Queen Sugar Feb 20 2022 The inspiration for the acclaimed OWN TV series produced by Oprah Winfrey and Ava DuVernay "Queen Sugar is a page-turning, heart-breaking novel of the new south, where the past is never truly past, but the future is a hot, bright promise. This is a story of family and the healing power of our connections—to each other, and to the rich land beneath our feet." —Tayari Jones, author of *An American Marriage* Readers, booksellers, and critics alike are embracing Queen Sugar and cheering for its heroine, Charley Bordelon, an African American woman and single mother struggling to build a new life amid the complexities of the contemporary South. When Charley unexpectedly inherits eight hundred acres of sugarcane land, she and her eleven-year-old daughter say goodbye to smoggy Los Angeles and head to Louisiana. She soon learns, however, that cane farming is always going to be a white man's business. As the sweltering summer unfolds, Charley struggles to balance the overwhelming challenges of a farm in decline with the demands of family and the startling desires of her own heart.

[Afghanistan](#) Jul 16 2021 A colossal history of Afghanistan from its earliest organization into a coherent state up to its turbulent present. Located at the intersection of Asia and the Middle East, Afghanistan has been strategically important for thousands of years. Its ancient routes and strategic position between India, Inner Asia, China, Persia, and beyond has meant the region has been subject to frequent invasions, both peaceful and military. As a result, modern Afghanistan is a culturally and ethnically diverse country, but one divided by conflict, political instability, and by mass displacements of its people. In this magisterial illustrated history, Jonathan L. Lee tells the story of how a small tribal confederacy in a politically and culturally significant but volatile region became a modern nation-state. Drawing on more than forty years of study, Lee places the current conflict in Afghanistan in its historical context and challenges many of the West's preconceived ideas about the country. Focusing particularly on the powerful Durrani monarchy, which united the country in 1747 and ruled for nearly two and a half centuries, Lee chronicles the origins of the dynasty as clients of Safavid Persia and Mughal India: the reign of each ruler and their efforts to balance tribal, ethnic, regional, and religious factions; the struggle for social and constitutional reform; and the rise of Islamic and Communist factions. Along the way, he offers new cultural and political insights from Persian histories, the memoirs of Afghan government officials, British government and India Office archives, and recently released CIA reports and Wikileaks documents. He also sheds new light on the country's foreign relations, its internal power struggles, and the impact of foreign military interventions such as the "War on Terror."

Let's Take the Long Way Home Apr 24 2022 NEW YORK TIMES BESTSELLER • "A near-perfect memoir: beautiful, humble, intimate and filled with piercing insights. Meant to be savored and shared." —Time They met over their dogs. Gail Caldwell and Caroline Knapp (author of *Drinking: A Love Story*) became best friends, talking about everything from their love of books and their shared history of a struggle with alcohol to their relationships with men. Walking the woods of New England and rowing on the Charles River, these two private, self-reliant women created an attachment more profound than either of them could ever have foreseen. Then, several years into this remarkable connection, Knapp was diagnosed with cancer. With her signature exquisite prose, Caldwell mines the deepest levels of devotion, and courage in this gorgeous memoir about treasuring a best friend, and coming of age in midlife. Let's Take the Long Way Home is a celebration of the profound transformations that come from intimate connection—and it affirms, once again, why Gail Caldwell is recognized as one of our bravest and most honest literary voices. BONUS: This edition includes an excerpt from Gail Caldwell's *New Life, No Instructions*. Praise for Let's Take the Long Way Home "Stunning . . . gorgeous . . . intense and moving . . . A book of such crystalline truth that it makes the heart ache." —The Boston Globe "[Let's Take the Long Way Home] left me intensely moved. . . Caldwell's greatest achievement is to rise above [death and loss] to describe both the very best that women can be together and the precious things they can, if they wish, give back to one another: power, humor, love and self-respect." —Julie Myerson, *The New York Times Book Review*, Editor's Choice "[A] beautiful book . . . The losing isn't the exceptional part of this story; everyone loses something, sooner or later. The wonder lies in finding it in the first place." —Salon "A tribute to the enduring power of friendship . . . You can shelve Let's Take the Long Way Home . . . next to *The Year of Magical Thinking*, Joan Didion's searing memoir about losing her husband to heart failure. But that's assuming it makes it to your shelf: This is a book you'll want to share with your own necessary pillars of life," as Caldwell refers to her nearest and dearest. . . . A lovely gift to readers." —Washington Post

Lift Jun 26 2022 Written as a letter to her children, Kelly Corrigan's *Lift* is a tender, intimate, and robust portrait of risk and love; a touchstone for anyone who wants to live more fully. In *Lift*, Corrigan weaves together three true and unforgettable stories of adults willing to experience emotional hazards in exchange for the gratifications of raising children. *Lift* takes its name from hang gliding, a pursuit that requires flying directly into rough air, because turbulence saves a glider from 'sinking out.' For Corrigan, this wisdom becomes a metaphor for all of life's most meaningful endeavors, particularly the great flight that is parenting. Corrigan serves it up straight—how mundanely and fiercely her children have been loved, how close most lives occasionally come to disaster, and how often we fall short as mothers and fathers. *Lift* is for everyone who has been caught off guard by the pace and vulnerability of raising children, to remind us that our work is important and our time limited. Like Anne Morrow Lindbergh's *Gift from the Sea*, *Lift* is a meditation on the complexities of a woman's life, and like Corrigan's memoir, *The Middle Place*, *Lift* is boisterous and generous, a book readers can't wait to share.

