Requiem and Poem without a Hero Sep 12 2021 With this edition of Requiem and Poem without a Hero, Swallow Press presents two of Anna Akhmatova's best-known works, ones that represent the poet at full maturity, and that most trenchantly process the trauma she and others experienced living under Stalin's regime. Akhmatova began the three-decade process of writing Requiem in 1935 after the arrests of her son, Lev Gumilev, and her third husband. The autobiographical fifteen-poem cycle primarily chronicles a mother's wait-lining up outside Leningrad Prison every day for seventeen months-for news of her son's fate. But from this limbo, Akhmatova expresses and elevates the collective grief for all the thousands vanished under the regime, and for those left behind to speculate about their loved ones' fates. Poem without a Hero was similarly written over a long period. It takes as its focus the transformation of Akhmatova's beloved city of St. Petersburg-historically a seat of art and culture-into Leningrad. Taken together, these works plumb the foremost themes for which Akhmatova is known and revered. When Ohio University Press published D. M. Thomas's translations in 1976, it was the first time they had appeared in English. Under Thomas's stewardship, Akhmatova's words ring clear as a bell.

Evening Oct 01 2020 Anna Akhmatova (June 23, 1889 - March 5, 1966) is considered by many to be one of the greatest Russian poets of the Silver Age. Although true fame and recognition did not come until her later, "Evening," her first poetry collection, had caught the attention of many prominent literary critics of the time and helped to solidify her career as a writer. One of the forefront leaders of the Acmeism movement, which focused on rigorous form and directness of words, she was a master of conveying raw emotion in her portrayals of everyday situations. Her works range from short lyric love poetry to longer, more complex cycles, such as Requiem, a tragic depiction of the Stalinist terror. During the time of heavy censorship and persecution, her poetry gave voice to the Russian people. To this day, she remains one of Russia's most beloved poets and has left a lasting impression on generations of poets that came after her.

Intimations Nov 02 2020 Distributed by the University of Nebraska Press for Whale and Star Press Anna Akhmatova (1889–1966) was a skilled love poet who, through no choice of her own, became a witness to mass violence, a widely recognized exemplar of endurance and moral strength, and finally a symbol of Russian national resilience. At the start of her career, during the final years of the Russian Empire, Akhmatova was a cultural celebrity who fascinated a generation not only with her poetry but also with the drama that she created around herself. After the revolution of 1917, she was attacked as a decadent bourgeois author and driven into silence and obscurity. Living in relative poverty, with her family and friends repeatedly arrested and harassed, and she herself publicly cursed by the representatives of the state, Akhmatova survived the darkest decades of Soviet history. Near the end of her life, when timorous cultural bureaucrats allowed her to reemerge as a public figure, she revealed to readers that even if the “collective” had rejected her as an unworthy member she had continued to write poetry reflecting the trials and calamities of Soviet men and women with greater truth and moral authority than any official poet could attain.

Anna Akhmatova Jul 10 2021 This riveting biography tells the tragic story of one of our century's great poets. Anna Akhmatova Feb 23 2020 This striking biography, the first ever written about the great Russian poet, Anna Akhmatova (1889-1966), illuminates Akhmatova's dramatic personal and professional struggles. From the isolation of the twenty-five years she was banned from publishing her work, and the sorrow of her tragic losses--her first husband executed by Stalin, her second dead in the work camps, and her son imprisoned for fourteen years--to her final years of triumph receiving public acclaim as the country's foremost woman poet, this compelling, authoritative account traces the relationship between her writings and her life. Haight provides elegant translations and detailed analyses of Akhmatova's finest works, including *Requiem* and *Poem without a Hero*, revealing the brilliance of this now highly praised poet.

Four of Us Jun 16 2019 ..".The fact of the matter is that everything that happens in culture ultimately comes down to this, to the four famous temperaments: melancholic, sanguine, phlegmatic, and choleric. That's what I think. It seems to me that our Big Four can also be divided by according to these temperaments, inasmuch as all of them are actually very distinctly represented in the group. Tsvetaeva is unquestionably the choleric author. Pasternak is sanguine. Mandelstam is melancholic. And Akhmatova is phlegmatic. Together they cover the whole poetic universe." -Joseph Brodsky Included in this dual-language book is a selection of 10 poems from each poet translated into English by Andrey Kneller.

Anna of All the Russias Feb 05 2021 In this definitive biography of the legendary Russian poet, Elaine Feinstein draws on a wealth of newly available material—including memoirs, letters, journals, and interviews with surviving friends and family—to produce a revelatory portrait of both the artist and the woman. Anna Akhmatova rose to fame in the years before World War I, but she would pay a heavy price for the political and personal passions that informed her brilliant poetry. In *Anna of All the Russias* we see Akhmatova's work banned from 1925 until 1940 and again after World War II. We see her steadfast opposition to Stalin, even while her son was held in the Gulag. We see her abiding loyalty to such friends as Mandelstam, Shostakovich, and Pasternak as they faced Stalinist oppression. And we see how, through everything, Akhmatova continued to write, her poetry giving voice to the Russian people by whom she was, and still is, deeply loved.

