American Government Nov 27 2019 A government textbook which discusses the political ideas which shape our country, the organization of and relationship between the various branches and levels of government, and the role of the individual in the democratic process.

Congressional Record Dec 09 2020

Our American Government: what is It? How Does it Function? Sep 29 2022

In Deep: The FBI, the CIA, and the Truth about America's "Deep State" Oct 26 2019 Revised and updated "One of today's most respected journalists, David Rohde takes on one of the country's most toxic conspiracy theories," presenting a "scrupulously reported and even-handed" account of how power and intelligence are exploited in Washington that "goes deep indeed inside America's security state, telling a story that will surprise readers of all political persuasions" (Jane Mayer, author of Dark Money). Donald Trump blamed his 2020 defeat on Democrats and the "deep state"—a supposed secret cabal of Washington insiders that relentlessly encroaches on the individual rights of Americans—for stealing the election and undermining his presidency. Most Americans who supported him agreed. Americans on the left increasingly fear the "military-industrial complex," a faction of generals and defense contractors who they believe routinely push the country into endless wars. But does the American "deep state" really exist? This question is fundamental to preserving the legitimacy of American democracy, as frustration with and distrust for the government continue to grow. In Deep seeks to dispel these pernicious myths through an examination of the FBI, CIA, and Justice Department scandals of the past fifty years from the Church Committee's exposure of Cold War abuses to the claims and counterclaims of the Trump era and the relentless spread of conspiracy theories online and on air. It exposes the misconduct of Attorney General William Barr; how distrust of the "deep state" undermined the US government response to the COVID-19 pandemic; and the growing discord sowed by the explosion of false information online. It investigates Trump's quest to discredit government experts, the legislative and judicial branches, and the results of the 2020 election and assume authoritarian power for himself. "The idea of the deep state, Rohde writes, is inextricably linked to a particular view of presidential power" (Dina Temple-Raston, Washington Post). Based on dozens of interviews with career CIA operatives and FBI agents, "In Deep is a wholly satisfying read and a necessary one for anyone wanting to understand the forces at play in our government today" (Andrea Bernstein, Peabody Award-winning cohost of the Trump, Inc. podcast and author of American Oligarchs).

Introduction to American Government Mar 31 2020 Master Your Coursework with Collins College Outlines The Collins College Outline for Introduction to American Government covers all the major events in the creation of both the government and legislation, from the origins of the United States and the Bill of Rights and the Constitution to the three branches of government to civil rights and modern-day public policy. This detailed outline is a must-have for any student of the American political system. Completely revised and updated by Dr. Larry Elowitz, Introduction to American Government includes a test yourself section with answers and complete explanations at the end of each chapter. Also included are bibliographies for further reading, as well as numerous charts, timelines, and illustrations. The Collins College Outlines are a completely revised, in-depth series of study guides for all areas of study, including the Humanities, Social Sciences, Mathematics, Science, Language, History, and Business. Featuring the most up-to-date information, each book is written by a seasoned professor in the field and focuses on a simplified and general overview of the subject for college students and, where appropriate, Advanced Placement students. Each Collins College Outline is fully integrated with the major curriculum for its subject and is a perfect supplement for any standard textbook.

American Government 3e May 26 2022

The Basics of American Government Aug 17 2021 The Basics of American Government is a collaborative effort among eight current and one former faculty members in the Departments of Political Science and Criminal Justice at University of North Georgia. The purpose of this book is to offer a no-frills, low-cost, yet comprehensive overview of the American political system for students taking introductory courses in American national government. Furthermore, the work combines the best aspects of both a traditional textbook and a reader in that most chapters offer a piece of original scholarship as a case study to bolster or reinforce the material presented in the chapter. In addition, many chapters present a civic engagement-type exercise and discussion questions intended to challenge, engage, and foster student participation in the political system. The authors undertook this project for several reasons, most notably the high costs of textbooks for students and the lack of college-level scholarship found in most American Government texts. This 375-page, peer-reviewed, edited book that combines traditional material with original scholarship will cost students \$27.99, well below market standards. All of the authors are experienced classroom instructors, subject matter experts, and published researchers in the field of American politics.

United States Government Jul 24 2019 Presents relevant standards-based content that targets student interest to stimulate and encourage learning. Includes case studies, thought-provoking questions, and simulations, and develops 21st century skills in students so that they can apply what they learn and participate as effective and responsible citizens.

