Restless in the City Jul 29 2019 Restless in the City gives us access to the unfiltered voices of young people from urban poor communities speaking about their expectations from the state, their engagement with the city and neighbourhood, and their personal and familial relationships. The book uncovers deep-rooted injustices within the current workforce, examining cases where young men aspire to work in the public sector even as they hold low-paying jobs in private firms which reinforces their sense of marginalization. The stark difference between rural and urban youth 's relationship with technology, and how it affects their feelings towards love and friendship, is another focus of the conversations we encounter in the book, a focus which also highlights the limits of agency accorded to young women on the margins. Restless in the City is a rare study that delves deep into overlooked issues faced by young people from less privileged localities of Delhi who are constantly navigating the politics of their changing urban milieu.

The Diary of a Young Girl Jun 27 2019 THE DEFINITIVE EDITION "Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating." —The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.
