**Veterinarian** Dec 25 2021 Brad Brown is back with a second set of stories just as entertaining and fascinating as his first book. Whether he's escaping the personal vendetta of a bull named Killer (I was a matador without a cape), entangled with a rabid cow, chasing a stallion (well, not quite, anymore...) through downtown Bangor, performing heart surgery in an arena, or having a close encounter?while airborne?with a B-52 bomber, this vet regards it all as part of a (long) working day.

Turning This Thing Around Jun 06 2020 Turning This Thing Around is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey. Confronted with a myriad of obstacles—a debilitating arthritic disease, narcolepsy, anxiety and depression—the author was outwardly happy, but inwardly miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person. Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, Turning This Thing Around has universal themes that speak to nearly everyone, as we all must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so—and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in *The Glass Castle*, memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in *Eat, Pray, Love*. Rather, Turning This Thing Around is a story of a normal young man's resiliency when battling extraordinary circumstances.

**The Giving Tree** Oct 23 2021 As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio*, the *Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the

other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic!*

*Love for Imperfect Things* Oct 30 2019 Susan Cain, New York Times bestselling author of *Quiet*: "The world could surely use a little more love, a little more compassion, and a little more wisdom. In *Love for Imperfect Things*, Haemin Sunim shows us how to cultivate all three, and to find beauty in the most imperfect of things--including your very own self." A #1 internationally bestselling book of spiritual wisdom about learning to love ourselves, with all our imperfections, by the Buddhist author of *The Things You Can See Only When You Slow Down* Hearing the words "be good to yourself first, then to others" was like being struck by lightning. Many of us respond to the pressures of life by turning inward and ignoring problems, sometimes resulting in anxiety or depression. Others react by working harder at the office, at school, or at home, hoping that this will make ourselves and the people we love happier. But what if being yourself is enough? Just as we are advised on airplanes to take our own oxygen first before helping others, we must first be at peace with ourselves before we can be at peace with the world around us. In this beautiful follow-up to his international bestseller *The Things You Can See Only When You Slow Down*, Zen Buddhist monk Haemin Sunim turns his trademark wisdom to the art of self-care, arguing that only by accepting yourself--and the flaws that make you who you are--can you have compassionate and fulfilling relationships with your partner, your family, and your friends. With more than thirty-five full-color illustrations, *Love for Imperfect Things* will appeal to both your eyes and your heart, and help you learn to love yourself, your life, and everyone in it. When you care for yourself first, the world begins to find you worthy of care.

Just One More Thing Feb 24 2022 In **JUST ONE MORE THING**, Peter Falk takes us on an acting journey that begins not in Hollywood but in Hartford, where he worked as a management analyst for the Connecticut State Budget Bureau. His time there was no more successful than an earlier attempt to find work with the Central Intelligence Agency. At loose ends, Falk turned to an old college interest: acting. He came to prominence as an actor in 1956 in the highly successful Off-Broadway revival of 'The Iceman Cometh' with Jason Robards. Although he worked continuously for the next three years, bouncing from one Off-Broadway theater to the next, a theatrical agent advised him not to expect much work in motion pictures because of his glass eye. Surgeons had removed his right eye, along with a malignant tumor, when he was three years old. But in 1958, the actor made the jump to Hollywood, where he landed his first movie, 'Murder Incorporated', and was nominated for an Oscar. Next came Frank Capra's 'A Pocketful of Miracles' starring Bette Davis, which garnered Falk his second Oscar nomination. Falk was a favorite among moviegoers during the 1960s, admired for his roles in classic comedies such as 'It's A Mad, Mad, Mad, Mad World' and 'The Great Race'. However, it was through his collaboration with filmmaker John Cassavetes that Falk entered into his most creative period in 1970. Motion pictures such as 'Husbands' and 'A Woman Under the Influence' helped launch the independent film movement. Nevertheless, Falk continued to act in light film comedies, including

'The In-Laws' and Neil Simon's 'The Cheap Detective' and 'Murder by Death', among others. Yet it was through television that Falk reached his widest audience. He has portrayed the beloved Lt. Columbo since the 1970s, winning four Emmys. The series was so successful that ten years after its demise, 'Columbo' was re-launched, bringing Falk to a new generation of viewers. JUST ONE MORE THING also chronicles the author's more recent work, such as movie appearances in 'A Shark's Tale' and Paul Reiser's 'The Thing About My Folks', as well stories of growing up in New York, Hollywood and Broadway luminaries, and the author's accomplished passion for drawing and painting.

