[The Dead Cry Justice](#) Jul 11 2021 For fans of HBO's *The Gilded Age*, explore the dark side of the alluring world of America's 19th century elite in this gripping series of riveting mysteries... Heiress-turned-sleuth Prudence MacKenzie and ex-Pinkerton Geoffrey Hunter step out of the elite society of Gilded Age New York as they venture into the city's crime ridden streets and most dangerous neighborhoods to search for two missing children . . . THE DEAD CRY JUSTICE May 1890: As NYU Law School finally agrees to admit female law students, Judge MacKenzie's daughter Prudence weighs her choices carefully. Chief among her concerns is how her decision would affect the Hunter and MacKenzie Investigative Law agency and her professional and personal relationship with the partner who is currently recuperating from a near fatal shooting. But an even more pressing issue presents itself in the form of a street urchin, whose act of petty theft inadvertently leads Prudence to a badly beaten girl he is protecting. Fearing for the girl's life, Prudence rushes her to the Friends Refuge for the Sick Poor, run by the compassionate Charity Sloan. When the boy and girl slip out of their care and run away, Prudence suspects they are fleeing a dangerous predator and is desperate to find them. Aided by the photographer and social reformer Jacob Riis and the famous journalist Nellie Bly, Prudence and Geoffrey scour the tenements and brothels of Five Points. Their only clue is a mysterious doll with an odd resemblance to the missing girl. But as the destitute orphans they encounter whisper the nickname of the killer who stalks them—Il diavolo—Prudence and Geoffrey must race against time to find the missing children before their merciless enemies do . . .

[The Hunt for the Seventh](#) Oct 26 2022 Jim moves to ancient Minerva Hall and encounters the ghosts of six children. They urge him to find the seventh child and leave him cryptic clues that point to a dark, ancient prophecy that only Jim can stop from being fulfilled. Jim turns to Einstein, a brilliant autistic boy who lives at the Hall. If anyone can help Jim, Einstein can. But the boy, who speaks in riddles, proves to be as mysterious as the dead children. Time is running out; if Jim doesn't figure out the clues, innocent people will die. Christine Morton-Shaw has linked ancient rites with modern mystery to create a chilling, suspenseful tale that will keep readers guessing to the very end.

[Mr Jack](#) Aug 24 2022 Mr Jack is a small dog in a big hurry, but without his glasses, how will he ever find his way home? The Wild Rose Oct 14 2021 The third book in the sweeping, multi-generational saga that began with *The Tea Rose*, *The Wild Rose* is a "lush story of epic proportions" (Romantic Times Book Review). *The Wild Rose* is a part of the sweeping, multi-generational saga that began with *The Tea Rose* and continued with *The Winter Rose*. It is London, 1914. World War I looms on the horizon, women are fighting for the right to vote, and explorers are pushing the limits of endurance in the most forbidding corners of the earth. Into this volatile time, Jennifer Donnelly places her vivid and memorable characters: Willa Alden, a passionate mountain climber who lost her leg while summiting Kilimanjaro with Seamus Finnegan, and who will never forgive him for saving her life; Seamus Finnegan, a polar explorer who tries to forget Willa as he marries a beautiful young schoolteacher back home in England; Max von Brandt, a handsome German sophisticate who courts high society women, but has a secret agenda in wartime London. Many other beloved characters from *The Winter Rose* continue their adventures in *The Wild Rose* as well. With myriad twists and turns, thrilling cliffhangers, and fabulous period detail and atmosphere, *The Wild Rose* provides a highly satisfying conclusion to an unforgettable trilogy.

An Experiment in Love Jan 25 2020 Following 'A Change in Climate', this brilliant novel from the double Man Booker prize-winning author of 'Wolf Hall' is a coming-of-age tale set in Seventies London.

[Getting Life](#) Apr 20 2022 "A devastating and infuriating book, more astonishing than any legal thriller by John Grisham" (The New York Times) about a young father who spent twenty-five years in prison for a crime he did not commit...and his eventual exoneration and return to life as a free man. On August 13, 1986, just one day after his thirty-second birthday, Michael Morton went to work at his usual time. By the end of the day, his wife Christine had been savagely bludgeoned to death in the couple's bed—and the Williamson County Sheriff's office in Texas wasted no time in pinning her murder on Michael, despite an absolute lack of physical evidence. Michael was swiftly sentenced to life in prison for a crime he had not committed. He mourned his wife from a prison cell. He lost all contact with their son. Life, as he knew it, was over. Drawing on his recollections, court transcripts, and more than 1,000 pages of personal journals he wrote in prison, Michael recounts the hidden police reports about an unidentified van parked near his house that were never pursued; the bandana with the killer's DNA on it, that was never introduced in court; the call from a neighboring county reporting the attempted use of his wife's credit card, which was never followed up on; and ultimately, how he battled his way through the darkness to become a free man once again. "Even for readers who may feel practically jaded about stories of injustice in Texas—even those who followed this case closely in the press—could do themselves a favor by picking up Michael Morton's new memoir...It is extremely well-written [and] insightful" (The Austin Chronicle). *Getting Life* is an extraordinary story of unfathomable tragedy, grave injustice, and the strength and courage it takes to find forgiveness.

