[The Lancaster Manual](#) Apr 13 2021 The most famous British bomber of World War II, the Avro Lancaster flew on many famous raids--the "Dambusters" Raid, the daylight raid on Augsburg, and the sinking of the German battleship Tirpitz. The Lancaster Manual is reprinted from the official manuals originally produced by the Air Ministry for the personnel who actually flew and maintained the aircraft. Includes technical details, instructions for ground crews, handling and flying notes, electrical and radio equipment, airframe design, and armament. A uniquely authoritative reference source on the Lancaster Marks I and III.
