[The Only Pirate at the Party](#) Oct 25 2022 Dancing electronic violinist Lindsey Stirling shares her unconventional journey in an inspiring New York Times bestselling memoir filled with the energy, persistence, and humor that have helped her successfully pursue a passion outside the box. A classically trained musician gone rogue, Lindsey Stirling is the epitome of independent, millennial-defined success: after being voted off the set of America's Got Talent, she went on to amass more than ten million social media fans, record two full-length albums, release multiple hits with billions of YouTube views, and to tour sold-out venues across the world. Lindsey is not afraid to be herself. In fact, it's her confidence and individuality that have propelled her into the spotlight. But the road hasn't been easy. After being rejected by talent scouts, music reps, and eventually on national television, Lindsey forged her own path, step by step. Detailing every trial and triumph she has experienced until now, Lindsey shares stories of her humble yet charmed childhood, humorous adolescence, life as a struggling musician, personal struggles with anorexia, and finally, success as a world-class entertainer. Lindsey's magnetizing story—at once remarkable and universal—is a testimony that there is no singular recipe for success, and despite what people may say, sometimes it's okay to be *The Only Pirate at the Party*.

[Speech at the Chinese Communist Party's National Conference on Propaganda Work](#) Feb 17 2022 [Handbook of Political Party Funding](#) Sep 19 2019 Scrutinizing a relatively new field of study, the *Handbook of Political Party Funding* assesses the basic assumptions underlying the research, presenting an unequalled variety of case studies from diverse political finance systems.
