The Modern Essay in French Dec 19 2021 As a textual form, the *essai* predominates in modern and contemporary literature in French. Emerging from an earlier tradition and distinguished from its English-language counterpart, the French-language essay ranges from Stéphane Mallarmé to Colette, Victor Segalen to Aimé Césaire, Jean Grenier to Pierre Michon. The *essai* remains, however, one of the most hazily identified of textual forms, its definition often depending on the progressive elimination of all other generic possibilities. Excluded from the archigenres (theatre, poetry, récit), it can even be seen as a hold-all category whose role is to absorb the anarchic extremes of writing. It is perhaps this very lack of pretension to orthodoxy that has drawn so many writers to the *essai*. The conventional understanding of the term - as a tentative, unsystematic exploration - stresses the genre's provisional nature, its refusal of any claims to comprehensiveness. The *essai* exploits the devices of anecdote, illustration and humour; it is addressed to a wide and often general audience; it is also intricately linked to the performance of ideological and writerly strategies, often reordering the classical art of rhetoric and persuasion. As the contributions to this volume show, there is a need to outline an ethics and politics, as well as poetics, of essayism.

"Devant Le Deluge" and Other Essays on Early Modern

Scientific Communication Jan 08 2021 Fifteen readable essays examine topics such as editorial policy in the early journals, the economic side of scientific publishing in the 17th and 18th centuries, aspects of journal indexing, early modern scientific networks, and the issues of authorship and authority. The whole constitutes a body of work that reveals both the richness and scope for further inquiry that has motivated Kronick for decades.

Automated Essay Scoring Apr 11 2021 This new volume is the first to focus entirely on automated essay scoring and evaluation. It is intended to provide a comprehensive overview of the evolution and state-of-the-art of automated essay scoring and evaluation technology across several disciplines, including education, testing and measurement, cognitive science, computer science, and computational linguistics. The development of this technology has led to many questions and concerns. Automated Essay Scoring attempts to address some of these questions including: *How can automated scoring and evaluation supplement classroom instruction? *How does the technology actually work? *Can it improve students' writing? *How reliable is the technology? *How can these computing methods be used to develop evaluation tools? *What are the state-of-the-art essay evaluation technologies and automated scoring systems? Divided into four parts, the first part reviews the teaching of writing and how computers can contribute to it. Part II analyzes actual automated essay scorers including e-rater™, Intellimetric, and the Intelligent Essay Assessor. The third part analyzes related psychometric issues, and the final part reviews innovations in the field. This book is ideal for researchers and advanced students interested in automated essay scoring from

the fields of testing and measurement, education, cognitive science, language, and computational linguistics.

Handbook of Automated Essay Evaluation Dec 07 2020 This comprehensive, interdisciplinary handbook reviews the latest methods and technologies used in automated essay evaluation (AEE) methods and technologies. Highlights include the latest in the evaluation of performance-based writing assessments and recent advances in the teaching of writing, language testing, cognitive psychology, and computational linguistics. This

greatly expanded follow-up to Automated Essay Scoring reflects the numerous advances that have taken place in the field since 2003 including automated essay scoring and diagnostic feedback. Each chapter features a common structure including an introduction and a conclusion. Ideas for diagnostic and evaluative feedback are sprinkled throughout the book. Highlights of the book's coverage include: The latest research on automated essay evaluation. Descriptions of the major scoring engines including the E-rater®, the Intelligent Essay Assessor, the Intellimetric™ Engine, c-rater™, and LightSIDE. Applications of the uses of the technology including a large scale system used in West Virginia. A systematic framework for evaluating research and technological results. Descriptions of AEE methods that can be replicated for languages other than English as seen in the example from China. Chapters from key researchers in the field. The book opens with an introduction to AEEs and a review of the "best practices" of teaching writing along with tips on the use of automated analysis in the classroom. Next the book highlights the capabilities and applications of several scoring engines including the E-rater®, the Intelligent Essay Assessor, the Intellimetric™ engine, c-rater™, and LightSIDE. Here readers will find an actual application of the use of an AEE in West Virginia, psychometric issues related to AEEs such as validity, reliability, and scaling, and the use of automated scoring to detect reader drift, grammatical errors, discourse coherence quality, and the impact of human rating on AEEs. A review of the cognitive foundations underlying methods used in AEE is also provided. The book concludes with a comparison of the various AEE systems and speculation about the future of the field in light of current educational policy. Ideal for educators, professionals, curriculum specialists, and administrators responsible for developing