The Rules Do Not Apply Sep 17 2021 NEW YORK TIMES BESTSELLER • "This Year's Must-Read Memoir" (W magazine) about the choices a young woman makes in her search for adventure, meaning, and love NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Vogue • Time • Esquire • Entertainment Weekly • The Guardian • Harper's Bazaar • Library Journal • NPR All her life, Ariel Levy was told that she was too fervent, too forceful, too much. As a young woman, she decided that becoming a writer would perfectly channel her strength and desire. She would be a professional explorer—the kind of woman who is free to do whatever she chooses. "Levy moved to Manhattan to pursue her dream, and spent years of adventure, traveling all over the world writing stories about unconventional heroines, following their fearless examples in her own life. But when she experiences unthinkable heartbreak, Levy is forced to surrender her illusion of control. In telling her story, Levy has captured a portrait of our time, of the shifting forces in American culture, of what has changed and what has remained. And of how to begin again. Praise for *The Rules Do Not Apply* "Unflinching and intimate, wrenching and revelatory, Ariel Levy's powerful memoir about love, loss, and finding one's way shimmers with truth and heart on every page." —Cheryl Strayed "Every deep feeling a human is capable of will be shaken loose by this profound book. Ariel Levy has taken grief and made art out of it." —David Sedaris "Beautifully crafted . . . This book is haunting; it is smart and engaging. It was so engrossing that I read it in a day." —The New York Times Book Review "Levy's wise and poignant memoir is the voice of a new generation of women, full of grit, pathos, truth, and inspiration. Being in her presence is energizing and ennobling. Reading her deep little book is inspiring." —San Francisco Book Review "Levy has the rare gift of seeing herself with fierce, unflinching clarity. And she deploys prose to match, raw and agile. She plumbs the commotion deep within and takes the measure of her have-it-all generation." —The Atlantic "Cheryl Strayed meets a Nora Ephron movie. You'll lift, ugly cry, and finish it before the weekend" s over." —theSkimm

We Are Water Oct 26 2019 A disquieting and ultimately uplifting novel about a marriage, a family, and human resilience in the face of tragedy, from Wally Lamb, the New York Times bestselling author of *The Hour I First Believed* and *I Know This Much Is True*. After 27 years of marriage and three children, Anna Oh—wife, mother, outsider artist—has fallen in love with Viveca, the wealthy Manhattan art dealer who orchestrated her success. They plan to wed in the Oh family's hometown of Three Rivers in Connecticut. But the wedding provokes some very mixed reactions and opens a Pandora's Box of toxic secrets—dark and painful truths that have seeped below the surface of the Ohs' lives. *We Are Water* is a layered portrait of marriage, family, and the inexorable need for understanding and connection, told in the alternating voices of the Ohs—nonconformist, Anna, her ex-husband, Orion, a psychologist, Ariane, the do-gooder daughter, and her twin, Andrew, the rebellious only son; and free-spirited Marissa, the youngest. It is also a portrait of modern America, exploring issues of class, changing social mores, the legacy of racial violence, and the nature of creativity and art. With humor and compassion, Wally Lamb brilliantly captures the essence of human experience and the ways in which we search for love and meaning in our lives.

Mom and Me and Mom Dec 09 2020 "In the first decade of the twentieth century, it was not a good time to be born black, or woman, in America." So begins this stunning portrait of Vivian Baxter Johnson: the first black woman officer in the Merchant Marines, purveyor of a gambling business and rooming house, and mother to Maya Angelou, beloved and bestselling author I KNOW WHY THE CAGED BIRD SINGS. A brilliant writer, a fierce friend and a truly phenomenal woman BARACK OBAMA Anyone who's read the classic, *I Know Why the Caged Bird Sings*, knows Maya Angelou was raised by her paternal grandmother in Stamps, Arkansas. In *Mom & Me & Mom*, Angelou details what brought her mother to send her away and unearths the well of emotions Angelou experienced long afterward as a result. While Angelou's six autobiographies tell of her out in the world, influencing and learning from statesmen and cultural icons, *Mom & Me & Mom* shares the intimate, emotional story about her own family. "She moved through the world with unshakable calm, confidence and a fierce grace . . . She will always be the rainbow in my clouds" OPRAH WINFREY "She was important in so many ways. She launched African American women writing in the United States. She was generous to a fault. She had nineteen talents - used ten. And was a real original. There is no duplicate" TONI MORRISON

The Middle Place Dec 29 2019 For Kelly Corrigan, family was everything. At thirty-six, she had a marriage that worked, two funny, active kids, and a weekly newspaper column. Yet even as a thriving adult, Kelly still saw herself as the daughter of garrulous charmer George Corrigan. Sh

Glitter and Glue Oct 31 2022 NEW YORK TIMES BESTSELLER • A memoir from the author of *The Middle Place* about mothers and daughters—a bond that can be nourishing, exasperating, and occasionally divine. When Kelly Corrigan was in high school, her mother neatly summarized the family dynamic as "Your father's the glitter but I'm the glue." This meant nothing to Kelly, who left childhood sure that her mom—with her inviolable commandments and proud stoicism—would be nothing more than background chatter for the rest of Kelly's life, which she was carefully orienting toward adventure. After college, armed with a backpack, her personal mission statement, and a wad of traveler's checks, she took off for Australia to see things and do things and Become Interesting. But it didn't turn out the way she pictured it. In a matter of months, her savings shot, she had a choice: get a job or go home. That's how Kelly met John Tanner, a newly widowed father of two looking for a live-in nanny. They chatted for an hour, discussed timing and pay, and a week later, Kelly moved in. And there, in that house in a suburb north of Sydney, 10,000 miles from the house where she was raised, her mother's voice was suddenly everywhere, nudging and advising, cautioning and directing, escorting her through a terrain as foreign as any she had ever trekked. Every day she spent with the Tanner kids was a day spent reconsidering her relationship with her mother, turning it over in her hands like a shell, straining to hear whatever messages might be trapped in its spiral. This is a book about the difference between travel and life experience, stepping out and stepping up, fathers and mothers. But mostly it's about who you admire and why, and how that changes over time. Praise for *Glitter and Glue* "I loved this book. I was moved by this book, and now I will share this book with my own mother—along with my renewed appreciation for certain debts of love that can never be repaid." —Elizabeth Gilbert, *New York Times* bestselling author of *Eat, Pray, Love* "Kelly Corrigan's thoughtful and beautifully rendered meditation invites readers to reflect on their own launchings and homecomings. I accepted the invitation and learned things about myself. You will, too. Isn't that why we read?" —Wally Lamb, *New York Times* bestselling author of *We Are Water* "Kelly Corrigan is no stranger to mining the depths of her heart. . . . Through her own experience of caring for children, she begins, for the first time, to appreciate the complex woman who raised her." —O, The Oprah Magazine

Lots of Candles, Plenty of Cake Mar 31 2020 In *Lots of Candles, Plenty of Cake*, New York Times bestseller and winner of the Pulitzer Prize Anna Quindlen shares the events of her own life to illuminate our own. From childhood memories to manic motherhood to middle age, Quindlen tells life as she has lived it. She acknowledges the passing years, from the generational shrinking of underwear to facing the fact that her knees make this noise like Rice Krispies when she exercises. Despite its downsides, she says, aging brings wisdom, and a perspective that makes life satisfying and even joyful. Honest, witty and moving, this irresistible memoir celebrates all our lives.

