**Persistence of Race** Feb 10 2021 This is the third and final group of essays emerging from the discussions of the Effects of Race Project at the Stellenbosch Institute for Advanced Study (STIAS) that occurred in 2016 and 2017. The authors consider the biological and social understandings of race, and how new information from both the biological and social sciences is changing our perspective on the nature of the human condition, including the association of biological and social phenomena with “race”. They also look at global events or movements which influence these processes in South Africa and the costs of a racialised world order to humans and humanity. Phenomena are examined through the lenses of many disciplines: sociology, history, geography, anthropology and writing.

*Law and Custom in Korea* Sep 19 2021 This book sets forth the evolution of Korea's law and legal system from the Chosŏn dynasty through the colonial and postcolonial modern periods. This is the first book in English that comprehensively studies Korean legal history in comparison with European legal history, with particular emphasis on customary law. Korea's passage to Romano-German civil law under Japanese rule marked a

drastic departure from its indigenous legal tradition. The transplantation of modern civil law in Korea was facilitated by Japanese colonial jurists who created a Korean customary law; this constructed customary law served as an intermediary regime between tradition and the demands of modern law. The transformation of Korean law by the forces of Westernisation points to new interpretations of colonial history and presents an intriguing case for investigating the spread of law on a global level. In-depth discussions of French customary law and Japanese legal history also provide a solid conceptual framework suitable for comparing European and East Asian legal traditions.

**Dray** Aug 19 2021 "Absolutely brilliant read and more than worth a five star rating." --Helen, Kinky Book Klub "I think Tess did a phenomenal job with this and the entire series!!! One on the best I've ever read!!" --Jessica, A Risque Affair Book Blog Book 3 in Tess Oliver's Custom Culture Series When Cassie, the woman he loves, leaves him for a job in New York, Dray Warner finds his life falling apart. With nothing else to lose he takes up his friend, Barrett Mason's, offer to head down to Mexico for some surfing and good times. But Dray's conscience, hot temper and extreme fighting skills hurl him into a world of danger . . . a danger that could cost him his life. Cassie Carlton was sure she was making the right decision accepting her dream job in New York. She and Dray had parted ways and while she remains heartbroken by the break up, she needs to move on with her life. But when Cassie learns that Dray is in trouble, she realizes she will sacrifice anything to save him. A full-length new adult contemporary romance. **Rett** Mar 26 2022 Custom Culture Book #4 \*Meet Finley King in Strangely Normal and read her pre-Rett story.\* Barrett "Rett" Mason has never found the one girl who can tame his wild heart. And sometimes life is just easier and less complicated without love. While working for Kingston Construction, Barrett becomes fast friends with the owner's son, Cole. They have one major thing in common-- their insatiable appetite for women. But when Barrett meets Cole's sister Finley, the easy, care-free, no commitment lifestyle he's grown used to suddenly loses its appeal. Now Barrett has met his match and the one girl who is just too damn impossible to walk out on. For several years, Finley King has been a slave to the anxiety disorder that gripped her and kept her from enjoying life. Now with the support of her family, friends, and medication she is on the mend. But the one thing she lacks in her otherwise lush existence as a rock star's daughter is passion. Barrett Mason is about to change that...

**The Cooking of History** Nov 29 2019 Over a lifetime of studying Cuban Santería and other religions related to Orisha worship—a practice also found among the Yoruba in West Africa—Stephan Palmié has grown progressively uneasy with the assumptions inherent in the very term Afro-Cuban religion. In *The Cooking of History* he provides a comprehensive analysis of these assumptions, in the process offering an incisive critique both of the anthropology of religion and of scholarship on the cultural history of the Afro-Atlantic World. Understood largely through its rituals and ceremonies, Santería and related religions have been a challenge for anthropologists to link to a hypothetical African past. But, Palmié argues, precisely by relying on the notion of an aboriginal African past, and by claiming to authenticate these religions via their findings, anthropologists—some of whom have converted to these religions—have exerted considerable influence upon contemporary practices. Critiquing widespread and damaging simplifications that posit religious practices as stable and self-contained, Palmié calls for a drastic new approach that properly situates cultural origins within the complex social environments and scholarly fields in which they are investigated.

