Ugly Love Dec 23 2019 From Colleen Hoover, the #1 New York Times bestselling author of It Ends With Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

[It Starts with Us](#) Feb 17 2022 Before It Ends with Us, it started with Atlas. Colleen Hoover tells fan favorite Atlas's side of the story and shares what comes next in this long-anticipated sequel to the "glorious and touching" (USA TODAY) #1 New York Times bestseller It Ends with Us. Lily and her ex-husband, Ryle, have just settled into a civil coparenting rhythm when she suddenly bumps into her first love, Atlas, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately says yes when Atlas asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her life—and Atlas Corrigan is the one man he will hate being in his ex-wife and daughter's life. Switching between the perspectives of Lily and Atlas, It Starts with Us picks up right where the epilogue for the "gripping, pulse-pounding" (Sarah Pekkanen, author of Perfect Neighbors) bestselling phenomenon It Ends with Us left off. Revealing more about Atlas's past and following Lily as she embraces a second chance at true love while navigating a jealous ex-husband, it proves that "no one delivers an emotional read like Colleen Hoover" (Anna Todd, New York Times bestselling author).

Just the Two of Us Jun 21 2022 A couple on the brink of divorce after 35 years of marriage gets a second chance to rediscover their love now that a pandemic lockdown has forced them to spend more time together. Julie and Michael Marshall have stayed together through thick and thin, through better and worse -- and, for the last few years, it has mostly been worse. As their thirty-fifth wedding anniversary approaches, Julie realizes something: she doesn't want to pretend anymore. Divorce papers at the ready, she's just about to have The Talk with Michael when everything changes. Lockdown begins and Julie and Michael face the greatest terror they can imagine: uninterrupted time with each other. But, when stripped of all distraction and forced to meet eyes across the dinner table, could it be that Julie and Michael might find a way back to where they first began?

[Return to Us](#) Jul 18 2019 From New York Times Bestselling author Corinne Michaels comes a new second chance standalone love story. At eighteen, I walked away from Willow Creek Valley for good. I was young, scared, and stupid, and it cost me the love of my life-Grayson Parkerson. Fourteen years later, a crash sends me back home to recover. Back to where we met, fell in love, and planned a future. The one he's now living as a single dad to his daughter. Working at The Park Inn together gives us a chance to reconnect, and seeing him with his little girl makes me long for the days when he was mine. One look in his gorgeous blue-green eyes, and it's like I never left. One kiss, and my world

is upside down. One night together, and I know without a doubt, in his arms is where I belong. I'm not the girl I was-intimidated by his wealthy family and desperate to escape our small town. I can imagine a new life for us here. But he's learned to guard his heart, and trust won't come easily. How can I convince him to give first love a second chance?

The Personal Memoirs of U. S. Grant [Illustrated – 2 volumes in one] Jan 24 2020 Includes Civil War Map and Illustrations Pack – 224 battle plans, campaign maps and detailed analyses of actions spanning the entire period of hostilities. Few military memoirs have had the impact of those of General Grant, a best-seller on publication, considered a classic ever since both by military and literary critics. Mark Twain reflected that he "had been comparing the memoirs with Caesar's Commentaries... I was able to say in all Apologetic forms that the same high merits distinguished both books - clarity of statement, directness, simplicity, manifest truthfulness, fairness and justice toward friend and foe alike and avoidance of flowery speech. General Grant was just a man, just a human being, just an author...The fact remains and cannot be dislodged that General Grant's book is a great, unique and unapproachable literary masterpiece. There is no higher literature than these modest, simple Memoirs. Their style is at least flawless, and no man can improve upon it." Highly recommended. Author — General Ulysses S. Grant (1822-1885) Text taken, whole and complete, from the edition published in 1885-86, New York, C.L. Webster & Co.

