The Paper Solution Oct 04 2022 From the "Marie Kondo of paper" comes a simple and accessible guide to paper management. Americans are drowning in paper. We keep stacks of it on the kitchen counter, stash it in drawers, and store file cabinets full of documents that we never even look at. Studies show that fully 85 percent of the paper in our lives can be tossed--but which 85 percent? And how do we organize and manage the 15 percent that remains? With *The Paper Solution*, founder of Organize365 Lisa Woodruff delivers a proven, step-by-step guide for what to shred, what to save, and how to sort what's left behind. With her method, you'll learn: • What documents you must absolutely hold on to •

Which papers you can dispose of today • How to ditch your bulky filing cabinets and make your vital documents accessible and portable And at the heart of it all is the Sunday Basket: a box that sits on your counter and corrals those stray bills, forms, coupons, and scraps into an easy-to-use paper-management system. The Sunday Basket will become your new weekly habit--one that leads to less paper, less stress, and more time to spend on the things (and people) that matter most.

The Paper Solution Nov 05 2022 We are drowning in paper. We keep stacks of it on the kitchen counter, stash it in drawers, and stuff file cabinets full of documents (just one file cabinet can hold 18,000 sheets of paper - yikes). Despite this clear crisis of paper, there hasn't been a book devoted to managing and organizing this single most abundant item in our homes - until now. In *The Paper Solution*, Lisa Woodruff delivers a proven, step-by-step guide to decluttering the paper in our lives and sorting what's left behind into easily accessible, structured, and, most importantly, manageable files. The system Woodruff offers isn't based on unrealistic advice, such as 'touch a piece of paper only once'. Instead, it accounts for paper's unique qualities: its sentimental value, ability to accumulate astonishingly fast, the generational differences in how it's treated, and the fact that it's not going anywhere despite the popularity of minimalism movements such as Kon Mari. Woodruff's approach is doable, effective, and compassionate. Much more than simply cleaning out your files, *The Paper Solution* will help you organize your paperwork with a purpose-removing the heavy burden of a chaotic mess and giving you the space and time to enjoy what you love and discover a sense of peace.
