Eerdmans Commentary on the Bible Dec 11 2020 No one familiar with the Bible needs to be told that it is a truly remarkable work. But it takes help to understand this ancient collection of diverse forms of literature written by different people across many centuries. The Eerdmans Commentary on the Bible (ECB) is the finest single-volume Bible handbook available. Written by world-class Bible scholars, the ECB encapsulates in nontechnical language the best of modern scholarship on the sixty-six biblical books plus the Apocrypha. The only one-volume Bible commentary to cover all the texts (even including 1 Enoch) regarded by one or more Christian churches as canonical, the ECB provides reader-friendly treatments and succinct summaries of each section of the text that will be valuable to scholars, students, and general readers alike. The primary objective of this work is to clarify the meaning of each section of the Bible. Rather than attempting a verse-by-verse analysis (virtually impossible in a one-volume work), the ECB focuses on principal units of meaning—narrative, parable, prophetic oracle, section of argument, and so on—highlighting their interconnectedness with the rest of the biblical text. The volume also addresses and answers major issues—including the range of possible interpretations—and refers readers to the best fuller discussions. Beyond providing reliable, informative commentary, this hefty volume also includes thirteen introductory and context-setting articles that do justice to the biblical documents both as historical sources and as scriptures. The sixty-seven contributors to the ECB come from a wide variety of backgrounds and are acknowledged leaders in the field of biblical studies. Their contributions stand out either for their fresh interpretations of the evidence, or for their way of asking new questions of the text, or for their new angles of approach. While the translation of choice is the New Revised Standard Version, many of the contributors offer their own vivid translations of the original Hebrew or Greek. Cutting-edge, comprehensive, and ecumenical, the ECB is both a fitting climax to the rich body of interconfessional work undertaken in the latter part of the twentieth century and a worthy launching pad for biblical study in the twenty-first. Special Features of the ECB The only one-volume commentary to cover all the texts (including the Apocrypha and 1 Enoch) regarded by one or more Christian churches as canonical Thirteen major essays that introduce each section of Scripture and its study Encapsulates in nontechnical language the best of modern scholarship Includes superb bibliographies and an extensive subject index Written by sixty-seven first-rate Bible scholars Designed for use by scholars, students, pastors, and general readers

The Power of Submission Jan 24 2022 Create or modify your HTML page in the text box. Click "Show Page" to see your page in the frame to the right. At the root of most of the problems we face in our lives today is disobedience. God is calling his people to fulfil his will and walk in the power of his word, and if we are willing to respond then we must embrace submission. The very word and concept of submission has been tainted to the point that many despise and scorn it. In this book you will discover that submission is not to be rejected, it is power. Power to change your life, marriage, family, job, community, and ministry. But more than anything, it will change your relationship with God. Each chapter will offer revelation, inspiration, motivation, and testimonies of real life struggles and victories. If you only read a few books this year, make sure one of them is The Power of Submission. In this book, submission is given physical expression by the woman. Nonetheless, its message is for men, leaders, or anyone who desire a more committed and powerful walk with God. If you need a fresh Word, a wake up call in your spirit, or passion to push to the finish line, then pick up this book and prepare to be inspired by the power of submission!

The Love Triangle Aug 26 2019 What makes marriage work? The answer appears to be hidden from countless couples that find it impossible to keep their covenant of love. Today, one out of every two marriages in America ends in divorce, and the state of the family is in crisis. The rebuilding of the foundational structure of our nation is absolutely essential, and it must begin within the home. The Love Triangle exposes God's design for marriage as detailed in Ephesians 5:22-33. Husbands learn what it means to love their wives as Christ loved the Church, and wives understand the importance of submission. To know God's Word on the subject of marriage is one matter; to live it necessitates the following warning: "Do not miss the symbolism of the wedding ceremony taking place at the altar. Something is about to be sacrificed." The Love Triangle explores obstacles in society, self and the spiritual realm that prevent a couple's intimacy with God and with one another. To stand firm in the face of those challenges is to fulfill the call of God that is specific for the married: "Be fruitful and increase in number; fill the earth and subdue it" (Genesis 1:28a). It is time for marriages to find healing, unity and this God-defined purpose. Renee Beamer, founder of Sharing Love and Truth Ministry, writes from her more than 20 years experience of wedded bliss and includes stories from others who also remain strong in their marriages despite the storms of the past. In each account of their struggles to remain faithful, the conclusion leads directly to the heart of God. The Father's desire to be known more intimately and His presence enjoyed more fully is beautifully portrayed in the unfolding of a "profound mystery" in marriage.

Good Morning, I Love You Jan 30 2020 Discover the Transformative Effects of Being Kind to Yourself “This brilliant book offers us both the science and practice of how self-kindness is the secret sauce of fulfillment, transformation, and joy.” —Lorin Roche, meditation teacher and author of *The Radiance Sutras* Many of us yearn to feel a greater sense of inner calm, ease, joy, and purpose. We have tried meditation and found it too difficult. We judge ourselves for being no good at emptying our minds (as if one ever could) or compare ourselves with yogis who seem to have it all together. We live in a steady state of “not good enough.” It does not have to be this way. In *Good Morning, I Love You*, Dr. Shauna Shapiro brings alive the brain science behind why we feel the way we do—about ourselves, each other, and the world—and explains why we get stuck in thinking that doesn't serve us. It turns out that we are hardwired to be self-critical and negative! And this negativity is constantly undermining our experience of life. “It is never too late to rewire your brain for positivity—for calm, clarity, and joy,” writes Dr. Shapiro. “I know this is possible because I experienced it. Best of all, you can begin wherever you are.” In short, lively chapters laced with science, wisdom, and story, Shapiro, one of the leading scientists studying the effects of mindfulness on the brain, shows us that acting with kindness and compassion toward ourselves is the key. With her roadmap to guide you, including her signature “Good Morning, I Love You” practice, in which you deliberately greet yourself each day with these simple words, you can change your brain's circuitry and steady yourself in feelings of deep calm, clarity, and joy. For good.

