The Sculptor Dec 19 2021 David Smith is giving his life for his art-literally. Thanks to a deal with Death, the young sculptor gets his childhood wish: to sculpt anything he can imagine with his bare hands. But now that he only has 200 days to live, deciding what to create is harder than he thought, and discovering the love of his life at the 11th hour isn't making it any easier! This is a story of desire taken to the edge of reason and beyond; of the frantic, clumsy dance steps of young love; and a gorgeous, street-level portrait of the world's greatest city. It's about the small, warm, human moments of everyday life...and the great surging forces that lie just under the surface. Scott McCloud wrote the book on how comics work; now he vaults into great fiction with a breathtaking, funny, and unforgettable new work.

The Superman Handbook Sep 16 2021 Look, up in the sky! It's a bird! It's a plane! It's The Superman Handbook, arriving just in time for the June 2006 box office release of Superman Returns! It doesn't take super-powers to save the day, just superknowledge. This follow-up to the legendary Batman Handbook provides the tips, techniques and tricks of the trade to be the hero anywhere, at any time. The Superman Handbook offers practical information to perform Super Rescues of people falling through the air, give Super Aid to treat wounds and poisonings and use Super Skills to break down doors. All are illustrated with step-by-step images for easy use.

Swan Songs Nov 25 2019 An experimental and humorous modern satire about Leonard Swanson, a hip-hop visionary from the north-west of England, as he works in factories and tries to make the greatest rap album of all time. "Unfortunately making the greatest rap album of all time was to be put on hold as the insidious Job Centre advisors had finally had enough of my shit. I would be forced to sign up to one of the town's two recruitment agencies, or I would be starved of weed money." Leonard Swanson lives in an obscure north-western town - the kind that "has a knack for swallowing you whole". He is supposed to be making the greatest rap album of all time, Swan Songs, but instead is forced to work in one of the town's factories, "picking things up and putting them down for twelve hours in a giant white room". Swan Songs follows Leonard as he works, quits, signs on, and travels the country, playing in small capacity venues for even smaller capacity audiences, for which he gets "paid in booze, drugs and a night on a bed bug-ridden mattress somebody dragged in from the street", all the while making the album he thinks will change hip-hop forever. Part Alan Sillitoe and part William Burroughs, UK rapper Lee Scott's debut novel, partially based on his own experiences of becoming a rapper in Runcorn, is an experimental and humorous modern satire about the perils of being a hip-hop visionary far from the beaten track...

Cunningham's Encyclopedia of Magical Herbs Dec 27 2019 Do you work magic with herbs? Do you use them in spells, for talismans or simply use their innate powers? If you don't have Cunningham's Encyclopedia of Magical Herbs, you need to get it right away. This book has become a classic in its field. Paul Beyerl, a respected author on herbs calls it "...an essential reference book by students of herbalism and magick alike ... Scott's personable charm touches every page... I highly recommend this book." And Jeanne Rose, famous author of books on herbs and developer of an herbal course says "I love books like this ... It is accessible, easy to read, and with its encompassing index (all too often neglected), simple to use as well." Over 200,000 people already have this book and use it frequently. In this edition of the book (it's expanded and revised on the 15th anniversary of original publication) you will find the magical properties and folklore of over 400 herbs! You'll also find lists of herbs based on their magical powers, their genders, their planetary rulers, and more. Perhaps the most important list is the folk name cross-reference. With that information, when a recipe calls for "bramble," you'll know it needs blackberry. Or if the magic calls for "enebro," you'll know you that is juniper. The main part of this book is the listings of the herbs. Each one includes names, associations, and magical attributions. Violets can be used for protection, luck, love, and more. Primrose is for protection and love. Garlic is for protection, healing, exorcism, lust, and prevention of theft. This book is considered a classic. It is probably consulted more than any other book on this subject. If you want to learn the secrets of magical herbs, this book is a must!

Wicca Jun 01 2020 Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca also includes Scott Cunningham's own Book of Shadows and updated appendices of periodicals and occult suppliers.

The Ridley Scott Encyclopedia Aug 15 2021 From his first feature film, The Duellists, to his international successes Alien, Blade Runner, Thelma and Louise, Black Hawk Down, Gladiator, and American Gangster, Ridley Scott has directed some of the most compelling films of the last 30 years. Apart from his work as a film director, Scott has engaged in a vast range of activities, including that as a designer, producer, film mogul, and advertising executive. The Ridley Scott Encyclopedia is the first book that focuses on all aspects of his work in a wide-ranging career that spans nearly 50 years. The entries in this encyclopedia focus on all aspects of his work and are divided into four categories. The first focuses on Ridley Scott's work as a director, encompassing his feature films from The Duellists to Body of Lies, as well as his work in television, including commercials. The second category focuses on the people who have been involved in Scott's projects, including actors, directors, producers, designers, writers and other creative personnel. The third focuses on general thematic issues raised in Scott's work, such as gender construction, political issues, and geographical locations. Finally the encyclopedia incorporates entries on films by other directors who have influenced Scott's approach to his work as a director or producer. Each entry is followed by a bibliography of published sources, both in print and online, making this the most comprehensive reference on Scott's body of work.
