Some, like the kelpies and fairies, who like to bite, are best avoided. But the gargoyles are wise and wonderful, and show a special affection for humans. Vicky has grown up under the watchful eye of a gargoyle named Rupert, and excels at sword-fighting and magic. But there's so much she doesn't know--like why her mother, once one of the queen's elite Ravens, keeps Vicky hidden away and won't let Vicky train at the elite Corvus school where girls with her gifts perfect their skills. But when a horrific tragedy occurs, Vicky knows it's finally time to use her gifts, and that the only place she should be to avenge the crime against her family is at Corvus. There she bands together with a former street thief and an alchemy student to figure out whom they can trust in a place that's rife with intrigue and secrets. And all the while, the gargoyles watch and nudge. Time's not linear to them, so they know change comes in ripples. With their steadying influence, Vicky and her friends just

can't win--or surrender the first mortal woman he's loved.

"What a delight to discover how much I loved being back in the Wicked Lovely world, discovering details about beloved characters that made me want to race back for a series reread. This is Irial's story set in 1890s New Orleans, brimming with faerie court drama and steamy romance. Can we, and should we, outrun fate? And if so, are we prepared for the consequences? I could not put it down." --Angela Mann, Kepler's Books, Menlo Park CA

"Set 100 years before the events in Wicked Lovely, Cold Iron Heart finds Irial, the king of the Dark Court, in New Orleans and entranced by a mortal. Is his interest in Thelma Foy just a passing fascination, or could it change the course of her life and the world forever? Melissa Marr masterfully rises to challenge of writing a prequel by both expanding on the mythology of the original series while telling a story that exists wholly on its own. She's also being pursued by famous novelist Michael, who sets his sights on Tess as the muse of his work-in-progress, oblivious to her former identity. In beautiful poetry and vivid photographs, Melissa Marr shares her feelings of awe while watching a real-life herd of majestic wild horses in Arizona. When they appear, the wind itself seems to stand still. They are grand in their movements as they do all the things horses do--splash through rivers, care for young, stomp and whinny. It is clear they are not tame, and this is part of their beauty and power. How lucky are we to be able to witness their strength and speed and magnificence!
