Eat This Book Mar 27 2022 Eugene Peterson's landmark Spiritual Theology series is foundational reading for the twenty-first century Church. The product of Peterson's many years' experience as both pastor and professor of the highest calibre, this series combines first-class scholarship and genuine, lived application. Beautifully written, it presents a fresh and urgent evaluation of contemporary Christian spirituality. 'St John walks up to the angel and say, "Give me the book."' writes Peterson. 'The angel hands it over, "Here it is; eat it, eat the book." And John does. He eats the book - not just reads it - he got it into his nerve endings, his reflexes, his imagination. The book he ate was Holy Scripture.' Eat This Book encourages the art of the reading the Bible so that it becomes a text for living and growing, not just thinking or behaving, and recasts the ancient discipline of lectio divina - spiritual reading - for a postmodern culture. Also available in the Spiritual Theology series: Christ Plays in Ten Thousand Places, The Jesus Way, The Word Made Flesh and Practise Resurrection.

Who's Doing the Work? Jun 05 2020 In their follow-up to Reading Wellness, Jan Burkins and Kim Yaris explore how some traditional scaffolding practices may actually rob students of important learning opportunities and independence. Who's Doing the Work? suggests ways to make small but powerful adjustments to instruction that hold students accountable for their own learning. Educators everywhere are concerned about students whose reading development inexplicably plateaus, as well as those who face challenging texts without applying the strategies they've been taught. When such problems arise, our instinct is to do more. But when we summarize text before reading or guide students when they encounter difficult words, are we leading them to depend on our support? If we want students to use strategies independently, Jan and Kim believe that we must question the ways our scaffolding is getting in the way. Next generation reading instruction is responsive to students' needs, and it develops readers who can integrate reading strategies without prompting from instructors. In Who's Doing The Work?, Jan and Kim examine how instructional mainstays such as read-aloud, shared reading, guided reading, and independent reading look in classrooms where students do more of the work. Classroom snapshots at the end of each chapter help translate the ideas in the book into practice. Who's Doing the Work? offers a vision for adjusting reading instruction to better align with the goal of creating independent, proficient, and joyful readers.

The Book of Signs Mar 15 2021 From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events. Many Christians struggle to understand the Book of Revelation. "The end times." "The apocalypse." "The day of judgment." These terms are both fascinating and frightening - but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, The Book of Signs is an encouraging guide to the Book of Revelation. In The Book of Signs, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, The Book of Signs is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future with a renewed sense of hope and purpose.

Brave by Faith Jan 31 2020 Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God." Alistair Begg, author.

The Abundant Community Apr 03 2020 " We need our neighbors and community to stay healthy, produce jobs, raise our children, and care for those on the margin. Institutions and professional services have reached their limit of their ability to help us. The consumer society tells us that we are insufficient and that we must purchase what we need from specialists and systems outside the community. We have become consumers and clients, not citizens and neighbors. John McKnight and Peter Block show that we have the capacity to find real and sustainable satisfaction right in our neighborhood and community. This book reports on voluntary, self-organizing structures that focus on gifts and value hospitality, the welcoming of strangers. It shows how to reweave our social fabric, especially in our neighborhoods. In this way we collectively have enough to create a future that works for all. "

The Purple Book, Updated Edition Nov 22 2021 In today's uncertain world, storms will arise that test your faith in a loving heavenly Father. At times, the winds and waves of the world's deceptions will roll in and seek to erode your confidence in God. Without a firm foundation in the truth of God's Word, you may be tempted to go off course and accept less than God's best for you. However, when you hear Jesus' words, receive them, and put them into practice, you will construct a life the torrents cannot shake, "because it was well built" (Luke 6:48). The Purple Book will help you understand foundational truths that God wants you to hear on topics such as sin, salvation, spiritual gifts, prayer, worship, generosity, and evangelism. It will show you how the Bible is "God-breathed and is useful for teaching, rebuking, correcting and training in righteousness" (2 Timothy 3:16). It will help you understand that the faith you hold has true power to change lives and transform nations. It will give you a solid foundation the enemy cannot dismantle—and a heart shaped by knowledge of God's Word.