The Future of the Public's Health in the 21st Century Jun 22 2019 The anthrax incidents following the 9/11 terrorist attacks put the spotlight on the nation's public health agencies, placing it under an unprecedented scrutiny that added new dimensions to the complex issues considered in this report. The Future of the Public's Health in the 21st Century reaffirms the vision of Healthy People 2010, and outlines a systems approach to assuring the nation's health in practice, research, and policy. This approach focuses on joining the unique resources and perspectives of diverse sectors and entities and challenges these groups to work in a concerted, strategic way to promote and protect the public's health. Focusing on diverse partnerships as the framework for public health, the book discusses: The need for a shift from an individual to a population-based approach in practice, research, policy, and community engagement. The status of the governmental public health infrastructure and what needs to be improved, including its interface with the health care delivery system. The roles nongovernment actors, such as academia, business, local communities and the media can play in creating a healthy nation. Providing an accessible analysis, this book will be important to public health policy-makers and practitioners, business and community leaders, health advocates, educators and journalists.

Pacemaker American Government Nov 19 2021 Covers the functions of federal, state, and local government This program introduces students to the intricacies of the federal, state, and local governments, and their rights and responsibilities as U.S. citizens. The manageable content and support helps students successfully meet curriculum requirements. Lexile Level 800 Reading Level 3-4 Interest Level 6-12

The Handy American Government Answer Book Jul 16 2021 The stakes have never been higher: national security, civil liberties, the economy, the future of the republic. Yet few outside Washington actually understand how our government and political system should work, much less how it actually operates. On one level, it's a complex, interlocking world veiled in power brokering, bureaucracy, and big money. On another, it's the biggest, richest, most influential organization in the world, for better or worse. Understanding how modern America is managed and governed is more vital than ever, but television, radio, newspapers, and social media frequently aim to spin, seduce, and sell product rather than serve anything resembling the truth. Filling the breach and answering basic questions about how our very complex government operates and what it promises, The Handy American Government Answer Book: How Washington, Politics, and Elections Work takes a comprehensive look at the systems, people, and policies that comprise American democracy, providing much-needed clarity to the current political drama. This informative book traces the historic development of the government, the functions of each branch of government, and how they work together. It provides clear and concise definitions of who does what and why. Written in an entertaining, reader-friendly, question-and-answer format, The Handy American Government Answer Book deciphers the news behind the headlines through well-researched answers to nearly 800 common questions. You will also read about such fascinating tidbits as ... □ Why is America's democratic system considered so precious? □ How are shifting demographics related to the electorate? □ What can Americans do to influence their government? □ Did the framers of the Constitution place equal weight on the concepts of liberty, equality, and democracy? □ What does "checks and balances" mean? □ What generally happens when members of Congress act inappropriately? □ How many presidents have been impeached? □ How does a case reach the U.S. Supreme Court? □ Which president appointed the most justices? □ How do civil liberties differ from civil rights? □ How does the Bill of Rights protect individual liberties? □ Is measuring public opinion a new phenomenon in politics? □ What does the concept "majority rule with minority rights" mean? □ Why has trust in the government declined? □ What does it mean to lobby? □ How are PAC donations and political decisions linked? □ Where do the party symbols of the donkey and the elephant come from? □ What is electoral realignment? □ Who pays for the campaigns of candidates? □ Did the electoral college ever vote unanimously for a president? This handy primer also includes numerous illustrations, graphs, tables, a helpful bibliography, and an extensive index, adding to its usefulness. In the midst of the overheated rhetoric of the moment and the fast-changing, crisis-dominated world, a well-informed citizenry armed with The Handy American Government Answer Book is the best defense against political and corporate chicanery!

American Government Oct 19 2021 "The Brief edition of American Government: Stories of a Nation outlines the crucial areas and helps guide students along to what they should know... I am confident this approach is what students are looking for." —Frank Fuller, Chestnut Hill College American government is not just one story—it's many stories. Our stories. And they are still being told. In American Government: Stories of a Nation, author Scott Abernathy tunes in to the voices of America's people, showing how diverse ideas throughout our nation's history have shaped our political institutions, our identities, the way we participate and behave, the laws we live by, and the challenges we face. His storytelling approach brings the core concepts of government to life, making them meaningful and memorable, and allowing all students to see themselves reflected in the pages. For the new Brief Edition, Abernathy has carefully condensed and updated the content from the Full version, giving your students the information they need—and the stories they relate to—in a more concise, value-oriented package. Curious how storytelling can boost learning in your classroom? Read a free whitepaper that explains the research. American Government Dec 21 2021 "The main strength of this book is that it presents a 'human' side to American Government that challenges students to think critically while still presenting the 'teaching' side with objectives, self-tests, and chapter reviews." —Kathleen Barrett, University of West Georgia In the Second Edition of American Government, author Scott F. Abernathy tunes in to the voices of all Americans, showing how our diverse ideas shape the way we participate and behave, the laws we live by, and the challenges we face. From the Constitutional Convention to Ferguson, Missouri, each chapter features rich, personal narratives that illustrate how the American political system is the product of strategies, calculations, and miscalculations of countless individuals. It focuses on real people, the actions they take, the struggles they face, and how their choices influence outcomes. The key concepts are memorable because they are tied to real politics, where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas. Participation is at the heart of this groundbreaking new text, with ample background on how and why to participate. Not only will all students see themselves reflected in the pages, but they will come to understand that they, too, are strategic players in American politics, with voices that matter. REA's CLEP test preps will help you earn valuable college credits, save on tuition, and get a college degree.