The Shadows Between Us Mar 18 2022 Tricia Levenseller, author of *Daughter of the Pirate King*, is back with an epic YA tale of ambition and love in *The Shadows Between Us*... “ They ’ ve never found the body of the first and only boy who broke my heart. And they never will. ” Alessandra is tired of being overlooked, but she has a plan to gain power: 1) Woo the Shadow King. 2) Marry him. 3) Kill him and take his kingdom for herself. No one knows the extent of the freshly crowned Shadow King ’ s power. Some say he can command the shadows that swirl around him to do his bidding. Others say they speak to him, whispering the thoughts of his enemies. Regardless, Alessandra knows what she deserves, and she ’ s going to do everything within her power to get it. But Alessandra ’ s not the only one trying to kill the king. As attempts on his life are made, she finds herself trying to keep him alive long enough for him to make her his queen—all while struggling not to lose her heart. After all, who better for a Shadow King than a cunning, villainous queen? “ Tricia Levenseller ’ s latest, *The Shadows Between Us*, is a decadent and wickedly addictive fantasy, full of schemes and court intrigue, and delightful descriptions of food, which I am always a fan of. ” —Kendare Blake, #1 New York Times bestselling author of the *Three Dark Crowns* series

Those Who Save Us Aug 23 2022 For fifty years, Anna Schlemmer has refused to talk about her life in Germany during World War II. Her daughter, Trudy, was only three when she and her mother were liberated by an American soldier and went to live with him in Minnesota. Trudy's sole evidence of the past is an old photograph: a family portrait showing Anna, Trudy, and a Nazi officer, the Obersturmführer of Buchenwald. Driven by the guilt of her heritage, Trudy, now a professor of German history, begins investigating the past and finally unearths the dramatic and heartbreaking truth of her mother's life. Combining a passionate, doomed love story, a vivid evocation of life during the war, and a poignant mother/daughter drama, *Those Who Save Us* is a profound exploration of what we endure to survive and the legacy of shame.

One of Us Is Next Jan 04 2021 #1 NEW YORK TIMES BESTSELLER • The highly anticipated sequel to *One of Us Is Lying!* There's a new mystery to solve at Bayview High, and there's a whole new set of rules. Fans of the hit thriller that started it all can watch the secrets of the Bayview Four be revealed in the *One of Us Is Lying* TV series now streaming on NBC's Peacock! Come on, Bayview, you know you've missed this. A ton of copycat gossip apps have popped up since Simon died, but in the year since the Bayview four were cleared of his shocking death, no one's been able to fill the gossip void quite like he could. The problem is no one has the facts. Until now. This time it's not an app, though—it's a game. Truth or Dare. Phoebe's the first target. If you choose not to play, it's a truth. And hers is dark. Then comes Maeve and she should know better—always choose the dare. But by the time Knox is about to be tagged,

things have gotten dangerous. The dares have become deadly, and if Maeve learned anything from Bronwyn last year, it's that they can't count on the police for help. Or protection. Simon's gone, but someone's determined to keep his legacy at Bayview High alive. And the rules have changed. " Few craft teen suspense like McManus. "

--Entertainment Weekly " A thriller from one of the best writers in the YA mystery genre, *One of Us Is Next* delivers more shocking surprises and twists you won't see coming. " --PASTE

More of Us to the West May 20 2022 Two very different worlds for two very different lives. When tragedy strikes, her love story is anything but over.