Recipes for a Beautiful Life Nov 19 2021 Writing with "a delicate, beautiful balance of wit and yearning" (#1 New York Times bestselling author Elizabeth Gilbert), Rebecca Barry's poignant take on creativity, marriage, and motherhood will make you laugh and cry—sometimes at the same time. When Rebecca Barry, writer, mother, cat lady, and aspiring meditator, and her husband moved to upstate New York to start their family, they were optimistic that they'd be able to build a life they'd love: one connected to nature and extended family, one where they could invest in their artistic dreams, spend time with their children, live cheaply, and eat well. Naturally, things didn't turn out to be so simple: the lovely old house they bought to fix up needed lots of repair, their children wouldn't sleep, and the novel Rebecca had dreamed of writing simply wouldn't come to her.

"Anecdotal, funny, and telling, with the kinds of momentary glimpses of ordinary days that reflect something larger" (The New York Times), and the *Recipes for a Beautiful Life* is about reveling in the extraordinary moments in daily life while trying to balance marriage, children, extended family, and creative work. The book is an excellent companion for mothers with small children, but it also speaks to anyone trying to find meaning in their work or a life that is truer to the heart. Full of great dialogue, tongue-in-cheek recipes (Angry Mommy Tea), and tips on things like how to keep your house clean ("just don't let anyone in"), *Recipes* captures the sweetness and beauty of answering your soul's longing, as well as the difficulty, struggle, and humor that goes along with it. Mostly it is about the realization that a beautiful life, for this author, meant a rich, often chaotic, creative one. Or, as Redbook said when it featured the book in its "5 fabulous, even life-changing new reads" column: "Contentment isn't about getting everything...but finding magic in the mess."

[Hello World!](#) Jul 28 2022 From *New York Times* bestselling author Kelly Corrigan comes a book that celebrates the people in our lives and the meaningful connections we make that come from asking each other questions. *Hello World!* is the perfect reminder that the journeys we take through life are all about the people we will meet along the way—people who will make us smarter, stronger, and more amazing than we ever thought possible. With her trademark inspirational wisdom, Kelly Corrigan writes the perfect book for anyone about to embark on a new adventure.

In the *Early Times* May 14 2021 In this "dazzling" (John Irving) memoir, acclaimed New Yorker staff writer Tad Friend reflects on the pressures of middle age, exploring his relationship with his dying father as he raises two children of his own. "How often does a memoir build to a stomach-churning, I-can't-breathe climax in its final pages? . . . Brilliant, intensely moving." —William Finnegan, Pulitzer Prize-winning author of *Barbarian Days* Almost everyone yearns to know their parents more thoroughly before they die, to solve some of those lifelong mysteries. Maybe, just maybe, those answers will help you live your own life. But life doesn't stop to wait. In his fifties, New Yorker writer Tad Friend is grappling with being a husband and a father as he tries to grasp who he is as a son. Torn between two families, he careers between two stages in life. On some days he feels vigorous, on the brink of greatness when he plays tournament squash. On others, he feels distinctly waxy, troubled by his distance from millennial sensibilities or by his own face in the mirror, by a grimace that's so like his father's. His father, an erudite historian and the former president of Swarthmore College, has long been gregarious and charming with strangers yet cerebral with his children. Tad writes that "trying to reach him always felt like ice fishing." Yet now Tad's father, known to his family as Day, seems concerned chiefly with the flavor of ice cream in his bowl and, when pushed, interested only in reconsidering his view of Franklin Roosevelt. Then Tad finds his father's journal, a trove of passionate confessions that reveals a man entirely different from the exasperatingly logical father Day was so determined to be. It turns out that Tad has been self-destructing in the same way Day has—a secret each has kept from everyone, even themselves. These discoveries make Tad reconsider his own role, as a father, as a husband, and as a son. But is it too late for both of them? Witty, searching, and profound, In the *Early Times* is an enduring meditation on the shifting tides of memory and the unsteady pillars on which every family rests.

[Glitter and Glue](#) Apr 12 2021 From the *New York Times* best-selling author of *The Middle Place* comes a new memoir that examines the bond - sometimes nourishing, sometimes exasperating, occasionally divine - between mothers and daughters. When Kelly Corrigan was in high school, her mother neatly summarized the division of labour in her family as: "Your father's the glitter, but I'm the glue." This meant nothing to Kelly, who left her

childhood sure that her mum - with her inviolable commandments, curious introversion and proud stoicism - would be nothing more than background for the rest of Kelly's life, which she was gradually orienting toward adventure. After college, armed with a backpack, her personal mission statement, and a wad of Travelers Checks, she took off for Hong Kong, Thailand, Australia, New Zealand and Fiji to see things and Become Interesting. But it didn't turn out how she pictured it. In a matter of months, her bum-bag full of savings had dwindled to a handful and it became clear that unless she was ready to go home she needed a job. That's how she met John Tanner, a newly widowed Australian father of two looking for a live-in nanny. They chatted for an hour, discussed timing and pay, and a week later Kelly moved in. And there, in that small, motherless house, in a suburb north of Sydney, her mother's voice was suddenly everywhere, playing like talk radio from hidden speakers, nudging and nagging, cautioning and directing, escorting her through a terrain as foreign as any she had ever trekked. Every day she spent with the Tanner kids was a day she spent reconsidering her relationship with her mother, turning it over in her hands like a shell, trying to hear whatever messages might be trapped in its shadowy spiral. This is a book about the difference between travel and life experience, stepping out and stepping up, fathers and mothers. But mostly, it's about who you admire and why, and how that changes over time.