American Government Nov 07 2020

American Government Oct 07 2020 In the Second Edition of American Government, Essentials Edition, author Scott F. Abernathy tunes in to the voices of all Americans, showing how our diverse ideas shape the way we participate and behave, the laws we live by, and the challenges we face. From the Constitutional Convention to Ferguson, Missouri, each chapter features rich, personal narratives that illustrate how the American political system is the product of strategies, calculations, and miscalculations of countless individuals. It focuses on real people, the actions they take, the struggles they face, and how their choices influence outcomes. The key concepts are memorable because they are tied to real politics, where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas. Participation is at the heart of this groundbreaking new text, with ample background on how and why to participate. Not only will all students see themselves reflected in the pages, but they will come to understand that they, too, are strategic players in American politics, with voices that matter. American Government, Essentials Edition, is identical to the full version of the text, minus the three policy chapters. Also available as a digital option (courseware). Contact your rep to learn more about American Government, Second Essentials Edition - Vantage Digital Option.

CQ's Desk Reference on American Criminal Justice Apr 24 2022 Answers to frequently asked questions about the United States legal system discusses the difference between civil and criminal law, crime rates, significant laws and court decisions, court citations, and Constitutional issues.

The Enduring Democracy Mar 12 2021 The Enduring Democracy by Kenneth Dautrich, David A. Yalof, and Christina Bejarano examines the current state of American politics through the lenses of American history and the nation's changing demographics. This two-pronged approach encourages students to place current issues and controversies into historical perspective, and to think critically about how those issues and controversies are impacted by America's increasingly diverse population. By analyzing and understanding the influences of historical context and demographics, students can debate effectively with references, use historical outcomes to predict for the future, and create strong arguments based on what they know about fundamental changes in the political landscape. The highly anticipated Sixth Edition frames the 2016 general election and 2018 midterm elections from the perspective of what they mean to college students, so that they can see the relevance of American government in their daily lives. Also available as a digital option (courseware). Learn more about The Enduring Democracy, Sixth Edition - Vantage Digital Option.

The Federalist Papers Mar 24 2022 This authoritative edition of the complete texts of the Federalist Papers, the Articles of Confederation, the U.S. Constitution, and the Amendments to the U.S. Constitution features supporting essays in which leading scholars provide historical context and analysis. An introduction by Ian Shapiro offers an overview of the publication of the Federalist Papers and their importance. In three additional essays, John Dunn explores the composition of the Federalist Papers and the conflicting agendas of its authors; Eileen Hunt Botting explains how early advocates of women's rights, most prominently Mercy Otis Warren, Judith Sargent Murray, and Charles Brockden Brown, responded to the Federalist-Antifederalist debates; and Donald Horowitz discusses the Federalist Papers from the perspective of recent experiments with democracy and constitution-making around the world. These essays both illuminate the original texts and encourage active engagement with them.

The Everything American Government Book Jul 04 2020 If the confusion following the last presidential election is any indication, the average citizen knows precious little about the democratic system and the laws that affect their daily lives. The Everything American Government Book unravels the complexities of our democracy and provides readers with the knowledge necessary to make the right decisions and take an active role in the management of their country. From the roots of American government and the challenges that have helped shape it over the years to its current structure and systems, this thoroughly researched work is ideal for anyone brushing up on civics, as well as students of all ages. Readers learn about: The personalities and events that gave rise to our current system The real significance of the Bill of Rights and the Constitution The functions of each branch of government and how they work together Private sector's influence on public policy and decision-making Ways to get involved and make a difference Specially designed to inform and empower the average citizen during this critical election year, The Everything American Government Book provides the keys to understanding the ins and outs of the most powerful democracy in the world.