*.NET 4 Wrox PDF Bundle* Nov 02 2022 The books included in this set are: 9780470502204 Professional ASP.NET 4: in C# and VB: Written by

three highly recognized and regarded ASP.NET experts, this book provides comprehensive coverage on ASP.NET 4 with a unique approach featuring examples in both C# and VB, as is the incomparable coverage of core ASP.NET. After a fast-paced refresher on essentials such as server controls, the book delves into expert coverage of all the latest capabilities of ASP.NET 4. 9780470502259 Professional C# 4 and .NET 4: After a quick refresher on C# basics, the author dream team moves on to provide you with details of language and framework features including LINQ, LINQ to SQL, LINQ to XML, WCF, WPF, Workflow, and Generics. Coverage also spans ASP.NET programming with C#, working in Visual Studio 2010 with C#, and more. With this book, you'll quickly get up to date on all the newest capabilities of C# 4. 9780470548653 Professional Visual Studio 2010: This book gets you quickly up to speed on what you can expect from Visual Studio 2010. Packed with helpful examples, this comprehensive guide explains examines the features of Visual Studio 2010, which allows you to create and manage programming projects for the Windows platform. It walks you through every facet of the Integrated Development Environment (IDE), from common tasks and functions to its powerful tools 9780470499832 Visual Basic 2010 Programmer's Reference: This reference guide provides you with a broad, solid understanding of essential Visual Basic 2010 topics and clearly explains how to use this powerful programming language to perform a variety of tasks. As a tutorial, the book describes the Visual Basic language and covers essential Visual Basic topics. The material presents categorized information regarding specific operations and reveals useful tips, tricks, and tidbits to help you make the most of the new Visual Basic 2010. 9780470477229 WPF Programmer's Reference: Windows Presentation Foundation with C# 2010 and .NET 4: Written by a leading expert on Microsoft graphics programming, this richly illustrated book provides an introduction to WPF development and explains fundamental WPF concepts. It is packed with helpful examples and progresses through a range of topics that gradually increase in their complexity. 9780470257029 Professional SQL Server 2008 Programming: This expanded best-seller includes new coverage of SQL Server 2008's new datatypes, new indexing structures, manageability features, and advanced time-zone handling. As an added bonus, also includes Professional SQL Server 2005 Programmers for .NET 4 developers still working in a SQL Server 2005 setting.

**Professional C# 4.0 and .NET 4** Oct 01 2022 This is the ultimate guide to C# 4 and the .NET 4 framework. Updated with more coverage of intermediate and advanced features, new examples, and detailed discussions of recent language and framework additions, this book covers everything you will need to know about C# and putting it to work. You will also find in-depth reviews of various topics including traditional Windows programming, working in Visual Studio 2010 with C#, base Class Libraries, and communication with Enterprise Services among others.

**Custom, Culture and Community in the Later Middle Ages** Jul 18 2021 Covers the proceedings of the Seventeenth International Symposium organised by the Centre for the Study of Vernacular Literature in the Middle Ages held at the Odense University on 16-18 November 1992.

**Customs in Common** Nov 09 2020 An epic and intimate firsthand account of a true American hero's daring journey into the heart of the Amazon forest in the nineteenth-century. "Meticulously researched, elegantly argued and deeply humane," Customs in Common describes the complex culture from which working class institutions emerged in England—a panoply of traditions and customs that the new working class fought to preserve well into Victorian times (The New York Times Book Review). This remarkable sequel to E. P. Thompson's influential, landmark volume of social history, The Making of the English Working Class, investigates the gradual disappearance of a range of cultural customs against the backdrop of the great upheavals of the eighteenth century. As villagers were subjected to a legal system increasingly hostile to custom, they

