The It Girl Jul 19 2019 THE IT GIRL is the first in a sassy, sophisticated, completely addictive new series. Jenny has left her Manhattan school to attend Waverly Academy, an elite boarding school where glamorous rich kids don't let the rules get in the way of an excellent time. Jenny sets off to Waverly with big plans of reinventing herself. She'll be a goddess - she's a sophisticated city girl, after all! - and will find a boy who can properly worship her. But that's going to be a little tricky since her self-absorbed new roommates, Callie Vernon and Brett Messerschmidt, aren't exactly there to help - unless there's something in it for them. But if getting caught with boys and going up against the Disciplinary Committee is what it takes, Jenny's ready - she'll do all that and more to become The It Girl.

A Fine Line Jan 25 2020 praise for a fine line "A breath of turbo-charged fresh air that doesn't regurgitate the ego-maniac CEO's selective memory or an outside expert's misinterpretations. Hartmut explains innovation through the lens of design, and it's about time we gained his valuable perspective." Guy Kawasaki, former chief evangelist, Apple and co-founder of Alltop.com "At Flextronics, we fell in love with Hartmut and frog, and their passion for bringing crazy great designs and design processes into the forefront of great product companies. We used their expertise to help our customers, many of the greatest product companies in the world, including Apple, HP, Cisco, Microsoft and others. It is a credit to Hartmut that in the midst of a shocking global recession, frog still sets quarterly revenue records. There is a unique and fascinating story." Michael Marks, partner, Riverwood Capital LLC and former CEO, Flextronics "Hartmut's new approach to design is felt in every room in every house in every country and in every business around the world. He proved that thoughtful design is not only good for people but is good for business and that both are interlinked. I have been fortunate to have observed first hand his impact at Sony, Apple, and HP?and have learned so much from him. He is an unsung hero of our times! A Fine Line is a must-read for designers and business people alike." Satjiv Chahil, senior vice president, Hewlett-Packard "A fascinating, breathtaking, and exemplary insight into a success story that never had so much topicality, and so much informative potential as just now. Esslinger offers an honest and encouraging portrait of the incredible power of the business and design alliance. A Fine Line is a handbook of design expertise and the art of business at its best, showing a variety of radical solutions and fresh new ideas." Professor Dr Peter Zec, president, ICSID and founder, red dot awards

eBay: The Missing Manual Jul 31 2020 It's the undisputed king of Internet auction sites. It's a global bazaar offering a range of goods from Antiques to Zulu Daisies. Cars, clothing, collectibles: you name it, and it's likely that you can find on eBay. But along with the vast selection of goods available, buyers and sellers also encounter all the other elements that markets are known for: tricks and swindlers, overpriced goods, deceptive labeling, small print, recycled items marked as new, and the occasional rare priceless find or undiscovered treasure. Seasoned eBay traders know that to successfully buy and sell within this mega-shopping platform, you need to understand the system. Unfortunately, the secrets of the site are often tightly held by other buyers and sellers seeking a competitive edge. But what if you're a newcomer? Or an experienced trader who wants to make the jump to power buyer or seller? eBay: The Missing Manual gives you the inside information you'll need to become an eBay expert. Buyers will find the most effective ways to find you want and pay prices that are sure to bring a smile to your face. And you'll get authoritative advice on strategic bidding: how to watch for elusive items, time your bids to take the competition by surprise, and—above all—avoid paying more than you ought to. Sellers will get sure-fire tips from eBay veterans who have discovered ways to ramp up their own auctions and sell at the highest possible prices. From the smallest details, such as how to take and post the most effective photos of your goods, to pricing strategies, inventory management, and shipping methods, this user-friendly manual will help you make more money on eBay. Whether you're selling a single item or running fulltime business on the site, you'll find tips to help you do it more effectively. As in any community, problems and disputes arise, and you'll learn how other eBayers resolve such troubles or work around them. eBay: The Missing Manual has gems of wisdom for everyone from total novices to more experienced traders. If you're looking to improve your eBay auction experience, you'll savor the tips and trick revealed in this guided exploration.