I Am, I Am, I Am: Seventeen Brushes With Death Jun 22 2019 AS FEATURED ON DESERT ISLAND DISCS, BIG SCOTTISH BOOK CLUB AND THE ZOE BALL BOOKCLUB. A BOOK OF THE YEAR IN THE SUNDAY TIMES, THE TIMES, GUARDIAN, IRISH TIMES, OBSERVER, RED and THE TELEGRAPH. "SHORTLISTED FOR THE PEN ACKERLEY PRIZE FOR MEMOIR AND AUTOBIOGRAPHY 2018" I AM, I AM, I AM is a memoir with a difference - the unputdownable story of an extraordinary woman's life in near-death experiences. Insightful, inspirational, gorgeously written, it is a book to be read at a sitting, a story you finish newly conscious of life's fragility, determined to make every heartbeat count. A childhood illness she was not expected to survive. A teenage yearning to escape that nearly ended in disaster. A terrifying encounter on a remote path. A mismanaged labour in an understaffed hospital. Shocking, electric, unforgettable, this is the extraordinary memoir from Costa Novel-Award winner and Sunday Times bestselling author Maggie O'Farrell. It is a book to make you question yourself. What would you do if your life was in danger, and what would you stand to lose?

Shooting Lincoln Jan 10 2021 They took the most memorable photographs of the Civil War. Now their long rivalry was about to climax with the spilled blood of an American president—an event that would usher in a new age of modern media. Mathew Brady and Alexander Gardner were the new media moguls of their day. With their photographs they brought the Civil War — and all of its terrible suffering — into Northern living rooms. By the end of the war, they were locked in fierce competition. And when the biggest story of the century happened—the assassination of Abraham Lincoln—their paparazzi-like competition intensified. Brady, nearly blind and hoping to rekindle his wartime photographic magic, and Gardner, his former understudy, raced against each other to the theater where Lincoln was shot, to the autopsy table where Booth was identified, and to the gallows where the conspirators were hanged. Whoever could take the most sensational — or ghastly — photograph would achieve lasting camera-lens fame. Compelling and riveting, *Shooting Lincoln* tells the astonishing, behind-the-photographs story of these two media pioneers who raced to "shoot" the late president and the condemned conspirators. The photos they took electrified the country, fed America's growing appetite for tabloid-style sensationalism in the news, and built the media we know today.

Pieces of My Mother Mar 12 2021 "A story that lingers in the heart long after the last page is turned." —HOPE EDELMAN, bestselling author of *Motherless Daughters* and *The Possibility of Everything* This provocative, poignant memoir of a daughter whose mother left her behind by choice begs the question: Are we destined to make the same mistakes as our parents? One summer, Melissa Cistaro's mother drove off without explanation. Devastated, Melissa and her brothers were left to pick up the pieces, always tormented by the thought: Why did they mother abandon them? Thirty-five years later, with children of her own, Melissa finds herself in Olympia, Washington, as her mother is dying. After decades of hiding her painful memories, she has just days to find out what happened that summer and confront the fear she could do the same to her kids. But Melissa never expects to stumble across a cache of letters her mother wrote to her but never sent, which would hold the answers she seeks. Haunting yet ultimately uplifting, *Pieces of My Mother* chronicles one woman's quest to discover what drives a mother to walk away from the children she loves. Alternating between Melissa's tumultuous coming-of-age and her mother's final days, this captivating memoir reveals how our parents' choices impact our own and how we can survive those to forge our own paths.

Some Assembly Required May 02 2020 From the New York Times bestselling author of *Bird by Bird*, Hallelujah Anyway, and *Almost Everything* "If there is a doyen of the parenting memoir, it would be Anne Lamott." —*Time* In *Some Assembly Required*, Anne Lamott enters a new and unexpected chapter in her own life: grandmotherhood. Stunned to learn that her son, Sam, is about to become a father at nineteen, Lamott begins a journal about the first year of her grandson Jax's life. In careful and often hilarious detail, Lamott and Sam—about whom she first wrote so movingly in *Operating Instructions*—struggle to balance their changing roles. By turns poignant and funny, honest and touching, *Some Assembly Required* is the true story of how the birth of a baby changes a family—as this book will change everyone who reads it.

Beginner's Grace Jul 24 2019 The best-selling author of *Here If You Need Me* combines true stories of faith with counsel on how to pray that includes coverage of thankfulness, praying during times of need and rendering prayer more meaningful and satisfying. Reprint.

We Will Transcend Mar 24 2022

Half a Life Sep 25 2019 In this powerful, unforgettable memoir, acclaimed novelist Darin Strauss examines the far-reaching consequences of the tragic moment that has shadowed his whole life. In his last month of high school, he was behind the wheel of his dad's Oldsmobile, driving with friends, heading off to play mini-golf. Then: a classroom swerved in front of his car. The collision resulted in her death. With piercing insight and stark prose, Darin Strauss leads us on a deeply personal, immediate, and emotional journey—graduating high school, going away to college, starting his writing career, falling in love with his future wife, becoming a father. Along the way, he takes a hard look at loss and guilt, maturity and accountability, hope and, at last, acceptance. The result is a staggering, uplifting tour de force. Look for special features inside, including an interview with Colum McCann.

The Mommy Shorts Guide to Remarkably Average Parenting Oct 19 2021 From the creator of the popular blog *Mommy Shorts* comes a "hilarious and comforting" look at real-world motherhood (*New York Times* bestselling author, Jill Smokler). Ilana Wiles is not a particularly good mother. She's not a particularly bad mother either. Like most of us, she's somewhere in between. And she has some surprisingly good advice about navigating life as an imperfect parent. In this witty and loving homage to the every-parent, Wiles suggests that they having the best child-rearing experience of all. Using Wiles' signature infographics and photographs to illustrate her personal and hilarious essays on motherhood, *The Mommy Shorts Guide to Remarkably Average Parenting* is an honest book that celebrates the fun of being a mom.