tried both to resist and to preserve tradition, becoming, as Thompson explains, “rebellious, but rebellious in defence of custom.” Although some historians have written of riotous peasants of England and Wales as if they were mainly a problem for magistrates and governments, for Thompson it is the rulers, landowners, and governments who were a problem for the people, whose exuberant culture preceded the formation of working-class institutions and consciousness. Essential reading for all those intrigued by English history, *Customs in Common* has a special relevance today, as traditional economies are being replaced by market economies throughout the world. The rich scholarship and depth of insight in Thompson’s work offer many clues to understanding contemporary changes around the globe. “By providing a fuller sense of the way of life capitalism destroyed, *Customs in Common* helps us understand why the resistance to it was so protracted and tenacious . . . [This] long-awaited collection . . . is a signal contribution . . . [from] the person most responsible for inspiring the revival of American labor history during the past thirty years.” —*The Nation* “This book signals the return to historical writing of one of the most eloquent, powerful and independent voices of our time. At his best he is capable of a passionate, sardonic eloquence which is unequalled.” —*The Observer*

*Popular Culture and Custom in Nineteenth-Century England* Jun 28 2022 First published in 1982, this book is concerned with the tensions between continuity and change in customs, rituals, beliefs of artisans, factory workers and sections of the lower middle classes in the nineteenth century. It explores a range of factors which contributed to changes in custom, including the effects of urbanisation, conflict over the use of public land, new conceptions of public order, the decline of the oral tradition and the growth of a new recreational nexus in the larger cities. Drawing on material from all parts of the British Isles, the book demonstrates the enormous variety and diversity of popular tradition. This book will be of interest to those studying Victorian history.

**Culture & Conflict Resolution** Aug 07 2020 After years of relative neglect, culture is finally receiving due recognition as a key factor in the evolution and resolution of conflicts. Unfortunately, however, when theorists and practitioners of conflict resolution speak of culture, they often understand and use it in a bewildering and unhelpful variety of ways. With sophistication and lucidity, "Culture and Conflict Resolution" exposes these shortcomings and proposes an alternative conception in which culture is seen as dynamic and derivative of individual experience. The book explores divergent theories of social conflict and differing strategies that shape the conduct of diplomacy, and examines the role that culture has (and has not) played in conflict resolution. The author is as forceful in critiquing those who would dismiss or diminish culture's relevance as he is trenchant in advocating conflict resolution approaches that make the most productive use of a coherent concept of culture. In a lively style, Avruch challenges both scholars and practitioners not only to develop a clearer understanding of what culture is, but also to take that understanding and incorporate it into more effective conflict resolution processes."

**Kustom Culture** Apr 26 2022 Car culture - pinstripping, customising and cartooning - is nearly synonymous with Southern California culture. *Kustom Culture* tells the story of the revved-up legends of the custom car cult of the 1950s, 60s and 70s in Los Angeles. Features art work by Robert Williams, Von Dutch and Ed |Big Daddy| Roth. Hot rod art at its best by three masters of the form.

**India - Culture Smart!** Jan 24 2022 India is in transition. Since the publication of *Culture Smart's* first guide to India in 2003, it has been transformed from a developing, third-world country into the world's fastest growing economy. Today, a huge, confident, emerging middle class is exporting technology, brains, and enterprise to the rest of the world. At the same time, young Indians educated abroad are returning home to take advantage of the new opportunities, bringing Western expectations and lifestyles with them. The impact of all this wealth-creation, modernity,

and individualism on the timeless values and ancient caste structures of India is beginning to be felt well beyond the great cities, adding yet another facet to the giant kaleidoscope of Indian society. This completely new and up-to-date volume by American author Becky Stephens is unrivalled. It highlights the many subtle and not so subtle changes that are taking place in Indian society, describes and explains those areas of life where traditional attitudes and practices continue to prevail, and offers original insights, practical tips, and vital human information to guide you through the pitfalls and delights of this complex, vibrant, and increasingly important country.