My Half Century Jul 18 2019 Anna Akhmatova lived in a world suffused with tragedy: She faced the execution of her poet husband, the imprisonment and exile of her son, the deaths of many friends in labor camps, and personal censorship and illness. However, throughout her life she remained committed to being a witness for the times with her daring poetry and prose. This collection includes Akhmatova's letters, essays on Pushkin, diatribes against the Stalinist establishment, rousing wartime broadcasts, and encounters with fellow poets. Here, through her deceptively simple style, the elusive writer conveys the closest thing to a self-portrait she ever allowed herself.

You Will Hear Thunder Apr 26 2020 Anna Akhmatova lived through pre-revolution Russia, Bolshevism, and Stalinism. Throughout it all, she maintained an elegant, muscular style that could grab a reader by the throat at a moment's notice. Defined by tragedy and beauty in equal measure, her poems take on romantic frustration and the pull of the sensory, and find power in the mundane. Above all, she believed that a Russian poet could only produce poetry in Russia. *You Will Hear Thunder* spans Akhmatova's very early career into the early 1960s. These poems were written through her bohemian prerevolution days, her many marriages, the terror and privation of life under Stalin, and her later years, during which she saw her work once again recognized by the Soviet state. Intricately observed and unwavering in their emotional immediacy, these strikingly modern poems represent one of the twentieth century's most powerful voices.

The Complete Poems of Anna Akhmatova Oct 25 2022 The definitive collection of Anna Akhmatova in English translation.

Selected Poems Jul 22 2022 This comprehensive edition of Russia's greatest modern poet, Anna Akhmatova (1899-1966), includes the complete texts of her major works *Requiem*, commemorating all of Stalin's victims, and *Poem Without a Hero*. Akhmatova published her first book of poems in 1912, and in the same year founded the Acmeist movement with her husband, the poet Gumilev. Her intense, highly personal love lyrics were later attacked as anti-revolutionary, and in 1925 her poetry was banned. Gumilev was shot in 1921 for alleged involvement in an anti-Bolshevik plot, and in the years of terror which followed under Stalin, Akhmatova was persecuted for her work along with fellow poets Mandelstam, who died in a camp, and Tsvetaeva, who committed suicide. She was able to publish some work during the war, but in 1946 she again came under attack, this time from Zhdanov, who denounced her with Pasternak and others for trying to 'poison the minds' of Soviet youth. These were attacks on her published work. What she was writing - but could not publish - was far more dangerous. For she had entered her years of silence. As she fought for her son's release from prison, she was writing her greatest poetry: the cycle *Requiem*, which commemorated all of Stalin's victims, and *Poem without a hero*, which she began in 1940 and worked on for over 20 years. All she wrote she committed to memory. Several trusted friends also memorised her poems, among them Mandelstam's widow Nadezhda. She wrote nothing down, and so survived, the people's conscience, the one who kept 'the great Russian word' alive.

The Guest from the Future Dec 23 2019 "There were tragic consequences, however. The Soviet authorities thought Berlin was a British spy, and Akhmatova, who was never a dissident, became an ideological enemy. Until her death in 1966 the KGB persecuted her and her family. Akhmatova was convinced that her meeting with Berlin had inadvertently started the Cold War, yet she remembered it gratefully and it inspired some of her finest love poems."--Jacket.

In a Shattered Mirror Aug 31 2020 Publication. Akhmatova fell silent. When she began writing again in the late 1930s, her poetry was much changed--formally, thematically, and technically. In contrast to the relative simplicity of the early erotic miniatures, the later poetry speaks in riddles, flaunting its own opacity. The author places the later work in its socio-cultural context through close readings of the major texts. The dominant metapoetic themes of the later poetry are taken as a point of.

The Word that Causes Death's Defeat Feb 17 2022 Anna Akhmatova (1889–1966), one of twentieth-century Russia's greatest poets, was viewed as a dangerous element by post-Revolution authorities. One of the few unrepentant poets to survive the Bolshevik revolution and subsequent Stalinist purges, she set for herself the artistic task of preserving the memory of pre-Revolutionary cultural heritage and of those who had been silenced. This book presents Nancy K. Anderson's superb translations of three of Akhmatova's most important poems: *Requiem*, a commemoration of the victims of Stalin's Terror; *The Way of All the Earth*, a work to which the poet returned repeatedly over the last quarter-century of her life and which combines Old Russian motifs with the modernist search for a lost past; and *Poem Without a Hero*, widely admired as the poet's magnum opus. Each poem is accompanied by extensive commentary. The complex and allusive *Poem Without a Hero* is also provided with an extensive critical commentary that draws on the poet's manuscripts and private notebooks. Anderson offers relevant facts about the poet's life and an overview of the political and cultural forces that shaped her work. The resulting volume enables English-language readers to gain a deeper level of understanding of Akhmatova's poems and how and why they were created.

