**Hebrews: An Introduction and Study Guide** Jan 23 2022 This volume offers a compact introduction to one of the most daunting texts in the New Testament. The Letter to the Hebrews has inspired many readers with its encomium to faith, troubled others with its hard sayings on the impossibility of a second repentance, and perplexed still others with its exegetical assumptions and operations drawn from a cultural matrix that is largely alien to modern sensibilities. Long thought to be Paul, the anonymous author of Hebrews exhibits points of continuity with the apostle and other New Testament writers in the letter's (or sermon's) vision of life in the light of the crucified Messiah, but one also finds distinctive perspectives in such areas as Christology, eschatology, and atonement. Gray and Peeler survey the salient historical, social, and rhetorical factors to be considered in the interpretation of this document, as well as its theological, liturgical, and cultural legacy. They invite readers to enter the world of one of the boldest Christian thinkers of the first century.

**Crazy Busy** Jul 29 2022 Winner of the 2014 Christian Book of the Year Award "I'M TOO BUSY!" We've all heard it. We've all said it. All too often, busyness gets the best of us. Just one look at our jam-packed schedules tells us how hard it can be to strike a well-reasoned balance between doing nothing and doing it all. That's why award-winning author and pastor Kevin DeYoung addresses the busyness problem head on in his newest book, Crazy Busy — and not with the typical arsenal of time management tips, but rather with the biblical tools we need to get to the source of the issue and pull the problem out by the roots. Highly practical and super short, Crazy Busy will help you put an end to "busyness as usual."

**Eat This Book Sep 26 2019 Eugene Peterson's landmark Spiritual Theology series is foundational reading for the twenty-first century Church. The product of Peterson's many years' experience as both pastor and professor of the highest calibre, this series combines first-class scholarship and genuine, lived application. Beautifully written, its presents a fresh and urgent evaluation of contemporary Christian spirituality. 'St John walks up to the angel and say, "Give me the book."' writes Peterson. 'The angel hands it over, "Here it is; eat it, eat the book.'" And John does. He eats the book - not just reads it - he got it into his nerve endings, his reflexes, his imagination. The book he ate was Holy Scripture.'** Eat This Book encourages the art of the reading the Bible so that it becomes a text for living and growing, not just thinking or behaving, and recasts the ancient discipline of lectio divina - spiritual reading - for a postmodern culture. Also available in the Spiritual Theology series: Christ Plays in Ten Thousand Places, The Jesus Way, The Word Made Flesh and Practise Resurrection.

***Futures, Textbook and Study Guide*** Dec 22 2021 The must-have book for all futures traders In *Fundamental Analysis*, the legendary Jack D. Schwager has produced the most comprehensive, in-depth book ever written on the use of fundamental analysis for futures trading. In what is destined to become the bible of the futures industry, Schwager has poured out insights gathered during his long career as a trader, researcher, bestselling writer, and highly regarded authority in the field. This book is packed with invaluable information you'll use every trading day. "Futures guru Jack Schwager has created the definitive source on using fundamental analysis for price forecasting that no trader can afford to be without." -Tom Baldwin Chairman, Baldwin Group "This

book won't make you a great commodities trader instantly, but it will teach you what you must know to start." -Jim Rogers Author, Investment Biker "Jack Schwager always provides clear and compelling material on the often opaque subject of futures trading." -Richard Dennis President, Dennis Trading Group "Jack Schwager's deep knowledge of the markets and his extensive network of personal contacts throughout the industry have set him apart as the definitive market chronicler of our age." -Ed Seykota Fundamental Analysis is the first book in the Schwager on Futures series-the definitive source on the futures market for the next century that no trader will want to be without. Jack Schwager is one of the most important and visible figures in the futures industry today. His Market Wizards and New Market Wizards are two of the bestselling finance titles of all time. Now Schwager has created the most comprehensive guide ever for using fundamental analysis for futures trading. The much-awaited Schwager on Futures series greatly expands and updates material first contained in his A Complete Guide to the Futures Markets, which has been the bible of the industry for the past decade. In this first volume of the series, Fundamental Analysis, Schwager shows traders how to apply analytical techniques to actual price forecasting and trading in virtually all futures contracts currently traded. In chapter after chapter, Schwager draws on what he has learned during his legendary career as a successful trader, researcher, and bestselling investment author to dispense priceless insights. Explains how to apply the techniques of technical analysis to fundamental data-information not found elsewhere \* Shows how regression analysis works and tells how to use it as a tool for price forecasting \* Includes step-by-step instruction on how to build a forecast model \* Contains a 13-chapter section illustrating the applications of fundamental techniques to individual markets and market groups \* Outlines how to analyze seasonal fluctuations, including seasonal price charts of 27 active markets Numerous charts, tables, and examples illustrate all key concepts, and the text itself is written in the clear, nontechnical style that has helped make Jack Schwager one of today's most widely read and highly regarded investment writers.