The Gift of an Ordinary Day Aug 05 2020 *The Gift of an Ordinary Day* is an intimate memoir of a family in transition—boys becoming teenagers, careers ending and new ones opening up, an attempt to find a deeper sense of place, and a slower pace, in a small New England town. It is a story of mid-life longings and discoveries, of lessons learned in the search for home and a new sense of purpose, and the bittersweet intensity of life with teenagers—holding on, letting go. Poised on the threshold between family life as she's always known it and her older son's departure for college, Kenison is surprised to find that the times she treasures most are the ordinary, unremarkable moments of everyday life, the very moments that she once took for granted, or rushed right through without noticing at all. The relationships, hopes, and dreams that Kenison illuminates will touch women's hearts, and her words will inspire mothers everywhere as they try to make peace with the inevitable changes in store.

The Bright Hour May 26 2022 "Built on her... Modern Love column, 'When a Couch is More Than a Couch' (9/23/2016), a... memoir of living meaningfully with 'death in the room' by the 38-year-old great-great-granddaughter of Ralph Waldo Emerson—mother to two young boys, wife of 16 years—after her terminal cancer diagnosis--"

The End of Your Life Book Club Dec 21 2021 "What are you reading?" That's the question Will Schwalbe asks his mother, Mary Anne, as they sit in the waiting room of the Memorial Sloan-Kettering Cancer Center. In 2007, Mary Anne returned from a humanitarian trip to Pakistan and Afghanistan suffering from what her doctors believed was a rare type of hepatitis. Months later she was diagnosed with a form of advanced pancreatic cancer, which is almost always fatal, often in six months or less. This is the inspiring true story of a son and his mother, who start a "book club" that brings them together as her life comes to a close. Over the next two years, Will and Mary Anne carry on conversations that are both wide-ranging and deeply personal, prompted by an eclectic array of books and a shared passion for reading. Their list jumps from classic to popular, from poetry to mysteries, from fantastic to spiritual. The issues they discuss include questions of faith and courage as well as everyday topics such as expressing gratitude and learning to listen. Throughout, they are constantly reminded of the power of books to comfort us, astonish us, teach us, and tell us what we need to do with our lives and in the world. Reading isn't the opposite of doing; it's the opposite of dying. Will and Mary Anne share their hopes and concerns with each other—and rediscover their lives—through their favorite books. When they read, they aren't a sick person and a well person, but a mother and a son taking a journey together. The result is a profoundly moving tale of loss that is also a joyful, and often humorous, celebration of life: Will's love letter to his mother, and theirs to the printed page. This eBook edition includes a Reading Group Guide.

My Glory Was I Had Such Friends Jun 14 2021 In this moving memoir about the power of friendship and the resilience of the human spirit, Amy Silverstein tells the story of the extraordinary group of women who supported her as she waited on the precipice for a life-saving heart transplant. Nearly twenty-six years after receiving her first heart transplant, Amy Silverstein's donor heart plummeted into failure. If she wanted to live, she had to take on the grueling quest for a new heart—immediately. A shot at survival meant uprooting her life and moving across the country to California. When her friends heard of her plans, there was only one reaction: "I'm there." Nine remarkable women—Jill, Jill, Leja, Jody, Lauren, Robin, Valerie, Ann, and Jane—put demanding jobs and pressing family obligations on hold to fly across the country and be by Amy's side. Creating a calendar spreadsheet, the women—some of them strangers to one another—passed the baton of friendship, one to the next, and headed straight and strong into the battle to help save Amy's life. Empowered by the kind of empathy that can only grow with age, these women, each knowing Amy from different stages of her life, banded together to provide her with something that medicine alone could not. Sleeping on a cot beside her bed, they rubbed her back and feet when the pain was unbearable, adorned her room with death-distracting decorations, and engaged in their "best talks ever." They saw the true measure of their friend's strength, and they each responded in kind. My Glory Was I Had Such Friends is a tribute to these women and the intense hours they spent together—hours of heightened emotion and self-awareness, where everything was laid bare. Candid and heartrending, this once-in-a-lifetime story of connection and empathy is a powerful reminder of the ultimate importance of "showing up" for those we love.

Lift Jan 22 2022 No matter when and why this comes to your hands, I want to put down on paper how things started with us. Written as a letter to her children, Kelly Corrigan's *Lift* is a tender, intimate, and robust portrait of risk and love: a touchstone for anyone who wants to live more fully. In *Lift*, Corrigan weaves together three true and unforgettable stories of adults willing to experience emotional hazards in exchange for the gratifications of raising children. *Lift* takes its name from hang gliding, a pursuit that requires flying directly into rough air, because turbulence saves a glider from "sinking out." For Corrigan, this wisdom—that to fly requires chaotic, sometimes even violent passages—becomes a metaphor for all of life's most meaningful endeavors, particularly the great light that is parenting. Corrigan serves it up straight—how mundanely and fiercely her children have been loved, how close most lives occasionally come to disaster, and how often we fall short as mothers and fathers. *Lift* is for everyone who has been caught off guard by the pace and vulnerability of raising children, to remind us that our work is important and our time limited. Like Anne Morrow Lindbergh's *Gift from the Sea*, *Lift* is a meditation on the complexities of a woman's life, and like Corrigan's memoir, *The Middle Place*, *Lift* is boisterous and generous, a book readers can't wait to share.

