The Beats in Mexico Feb 18 2022 Mexico features prominently in the literature and personal legends of the Beat writers, from its depiction as an extension of the American frontier in Jack Kerouac's *On the Road* to its role as a refuge for writers with criminal pasts like William S. Burroughs. Yet the story of Beat literature and Mexico takes us beyond the movement's superstars to consider the important roles played by lesser-known female Beat writers. The first book-length study of why the Beats were so fascinated by Mexico and how they represented its culture in their work, this volume examines such canonical figures as Kerouac, Burroughs, Ginsberg, Lamantia, McClure, and Ferlinghetti. It also devotes individual chapters to women such as Margaret Randall, Bonnie Bremser, and Joanne Kyger, who each made Mexico a central setting of their work and interrogated the misogyny they encountered in both American and Mexican culture. The *Beats in Mexico* not only considers individual Beat writers, but also places them within a larger history of countercultural figures, from D.H. Lawrence to Antonin Artaud to Jim Morrison, who mythologized Mexico as the land of the Aztecs and Maya, where shamanism and psychotropic drugs could take you on a trip far beyond the limits of the American imagination.

Imagining the East Mar 27 2020 The Theosophical Society (est. 1875 in New York by H. P. Blavatsky, H. S. Olcott and others) is increasingly becoming recognized for its influential role in shaping the alternative new religious and cultural landscape of the late nineteenth and the twentieth century, especially as an early promoter of interest in Indian and Tibetan religions and philosophies. Despite this increasing awareness, many of the central questions relating to the early Theosophical Society and the East remain largely unexplored. This book is the first scholarly anthology dedicated to this topic. It offers many new details about the study of Theosophy in the history of modern religions and Western esotericism. The essays in *Imagining the East* explore how Theosophists during the formative period understood the East and those of its people with whom they came into contact. The authors examine the relationship of the theosophical approach with orientalism and aspects of the history of ideas, politics, and culture at large and discuss how these esoteric or theosophical representations mirrored conditions and values current in nineteenth-century mainstream intellectual culture. The essays also look at how the early Theosophical Society's imagining of the East differed from mainstream 'orientalism' and how the Theosophical Society's mission in India was distinct from that of British colonialism and Christian missionaries.

Catullus and His World Sep 20 2019 This book is an attempt to read the poems of Gaius Valerius Catullus in his own context; to look at the poet and his works against the cultural realities of the first century BC as recent advances in historical research allow us to understand them. Catullus' own social background, the circumstances of the literary life of his time, the true extent of his works and the variety of audiences he addressed - these and other questions are explored by Professor Wiseman with new and startling results. Contemporary high society and politics are illustrated through Clodia and Caelius Rufus, considered not as mere adjuncts to Catullus' story but as significant historical personalities in their own right. A final chapter on nineteenth- and twentieth-century interpretations of Catullus' world shows how anachronistic preconceptions have prevented a proper understanding of it, and made this radical reappraisal necessary. Anyone with a serious interest in Latin literature or Roman history will want to read this book. Students in the upper levels of school or at university will find it essential background reading to their work on Catullus and Cicero's *Pro Caelio*.

Fighting over Fidel Jan 25 2020 How New York intellectuals interpreted and wrote about Castro's revolution in the 1960s New York in the 1960s was a hotbed for progressive causes of every stripe, including women's liberation, civil rights, opposition to the Vietnam War—and the Cuban Revolution. *Fighting over Fidel* brings this turbulent cultural moment to life by telling the story of the New York intellectuals who championed and opposed Castro's revolution. Setting his narrative against the backdrop of the ideological confrontation of the Cold War and the breakdown of relations between Washington and Havana, Rafael Rojas examines the lives and writings of such figures as Waldo Frank, Carleton Beals, C. Wright Mills, Allen Ginsberg, Susan Sontag, Norman Mailer, Eldridge Cleaver, Stokely Carmichael, and Jose Yglesias. He describes how Castro's Cuba was hotly debated in publications such as the New York Times, Village Voice, Monthly Review, and Dissent, and how Cuban socialism became a rallying cry for groups such as the Beats, the Black Panthers, and the Hispanic Left. *Fighting over Fidel* shows how intellectuals in New York interpreted and wrote about the Cuban experience, and how the Left's enthusiastic embrace of Castro's revolution ended in bitter disappointment by the close of the explosive decade of the 1960s.

