[The Foot of the Cross](#) Mar 30 2020 Describes Our Lady's Seven Sorrows, relating them to our own spiritual life. Tells why God permitted her sorrows, and describes the immensity of them, including their characteristics. Explains how Our Lady rejoiced in her sorrows, and demonstrates how the Church puts the sorrows before us. Gives a detailed examination of each sorrow culminating in the crucifixion and burial of Our Lord. Helps to build devotion to Our Lord by understanding the sorrows of His Mother -- and experience shows that we never advance more rapidly in love of the Son than when we travel by the Mother. Whoever is growing in devotion to the Mother of God is growing in all good things. Perfect for Lent. Similar to the booklet Devotion to the Sorrowful Mother. Imprimatur.

The Concise Greek-English Lexicon of the New Testament Aug 23 2019 Frederick William Danker, a world-renowned scholar of New Testament Greek, is widely acclaimed for his 2000 revision of Walter Bauer's A Greek-English Lexicon of the New Testament and Other Early Christian Literature. With more than a quarter of a million copies in print, it is considered the finest dictionary of its kind.

Danker's Concise Greek-English Lexicon of the New Testament will prove to be similarly invaluable to ministers, seminarians, translators, and students of biblical Greek. Unlike other lexica of the Greek New Testament, which give only brief glosses for headwords, The Concise Greek-English Lexicon offers extended definitions or explanations in idiomatic English for all Greek terms. Each entry includes basic etymological information, short renderings, information on usage, and plentiful biblical references. Greek terms that could have different English definitions, depending on context, are thoughtfully keyed to the appropriate passages. An overarching aim of The Concise Greek-English Lexicon is to assist the reader in recognizing the broad linguistic and cultural context for New Testament usage of words. The Concise Greek-English Lexicon retains all the acclaimed features of A Greek-English Lexicon in a succinct and affordable handbook, perfect for specialists and nonspecialists alike.