Teaching the Cat to Sit Jul 04 2020 A compelling memoir of a gay Catholic woman struggling to find balance between being a daughter and a mother raising her son with a loving partner in the face of discrimination. From the time she was born, Michelle Theall knew she was different. Coming of age in the Texas Bible Belt, a place where it was unacceptable to be gay, Theall found herself at odds with her strict Roman Catholic parents, bullied by her classmates, abandoned by her evangelical best friend whose mother spoke in tongues, and kicked out of Christian organizations that claimed to embrace her—all before she'd even held a girl's hand. Shame and her longing for her mother's acceptance led her to deny her feelings and eventually run away to a remote stretch of mountains in Colorado. There, she made her home on an elk migration path facing the Continental Divide, speaking to God every day, but rarely seeing another human being. At forty-three years of age and seemingly settled in her decision to live life openly as a gay woman, Theall and her partner attempt to have their son baptized into the Sacred Heart of Jesus Catholic Church in the liberal town of Boulder, Colorado. Her quest to have her son accepted into the Church leads to a battle with Sacred Heart and with her mother that leaves her questioning everything she thought she knew about the bonds of family and faith. And she realizes that in order to be a good mother, she may have to be a bad daughter. *Teaching the Cat to Sit* examines the modern roles of motherhood and religion and demonstrates that our infinite capacity to love has the power to shape us all.

Identical Strangers Aug 24 2019 As seen in the hit documentary *Three Identical Strangers* • "[A] poignant memoir of twin sisters who were split up as infants, became part of a secret scientific study, then found each other as adults." —Reader's Digest (Editors' Choice) WINNER OF A BETTER LIFE AWARD Elyse Schein had always known she was adopted, but it wasn't until her mid-thirties while living in Paris that she searched for her biological mother. What she found instead was shocking: She had an identical twin sister. What's more, after being separated as infants, she and her sister had been, for a time, part of a secret study on separated twins. Paula Bernstein, a married writer and mother living in New York, also knew she was adopted, but had no inclination to find her birth mother. When she answered a call from her adoption agency one spring afternoon, Paula's life suddenly divided into two starkly different periods: the time before and the time after she learned the truth. As they reunite, taking their tentative first steps from strangers to sisters, Paula and Elyse are left with haunting questions surrounding their origins and their separation. And when they investigate their birth mother's past, the sisters move closer toward solving the puzzle of their lives. Praise for *Identical Strangers* "Remarkable... powerful... [an] extraordinary experience... The reader is left to marvel at the reworking of individual identities required by one discovery and then another." —Boston Sunday Globe "Absorbing." —Wired "[A] fascinating memoir... Weaving studies about twin science into their personal reflections... Schein and Bernstein provide an intelligent exploration of how identity intersects with bloodlines. A must-read for anyone interested in what it means to be a family." —Bust "Identical Strangers has all the heart-stopping drama you'd expect. But it has so much more—the authors' emotional honesty and clear-eyed insights turn this unique story into a universal one. As you accompany the twins on their search for the truth of their birth, you witness another kind of birth—the germination and flowering of sisterly love." —Deborah Tannen, #1 *New York Times* bestselling author of *You Just Don't Understand* "A transfixing memoir." —Publishers Weekly

Menonite in a Little Black Dress Nov 27 2019 Rhoda Janzen had reached a crossroads: she had just hit forty when her brilliant husband of fifteen years left her for a guy he met on Gay.com. In the same calamitous week she was hospitalized in a horrible car accident. With no alternatives, Rhoda decided to pack her bags and head home, into the heart of the Christian sect she had spent years longing to escape. Rhoda Janzen might be a bad Menonite, but nonetheless, her parents and their community welcome her back with open arms, strange food and offbeat advice. (Why not date your first cousin? He has his own tractor!) It was in this safe place that Rhoda came to terms with her failed marriage, the desire, as a young woman, to leave her sheltered world behind, and the choices that had both freed and entrapped her.

This Is Cancer Jun 02 2020 Cancer is indiscriminate. It cares little for class, creed or color. Its patients are literally everywhere. When Laura Holmes Haddad was diagnosed, she discovered she'll upon shelf of overly-earnest, somber, gray survival books, and knew there had to be a better way. This is *Cancer* is the thoughtful, informative, fabulously-looking result for those who prefer their paths with equal parts humor and reality and a touch of flair. A "what to expect when you're expecting" book for the diagnosis you don't want but are stuck with, this is *Cancer* is the book that patients keep in their "heading to the hospital bag," because it's the only one that tells them what's going on and keeps them company. Including such useful snippets as: There is no limit to what you will put yourself through when told it might save your life. Stay away from the Internet. And don't let anyone tell you "what they looked up" about your diagnosis. You'll be surrounded by people but you'll feel lonely, and alone, sometimes. Lexapro is Tylenol for the soul. If you don't like your doctor(s), find new ones. You will feel somewhat at the mercy of them, like they hold the key to your mortality, but in fact more than one doctor can potentially save you and some are nice and some are mean. Whether you or your loved ones want a primer full of useful information in an easy to reference format or a friendly and comforting read, the honest, grave, and mordantly funny stories and tips from young survivors will bring you the real intel and advice that you need most during this tremendously difficult time.

The Man I Never Met Nov 07 2020 A powerful true story of loss and hope by one of the biggest names in sports media. On September 11, 2001, Joe Maio went to work in the north tower of the World Trade Center. He never returned, leaving behind a wife, Sharri, and 15-month old son, Devon. Five years later, Sharri remarried, and Devon welcomed a new dad into his life. For thousands, the whole country really, 9/11 is a day of grief. For Adam and Sharri Maio Scheffer and their family it's not just a day of grief, but also hope. This is a story of 9/11, but it's also the story of 9/12 and all the days after. Life moved on. Pieces were picked up. New dreams were dreamed. The Scheffers are the embodiment of that. This book will give voice to all those who have chosen to keep living. It's gratifying and beautiful. But also messy and hard. Like most families. Except that one day every year history comes roaring back. How do you embrace that? How do you honor that? *The Man I Never Met* is also a peek at Adam Scheffer, the man behind the headlines and injury reports; a real person who has a real family. His book will follow in the path of recent ESPN books by Tom Rinaldi and the late Stuart Scott — books that have transcended sport to examine the raw emotion of life.