writing programs or distance learning curricula, those who teach using AEE technologies, policy makers, and researchers in education, writing, psychometrics, cognitive psychology, and computational linguistics, this book also serves as a reference for graduate courses on automated essay evaluation taught in education, computer science, language, linguistics, and cognitive psychology.

The Cambridge Companion to The Essay Sep 16 2021 The Cambridge Companion to the Essay considers the history, theory, and aesthetics of the essay from the moment it's named in the late sixteenth century to the present. What is an essay? What can the essay do or think or reveal or know that other literary forms cannot? What makes a piece of writing essayistic? How can essays bring about change? Over the course of seventeen chapters by a diverse group of scholars, The Companion reads the essay in relation to poetry, fiction, natural science, philosophy, critical theory, postcolonial and decolonial thinking, studies in race and gender, queer theory, and the history of literary criticism. This book studies the essay in its written, photographic, cinematic, and digital forms, with a special emphasis on how the essay is being reshaped and reimagined in the twenty-first century, making it a crucial resource for scholars, students, and essayists.

Essentials of Essay Writing Jan 28 2020 This engaging text shows students what markers look for in their work and helps them to develop the skills they need to produce a first-class essay. It focuses on all the core elements of effective essay writing, including devising a question, critical thinking, engaging with the literature and structuring an essay. Chapters include clear and concise guidance on meeting marking criteria, illustrated with real students' essays from a range of disciplines, and activities which encourage students to put their new skills

into practice. This is an essential resource for all university students for whom essays and coursework form part of their assessment. It is also ideal for further education students and those preparing for university-level study.

Publishing in Rhetoric and Composition Feb 21 2022 Eminent scholars discuss the politics and practices of generating scholarship in rhetoric and composition studies. Publishing in Rhetoric and Composition is a collection of essays about the politics and practices of generating scholarship in rhetoric and composition. The contributors to this book, many of whom are current or past editors of the discipline's most prestigious scholarly journals, undoubtedly have their finger on the pulse of composition's most current scholarship and offer invaluable insight into the production and publication of original research. They discuss publishing articles and reviews, as well as book-length projects, including scholarly monographs, edited collections, and textbooks. They also address such topics as how composition research is valued in English departments, recent developments in electronic publishing, the work habits of successful academic writers, and the complications of mentoring graduate students in a publish-or-perish profession. An inviting and helpful tone makes this an ideal textbook for research methodology and professional writing courses.

Making Sense of Messages Sep 23 2019 *Making Sense of Messages*, now in its second edition, retains the apprenticeship approach which facilitates effectively learning the complex content and skills of rhetorical theory and criticism. A new chapter on “The Rhetoric of Ignorance” provides needed theory and examples that help students deal with the new rhetorical landscape marked by such discursive complexities as “fake news,” “whataboutism,” and denial of science that creates rather than reduces uncertainty in public argument. A new chapter, “Curating and Analyzing Multimodal Mediated Rhetoric,” deals with problems of media criticism in the digital age. It provides theory, models of application, and commentary that help novice critics understand and mindfully practice criticism that leads to insight, not mere opinion. Throughout the book, extended and updated examples and commentaries are designed to promote “novice-to-expert” agency in students. This textbook is ideal for introductory courses in contemporary rhetoric, rhetorical criticism, and critical analysis of mass media.

