**Reading Success Teacher Book - Level A** Aug 10 2020

Help your students gain and master essential comprehension skills and strategies with SRA Reading Success. This supplemental reading program requires only 25 minutes, three days per week, to make a dramatic improvement in a student's ability to understand what they read. The program builds vocabulary skills by helping students derive meaning from context, and adds to students' general word knowledge through a wide variety of high-interest readings. In addition, it is designed to help students transfer this knowledge to improve their performance on national and state assessments. With SRA Reading Success you teach students to comprehend by teaching them explicit comprehension strategies that can be applied to any reading task, including: Determining the main idea and supporting details Identifying an author's purpose Paraphrasing and summarising Drawing inferences Using context to figure out word meanings Components Teacher Materials include: Teacher Book Assessment Blackline Master

**The Professional Practice of Teaching in New Zealand** Oct 04 2022

The Professional Practice of Teaching contains a wealth of information that pre-service teachers need to know in order to learn to teach effectively. Written specifically for the New Zealand setting, it highlights the range of knowledge and skills that teachers require in order to make a positive difference to their students' lives. Every chapter in this fifth edition has been updated to include the latest evidence on best practice, and discussion of current and emerging issues that are impacting upon teachers and their work, and several new chapters ensure it remains at the forefront of best practice. Throughout the text many case studies, activities and stories from real-life teachers and students help readers to link the theory to their classroom practices.