Anchor and Flares Oct 07 2020 Kate Braestrup's life was transformed by the loss of her husband; now Kate faces the possibility that she may lose her son. As a young mother Kate Braestrup discovered the fierce protectiveness that accompanies parenthood. In the intervening years—through mourning her husband and the joy of remarriage and a blended family—Kate has absorbed the rewards and complications of that spirit. But when her eldest son joins the Marines, Kate is at a crossroads: Can she reconcile her desire to protect her children with her family's legacy of service? Can parents balance the joy of a child's independence with the fear of letting go? As Kate examines the twinned emotions of faith and fear—inspired by the families she meets as a chaplain and by her son's journey towards purpose and familyhood—she learns that the threats we can't predict will rip us apart and knit us together.

The Middle Place Sep 29 2022 For Kelly Corrigan, family is everything. At thirty-six, she had a marriage that worked, two funny, active kids, and a weekly newspaper column. But even as a thriving adult, Kelly still saw herself as the daughter of garrulous Irish-American charmer George Corrigan. She was living deep within what she calls the Middle Place—"that sliver of time when parenthood and childhood overlap"—comfortably wedged between her adult duties and her parents' care. But Kelly is abruptly shoved into coming-of-age when she finds a lump in her breast—and gets the diagnosis no one wants to hear. When George, too, learns that he has late-stage cancer, it is Kelly's turn to take care of the man who had always taken care of her—and to show us a woman who finally takes the leap and grows up. Kelly Corrigan is a natural-born storyteller, a gift you quickly recognize as her father's legacy, and her stories are rich with everyday details. She captures the beat of an ordinary life and the tender, sometimes fractious moments that bind families together. Rueful and honest, Kelly is the prized friend who will tell you her darkest, lowest, screwiest thoughts, and then later dance on the coffee table at your party. Funny yet heart-wrenching, *The Middle Place* is about being a parent and a child at the same time. It is about the special double-vision you get when you are standing with one foot in each place. It is about the family you make and the family you came from—and locating, navigating, and finally celebrating the place where they meet. It is about reaching for life with both hands—and finding it.

Already Toast Sep 05 2020 The story of one woman's struggle to care for her seriously ill husband—and a revealing look at the role unpaid family caregivers play in a society that fails to provide them with structural support. *Already Toast* shows how all-consuming caregiving can be, how difficult it is to find support, and how the social and literary narratives that have long locked women into providing emotional labor also keep them in unpaid caregiving roles. When Kate Washington and her husband, Brad, learned that he had cancer, they were a young couple: professionals with ascending careers, parents to two small children. Brad's diagnosis stripped those identities away; he became a patient and she his caregiver. Brad's cancer quickly turned aggressive, necessitating a stem-cell transplant that triggered a massive infection, robbing him of his eyesight and nearly of his life. Kate acted as his full-time aide to keep him alive, coordinating his treatments, making doctors' appointments, calling insurance companies, filling dozens of prescriptions, cleaning commodes, administering IV drugs. She became so burned out that, when she took an online quiz on caregiver self-care, her result cheerily declared: "You're already toast!" Through it all, she felt profoundly alone, but, as she later learned, she was in fact one of millions: an invisible army of family caregivers working every day in America, their unpaid labor keeping our troubled healthcare system afloat. Because our culture both romanticizes and erases the realities of care work, few caregivers have shared their stories publicly. As the baby-boom generation ages, the number of family caregivers will continue to grow. Readable, relatable, timely, and often raw, *Already Toast*—with its clear call for paying and supporting family caregivers—is a crucial intervention in that conversation, bringing together personal experience with deep research to give voice to those tasked with the overlooked, vital work of caring for the seriously ill.

Leaving Before the Rains Come Feb 29 2020 The sequel to the bestselling *Don't Let's Go to the Dogs Tonight* Born in England and uprooted to southern Africa as a toddler by her parents, Alexandra Fuller experienced a unique upbringing—both coloured with tragedy and joy—against the backdrop of the Rhodesian wars. Following her marriage to American Charlie Ross, she leaves Africa for Wyoming in the United States. This sequel to the bestselling *Don't Let's Go to the Dogs Tonight* vividly captures the highs, lows and ultimate dissolution of Fuller's twenty-year marriage and her unbreakable tie to her African past as she searches for explanations for the present and answers for the future. Interlaced with stories from her childhood in Africa, Fuller paints a brilliant picture of an expatriate's love for her homeland, a daughter's acceptance of her father and the moving journey of her marriage and divorce. Poignant, candid and wistfully humorous, *Leaving Before the Rains Come* will resonate with anyone who has ever fallen out of love—with a person, idea or a place—and into self-acceptance and the belief that only we can save ourselves. "Remarkable, beautifully written and fantastically entertaining... a compulsive read." *Observer*

The Year We Disappeared Feb 08 2021 When Cylin Busby was nine years old, she was obsessed with the Muppets and her pet turtle. Then everything changed. Her police officer father, John, was driving to work when someone levelled a shotgun at his window. The blasts that followed left him clinging to life, yet he managed to write down the name of the only person he thought could have pulled the trigger. John Busby was scheduled to testify in an upcoming trial against the family of a local criminal with rumoured mob connections. It became clear that there was a definite suspect. Overnight, the Busbys went from being an average family to one under 24-hour armed protection, with police escorts to school and no contact with friends. Worse, the gunman was still on the loose, and it seemed only a matter of time before he would come after John again—or someone else in the family! With few choices left, the Busby family went into hiding, severing all ties to the only life they had ever known. This hard-hitting, graphic and compelling account of Cylin's family's escape from the mob is ultimately a story of survival and triumph.