Think Again Jul 28 2019 Instant #1 New York Times Bestseller Listed as a Times Self-Help Book of the Year Discover the critical art of rethinking: how questioning your opinions can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, the most crucial skill may be the ability to rethink and unlearn. Recent global and political changes have forced many of us to re-evaluate our opinions and decisions. Yet we often still favour the comfort of conviction over the discomfort of doubt, and prefer opinions that make us feel good, instead of ideas that make us think hard. Intelligence is no cure, and can even be a curse. The brighter we are, the blinder we can become to our own limitations. Adam Grant - Wharton's top-rated professor and #1 bestselling author - offers bold ideas and rigorous evidence to show how we can embrace the joy of being wrong, encourage others to rethink topics as wide-ranging as abortion and climate change, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, and how a vaccine whisperer convinces anti-vaxxers to immunize their children. Think Again is an invitation to let go of stale opinions and prize mental flexibility, humility, and curiosity over foolish consistency. If knowledge is power, knowing what you don't know is wisdom.

Expanded from a speech given to her young friend Ally's graduating class, Maria writes as a wiser, more experienced girlfriend, but also as both the daughter of a mother whose advice she still seeks and as the mother of daughters for whom she wishes a fulfilling and happy life. In this stirring and inspiring guide, Maria talks to young women about how to find abundance and emotional richness, and how not to overlook life's most special gifts. Her ten rules -- told in a witty and poignant anecdotal style -- offer a firm grasp on what's really important in life. *And One More Thing Before You Go...* is a book that transcends age groups, a book that will make you laugh, cry, and open your eyes to a new way of looking at life. Thoughtful, compassionate, and above all, filled with love, *And One More Thing Before You Go...* is a book that will make every mother cry and every daughter stop and think about her mother's words.

*One More Thing* Sep 02 2022 New York Times Bestseller A startlingly original debut from the actor, writer, director, and executive producer hailed as “a gifted observer of the human condition and a very funny writer capable of winning that rare thing: unselfconscious, insuppressible laughter” (The Washington Post). A boy wins a \$100,000 prize in a box of Frosted Flakes—only to discover that claiming the winnings might unravel his family. A woman sets out to seduce motivational speaker Tony Robbins—turning for help to the famed motivator himself. A new arrival in Heaven, overwhelmed with options, procrastinates over a long-ago promise to visit his grandmother. We meet Sophia, the first artificially intelligent being capable of love, who falls for a man who might not be ready for it himself; a vengeance-minded hare, obsessed with scoring a rematch against the tortoise who ruined his life; and post-college friends who try to figure out how to host an intervention in the era of Facebook. Along the way, we learn why wearing a red T-shirt every day is the key to finding love, how February got its name, and why the stock market is sometimes just . . . down. Finding inspiration in questions from the nature of perfection to the icing on carrot cake, *One More Thing* has at its heart the most human of phenomena: love, fear, hope, ambition, and the inner stirring for the one elusive element just that might make a person complete. Across a dazzling range of subjects, themes, tones, and narrative voices, the many pieces in this collection are like nothing else, but they have one thing

in common: they share the playful humor, deep heart, sharp eye, inquisitive mind, and altogether electrifying spirit of a writer with a fierce devotion to the entertainment of the reader.