Poem Without a Hero and Selected Poems Jan 04 2021 Anna Akhmatova, one of the great poets of our century, has, like all Russian poets, proved difficult to translate. These distinctive versions of a broad selection of her work capture her plainness and directness while searching out an analog to her music in the careful and subtle music of American free verse. The result is not a replication of Akhmatova's style but a complement to it that often startles and gratifies with a starkness and beauty all its own.

Way of All the Earth Nov 21 2019 *Way of All the Earth* contains selected poems written by Anna Akhmatova, one of Russia's greatest poets whose works embody the complexities of her era. A Stranger to Heaven and Earth Aug 11 2021 Anna Andreevna Akhmatova (1889-1966) used poetry to give voice to the struggles and deepest yearnings of the Russian people, for whom she remains the greatest of literary heroines. She has lately come to symbolize for the world even beyond Russia the power of art to survive and transcend the terrors of our century. The poems in this selection are related to the truth-telling that was Akhmatova's central purpose - individually, collectively, and spiritually.

Akhmatova's Petersburg Oct 21 2019 In the poetry of Anna Akhmatova the 19th century myth of Petersburg, the “accursed,” “unreal” city, is filtered through the vision of a poet born in Imperial Russia and destined to confront the terrors of Soviet rule. The city that emerges embodies loss and dislocation, continuity and miraculous survival. This “scholarly and imaginative study” (New York Review of Books) “convincingly demonstrates that a good part of Akhmatova’s verse could never have been written but for the Petersburg environment.”(Russian Review). “An extremely productive new approach...jargon-free, highly recommended for specialists and informed readers.” —Library Journal

Remembering Anna Akhmatova Sep 19 2019 A portrait of the Russian poet offers insight into her life, works, associates, and twentieth-century Russia

Waiting for the Muse: Poems of Anna Akhmatova Jan 16 2022 *Waiting for the Muse: Poems of Anna Akhmatova* presents new translations of the work of this great Russian poet, set in the context of her life. Akhmatova saw the source of her creativity as the appearance to her of the Muse, the embodiment of poetic inspiration. In the poems written over her lifetime, from the early love lyrics to poems of resistance during the Stalinist Terror to poems of remembrance as her life neared its end, her conception of the Muse changed with the circumstances of her life. The Muse first appeared as an unpredictable young woman, then the classical figure of Erato, then a woman who stood beside her in the prison lines, then a cruel taskmaster. Akhmatova herself became the Muse for other Russian poets. Ultimately, Akhmatova concluded that the Muse may have been the torment she had been forced to suffer.

Anna Akhmatova. A Critical Analysis of her Poetry Apr 07 2021 Studienarbeit aus dem Jahr 2012 im Fachbereich Literaturwissenschaft - Vergleichende Literaturwissenschaft, Note: 2, Universität Wien, Sprache: Deutsch, Abstract: “You will hear thunder and remember me, and think: she wanted storms...”, Anna Akhmatova once said herself. And indeed, this predication became a reality: she is still remembered today, and not only remembered as some poet of the 20th century, but

as an outstanding artist and an extraordinary woman. Without doubt she is to be considered as one of the most acclaimed writers in the Russian canon, and her work still has an impact today. Not only being a representative of the Silver Age and of Acmeism, but also living and writing under the shadow of Stalinism, her poetry is characterized by its very distinct style and has to be viewed in that special context. The major part of my essay will focus on Akhmatova's writing style and the significant character of her works. After giving a brief survey of her biography, as well as a short summary about her work and style in general, I am going to analyze some parts of her poetry in particular, using selected pieces of work. The following questions are going to lead me throughout the whole essay: what is so specific about Akhmatova's poetry? In what way is her work representative of Acmeism? To what extent did her biographical circumstances and, even more importantly, the political situation in Russia influence her writing? How is her early work different from her later work? And why are her poems still so interesting for today's reading public?

Poems Mar 06 2021 Ever since her death in 1966 Anna Akhmatova has been recognized as the greatest modern Russian poet. A rich and representative selection of Akhmatova's work--from her poignant, deeply personal love poems to her haunting laments for the martyrs of the Stalinist purges--has been newly translated by the American poet Lyn Coffin. In her finely crafted translations Coffin has been uniquely successful in reproducing the directness and striking effects characteristic of Akhmatova's poetry, and she is the first to remain true to Akhmatova's rhyme and cadence. The poems are prefaced by a thoughtful introduction by the poet Joseph Brodsky, a friend of Akhmatova in her later years.

My Half Century Jun 09 2021 "Anna Akhmatova is known as one of twentieth-century Russia's greatest poets, a member of the quartet that included Mandelstam, Pasternak, and Tsvetaeva. This is the first paperback collection of her prose available in English." "The subjects of her memoirs are extraordinary: she describes Modigliani as she knew him in Paris, Blok near the end of his days, and Mandelstam as a close friend. The autobiographical prose section reveals the elusive poet's personality more clearly than any biography could, including her thoughts about how difficult it was to be a poet at a time when women writers were rarely taken seriously." --Book Jacket.
