The Choice Nov 05 2022 Choice! The key is Choice. You have options. You need not spend your life wallowing in failure, ignorance, grief, poverty, shame, and self-pity. But, hold on! If this is true then why have so many among us apparently elected to live in that manner? The answer is obvious. Those who live in unhappy failure have never exercised their options for a better way of life because they have never been aware that they had any Choices !

The Grunch Who Ate the Bottom Line! Jun 27 2019 "Bernie Palmatier's Grunch and other fabulous characters have performed a miracle. They have wrestled with some difficult principles of life and success, and simplified them so that anyone can understand them...and use them. Wise men have been trying to do the same for centuries." - Og Mandino, Author/Lecturer Og Mandino's inspired book "The Greatest Salesman in the World" and the benefits of the Ten Scrolls contained therein not only changed my life, I have often stated they may, indeed, have SAVED my life. As a life-long manic-depressive I had lived with three different "moods" -- normalcy, depression and mania -- one of which resulted in the occasional and then intense flirtation with suicide. It was only with the benefit of the 20/20 vision of hindsight that I came to realize what it was that kept me going, kept me persisting with my life. Given that realization I determined that I should "systematize" what it was that Og Mandino had formulated and shared in his wonderful book. That system became what I now call "Attitude Control" I determined that if that self-help system could stabilize a diagnosed bi-polar then it would likely be beneficial to "normal" people. Needless to say, due to the stigma surrounding mental illness, one of the most difficult aspects of creating my book was the fact that I would likely be required to confess something I had kept secret for many years -- my own battle with manic-depression. It was only as I drove toward one of my very first radio talk show appearances that the words of Ralph Waldo Emerson motivated me to mention my illness: "Show me a man who was saved from nothing and I'll show you a man who wasn't saved." It was only then that I was able to speak openly of my affliction. Since the first 2000 copies of the original hardcover print version of my first saw the light of day one of the primary comments I get closely approximates what Mr. Mandino said, "Your book, "The Grunch Who Ate The Bottom Line!", is one of the simplest and yet most powerful ways of getting a self-help message across." Therefore, it is now my hope that through the advent of this exciting new medium for sharing the written word that my story and my system might be a positive influence on all people who have attitude challenges. So whether I impact my readers with the elements of "Attitude Control" or simply inspire people to become more aware of and involved in Self-help, Inspirational, Motivational Psychology then I will consider my goal achieved. For I believe that seeing one's glass as half-full or half-empty is a choice. Seeing one's life and the world as heavenly or as a hell is also a choice. The choice as to which will derive the greatest happiness, peace of mind and spirit and ultimately the greatest good for humanity is, to me, obvious. Creating a mindset that makes that choice relatively automatic will take time and effort. However, a great book says: "The beginning of wisdom is fear (awe) of the Lord". It is my contention that the beginning of the commitment necessary to get control over our attitudes is fear of experiencing what can happen when our attitudes are out of control. At my seminars and speeches and interviews I have stated that what I suggest may not work for you; but, if so, then find something that will. It can mean all the difference to your life and the lives of those you love the most.

You Are The Choices You Make May 07 2020 How did I get here? Who is to blame? How do I change the outcome? Through understanding why, we can learn how to make better choices for our future. We Are the Choices We Make is the insight we need to make our clouded judgement clear.

Spellbinder's Gift Jan 27 2022 The miraculous story of a loving couple, their never-to-be-forgotten friend, a little girl, and a very special teddy bear.... Retired from his long, successful career as an agent to many of the most famous and dynamic motivational speakers in the world, Bart Manning was happily enjoying his newfound freedom with his lovely wife, Mary. So why, one morning, did he find himself headed back to the little office that he had never given up? He didn't know. But as he sat at his dusty desk, he decided to go back into business. If God had sent him there, Bart told himself, he would wait for His plan to unfold. Then, at a crowded convention, he found his answer in the person of a handsome young man named Patrick Donne, whose deep, commanding voice spoke words of profound wisdom that electrified the audience. With the thrill of discovery, Bart recognized Donne's short speech as the best inspirational talk he had ever heard. Bart was soon caught up in the extraordinary realm that was Patrick's ordinary world, where even tragedy and sorrow became transforming experiences and remarkable things happened.
