[The Bird in Last Year's Nest](#) Sep 22 2021 Dion Ugalde, village doctor, husband, and father, has come to believe that his son Mauro has joined the Fifth Assembly—a Spanish terrorist organization dedicated to bringing down the government by force. In anguish and desperation he reveals to his son a secret he has kept for twenty-five years—a secret of his own bloody youth and of blood crimes committed in the name of truth and liberty. *The Bird in Last Year's Nest* is a tense involving novel of Spain in the Seventies. It is the story of Dion Ugalde, his wife Maria, and his son Mauro—of Colonel Basa the Chief of the Civil Guard who is at once Ugalde's friend and the man he fears most in the world. It is a story of driving pace and tension whose characters will linger in the reader's mind. And on another level it is a novel of the long-term effects of all

attempts to change society by violent means.

Last Year May 31 2022 Two events made September 1st a memorable day for Jesse Cullum. First, he lost a pair of Oakley sunglasses. Second, he saved the life of President Ulysses S. Grant. In the near future of Robert Charles Wilson's *Last Year*, the technology exists to open doorways into the past--but not our past, not exactly. Each "past" is effectively an alternate world, identical to ours but only up to the date on which we access it. And a given "past" can only be reached once. After a passageway is open, it's the only road to that particular past; once closed, it can't be reopened. A passageway has been opened to a version of late 19th-century Ohio. It's been in operation for most of a decade, but it's no secret, on either side of time. A small city has grown up around it to entertain visitors from our time, and many locals earn a good living catering to them. But like all such operations, it has a shelf life; as the "natives" become more sophisticated, their version of the "past" grows less attractive as a destination. Jesse Cullum is a native. And he knows the passageway will be closing soon. He's fallen in love with a woman from our time, and he means to follow her back--no matter whose secrets he has to expose in order to do it. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