Every Summer After Apr 19 2022 "A radiant debut."—Emily Henry, #1 New York Times bestselling author of *Book Lovers* THE NEW YORK TIMES BESTSELLER! Named One of the Hottest Reads of Summer 2022 by Today · Parade · PopSugar · USA Today · SheReads · BuzzFeed · BookBub · Bustle · and more! Six summers to fall in love. One moment to fall apart. A weekend to get it right. They say you can never go home again, and for Persephone Fraser, ever since she made the biggest mistake of her life a decade ago, that has felt too true. Instead of glittering summers on the lakeshore of her childhood, she spends them in a stylish apartment in the city, going out with friends, and keeping everyone a safe distance from her heart. Until she receives the call that sends her racing back to Barry's Bay and into the orbit of Sam Florek—the man she never thought she'd have to live without. For six summers, through hazy afternoons on the water and warm summer nights working in his family's restaurant and curling up together with books—medical textbooks for him and work-in-progress horror short stories for her—Percy and Sam had been inseparable. Eventually that friendship turned into something breathtakingly more, before it fell spectacularly apart. When Percy returns to the lake for Sam's mother's funeral, their connection is as undeniable as it had always been. But until Percy can confront the decisions she made and the years she's spent punishing herself for them, they'll never know whether their love might be bigger than the biggest mistakes of their past. Told over the course of six years and one weekend, *Every Summer After* is a big, sweeping nostalgic story of love and the people and choices that mark us forever.

Americanon Nov 14 2021 " An elegant, meticulously researched, and eminently readable history of the books that define us as Americans. For history buffs and book-lovers alike, McHugh offers us a precious gift. " —Jake Halpern, Pulitzer Prize winner and New York Times bestselling author " With her usual eye for detail and knack for smart storytelling, Jess McHugh takes a savvy and sensitive look at the 'secret origins' of the books that made and defined us. . . You won't want to miss a one moment of it. " —Brian Jay Jones, author of *Becoming Dr. Seuss* and the New York Times bestselling *Jim Henson* The true, fascinating, and remarkable history of thirteen books that defined a nation Surprising and delightfully engrossing, *Americanon* explores the true history of thirteen of the nation's most popular books. Overlooked for centuries, our simple dictionaries, spellers, almanacs, and how-to manuals are the unexamined touchstones for American cultures and customs. These books sold tens of millions of copies and set out specific archetypes for the ideal American, from the self-made entrepreneur to the humble farmer. Benjamin Franklin's *Autobiography*, *How to Win Friends and Influence People*, *Webster's Dictionary*, *Emily Post's Etiquette*: *Americanon* looks at how these ubiquitous books have updated and reemphasized potent American ideals—about meritocracy, patriotism, or individualism—at crucial moments in history. Old favorites like the *Old Farmer's Almanac* and *Betty Crocker's Picture Cook Book* are seen in this new way—not just as popular books but as foundational texts that shaped our understanding of the American story. Taken together, these books help us understand how their authors, most of them part of a powerful minority, attempted to construct meaning for the majority. Their beliefs and quirks—as well as personal interests, prejudices, and often strange personalities—informed the values and habits of millions of Americans, woven into our cultural DNA over generations of reading and dog-eating. Yet their influence remains uninvestigated--until now. What better way to understand a people than to look at the books they consumed most, the ones they returned to repeatedly, with questions about everything from spelling to social mobility to sex. This fresh and engaging book is American history as you've never encountered it before.

Only when It's Us May 28 2020 Ryder: Ever since she sat next to me in class and gave me death eyes, Willa Sutter's been on my shit list. Why she hates me, I don't know. What I do know is that Willa is the kind of chaos I don't need in my tidy life. She's the next generation of women's soccer. Wild hair, wilder eyes. Bee-stung lips that should be illegal. And a temper that makes the devil seem friendly. She's a thorn in my side, a menacing, cantankerous, pain-in-the-ass who's turned our Business Mathematics course into a goddamn gladiator arena. I'll leave this war zone unscathed, coming out on top...And if I have my way with that crazy-haired, ball-busting hellion, that will be in more than one sense of the word. Willa: Rather than give me the lecture notes I missed like every other instructor I've had, my asshole professor tells me to get them from the silent, surly flannel-wearing mountain man sitting next to me in class. Well, I

tried. And what did I get from Ryder Bergman? Ignored. What a complete lumbersexual neanderthal. Mangy beard and mangier hair. Frayed ball cap that hides his eyes. And a stubborn refusal to acknowledge my existence. I've battled men before, but with Ryder, it's war. I'll get those notes and crack that Sasquatch nut if it's the last thing I do, then I'll have him at my mercy. Victory will have never tasted so sweet.

