Ashley's just a low step on the ladder of her company's success. The company party was always a big to-do. Jimmy Sheldon, the CEO and found of Big Steps always made sure his employees had a good time. He should, he worked them hard, expected more than they thought they could give, but he always rewarded their efforts. It's what made him a great boss and the owner of a million-dollar company. He knew how to make things work. And boy, did he. A few too many cosmo's and Ashley hit the dance floor. She forgot how much fun it was to dance. After a few songs, her years of competitive dance routines came back to her and she had everyone trying to move like her. Even boss-man Jimmy. And he had some decent dance moves himself. From the dance floor to the hotel room, Ashley swore they'd both forget what happened in the morning and go back to their steps on the ladder. Except, no one ever forgets a hit song... Billionaire's Secret Baby Dec 16 2021 Being a billionaire stirred something deep in my soul like nothing else. But that was until I saw her again. Her smile – sweet and forbidden. My eldest brother prohibited me from making any scandal to our resort. I had learned how to turn my sexual prowess down a few notches. But in my free time, I did whatever pleased me. There she is — exactly the way I remember her. One thing's different, though. The little girl holding her hand, calling her Momma. Our eyes meet, sparks of recognition light in hers. My heart flutters inside my chest. Wait — what the hell. Does she think I haven't recognized the only woman I've ever come close to falling in love with?

The Billionaire's Assistant - Part 1 May 21 2022 Book 1 - The Billionaire's Assistant Book 2 - The Billionaire's Proposal Book 3 - The Billionaire's Temptation My name is Abigail Wilder. PR maven extraordinaire. A credit to her industry. A savior to her clients. A razor-tongued blessing to those who employed her, and a curse to those who stood in her way. (This was all printed on my business cards. In so many words.) But to him, my biggest client, I was Abby. And to me, he was Nick. Nick keeps me busy with all his stunts and playboy ways. He gets in trouble and it's my job to bail him out and make everything shine in a positive light. He's a pain in my ass! Far too wild for my taste. And now the board wants to keep him on a leash until their big merger goes through. They want me to find him a girlfriend. Get someone to tame Nick? Yeah, right. Damn, do I have my hands full. I wanted to give Nick my standard speech. The 'fame is a fickle friend' speech, and tell him to keep his damn head down for once. But such speeches had never really worked on Nick. And to be honest, he was right. The press did love him. They always had. They probably always would. He was their

dream—a man who knew no limits. No boundaries. Every page—an open book. Over the years, he'd become something of a folk hero. The crown prince of mayhem who couldn't be tamed. A source of constant entertainment and levity for the masses. But even by celebrity standards, Nick was a rare breed. Because beneath that careless playboy persona, beneath all the money, and mischief, and that unquenchable sense of adventure...he had a genuinely good heart. It was this 'good heart' his father's company had hired me to promote. To protect. To shine a spotlight on all the good things—half to highlight them, half to keep that same spotlight off everything bad. By protecting his image, I was protecting their shareholders, and thus—doing my not inconsiderable part to contribute to the massive global conglomeration that was his father's company. The Hunter Corporation. The family's crowning achievement. It's a tough job, but somebody has to keep the gorgeous billionaire in check. And I guess that job belongs to me.

My Boss, the Billionaire Jul 19 2019 Never fall in love with your boss... I've worked for Leon for two years now. Which means I've been in love with Leon for about, oh, 730 days, give or take. He's tall, gorgeous, hardworking, and strict. Most of the staff at Noah's Ark are scared of him. But I can handle the Lion King, as I like to call him. I'm his PA. I book his dental appointments, pick up his dry cleaning, keep his diary, walk his dogs, and organize his accounts. I know him as well as a wife would, although unfortunately without the added benefits that role would bring. I'd tell him how I feel, but he's made it quite clear he's against relationships at work, so I know it's never going to happen unless I leave the Ark, and I love my job. Then, on the day the Prime Minister's supposed to arrive at the Ark, his crazy dog knocks me over and gives me a concussion. And, as if I'm Snow White needing to be awoken from her slumber, Leon kisses me. Crap. Now we're in trouble. How on earth do you un-forget being kissed by your handsome prince?