Lightning Rods Jan 17 2022 The long-awaited second novel by the author of "arguably the most exciting debut novel of the decade: *The Last Samurai*." (Sam Anderson, New York). "All I want is to be a success. That's all I ask." Joe fails to sell a single set of the *Encyclopedia Britannica* in six months. Then fails to sell a single *Electrolux* and must eat 126 pieces of homemade pie, served up by his would-be customers who feel sorry for him. Holed up in his trailer, Joe finds an outlet for his frustrations in a series of ingenious sexual fantasies, and at last strikes gold. His brainstorm, *Lightning Rods, Inc.*, will take Joe to the very top — and to the very heart of corporate insanity — with an outrageous solution to the spectre of sexual harassment in the modern office. An uproarious, hard-boiled modern

fable of corporate life, sex, and race in America, Helen DeWitt's *Lightning Rods* brims with the satiric energy of Nathanael West and the philosophic import of an Aristophanic comedy of ideas. Her wild yarn is second cousin to the spirit of Mel Brooks and the hilarious reality-blurring of *Being John Malkovich*. Dewitt continues to take the novel into new realms of storytelling — as the timeliness of *Lightning Rods* crosses over into timelessness.

Five Leaf Clover Sep 13 2021 Welcome to Ireland. Now die. Conrad has a lot on his plate, and recovering from a punctured kidney is only the start... Top of his to-do list is a trip to Cornwall for an interview with Morwenna Mowbray, Vessel and victim of Fae magick. Before he can go, Tom Morton has news on the missing book, the *Codex Defanatus*. And soon it becomes clear that all roads lead across the Irish Sea, to a country where Conrad has no jurisdiction, no allies, and where his enemies are not one, but two Fae Queens. He knows that it's a long road to Galway, and that when he gets to the end, he'll be alone, but choosing his travelling companions is only the first challenge. Conrad's struggle to wash the stain of the *Codex* from his family name reaches a climax in the Ninth Book of the King's Watch - *Five Leaf Clover*. Grab a copy now and find out if Conrad has the Luck of the Irish.

The Stone Child Jan 05 2021 What if the monsters from your favorite horror books were real? Eddie Fennicks has always been a loner, content to lose himself in a mystery novel by his favorite author, Nathaniel Olmstead. That's why moving to the small town of Gatesweed becomes a dream come true when Eddie discovers that Olmstead lived there before mysteriously disappearing thirteen years ago. Even better, Eddie finds a handwritten, never-before-seen Nathaniel Olmstead book printed in code and befriends Harris, who's as much an Olmstead as he is. But then the frightening creatures of Olmstead's books begin to show up in real life, and Eddie's dream turns into a nightmare. Eddie, Harris, and their new friend, Maggie, must break Olmstead's code, banish all gremlins and monster lake-dogs from the town of Gatesweed, and solve the mystery of the missing author, all before Eddie's mom finishes writing her own tale of terror and brings to life the scariest creature of all.

Magoosy May 21 2022 Let me introduce you to Magoosy. Magoosy the cat. Magoosy is a stray moggy who lives in a deserted attic. So, what's new, I hear you say. But this tomcat is different. He's a streetwise cat with three passions in life: knitting, maps, but most importantly, fish. So, one night, Magoosy sets off with a map and a mission. His target - Larry's fish shop. His aim - to steal as much fish as he can. However, when Magoosy finds himself in the bank, instead of the fish shop, things start to go seriously wrong. And when the alarm begins to ring and the police arrive, our hero has to admit that the game's up. But, luckily for this inept catburglar, a happy end lies in sight. Not only does he receive an award for "the worst burglar ever", but his "punishment" is to live with Larry and have a lifelong supply of fish. I guess you could say that this cat got the cream...