Wish You Were Here Oct 13 2021 "You know when you're looking at someone and you can't help but smile at how oblivious they are to their own charm? That's what was happening to me, and it was making me feel...happy. Euphoric. Something indescribable. It was like we already knew each other, like we had met in a previous life. Memories that didn't exist began exploding in my mind like fireworks."--

“ A brave and heartbreaking novel that digs its claws into you and doesn 't let go, long after you 've finished it ” Anna Todd, bestselling author From the #1 bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can 't stop thinking about her first love. Lily hasn 't always had it easy, but that 's never stopped her from working hard for the life she wants. She 's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous

neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. With this bold and deeply personal novel, *It Ends With Us* is a heart-wrenching story and an unforgettable tale of love that comes at the ultimate price.

[Saving Us](#) Nov 02 2020 United Nations Champion of the Earth, climate scientist, and evangelical Christian Katharine Hayhoe changes the debate on how we can save our future in this nationally bestselling "optimistic view on why collective action is still possible—and how it can be realized" (The New York Times). Called "one of the nation's most effective communicators on climate change" by The New York Times, Katharine Hayhoe knows how to navigate all sides of the conversation on our changing planet. A Canadian climate scientist living in Texas, she negotiates distrust of data, indifference to imminent threats, and resistance to proposed solutions with ease. Over the past fifteen years Hayhoe has found that the most important thing we can do to address climate change is talk about it—and she wants to teach you how. In *Saving Us*, Hayhoe argues that when it comes to changing hearts and minds, facts are only one part of the equation. We need to find shared values in order to connect our unique identities to collective action. This is not another doomsday narrative about a planet on fire. It is a multilayered look at science, faith, and human psychology, from an icon in her field—recently named chief scientist at The Nature Conservancy. Drawing on interdisciplinary research and personal stories, Hayhoe shows that small conversations can have astonishing results. *Saving Us* leaves us with the tools to open a dialogue with your loved ones about how we all can play a role in pushing forward for change.

expensive cars, huge houses, and competitive friendships. Shannon was once the queen bee of Buckhead. But she 's been unceremoniously dumped by Bryce, her politician husband. When Bryce replaces her with a much younger woman, Shannon sets out to take revenge ... Crystal has stepped into Shannon 's old shoes. A young, innocent Texan girl, she simply has no idea what she 's up against ... Olivia has waited years to take Shannon 's crown as the unofficial queen of Buckhead. Finally, her moment has come. But to take her rightful place, she will need to use every backstabbing, manipulative, underhand trick in the book ... Jenny owns Glow, the most exclusive salon in town. Jenny knows all her clients ' secrets and darkest desires. But will she ever tell? Who amongst these women will be clever enough to survive Buckhead—and who will wind up dead? They say that friendships can be complex, but no one said it could ever be this deadly.

Designing Distributed Systems Jun 28 2020 Without established design patterns to guide them, developers have had to build distributed systems from scratch, and most of these systems are very unique indeed. Today, the increasing use of containers has paved the way for core distributed system patterns and reusable containerized components. This practical guide presents a collection of repeatable, generic patterns to help make the development of reliable distributed systems far more approachable and efficient. Author Brendan Burns—Director of Engineering at Microsoft Azure—demonstrates how you can adapt existing software design patterns for designing and building reliable distributed applications. Systems engineers and application developers will learn how these long-established patterns provide a common language and framework for dramatically increasing the quality of your system. Understand how patterns and reusable components enable the rapid development of reliable distributed systems Use the side-car, adapter, and ambassador patterns to split your application into a group of containers on a single machine Explore loosely coupled multi-node distributed patterns for replication, scaling, and communication between the components Learn distributed system patterns for large-scale batch data processing covering work-queues, event-based processing, and coordinated workflows