Historical Dictionary of the Beat Movement Feb 24 2020 The Beat Movement was and is a literary and arts movement, the most radical and innovative of the 20th century, and because it was so open to new ideas of poetics and aesthetics, it has adapted from decade to decade. The history of the Beat Movement is still being written in the early years of the 21st century. Unlike other kinds of literary and artistic the Beat Movement is self-perpetuating. After the 1950s generation, a new generation arose in the 1960s led by writers such as Diane Wakowski, Anne Waldman, and poets from the East Side Scene. In the 1970s and 1980s writers from the Poetry Project at St. Mark's Church and contributors to World magazine continued the movement. The 1980s and 1990s Language Movement saw itself as an outgrowth and progression of previous Beat aesthetics. Today poets and writers in San Francisco still gather at City Lights Bookstore and in Boulder at the Jack Kerouac School of Disembodied Poetics and continue the movement. It is now a postmodern movement and probably would be unrecognizable to the earliest Beats. It may even be in the process of finally shedding the name Beat. But the Movement continues. The Historical Dictionary of the Beat Movement covers the movements history through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on significant people, themes, critical issues, and the most significant novels, poems, and volumes of poetry and prose that have formed the Beat canon. This book is a vital reference tool for any researcher interested in learning more about the Beat Movement.

Madness in Literature Jan 05 2021 To probe the literary representation of the alienated mind, Lillian Feder examines mad protagonists of literature and the work of writers for whom madness is a vehicle of self-revelation. Ranging from ancient Greek myth and tragedy to contemporary poetry, fiction, and drama, Professor Feder shows how literary interpretations of madness, as well as madness itself, reflect the very cultural assumptions, values, and prohibitions they challenge.

Just Kids Aug 20 2019 A prelude to fame, Just Kids recounts the friendship of two young

artists--Patti Smith and Robert Mapplethorpe - whose passion fueled their lifelong pursuit of art. In 1967, a chance meeting between two young people led to a romance and a lifelong friendship that would carry each to international success never dreamed of. The backdrop is Brooklyn, Chelsea Hotel, Max's Kansas City, Scribner's Bookstore, Coney Island, Warhol's Factory and the whole city resplendent. Among their friends, literary lights, musicians and artists such as Harry Smith, Bobby Neuwirth, Allen Ginsberg, Sandy Daley, Sam Shepherd, William Burroughs, etc. It was a heightened time politically and culturally; the art and music worlds exploding and colliding. In the midst of all this two kids made a pact to always care for one another. Scrappy, romantic, committed to making art, they prodded and provided each other with faith and confidence during the hungry years--the days of cous-cous and lettuce soup. Just Kids begins as a love story and ends as an elegy. Beautifully written, this is a profound portrait of two young artists, often hungry, sated only by art and experience. And an unforgettable portrait of New York, her rich and poor, hustlers and hellions, those who made it and those whose memory lingers near.

The Daybreak Boys Oct 02 2020 In these critical essays Gregory Stephenson takes the reader on a journey through the literature of the Beat Generation: a journey encompassing that common ethos of Beat literature—the passage from darkness to light, from fragmented being toward wholeness, from Beat to Beatific. He travels through Jack Kerouac's *Duluz Legend*, following Kerouac's quests for identity, community, and spiritual knowledge. He examines Allen Ginsberg's use of transcendence in "Howl," discovers the Gnostic vision in William S. Burroughs's fiction, and studies the mythic, visionary power of Lawrence Ferlinghetti's poetry. Stephenson also provides detailed examinations of the writing of lesser-known Beat authors: John Clellon Holmes, Gregory Corso, Richard Fariña, and Michael McClure. He explores the myth and the mystery of the literary legend of Neal Cassady. The book concludes with a look at the common traits of the Beat writers—their use of primitivism, shamanism, myth and magic, spontaneity, and improvisation, all of which led them to a new idiom of consciousness and to the expansion of the parameters of American literature.