To Love and Submit Nov 02 2022 Rachel Porter's dreams of being dominated are finally about to come true. But can she live up to the demands of a real-life Dom? Rachel Porter is feisty, independent and horny. Her libido is taunting her with erotic dreams of being tethered and spanked by a gorgeous, dominant man and, as a result, she decides to pursue her fledgling interest in BDSM after her trusted Rabbit gives up on her. When she unexpectedly bumps into her sexy but demanding boss, Adam Stone, at Boundaries, an exclusive BDSM club, it seems all her dreams are about to come true. Adam is a strict and challenging Dom and it's not long before he has Rachel kneeling at his feet, right where she wants to be. Rachel soon comes to crave Adam's firm discipline, but when she becomes too flippant and deliberately provokes a spanking, she finds out that a real punishment is not as pleasurable as an erotic one. Nevertheless, her complete surrender during these punishments takes her to new heights she never thought possible. But Rachel also learns that one of the most important aspects of a BDSM relationship is trust, and that's the one thing she doesn't have. After a lifetime of betrayal, she's not about to risk losing her heart again. To make matters worse, when she learns that Adam's ex-wife was, in fact, his slave, she realizes that she might have to give up more than she'd bargained for if she's to remain his submissive.

Dancing With The One You Love Feb 22 2022 Let's get practical – how do real women live out God's plan in 21st-century marriages? Too often submission is represented as repressive servanthood, rather than a voluntary desire to empower a husband's leadership. And as with many things in our culture, this view of submission has found its way into our churches and marriages. In reality, women desperately want to experience the graceful waltz where both the husband and wife are in harmony - each 'dancing' their God-given role. But all too often, there are no realistic, Godly models from which to draw. Author and speaker Cindy Easley surveyed ordinary women and asked, “How does this work for you?” Specifically, how do women live out submission in her particular situation? These are their stories, from caring for a chronically ill husband to living with a nonbeliever. Each example will help married or engaged women gain appreciation for God's will for marriage and learn to dance with the one they love.

How to Find Selfless Joy in a Me-First World Jun 28 2022 Do You Need Greater Self-Esteem—Or Something Else Entirely? Western culture increasingly emphasizes the importance of self-love and self-esteem. Many of us believe we must “find” ourselves—and feel good about what we see—before we can experience significant spiritual growth. Focusing so much on ourselves, however, distracts us from pursuing the only source of true fulfillment. Do we, as God's people, really need to love ourselves more? Or is there a wiser, biblical path that can lead us to joy that is not self-centered and fleeting, but God-focused and lasting? Challenging the current fascination with self esteem, Leslie Vernick answers these questions and others that trip up Christians today. Offering surprising insights and practical helps that can make a real difference in your life, she shows how you can experience greater personal, relational, and spiritual growth while humbly adoring and glorifying your God.

A Philosopher's Apprentice Jul 18 2021 Both a Popper biography and an autobiography, Agassi's "A Philosopher's Apprentice" tells the riveting story of his intellectual formation in 1950s London, a young brilliant philosopher struggling with an intellectual giant - father, mentor, and rival, all at the same time. His subsequent rebellion and declaration of independence leads to a painful break, never to be completely healed. No other writer has Agassi's psychological insight into Popper, and no other book captures like this one the intellectual excitement around the Popper circle in the 1950s and the struggles of the 1960s and 1970s - personal, academic, political, all important philosophically. Agassi's Popper - whether one agrees with it or not - is an enormous contribution to scholarship. This second revised edition includes also Popper's and Agassi's last correspondence and, in a postscript it shows Agassi leafing through Popper's archives, reaching a sort of reconciliation, an appropriate ending to the drama. A must read. Malachi Hacoheh, Duke University

Fathers in God? Jan 12 2021 The classical Anglican understanding of a bishop is expressed in the Canons of the Church of England with the phrase ‘father in God’ – wording that remains unchanged by the decision

to ordain women as bishops. This volume sets out the understanding of priestly and episcopal ministry from biblical, historical and theological viewpoints of the Catholic wing of the Anglican church. It sets out in a non-polemic way the rationale of those who defend a traditional view of priesthood as male while being fully a part of the Church of England. It incorporates elements of the landmark book *Consecrated Women?* and brings the discussion fully up to date in light of the General Synod's decision to ordain women to the episcopate in 2014. Leading Anglo-Catholic figures explore the topic from a range of perspectives, including Martin Warner, the Bishop of Chichester; on living in love and charity with your neighbour; Jonathan Baker, the Bishop of Fulham, on consecrated women; Emma Forward, a member of General Synod, on feminism in a post-feminist age; Geoffrey Rowell, formerly Bishop of Europe, on mission, scripture, tradition and church unity; and Aidan Nicholls OP, a Dominican priest and academic, offers a Roman Catholic perspective.