Billionaire by the Book Mar 27 2020 My fantasies existed only in books until he came along. Some people say rules are meant to be broken. Not me. I say rules are there for a reason. It's why when the handsome stranger walked into my library, the only thing I cared about was the snow he brought with him, melting quickly into the carpet. That, and making sure he didn't raise his voice, of course. But then he found the Kama Sutra. You won't believe what he did to me then. Or what I did to him in return. Let's just say 'no noise in the library' was the least of the rules we broke. He's everything I should hate—a rule breaker with no respect for books, who gets away with whatever he wants because he's a billionaire. He's got an ex-wife too, and trust me, they don't get along. Part of me wonders if all the exotic travel and lavish gifts are just a way to get back at her. But it's hard to hate someone when every last fiber of your being wants to rip their clothes off. Screw the noise rules—all I want to do is make love to him up against the stacks in my library, over and over again. Does he really love me? Or will the result of breaking all my rules just leave me with a broken heart? *Billionaire by the Book* is a standalone romance with a happy ending and no cheating. But be warned: this book is so hot it will have you fanning yourself (and looking for the closest library!). It contains smoking hot action between a curvy woman and a gorgeous Billionaire, and includes sizzling scenes which are for adults only. Read it only if you enjoy smoking hot romance, intelligent heroines, sexy billionaires, and romance books full of hot, sexy fun!

Billionaire Bound: My Billionaire Boss, Part 1 (A BDSM Erotic Romance) May 29 2020 Delilah's plan worked a little too well... She thought a low-level job in the records department of the Stone-Black Corporation would allow her to uncover wrong-doings she could show to the world to take the company down. But after only three days she's suddenly promoted to work as executive assistant to Jackson Stone, mercurial CEO and number #1 on her list of bastards who deserve a slap in the face. He has a temper. He has a secret. He is absolutely gorgeous. When he punishes her for snooping around his office, she realizes she may be in over her head. Billionaire Bound: Part 1, Billionaire Bond: Part 2, Billionaire Bondage: Part 3, Billionaire Black: Part 4, Billionaire Blackmail: Part 5, Billionaire Bought: Part 6, Billionaire Bind: Part 7, Billionaire Broken: Part 8 (the final book) are now available! EXCERPT: "I've been what?" I adjusted my glasses and tried to swallow but my throat had gone dry.

"Promoted to executive assistant. Take your things, these papers and go to the top floor," Ms. Green, the HR manager, said in a cold voice. I tried to find my voice but only a croak came out and I felt myself break out in the sweat. "I'd hurry if I were you. Mr. Stone doesn't like to be kept waiting," she said, not looking up from her computer screen. "But I'm meant to be working as a records clerk," I protested. I'd only been at Stone-Black for three days and I'd already been promoted? "And now you're an executive assistant. Take these with you. Good luck with your short-term career." She handed me an elevator fob and waved her hand at a stack of papers. I picked up the papers and headed in the general direction of the elevator, trying to work out whether I should just walk out the front door. And what did she mean by "short-term career"? Executive Assistant to Mr. Jackson Stone. The CEO of Stone-Black and reputed to be a mercurial tyrant who hired and fired people on a whim. I'd only seen his picture on the web - various charity balls, meetings with government officials - and what could I say? The man was hot. Tall with blond hair and blue-green eyes, he was a billionaire to boot. In every photo he seemed to be wearing a scowl as though there was a volcano inside him, barely held in check. I got halfway to the elevator before I decided to bail on my plan. The Stone-Black corporation had practically destroyed my home-town of Bedford and then gotten away with it via various sneaky legal maneuvers. I thought being hired in the records department was the perfect way to discover something that could topple the whole business. I knew it had been too perfect to get that job and after only three days I had been "promoted" to executive assistant. I turned abruptly and crashed directly into a man who'd been striding behind me. I dropped the papers to the ground, along with my bag. Bits and pieces went everywhere. "Oh, I'm sorry," I stammered, trying to pick up all the papers at once from the floor. A red-leather briefcase came down next to my handbag and its contents strewn across the floor. The man scooped up the contents and put them back into the bag as I gathered the papers. "Ms. Neri?" I swallowed again and croaked something that could possibly have been yes as I followed the line of an Italian suit up to two blue-green eyes. Jackson Stone. CEO of Stone-Black.