Let's Just Say It Wasn't Pretty Aug 17 2021 NEW YORK TIMES BESTSELLER From Academy Award winner and bestselling author Diane Keaton comes a candid, hilarious, and deeply affecting look at beauty, aging, and the importance of staying true to yourself—no matter what anyone else thinks. Diane Keaton has spent a lifetime coloring outside the lines of the conventional notion of beauty. In *Let's Just Say It Wasn't Pretty*, she shares the wisdom she's accumulated through the years as a mother, daughter, actress, artist, and international style icon. This is a book only Diane Keaton could write—a smart and funny chronicle of the ups and downs of living and working in a world obsessed with beauty. In her one-of-a-kind voice, Keaton offers up a message of empowerment for anyone who's ever dreamed of kicking back against the "should" and "supposed to" that undermine our pursuit of beauty in all its forms. From a mortifying encounter with a makeup artist who tells her she needs to get her eyes fixed to an awkward excursion to Victoria's Secret with her teenage daughter, Keaton shares funny and not-so-funny moments from her life in and out of the public eye. For Diane Keaton, being beautiful starts with being true to who you are, and in this book she also offers self-knowing commentary on the bold personal choices she's made through the years: the wide-brimmed hats, outrageous shoes, and all-weather turtle-necks that have made her an inspiration to anyone who cherishes truly individual style—and catnip to paparazzi worldwide. She recounts her experiences with the many men in her life—including Warren Beatty, Jack Nicholson, Al Pacino, and Sam Shepard—shows how our ideals of beauty change as we age, and explains why a life well lived may be the most beautiful thing of all. Wryly observant and as fiercely original as Diane Keaton herself, *Let's Just Say It Wasn't Pretty* is a head-turner of a book that holds up a mirror to our beauty obsessions—and encourages us to like what we see. Praise for *Let's Just Say It Wasn't Pretty* "Behind the sterling movie credits and tomboyish wardrobe, we see a soulful and deep woman contemplating the narrative arc of her own life." —*Newsweek* "Delicious writing... This book is like a dishy lunch with the movie star you thought you'd never be lucky enough to meet... Diane Keaton is in a class by herself and this book is good for the soul." —*Liz Smith, Chicago Tribune* "She's talented, iconic, quirky... and wonderfully blunt. This is just a small sampling of the reasons we love Diane Keaton, and they all permeate the pages of her new memoir." —*Elle* "As disarming and personable as the actress herself." —*The Huffington Post* "Wise, witty, thoughtful, uplifting, the truth, unvarnished—and very funny." —*Toronto Star*

Motherland Jan 28 2020 "I'm reading this book right now and loving it!" —Cheryl Strayed, #1 New York Times bestselling author of *Wild* How can a mother and daughter who love (but don't always like) each other coexist without driving each other crazy? "Vibrating with emotion, this deeply honest account strikes a chord." —*People* "A wry and moving meditation on aging and the different kinds of love between women." —*O: The Oprah Magazine* After surviving a traumatic childhood in nineteen-seventies New York and young adulthood living in the shadow of her flamboyant mother, Rita, a makeup-addicted former television singer, Elissa Altman has managed to build a very different life, settling in Connecticut with her wife of nearly twenty years. After much time, therapy, and wine, Elissa is at last in a healthy place, still orbiting around her mother but keeping far enough away to preserve the stable, independent world she has built as a writer and editor. Then Elissa is confronted with the unthinkable: Rita, whose days are spent as a flâneur, traversing Manhattan from the Clinique counters at Bergdorf to Bloomingdale's and back again, suffers an incapacitating fall, leaving her completely dependent upon her daughter. Now Elissa is forced to finally confront their profound differences. Rita's yearning for beauty and glamour, her view of the world through her days in the spotlight, and the money that has mysteriously disappeared in the name of preserving youth. To sustain their fragile mother-daughter bond, Elissa must navigate the turbulent waters of their shared lives, the practical challenges of caregiving for someone who refuses to accept it, the tentacles of narcissism, and the mutual, frenetic obsession that has defined their relationship. *Motherland* is a story that touches every home and every life, mapping the ferocity of maternal love, moral obligation, the choices women make about motherhood, and the possibility of healing. Filled with tenderness, wry irreverence, and unforgettable characters, it is an exploration of what it means to escape from the shackles of the past only to have to face them all over again. Praise for *Motherland* "Rarely has a mother-daughter relationship been excavated with such honesty. Elissa Altman is a beautiful, big-hearted writer who mines her most central subject: her gorgeous, tempestuous, difficult mother, and the terrain of their shared life. The result is a testament to the power of love and family." —Dani Shapiro, author of *Inheritance*

Tell Me More Aug 29 2022 NEW YORK TIMES BESTSELLER • A story-driven collection of essays on the twelve powerful phrases we use to sustain our relationships, from the bestselling author of *Glitter and Glue* and *The Middle Place* "Kelly Corrigan takes on all the big, difficult questions here, with great warmth and courage." —Glennon Doyle **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE AND BUSTLE** It's a crazy idea: trying to name the phrases that make love and connection possible. But that's just what Kelly Corrigan has set out to do here. In her New York Times bestselling memoirs, Corrigan distilled our core relationships to their essences, showcasing a warm, easy storytelling style. Now, in *Tell Me More*, she's back with a deeply personal, unfailingly honest, and often hilarious examination of the essential phrases that turn the wheel of life. In "I Don't Know," Corrigan wrestles to make peace with uncertainty, whether it's over invitations that never came or a friend's agonizing infertility. In "No," she admires her mother's ability to set boundaries and her liberating willingness to be unpopular. In "Tell Me More," a facialist named Tish teaches her something important about listening. And in "I Was Wrong," she comes clean about her disastrous role in a family fight—and explains why saying sorry may not be enough. With refreshing candor, a deep well of empathy, and her signature desire to understand "the thing behind the thing," Corrigan swings between meditations on life with a preoccupied husband and two mercurial teenage daughters to profound observations on love and loss. With the streetwise, ever-relatable voice that defines Corrigan's work, *Tell Me More* is a moving and meaningful take on the power of the right words at the right moment to change everything. Praise for *Tell Me More* "It is such a comfort just knowing that Kelly Corrigan exists: she is somehow both wise and self-deprecating; funny but unafraid of pain; frank but gentle. She is the sister/mother/best friend we all wish we could have—and because of this big-hearted book, we all get to." —Ariel Levy, author of *The Rules Do Not Apply* "With full-bodied humor and radical sensitivity, Kelly Corrigan transforms the mundane pain of life into a necessary spiritual text of sorts, one that reminds us that we have the right to grieve but the obligation to be grateful. This book will remind you that you are human—and of the fragile loveliness of being so." —Lena Dunham
