All of these situations are a direct result of poor nutrition, processed foods, and the depletion of the supply. Diet Earth is a revolutionary change in the thinking of human nutrition. Daryl Conant teaches methods in how to eat, when to eat, why we need to eat and how important it is to eat raw nutrient rich organic foods. I take a stand against poor nutrition in America. We are losing the battle against obesity! As long as processed food, refined sugar, hydrogenated fats, trans fatty acids, excitotoxins, additives, and preservatives remain the diet, human health will continue to worsen. The A.D.D. Nutrition Solution [Mar 22 2022](#) The first scientifically proven, effective, all-natural nutritional alternative to the much-prescribed drug Ritalin Attention Deficit Disorder is a nutritional deficiency, not a psychological condition. This is the revolutionary discovery Marcia Zimmerman made during her ten years of research as a nutritional biochemist. That conclusion led her to develop a diet that addresses the specific needs of the 17 million adults and children with ADD. Her easy-to-follow thirty-day plan has been proven just as effective as Ritalin in relieving the symptoms of ADD. Learn: - How women should boost their nutrition before conception to prevent ADD in their children. - Why women are more likely to be tagged as ADD than girls - How to get a reliable ADD diagnosis - The effects of brain allergies on attention span - Foods to avoid that may exacerbate ADD - The dangers of artificial food ingredients - and much more. This important book will help us curb the epidemic growth of ADD in this country and change the way we treat those who have it now by addressing its source instead of merely treating its symptoms. "This book is must reading for every physician, teacher and school nurse who deals with ADD and AD/HD children. ADD is not caused by a deficiency of Ritalin. Marcia Zimmerman's The A.D.D. Nutrition Solution is right on target!" -- Bernard Rimland, Ph.D., director Autism Research Institute, San Diego
