a few miles away. LaRee raises Vita with fierce love and attention, at the same time trying to shield her from the aftermath of the murder, which has deeply divided the historic village of Oyster Creek. Born out of wedlock, Vita is the product of the town's two very different cultures: the hard-working fishing families of Portuguese descent and the "washashores" from the mainland, who've drifted to the coast for its beauty. At sixteen, Vita is shy and isolated, estranged from her father, and bullied at school, but she is determined to come out of herself, step-by-step. When the shocking details of her past surface suddenly, Vita feels utterly betrayed by those closest to her, and the fraught tension between Oyster Creek's two cultures comes to a head. LaRee must ask hard questions about herself as a mother, while Vita turns to unexpected avenues to find meaning and discovers that the truth is almost never found in black-and-white...