Just Kids Dec 04 2020 WINNER OF THE NATIONAL BOOK AWARD It was the summer Coltrane died, the summer of love and riots, and the summer when a chance encounter in Brooklyn led two young people on a path of art, devotion, and initiation. Patti Smith would evolve as a poet and performer, and Robert Mapplethorpe would direct his highly provocative style toward photography. Bound in innocence and enthusiasm, they traversed the city from Coney Island to Forty-Second Street, and eventually to the celebrated round table of Max's Kansas City, where the Andy Warhol contingent held court. In 1969, the pair set up camp at the Hotel Chelsea and soon entered a community of the famous and infamous, the influential artists of the day and the colorful fringe. It was a time of heightened awareness, when the worlds of poetry, rock and roll, art, and sexual politics were colliding and exploding. In this milieu, two kids made a pact to take care of each other. Scrappy, romantic, committed to create, and fueled by their mutual dreams and drives, they would prod and provide for one another during the hungry years. *Just Kids* begins as a love story and ends as an elegy. It serves as a salute to New York City during the late sixties and seventies and to its rich and poor, its hustlers and hellions. A true fable, it is a portrait of two young artists' ascent, a prelude to fame.

Collected Poems 1947-1997 Jun 29 2020 "Taken all together, Ginsberg's poems are X-rays of a considerable part of American society during the last four decades." — The New Yorker This magnificent volume gathers the published verse of Allen Ginsberg in its entirety, a half-century of brilliant work from one of America's great poets. A chief figure among the Beats, Ginsberg changed the course of American poetry, liberating it from closed academic forms with the creation of open, vocal, spontaneous, and energetic postmodern verse in the tradition of Whitman, Apollinaire, Hart Crane, Pound, and William Carlos Williams. Ginsberg's raw tones and attitudes of spiritual liberation also

helped catalyze a psychological revolution that has become a permanent part of our cultural heritage, profoundly influencing not only poetry and popular song and speech, but also our views of the world.

City Lights Pocket Poets Anthology Jul 11 2021 "Printer's ink is the greatest explosive."—Lawrence Ferlinghetti Lawrence Ferlinghetti founded the City Lights publishing house sixty years ago in 1955, launching the press with his now legendary Pocket Poets Series. First in the series was *Pictures of the Gone World*—the only book of his own poems that Ferlinghetti would ever publish at City Lights. Within a year, he had brought out two more volumes, translations by Kenneth Rexroth and then poems by Kenneth Patchen. But it was the success and scandal of number four, *Howl & Other Poems* by Allen Ginsberg (1956), that put City Lights on the map, positioning the Pocket Poets Series at the forefront of the literary counterculture. A landmark sixtieth anniversary retrospective, this edition is a must-have collection, an invaluable distillation of the energetic, iconoclastic, and still fresh body of work represented in the ongoing series. Ferlinghetti has selected three poems from each of the sixty volumes, including the work of Ginsberg, Jack Kerouac, Gregory Corso, Pier Paolo Pasolini, Andrei Voznesensky, Vladimir Mayakovsky, Julio Cortázar, Frank O'Hara, Marie Ponsot, Denise Levertov, Diane di Prima, Robert Duncan, Phillip Lamantia, Malcolm Lowry, and many more of the Pocket Poets Series innovative, influential, and often groundbreaking American and international poets. Ferlinghetti provides a fresh introduction that looks back at the inspiration for the series, why certain poets were included, and who were the ones that got away. His behind-the-scenes, personal anecdotes provide priceless insights that shed new light on his vision and his editorial practices at a time when the Pocket Poets Series was shaping the contours of poetry's avant-garde.

Following the chronology of his life, *Wait Till I'm Dead* reproduces the poems together with extensive notes.