**And Another Thing...** Dec 13 2020 *And Another Thing ...* will be the sixth novel in the now improbably named *Hitchhiker's Guide to the Galaxy* trilogy. Eight years after the death of its creator, Douglas Adams, the author's widow, Jane Belson, has given her approval for the project to be continued by the international number one bestselling children's writer, Eoin Colfer, author of the *Artemis Fowl* novels. Douglas Adams himself once said, 'I suspect at some point in the future I will write a sixth *Hitchhiker* book. Five seems to be a wrong kind of number, six is a better kind of number.' Belson said of Eoin Colfer, 'I love his books and could not think of a better person to transport Arthur, Zaphod and Marvin to pastures new.' Colfer, a fan of *Hitchhiker* since his schooldays, said, 'Being given the chance to write this book is like suddenly being offered the superpower of your choice. For years I have been finishing this incredible story in my head and now I have the opportunity to do it in the real world.' Prepare to be amazed...

**An Absolutely Remarkable Thing** Jul 20 2021 IF YOU CAME ACROSS AN ABSOLUTELY REMARKABLE THING AT 3 A.M. IN NEW YORK CITY . . . WOULD YOU KEEP WALKING? OR DO THE ONE THING THAT WOULD CHANGE YOUR LIFE FOREVER? \*\*\*\*\* The Carls just appeared . . . While roaming the streets of New York City at 3 a.m., twenty-three-year-old April May stumbles across a giant sculpture she calls Carl. Delighted by its appearance - like a ten-foot-tall Transformer wearing a suit of samurai armour - April and her friend Andy make a video with it, which Andy uploads to YouTube. The next day April wakes up to a viral video and a new life. There are Carls in dozens of cities around the world - everywhere from Beijing to Buenos Aires - and April, as their first documentarian, finds herself at the centre of an international media spotlight. Now April has to deal with the pressure on her relationships, her identity and her safety that this new position brings, all while being on the front lines of the quest to find out not just what the Carls are, but what they want from us . . . Compulsively entertaining and powerfully relevant, *An Absolutely Remarkable Thing* grapples with how the social internet is changing fame and radicalisation; how our culture deals with fear and uncertainty; and how vilification and adoration can follow a life in the public eye.

\*\*\*\*\* 'A fun, contemporary adventure that cares about who we are as humans, especially when faced with remarkable events' Kirkus (starred review) 'Hank Green hasn't just written a great mystery adventure (though he has), and he hasn't just written the most interesting meditation on the internet and fame I've ever seen (but he did that too), Hank has written a book [that] expands your mind while taking you on a hell of a ride' Joseph Fink, author of *Welcome to Night Vale* 'An Absolutely Remarkable Thing is pure book joy' Lev Grossman, #1 New York Times bestselling author of the *Magicians* Trilogy 'Fun and full of truth. To be honest, I'm a little irritated at how good the book is. I don't need this kind of competition' Patrick Rothfuss, #1 New York Times bestselling author of *The Kingkiller Chronicles*

**The Stench of Honolulu** Aug 21 2021 The legendary *Deep Thoughts* and *New Yorker* humorist Jack Handey is back with his very first novel-a hilarious, absurd, far-flung adventure tale. *THE STENCH OF HONOLOLU* Are you a fan of books in which famous tourist destinations are repurposed as unlivable hellholes for no particular reason? Read on! Jack Handey's exotic tale is full of laugh-out-loud twists and unforgettable characters whose names escape me right now. A reliably unreliable narrator and his friend, who is some other guy, need to get out of town. They have a taste for adventure, so they pay a visit to a relic of bygone days-a travel agent-and discover an old treasure map. She might have been a witch, by the way. Our heroes soon embark on a quest for the Golden Monkey, which takes them into the mysterious and stinky foreign land of Honolulu. There, they meet untold dangers, confront strange

natives, kill and eat Turtle People, kill some other things and people, eat another thing, and discover the ruins of ancient civilizations. As our narrator says, "The ruins were impressive. But like so many civilizations, they forgot the rule that might have saved them: Don't let vines grow all over you."