Among the Stars Aug 20 2019 May Bird has always been a bit... different. While most of her classmates were riding their bikes, she was running around the West Virginia woods, dressed as a warrior princess with her hairless cat at her side. And while most of her classmates were spending their summer vacations going to birthday parties, May was discovering a mysterious lake hidden among the trees -- and stumbling into the land of ghosts, the Ever After. A fearful and fantastic realm located among the stars, the Ever After is full of phantoms and poltergeists, ghouls and goblins, and all manner of things that go bump in the night. And if May is to find her way out again, she must reach the mysterious Lady of North Farm, who lives in a cold, forbidding land that even the spooks find spooky. With her courageous (yet melancholy) kitty and a ragtag group of spectral friends she's picked up along the way, May is determined to escape the Afterlife. But her travels will bring her face-to-face with her worst fears: a devious pursuer; a truly horrifying dance party under the sea, hosted by the Bogey (aka Boogie) Man; and the Ever After's terrible ruler, Evil Bo Cleevil. And when all of these things collide, there's no telling who will find courage to make it through... or who will be left behind.

A Princeton Companion Dec 24 2019 In this unusual and unique volume, Alexander Leitch provides a warm, often witty, and always informative reference book on Princeton University. The collection of approximately 400 articles, alphabetically arranged and written by some seventy faculty members and alumni in addition to the author, covers all aspects of Princeton life in the past as well as in the present. Of special interest are the biographies of eminent Princetonians, including the University's presidents, well-known trustees, distinguished deans, famous alumni, and some of Princeton's most prominent and popular professors. Other articles in the book embrace a wide range of topics: histories of academic departments, programs, and research units; descriptions of the honor system, the preceptorial method, the four-course plan, and coeducation; a historical survey of the University's acquisition of land and the development of its campus, together with articles on its principal buildings; pieces on student activities; accounts of alumni activities; articles on athletics; portraits of notable personalities; and commentaries on a host of lighter topics such as the cane spree, beer jackets, the Faculty Song, the proctors, and Veterans of Future Wars. Among the most important articles are one summarizing Woodrow Wilson's Sesquicentennial address, "Princeton in the Nation's Service," and a dozen others recording faculty and alumni achievements toward the goal encompassed by that phrase. Originally published in 1978. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Science Fiction Cinema Jul 19 2019 This major new study offers a broad historical and theoretical reassessment of the science fiction film genre. The book explores the development of science fiction in cinema from its beginnings in early film through to recent examples of the genre. Each chapter sets analyses of chosen films within a wider historical/cultural context, while concentrating on a specific thematic issue. The book therefore presents vital and unique perspectives in its approach to the genre, which include discussion of the relevance of psychedelic imagery, the 'new woman of science', generic performance and the prevalence of 'techno-orientalism' in recent films. While American films will be one of the principle areas covered, the author also engages with a range of pertinent examples from other nations, as well as discussing the centrality of science fiction as a transnational film genre. Films discussed include The Day the Earth Stood Still, The Body Snatchers, Forbidden Planet, The Quatermass Experiment, 2001: A Space Odyssey, Demon Seed, Star Trek: The Motion Picture, Star Wars, Altered States, Alien, Blade Runner, The Brother from Another Planet, Back to the Future, The Terminator, Predator, The One, Dark City, The Matrix, Fifth Element and eXistenZ. Key Features*Thematically organised for use as a course text.*Introduces current and past theories and practices, and provides an overview of the main themes, approaches and areas of study.*Covers new and burgeoning approaches such as generic performance and aspects of postmodern identity.*Includes new interviews with some of the main practitioners in the field: Roland Emmerich, Paul Verhoeven, Ken Russell, Stan Winston, William Gibson, Brian Aldiss, Joe Morton, Dean Norris and Billy Gray.

Brute. Sep 01 2020 Selected by Joy Harjo as the winner of the Walt Whitman Award of the Academy of American Poets Emily Skaja's debut collection is a fiery, hypnotic book that confronts the dark questions and menacing silences around gender, sexuality, and violence. Brute arises, brave and furious, from the dissolution of a relationship, showing how such endings necessitate self-discovery and reinvention. The speaker of these poems is a sorceress, a bride, a warrior, a lover, both object and agent, ricocheting among ways of knowing and being known. Each incarnation squares itself up against ideas of feminine virtue and sin, strength and vulnerability, love and rage, as it closes in on a hard-won freedom. Brute is absolutely sure of its capacity to insist not only on the truth of what it says but on the truth of its right to say it. "What am I supposed to say: I'm free?" the first poem asks. The rest of the poems emphatically discover new ways to answer. This is a timely winner of the Walt Whitman Award, and an introduction to an unforgettable voice.