**Culture and Customs of China** Aug 31 2022 Captures the essence of China, past and present, in one volume.

*Freefall* Oct 21 2021 New York Times & USA Today Bestseller After leaving high school, with a hard won diploma and the title of most likely to break hearts, Alexander “Nix” Pierce has left his wild, out of control years mostly behind him. A small inheritance from his grandfather has given him the funds to open up his tattoo shop, Freefall, and he has started to pull his life together. Aside from trying to keep his best friend, Dray, from killing himself in the fight ring, and his slight obsession with a pin-up model he’s never met, Nix’s life is going smoothly . . . until Scotlyn James, the object of his obsession, walks into his shop. Ever since a tragic accident killed her family and left her alone in the world, Scotlyn James hasn’t spoken one word. Up until now she didn’t care that she had no way of talking to people. Her awful aunt would never have listened, and Lincoln Hammond the arrogant, selfish man who pulled her from the streets of Los Angeles wouldn’t hear her words if she could speak. But when Lincoln insists she get a tattoo to cover up a scar on her side, Scotlyn meets the artist, Nix Pierce. And now she longs for her voice. Now she has found someone who will hear her. **New Interchange Level 3 Student's Book 3** Sep 27 2019 New Interchange is a complete revision of Interchange, one of the world's most popular and successful English courses. New Interchange is a multi-level course for adults and young adult learners of English from beginning to high-intermediate level. Level Three builds on the foundations for accurate and fluent communication established in Level 2, extending grammatical, lexical, and functional skills. New Interchange teaches students to use English for everyday situations and purposes related to school, work, social life, and leisure. The underlying philosophy is that language learning is more rewarding, meaningful, and effective when used for authentic communication.

**Parasites, Zoonoses and War** Apr 14 2021 This book is a collection of chapters around the theme of parasitology and zoonosis in bot war and peace and the impact of these fields on public health. Individual experts have contributed reviews, novel research, and case series within the field to make a broad and interesting collection designed to stimulate thought and discussion in this area. The collection is dedicated to the life and career of Emeritus Professor John Marsden Goldsmid, an eminent parasitologist and advocate for further attention to these above listed fields of

medicine. It would be suitable for medical and veterinary practitioners, students, scientists, and epidemiologists with an interest in parasitology and public health.

Culture and Customs of Vietnam May 16 2021 Discusses Vietnamese traditions, culture, religion, media, literature, and arts.

Temporary Special Measures Sep 07 2020 Revised papers en comments that were presented at the meeting organised in Maastricht, in October 2002. The aim of the meeting was threefold: to provide input for the CEDAW Committee; stimulate the legal debate on the issue of temporary measures; and contribute towards the promotion of positive action measures in the Netherlands.

**.NET Internationalization** May 28 2022 As business becomes more and more global, software developers increasingly need to make applications multi-lingual and culturally aware. The .NET Framework may well have the most comprehensive support for internationalization and globalization of any development platform to date, and .NET Internationalization teaches developers how to unlock and utilize that support. Experienced international application developer Guy Smith-Ferrier covers the internationalization of both Windows Forms and ASP.NET applications, using both Versions 1.1 and 2.0 of the .NET Framework. Smith-Ferrier not only teaches you the best ways to take advantage of the globalization and internationalization features built in to the .NET Framework and Visual Studio, he also provides original code to take globalized applications to the next level of international utility and maintainability. Key topics include • An introduction to the internationalization process and how localization and globalization are supported in Windows and the .NET Framework • The use of resource managers, cultures, resource DLLs, and localized strings, images, and files—including strongly typed resources • Detailed coverage of form localization in Windows Forms and Web Forms • Dealing with regional cultures and their casing, collation, and calendars • Managing right-to-left Middle-Eastern text and pictographic East Asian languages • How to use the book’s original resource administration utilities • How to translate resources with machine translation • How to create custom cultures and integrate them with the .NET Framework 2.0 and Visual Studio 2005 • How resource managers work and how to write custom resource managers, including a resource manager that uses a database • How to test your internationalization with FxCop using new and existing globalization rules • How to effectively include the translator in the internationalization process Whether you are a developer, architect, or manager, if you are involved in international applications with the .NET Framework, this is the one book you need to read and understand before you start development. Guy Smith-Ferrier is an author, developer, trainer, and speaker with more than 20 years of software engineering experience. He has internationalized applications in four development platforms, including the .NET Framework. A frequent conference speaker, Guy is the author of C# and .NET courseware and has written numerous articles. You can read his blog at [www.guysmithferrier.com](http://www.guysmithferrier.com).