About "The Last Song" by Nickolas Sparks. Journal, Essay and Vocabulary Aug 03 2020 Essay from the year 2011 in the subject English - Literature, Works, grade: 100, , language: English, abstract: The Last Song is written by #1 New York Times Bestselling author Nicholas Sparks and released on [1]September 8, 2009 by Grand Central Publishing . Also it was the number one on the weekly bestseller chart of New York Times Best Sellers List on September 18, 2009, and many reviews were written about The Last Song. Besides them, its new movie has been started to play on the cinemas in the U.S.A. since March 31, 2010, so this book is so popular and remarkable, because the characters' behaviours and qualities are created uniquely, the book really impacts on our lives, and some religious informations and sacred books are related with the characters' situations and the events in the book. First of all, the writer creates the characters and gives them some behaviours uniquely. Firstly , the change in Ronnie from a stubborn girl to a mature young lady makes the book more remarkable and special. For example, the novel states that "It was the first time since she'd been here that she'd spoken to him without a hint of anger or frustration. " (pg.104) (...) Another reason why this book is remarkable is that the writer really impacts on our lives. First of all, this novel teaches us that there are significant moments that we mustn't miss them and mustn't regret what we miss. One example of this is "I was so mean to him. I quit the

piano! I blamed him for everything, and I didn't say more than a few words to him for three years! Three years! And I can't get those years back. But maybe if I hadn't been so angry, he might not have gotten sick. Maybe I caused that extra... stress that did all this. Maybe it was me!"(pg. 321) (...) Finally, some religious informations and sacred books are related with the characters' situations and the events in the book appropriately. Firstly, in this novel there are things about presence of God, praying and hope. The novel states that "(...)Never forget that God is your friend. (...)He longs to hear what's been happening in your life. Good or bad, whether it's been full of sorrow or anger, and even when you're questioning why terrible things have to happen. So I talk with him." (pg.165) (...) As a final word, the characters' behaviours, situations and creations are unique, and the book really has an effect on our lives ,and using religious connections make the book more remarkable. (...) There are also journal entries and vocabulary.

Firstly, in th *Henry Fielding, Political Writer* Oct 25 2019 An accurate and comprehensive study of the political aspects of Fielding's art has been sorely needed. As a result of decades of work by literary scholars and a series of great historians, such a study is finally possible. This volume addresses that need, and, in the light of a recent revival of interest in Fielding's work, it arrives most opportunely. The author offers here a wide-ranging focus and a firm grip on the shifting complexities of Fielding's political situations—the loyalties and enmities, factional alignments and fractious rhetoric—that allow a satisfactory understanding of Fielding's political writing. Political writing in Fielding's day, as in ours, was topical, concerned with evanescent problems and day-to-day needs that were familiar to contemporaries, but that are now recaptured only with greatest difficulty. This study constitutes a thorough reconstruction of Fielding's political context and extricates from the context Fielding's own political endeavours. Cleary's work will make many of Felding's previously unstudied work accessible to students and scholars of eighteenth-century English literature. A necessary point of reference to both literary specialists and historians concerned with eighteenth-century England.

The Reformist Ideas of Samuel Johnson Nov 25 2019 This book explores what remains an under-studied aspect of Samuel Johnson's profile as a person and writer – namely, his attitude to social improvement. The interpretive framework provided here is cross-disciplinary, and applies perspectives from social and cultural history, legal history, architectural history and, of course, English literature. This allows Johnson's writings to be read against the peculiarities of their historical milieu, and reveals Johnson in a new light – as an advocate of social improvement for human betterment. Considering the multiplicity of narrative modes that have been employed, the book points to the blurred boundaries and overlapping between history, testimony and fiction, and argues that a future biography of Samuel Johnson has to recognise that throughout his life he valued the utilitarian aspect of his manifesto as a writer to impart a more charitable attitude in the pursuit of a more caring society.
