**Ghost Stories of Henry James** Feb 02 2020 Contains: The Romance of Certain Old Clothes; The Ghostly Rental; SirEdmund Orme; The Private Life; Owen Wingrave; The Friends of the Friends; The Turn of the Screw; The Real Right Thing; The Third Person; The Jolly Corner.

*Function and Analysis of the Ghosts in 'Turn of the Screw ' by Henry James* Sep 30 2019 Seminar paper from the year 2002 in the subject American Studies - Literature, grade: 2+ (B), University of Frankfurt (Main) (Institute for England und American Studies), course: Introduction to Literature Studies, 7 entries in the bibliography, language: English, abstract: Henry James?s "The Turn Of The Screw" has been often interpreted since it was first published in 1898. There are a lot of hints in the story, but those hints are rarely stated directly. So the difficulty in reading and judging the story in one certain way makes it even more challenging to read. Until today

critics have not come to an agreement whether Miles and Flora or only the governess are haunted by the ghosts. So one might pose the question "When do critics ever share the same opinion?". After all there are always different people with different opinions who read one and the same story completely different at all. But nevertheless every author has a certain intention, the purpose to convey a message by writing the story down. Possibly the openness to various interpretations is the point of the novel. Basically this is what every reader should have in mind. Many questions move critics concerning "The Turn Of The Screw", e. g. "What does the governess really see while her encounters with those apparitions?", "How can she describe the dead Peter Quint that detailed without ever having seen him before?" and -most essentially- "How did Miles come to death in the end?". Every question itself is interesting enough, but I find the question most exciting, what the ghosts represent if they are no real supernatural apparitions. It seems to be clear that only the governess is able to see the ghosts. As far as I remember there is no single hint that is evidenced clearly in the whole story that Mrs. Grose or the children are also able to recognize the ghosts. So possibly only the governess is haunted by the apparitions for reasons that have to be analyzed more deeply.

**The Turn of the Screw** Oct 04 2022 The Turn of the Screw Henry James - A young governess arrives at Bly, a country home in Essex, England, to care for Miles and Flora, two precocious and pure children. But as ghostly visions take shape, the obsessively protective governess soon fears for the safety of her ward only to wonder if these hauntings are a conjuring of her own imagination. The Turn of the Screw is an 1898 horror novella by Henry James that first appeared in serial format in Collier's Weekly magazine (January 27 April 16, 1898). In October 1898 it appeared in The Two Magics, a book published by Macmillan in New York City and Heinemann in London. Classified as both gothic fiction and a ghost story, the novella focuses on a governess who, caring for two children at a remote estate, becomes convinced that the grounds are haunted. In the century following its publication, The Turn of the Screw became a cornerstone text of academics who subscribed to New Criticism. The novella has had differing interpretations, often mutually exclusive. Many critics have tried to determine the exact nature of the evil hinted at by the story. However, others have argued that the brilliance of the novella results from its ability to create an intimate sense of confusion and suspense within the reader. The novella has been adapted numerous times in radio drama, film, stage, and television, including a 1950 Broadway play, the 1961 film The Innocents, and a 2020 modern adaptation named The Turning.

The Turn of the Screw, the Aspern Papers and Two Stories Apr 05 2020 Joseph Conrad once said of his friend Henry James, As is meet for a man of his descent and tradition, Mr. James is the historian of fine consciences. As it turns out, James was also incredibly gifted at writing exceptional ghost stories. This collection including, The Beast in the Jungle and The Jolly Corner, features James's finest supernatural tales, along with criticism, a discussion of the legacies of James's writing, and provocative study questions.

The Turn of the Screw & the Aspern Papers Jan 27 2022 "The Turn of the Screw" is the classic ghost story for which James is most remembered. Set in a country house, it is a chilling tale of the supernatural. "The Aspern Papers" is a tale of Americans in Europe, cleverly evoking the drama of comedie humaine against the settings of a Venetian palace.

Turn of the Screw Feb 25 2022 CLASSIC FICTION. The narrator is a young governess, sent off to a country house to take charge of two orphaned children. She finds a pleasant house and a comfortable housekeeper, while the children are beautiful and charming. But she soon begins to feel the presence of intense evil. Fast Track Classics is a series of classic stories retold to appeal to the young reader who may find the language and length of the original stories too daunting. Striking black and white illustrations add drama. Ages 9+.

**In the Cage** Nov 24 2021 Henry James's 1898 novella *In the Cage* (written in the same year as the more well-known *The Turn of the Screw*) is a sly, slight, vaguely sentimental work but one that acts as a fine introduction to this most convoluted of writers. Exact ("exacting" yet with a pointillist's precision) is the word most often used to describe James's prose but very often the modern reader will find his hesitant, pedantic, clause-heavy sentences difficult to follow, overlong and tortuously complex. But the key to reading and enjoying James is in succumbing to those very sentences, allowing his perfect ear and fine metre to establish its own rhythm, letting it guide one's response to his beautiful, matchless use of language. *In the Cage* tells the story of a young woman, the "betrothed of Mr Mudge", who works at a post-office counter sending telegrams mostly from the "idle rich" to their fellows to arrange their meetings, parties and other affairs. Concerned, as ever, with the plight of the not so well-to-do--and particularly the role and circumstances of women--James finely delineates our heroine's increasing preoccupation with Captain Everard for whom she sends a considerable number of messages and about whom she has increasingly warm thoughts: "people of her sort... didn't count as infidelity, counted only as something else: she might have been curious, since it came to that, to see exactly as what".

