Drop Servicing Simplified Jun 25 2022 Would you like to start a profitable e-commerce business? Ideally from your home and with huge earning potential? ... without dealing with high startup costs, long working hours, and a learning curve? Drop servicing is the answer for you. Drop servicing is where you sell services and pay freelancers to fulfil the service on your behalf. You then keep the difference between what you charge your client and what you pay the freelancer. In this book, Drop Servicing Simplified, Amazon author Mickey Miller, provides a step-by-step guide into how to get started in drop servicing and how to be successful. CHAPTER 1 starts with an in-depth introduction into the Drop Servicing Business Model: What is Drop Servicing? Who is it Suitable for? The similarities and differences between drop servicing and drop shipping Pros and cons Why drop servicing is better than drop shipping The drop servicing value chain After this in-depth introduction, the second chapter discusses how to choose the most profitable services to sell: Why you should choose a niche Our proposed niche selection criteria How to tell if there is money to be made in the niche chosen How to upskill yourself to be able to sell services Which

niches to avoid One thing that is as important as choosing which service to sell is finding the right freelancer to do the job for you How to choose the right freelancer Tips on whether to choose the cheapest freelancer Tips on how to avoid hiring the wrong freelancer Chapter four then gets you into the details of how to get your website ready to sell the services you have chosenL What is a landing page? Tips for creating a highly effective landing page Tools to create your landing page How to drive higher order value through up selling and cross selling The fifth chapter then guides you how to get your first paying client, and keep the clients flowing in through paid leads and more importantly, free leads. We also take you through how to establish yourself as an expert using Quora and Reddit and the GrowZania content model to build your authority using social media. Chapter six give you tips to manage your workload (orders) and make sure you provide top client service. The last four (4) chapters then give you tips to run your business and become successful in the long run by focusing on: How to effectively communicate with your clients How to communicate with difficult or unhappy clients How to track your agency's performance, including the main metrics you should always focus on How to track your financial performance How to live the life of a successful entrepreneur through tips such as planning for the seasonality of the business and setting up your workspace for higher productivity Are you ready to take the Drop Servicing business challenge? Then let this fun 3-hour read be your step-by-step guide to take you on the journey. Scroll up to the TOP and hit the BUY NOW button.

Simplified Diet Manual Jul 02 2020 Hospitals and long-term care facilities in every state and many foreign countries use the Simplified Diet Manual to assist them in planning nutritious, appealing, and cost-effective meals that are modified to meet the dietary requirements of individuals with special health needs. While reflecting the dynamic nature of the field of nutrition, the Eleventh Edition of the Simplified Diet Manual retains its basic purpose: providing consistency among diet terminology, in a simplified manner, for the prescription and interpretation of diets or nutrition plans. The concise, user-friendly format of this resource helps dietitians and foodservice managers succeed in their vital role in maintaining nutritional health and well-being of clients in long-term care facilities, hospitals, and outpatient service centers. Revisions and additions to the Eleventh Edition of the Simplified Diet Manual include: Update of the Guidelines for Diet Planning based on Dietary Guidelines for Americans 2010 Inclusion of updated Study Guide Questions at the end of each chapter for training foodservice employees in health care facilities that are served by a registered dietitian or dietary consultant. Inclusion of online patient education handouts that coordinate with selected therapeutic diets in the manual Revision of FOOD FOR THE DAY tables using wider variety of culturally diverse foods Addition of the Mechanical Soft and Pureed Diets Addition of the Small Portion Diet Revision of the Fat Restricted Diets Addition of the DASH Diet Revision of the Diets for Kidney and Liver Disease to include potassium and phosphorus food lists and a section on Guidelines for Liver Disease Addition of the Kosher Diet Inclusion of Choose Your Foods, Exchange Lists for Diabetes (2008, American Dietetic Association, American Diabetes Association)
