Game Changer Feb 10 2021 "A timely, speculative thought experiment in perspective, privilege, and identity." —Kirkus "The conceit behind Shusterman's latest is truly unique. While it exhibits the author's usual storytelling aplomb, it also manages to delve into more serious and timely subject matter, such as racism, sexism, and homophobia. Despite these heavy topics, the story still moves at a lively pace and, thanks to a zany sci-fi twist, manages to pack in a few laughs as well." —Booklist All it takes is one hit on the football field, and suddenly Ash's life doesn't look quite the way he remembers it. Bruiser Dec 31 2019 The New York Times bestselling author of *Challenger Deep*, Neal Shusterman, delivers a suspenseful, eloquent, and thrilling novel that you won't be able to stop thinking about after you've put it down. Tennyson is not surprised, really, when his family begins to fall apart, or when his twin sister, Brontë, starts dating the misunderstood bully, Brewster (or *The Bruiser*, as the entire high school calls him). Tennyson is determined to get to the bottom of *The Bruiser's* reputation, even if it means gearing up for a fight. Brontë, on the other hand, thinks there's something special underneath that tough exterior. And she's right...but neither she nor Tennyson is prepared for the truth of what lies below the surface. Told through Tennyson, Brontë, and *Bruiser's* points of view, this dark, twisting novel explores friendship, family, and the sacrifices we make for the people we love.
