AQA Psychology Nov 25 2019 AQA Psychology for AS and A-level Year 1 is the definitive textbook for the new 2015 curriculum. Written by eminent psychologist Professor Michael Eysenck, in collaboration with a team of experienced A-level teachers and examiner, the book enables students not only to pass their exams with flying colours, but also to fully engage with the science of psychology. As well as covering the six core topics students will study, the book includes: Activities which test concepts or hypotheses, bringing theory to life Key research studies explained and explored, showing the basis on which theory has developed Case studies which show how people's lives are affected by psychological phenomena Evaluation boxes which critically appraise key concepts and theories Self-assessment questions which encourage students to reflect on what they've learnt Section summaries to support the understanding of specific ideas - perfect for revision Exam hints which steer students towards complete and balanced answers Key terms defined throughout so students aren't confused by new language 200 figures, tables and photos End of chapter further reading to enable students to develop a deeper understanding End of chapter revision questions and sample exam papers to consolidate knowledge and practice exam technique A full companion website with a range of further resources for both students and teachers, including revision aids and class materials Incorporating greater coverage of research methods, as well as key statistical techniques, the sixth edition of this well-loved textbook continues to be the perfect introduction to psychology. Accessible yet rigorous, the book is the ideal textbook for students taking either the AS course or year 1 of the A-level.

AQA Psychology for A Level Year 2 - Student Book Oct 25 2019

Psychology for AS Level Jul 14 2021 Now in full colour, this thoroughly revised and updated 3rd edition of Psychology for AS Level takes into account all the latest changes to the AQA-A syllabus since the last edition was published. It remains closely mapped to the specification making it ideal for students taking the AS Level Psychology exam. New to this edition is a strong emphasis on exam technique, giving students the best chance possible of the highest grades. A whole chapter is devoted to how to study and how to pass, with an 'Examiner's Viewpoint' written by the Chief Examiner at AQA-A. Throughout the book are hints and tips on picking up marks, and there are constant page references to the summarised content in our companion AS revision guide. Further examination support is provided by our accompanying student website, AS Online, available on a subscription basis to all schools and sixth form colleges that adopt the text. This includes a Student Workbook, interactive exercises, sample essays, interactive multiple-choice questions, a complete Exam Companion and much more. We also provide teacher resources free of charge to qualifying adopters which include a week-by-week teaching plan, sample essays, chapter-by-chapter lecture presentations, and classroom exercises and activities. Please see <http://www.a-levelpsychology.co.uk/online> for further details of these resources and a demo chapter of AS Online. The book includes coverage of six key areas in psychology: human memory, attachments in development, stress, abnormality, social influence and research methods. It retains the thorough content,

volume of features and excellent writing style of previous editions but the layout is now fully structured to improve accessibility. Unlike other A-Level textbooks which focus solely on passing the exam, 'Psychology for AS Level' is also designed to foster an interest in the study of psychology as a subject. To this end, the book includes an additional general chapter to introduce the theories and explanations that make psychology a fascinating discipline.

As/A-Level Aqa (A) Psychology Exam Revision Notes Dec 07 2020 Exam Revision Notes provide students with the perfect foundation for successful revision. The core topics on the AS/A-level specification for AQA (A) psychology are covered in the form of concise and highly relevant notes. This helps students to identify the areas they need to revise, allowing them time to develop the higher level skills of analysis and evaluation. The Notes are accompanied by short commentaries that develop key points, identify common pitfalls and offer advice for tackling each topic.

Complete Companions for AQA A Level Psychology 5th Edition: Dec 27 2019 The Complete Companion for AQA A Level Year 1 and AS 5th Edition delivers outstanding up-to-date study, revision and exam support. They are matched to AQA's AS and A Level examination requirements.

AQA AS and A-level Psychology BRILLIANT EXAM NOTES (Year 1) Jun 25 2022 AQA A Level and AS Level Psychology Year 1 AS/A-Level AQA Psychology BRILLIANT Exam Notes (Year 1) have been very popular with students due to their proven formula for effective, structured study or revision notes. Each section contains all the information that you will need for the AQA psychology exam. At the end of each section, we provide a comprehensive list of exam questions. This book have been written by examiners and experienced teachers using their expertise to help students achieve the best possible grade in their exam. These exam notes have been carefully written using student friendly language and a layout that students will find easy to understand. The evaluation points for each exam notes are clearly written using a three structure (point, evidence, conclude). Each topic has been broken down into exam notes which are more concise than general psychology text books but more comprehensive than standard revision guides. This content in this book follows the latest AQA psychology specification.

Revise Psychology for Gcse Level Aug 03 2020 A student guide to revising for the GCSE AQA Psychology exam. It includes many helpful features: overviews of the AQA specification content; summaries of major studies provided in table format; practical suggestions for revision techniques; sample exam questions and model answers; and, more.

AQA Psychology A Level Paper Three: Issues and Debates Feb 09 2021 The Extending Knowledge and Skills series is a fresh approach to A Level Psychology, designed for greater demands of the new AQA specification and assessment, and especially written to stretch and challenge students aiming for higher grades. Dealing with the compulsory topic of AQA's Paper 3: Issues and Debates, this book is deliberately laid out with the assessment objectives in mind, from AO1: Knowledge and understanding material, followed by AO2: Application material, to AO3: Evaluation and analysis material. Providing the most in-depth, accessible coverage available of individual topics in Paper 3, the text is packed full of pedagogical features, including: Question Time features to ensure that the reader is consistently challenged throughout the book. New research sections clearly distinguished within each chapter to ensure readers have access to the most cutting-edge material. A clear focus on the assessment objectives for the Paper topic to ensure readers know when and where to apply knowledge. The use of example answers with examiner-style comments to provide greater insight into how to/how not to answer exam questions. An engaging, relevant and challenging text that broadens student understanding beyond that of the average textbook, this is the essential companion for any student taking the AQA A level Paper 3 in Psychology.

AQA Psychology Student Guide 2 Sep 04 2020 Reinforce students' understanding throughout their course; clear topic summaries with sample questions and answers to help improve exam technique.
