Cornerstones of Financial Accounting Apr 05 2020 Get where you need to be with CORNERSTONES OF FINANCIAL ACCOUNTING. Cornerstones delivers a truly unique learning system that is integrated through the entire introductory managerial accounting journey — ensuring students will leave the course with the knowledge they need to be future business leaders. Students are guided through: Building A Strong Foundation: Students need to build a strong foundation of the fundamentals before they can move forward in this course. The unique Cornerstones approach gets them through the fundamentals FASTER so that they can transition to analyzing and applying concepts. Understanding Relationships: Rather than focusing on concepts in isolation, students should understand accounting as a system and recognize how the end result changes based on how the numbers affect each other. CORNERSTONES aids students in this step as an important part in training them to be good decision makers. Making Decisions: Armed with the knowledge they have gained from working through the other aspects of the Cornerstones approach, students are now given the tools to bring their knowledge full-circle and practice making good business decisions. Students love this approach because it presents materials the way they learn. Instructors love it because it gets students to master the foundations more quickly and allows more time to learn and apply the analysis and decision making of accounting. Get There with Cornerstones! Available with InfoTrac Student Collections <http://gocengage.com/infotrac>. Accounting Using Excel for Success Aug 10 2020 ACCOUNTING USING EXCEL FOR SUCCESS, 2E leads students to accounting mastery while increasing Excel proficiency. Written with the modern business world in mind, this adaptation of the principles text--ACCOUNTING, 24E--offers an innovative four-step system for students: (1) read the accounting concept and illustration, (2) follow the same concept using the Excel Success Example, (3) practice using the Try It Tutorial, and (4) apply knowledge by completing the Excel Success Problem. This text reinforces key accounting concepts through six basic Excel formulas. Students build an Excel portfolio to demonstrate basic competencies in accounting and Excel. Each new copy of the book comes packaged with an access code that allows students to use the online Excel Try It Tutorials. These tutorials guide students through the hands-on process of entering formulas and understanding how to Excel for accounting. Excel Success Special Activities at the end of the chapter require students to manipulate spreadsheets and save the files to demonstrate Excel competency. Within the auto-graded online homework products (CengageNOW™ and Aplia™), students are asked to document their Excel processes. For a complete demo of the Excel Success system, visit www.cengage.com/community/warren.