Morality and Health Aug 26 2019 Morality and Health explores how societies use morality as a crucial marker to approach the inevitable dilemmas of health and disease.

**Why Do Men Barbecue?** Oct 28 2019 Why do American children sleep alone instead of with their parents? Why do middle-aged Western women yearn for their youth, while young wives in India look forward to being middle-aged? In these essays, the author reminds us that cultural

differences in mental life lie at the heart of any understanding of the human condition. Drawing on ethnographic studies of the distinctive modes of psychological functioning in communities around the world, Richard Shweder explores ethnic and cultural differences in ideals of gender, in the life of the emotions, in conceptions of mature adulthood and the stages of life, and in moral judgments about right and wrong. The knowable world, Shweder observes, is incomplete if seen from any one point of view, incoherent if seen from all points of view at once, and empty if seen from nowhere in particular. This work strives for the "view from manywheres" in a culturally diverse yet interdependent world.

**Great Debates in Gender and Law** Jun 04 2020 The first textbook to consider gender perspectives in relation to the whole undergraduate law curriculum in England and Wales. Gender is of central importance in every area of law and every area of people's lives but is rarely mentioned in the formal LLB syllabus; this book is designed to fill some of those gaps. 18 chapters, written by experts in the field, cover all the core modules on the English LLB together with 11 of the most popular options. Aimed at students and lecturers on undergraduate and postgraduate Gender and Law modules, the book will also be useful for all LLB and LLM students studying English law, who may use it to accompany their studies from their first to their final year, and also for prospective law students, legal scholars from outside England and Wales, and scholars in other disciplines.

**Strangely Normal** Dec 11 2020 Strangely Normal is a full length novel, approximately 71,000 words. A unique summer job lands eighteen-year-old Eden Saxon into a lifestyle completely different than her own. She becomes a companion for nineteen-year-old Finley King, the daughter of a rock legend. Finley suffers from severe anxiety, and her father fears her being alone. Eden leaves her loving, but wildly dysfunctional, parents and dreary apartment and enters a world where no luxury is overlooked. She instantly adores Finley and her charming, quirky personality. The whole situation has only one flaw— Finley's older brother, Jude. Jude King is cocky, arrogant and irritating. Unfortunately, he's also completely irresistible. Eden realizes she's underestimated the depth of Finley's problems, and suddenly her dream job turns out to be a lot more than she'd expected. Eden soon finds herself in over her head . . . and her heart. \*\*Read more about these characters in Rett (Custom Culture #4)

*Postmodernism for Historians* Jun 24 2019 Postmodernism is an essential approach to History. This is the first dedicated primer on postmodernism for the historian. It offers a step-by-step guide to postmodern theory, includes a guide to how historians have applied the theory, and provides a review of why its critics are wrong. In simple and clear language, it takes the reader through the chain of theory that developed in the 20th century to become now, in the early 21st century, the leading stimulant of new forms of research in History. With separate chapters on The Sign, The Discourse, Post/Structuralism, The Text, The Self, and Morality, this book will encourage a new critical awareness of Theory when reading books of History, and when writing essays and dissertations. Armed with the principal ideas of Saussure, Barthes, Foucault, and Derrida, the historians can formulate how to combine empirical History with the excitement of fresh perspectives and new skills, merged in the new moral impetus of the postmodern condition. Designed for the beginner this is the essential postmodern starting point.