Hit the Ground Running Dec 24 2019 Want to compete with the best of the best? Then hit the ground running. Here's how. The toughest job in business is taking over as a new leader. You have to quickly assess the situation, pull together a strong team, decide on a strategy, and inspire everyone to execute it. The stakes for new leaders are even higher. Whether you've been brought on to fix something that's broken, launch a product, move the company in a new direction, or head up a division, every new leader is under the gun to get up to speed and begin producing strong numbers? ASAP. In *Hit the Ground Running*, Jason Jennings introduces us to America's best performing new CEOs who pulled off the most impressive transformations of the decade. They doubled revenues, more than tripled earnings per share, and doubled their company's net profit margins. After interviewing and analyzing the stories of these top leaders, Jennings delivers their hard-earned, battle-tested strategies, which will inspire any new leader to take the helm and start delivering. When Richard and Tim Smucker were appointed co-CEOs of The J. M. Smucker Company, they shared their strategy with everyone and got them on board with their mission. Since then, Smucker's went on to dominate the markets and bring in billions of dollars of new business. Mike McCallister, the CEO of a twenty-billion-dollar health-services giant, decided to stop pretending and publicly admit that health insurance is broken. Humana began to replace a crippled, complex, and confusing system with one that works and has more than tripled revenues, earnings, and share price since McCallister took over. By processing change in bite-size pieces, Jeffrey Lorberbaum led Mohawk Industries through twenty successful acquisitions and turned his family's carpet-making business into the largest flooring company in the world. Filled with engaging stories and lessons from the cream of the crop, *Hit the Ground Running* will help new leaders at every level balance short- and long-term goals as well as the needs of shareholders, employees, customers, and the community.

Dvoretsky's Endgame Manual Jun 22 2022 The Fifth Edition of a Modern Masterpiece When it appeared in 2003, the first edition of Dvoretsky's *Endgame Manual* was immediately recognized by novice and master alike as one of the best books ever published on the endgame. The enlarged and revised fifth edition is better than ever! Here is what Vladimir Kramnik, the 14th World Champion, had to say in his foreword to the fifth edition: "I consider Dvoretsky's *Endgame Manual* an absolute must for every chess professional, and no less important even for a club player... I always recommend this book... I consider it to be one of the very best chess books published in recent times and I am very pleased with the new enhanced edition..." German grandmaster Karsten Müller, widely recognized as one of the best endgame theoreticians in the world today, has carefully updated the fifth edition with the help of American grandmaster Alex Fishbein. The incredible instructional value of the exercises has been preserved, and the blue text used in the first four editions has been replaced with text with a light grey background. Here's what they had to say about the first edition: "Dvoretsky's *Endgame Manual* ... may well be the chess book of the year ... [It] comes close to an ultimate one-volume manual on the endgame." – Lubomir Kavalek in his chess column of December 1, 2003 in the *Washington Post* "Dvoretsky's *Endgame Manual* is quite simply a masterpiece of research and insight ... Most of all, Dvoretsky's analysis is staggering in its depth and accuracy." – John Watson at *The Week In Chess*. 2003 Book of the Year – *JeremySilman.com* 2003 Book of the Year – *Seagaard Chess Reviews*

The Mobile Application Hacker's Handbook Sep 20 2019 See your app through a hacker's eyes to find the real sources of vulnerability The *Mobile Application Hacker's Handbook* is a comprehensive guide to securing all mobile applications by approaching the issue from a hacker's point of view. Heavily practical, this book provides expert guidance toward discovering and exploiting flaws in mobile applications on the iOS, Android, Blackberry, and Windows Phone platforms. You will learn a proven methodology for approaching mobile application assessments, and the techniques used to prevent, disrupt, and remediate the various types of attacks. Coverage includes data storage, cryptography, transport layers, data leakage, injection attacks, runtime manipulation, security controls, and cross-platform apps, with vulnerabilities highlighted and detailed information on the methods hackers use to get around standard security. Mobile applications are widely used in the consumer and enterprise markets to process and/or store sensitive data. There is currently little published on the topic of mobile security, but with over a million apps in the Apple App Store alone, the attack surface is significant. This book helps you secure mobile apps by demonstrating the ways in which hackers exploit weak points and flaws to gain access to data. Understand the ways data can be stored, and how cryptography is defeated Set up an environment for identifying insecurities and the data leakages that arise Develop extensions to bypass security controls and perform injection attacks Learn the different attacks that apply specifically to cross-platform apps IT security breaches have made big headlines, with millions of consumers vulnerable as major corporations come under attack. Learning the tricks of the hacker's trade allows security professionals to lock the app up tight. For better mobile security and less vulnerable data, *The Mobile Application Hacker's Handbook* is a practical, comprehensive guide.
