Dream Shadow Mar 30 2020 She doesn't need backup...until love backs her into a corner. Dream, Book 1 Sheriff Brice Campbell never met a psychic worth a dime. Until Grace. She's the real deal, an Army psychic tracker with a flawless record for finding her target. And somewhere behind her bristling defenses is a woman he's determined to coax out into the light of day. Grace's legendary ability to keep her emotions walled off from her gift is the key to her success. Unfocused equals unproductive. Only this time, her target is a child that's gone missing. Worse, an unexpected attraction to Brice is messing with her concentration, big time. Desire sends them both up in a firestorm of passion, which only makes it painfully clear that the Army's secret weapon has one embarrassing flaw. In matters of the heart, she's a rank amateur. Warning: Contains a small-town sheriff who isn't going to let a few emotional walls get in his way, and a woman who can't help but let him take hers down, brick by brick.

enemies Two hotheaded Highlanders, the offspring of feuding lairds, are tricked by the King's Regent into a desperate choice: marry or die. Bhaic MacPherson is more disposed to lead his clan into battle than stay married to the daughter of his enemy. But perhaps the intensity of his feelings has more to do with desire than hostility. The union of a MacPherson and a Robertson could end three generations of hostilities between the two families, but can bitter rivals truly become lovers? The Secret Garden Apr 30 2020 Ten-year-old Mary comes to live in a lonely house on the Yorkshire moors and discovers an invalid cousin and the mysteries of a locked garden.

The Wine of Roman Babylon Jun 20 2019 Mary E. Walsh (1892-1997) was born into a Roman Catholic family in Ireland. Her forbears for many generations back were confirmed believers in the doctrines of the papacy. Baptized into the Roman Church when only one day old, she continued a faithful communicant of that religious body for 20 years. Then becoming interested in reading the Sacred Scriptures, she was led by her study to renounce the papal faith. Thereafter devoting her energies to the propagation of the evangelical doctrines found in Holy Writ, she had many years of success in teaching the gospel truths to others. This book does not propose to delve into the abstruse, philosophical discussions by notable theologians of the Roman Catholic Church, but rather presents a candid and practical study of the principal papal doctrines as they are taught to the rank and file of that sect. This edition contains her last update to the book with Appendixes to each chapter.

Fire & Wine Oct 17 2021 Ready to up your grilling game? This cookbook by a pitmaster and a sommelier will turn your backyard barbecue into the tastiest place to be--with recipes that celebrate smoked and grilled food (and the wines that pair best with them). Every region has its barbecue, grill, and smoking food traditions. Now the Pacific Northwest can claim its place at the table with these recipes developed by sommelier Mary Cressler and pitmaster Sean Martin from Portland, Oregon. Not as sauce-dependent as Kansas City, not quite as beef-obsessed as Texas, these dishes bring the smoke to wild salmon, ribs and steaks, fresh apples, heirloom tomatoes, nuts and beans, and even chocolate pot de crème. Rubs and glazes draw on Northwest flavors such as soy sauce, rosemary, and wild blackberries. Whether the equipment at home is a basic kettle grill or a professional-grade outfit with an electric wood feeder, the instructions will turn even novices into masters of the grill. And true to the region, these recipes pair with wines such as pinot noir and cabernet sauvignon instead of the customary can of beer.

Stories of the Vikings Oct 25 2019 THE history of the Vikings is not, as you might think, the story of a band of sea-pirates who roved the seas in search of plunder. It is rather the story of a race of brave and hardy Northmen who became sea-rovers because the rights and the freedom which their fathers had cherished were being taken from them. Their fathers had lived on their own lands and had been freemen, but the sons were asked to become king's men and hold their land only at the king's pleasure. Rather than give up their ancient rights many of the Northmen became Vikings, and to them the sea-roving life was a noble one, full of high enterprise and ambition. It was no easy matter to become a member of a Viking band. Even a great chief, before he could be admitted, must prove his strength and give an account of the deeds of prowess he had already done. Thus it was an honour to belong to a band of Vikings, an honour which spurred the lads of the North to bold deeds, to mighty feats, that they might be counted worthy to become members of one or another of the famous bands. It is of the customs and battles, of the lives and deaths of these wild Northmen that I have told you in this little book. As these men are, as you will hear, ancestors of our own, you will perhaps wish to know more about them than I have been able to tell you. If that is so, when you grow older, you can read the Sagas or histories of these Northmen which were written by the Skalds, or, as we would call them, the poets of those olden days. In these Sagas you will meet with many strange adventures and see many great battlefields which you will not find in this little book.

Holding Back The Tears Jul 02 2020 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmore, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins

to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - 'ME LADDIE'. Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you"; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

Back to Venice Oct 05 2020 Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and acquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiously and curiously from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.
