Review of *The Demonic*: 'The Demonic, by author Lee Mountford, is a horror tour de force...It is scary. Truly scary.' - [Horrornovelreviews.com](#) Review of *Forest of the Damned*: 'There's a slow build-up of dread, as he builds the characters and atmosphere, and slowly unravels the story. At times, he dangles you over the edge for a few moments before he plunges you over the edge. And this is where his storytelling is a cut above many of his peers.' - [Intothemacabre.com](#) Review of *Forest of the Damned*: I find that it's often the details we least expect that elevate a novel's status in our minds and keep it there longer. A great testament to Mountford's skill as a writer, is that I can still vividly "see" the scenes in my mind, several books afterward. Highly recommended.' - [Horrorafterdark.com](#)

**Fairy Tale** Feb 09 2021 Legendary storyteller Stephen King goes into the deepest well of his imagination in this spellbinding novel about a seventeen-year-old boy who inherits the keys to a parallel world where good and evil are at war, and the stakes could not be higher - for their world or ours. Charlie Reade looks like a regular high school kid, great at baseball and football, a decent student. But he carries a heavy load. His mom was killed in a hit-and-run accident when he was ten, and grief drove his dad to drink. Charlie learned how to take care of himself - and his dad. Then, when Charlie is seventeen, he meets a dog named Radar and her aging master, Howard Bowditch, a recluse in a big house at the top of a big hill, with a padlocked shed in the backyard. Sometimes strange sounds emerge from it. Charlie starts doing jobs for Howard

Bowditch and loses his heart to Radar. Then, when Bowditch dies, he leaves Charlie a cassette tape to tell a story no one would believe. What Bowditch knows, and has kept secret all his long life, is that inside the shed is a portal to another world. King's storytelling in Fairy Tale soars. This is a magnificent and terrifying tale about another world than ours, in which good is pitted against overwhelming evil, and a heroic boy - and his dog - must lead the battle.