*The Turn of the Screw by Henry James* Sep 10 2020 "When I had finished them I was so frightened that I was afraid to go upstairs to bed." -Henry James on *The Turn of the Screw* *The Turn of the Screw* is an 1898 horror novella by Henry James. Classified as both gothic fiction and a ghost story, the novella focuses on a governess who, caring for two children at a remote estate, becomes convinced that the grounds are haunted. In the century following its publication, *The Turn of the Screw* became a cornerstone of the horror genre. Critics say that the brilliance of the novella results from its ability to create an intimate sense of confusion and suspense within the reader. The novella has been adapted numerous times in radio drama, film, stage, and television, including a 1950 Broadway play, and the 1961 film *The Innocents*. A True Horror Classic that Belongs on Every Bookshelf!

*Henry James: The Turn of the Screw (English Edition)* Sep 22 2021 "I remember the whole beginning as a succession of flights and drops, a little seesaw of the right throbs and the wrong. After rising, in town, to meet his appeal, I had at all events a couple of very bad days—found myself doubtful again, felt indeed sure I had made a mistake. In this state of mind I spent the long hours of bumping, swinging coach that carried me to the stopping place at which I was to be met by a vehicle from the house. This convenience, I was told, had been ordered, and I found, toward the close of the June afternoon, a commodious fly in waiting for me." "*The Turn of the Screw*" by Henry James was first published in 1898. The horror novel focuses on a governess who, caring for two children at a remote estate, becomes convinced that the grounds are haunted. "*The Turn of the Screw*" has been adapted numerous times in radio drama, film, stage, and television, including a 1950 Broadway play, and the 1961 film *The Innocents*.

Henry James and "The Turn of the Screw": The Governess and the Ghosts Jul 29 2019 Pre-University Paper from the year 2010 in the subject English - Literature, Works, grade: 1, , language: English, abstract: Henry James's title of his novel could not have been more allusive. He writes "The Turn of the Screw" at the turn of the century when people were both excited and nervous about what to expect of the new century. He gives the ghost-story another turn of the screw as the tale involves a second child. And even the author is at a turning point, because he decided, for the first time, to rent an old house, where he stays until his death. What happens if one turns the screw? Does it all get worse or does giving the screw two turns produce a status that restores its former orientation? Certainly a turn alters something. The governess in "The Turn of the Screw" wonders what happens if someone turns out to be, for instance, innocent and this thought is instantly followed by another: What then on earth is the governess? This tendency to relate everything to one's personal situation is perfectly human, but problematic. Can one unconditionally trust one's own perception? Even the governess doubts this. She and the ghosts will be analysed and carefully interpreted in order to understand James's narrative and the problems of human doubts and awareness.

*The Collier's Weekly Version of the Turn of the Screw* Jun 07 2020 "She was the most beautiful child I had ever seen, and I afterward wondered that my employer had not told me more of her." For the first time since 1898, readers can experience Henry James's eerie *The Turn of the Screw* the way his original readers did, as a twelve-part weekly serial. The Coffeetown Press edition showcases the novel as it first appeared, complete with provocative illustrations by John La Farge and Eric Pape, in *Collier's Weekly*. This unique edition, with an analytical introduction by Peter G. Beidler, will of course be valuable to scholars. It will be particularly useful, however, for undergraduate classroom use. It allows readers to experience first-hand the suspense generated by the week-by-week grouping of chapters. It also lets them read the young governess's story of her dangerous encounter with prowling spirits as it first appeared, before James made the 500-odd changes in wording he introduced later. After reading Beidler's detailed appendix analyzing all of James's revisions, readers will see that in many ways this earliest version of *The Turn of the Screw* was James's best.

*The Turn of the Screw* Aug 29 2019

**The Turn of the Screw Illustrated** Aug 02 2022 *The Turn of the Screw* is an 1898 Horrornovella by Henry James that first appeared in serial format in *Collier's Weekly* magazine (January 27 - April 16, 1898). In October 1898 it appeared in *The Two Magics*, a book published by Macmillan in New York City and Heinemann in London. Classified as both gothic fiction and a ghost story, the novella focuses on a governess who, caring for two children at a remote estate, becomes convinced that the grounds are haunted.

The Turn of the Screw Mar 29 2022 This text is the first-and only-modern text to follow the New York Edition, the one which had James's final authority.

The Turn of The Screw and Other Short Novels Feb 13 2021 By turns chilling, funny, tragic, and profound, this collection of six Henry James short novels allows readers to experience the full range of his skills and vision. The title story, "The Turn of the Screw," is a chilling masterpiece of psychological terror that mixes the phantoms of the mind with those of the supernatural. "Daisy Miller," the tale of a provincial American girl in Rome that established James's literary reputation, and "An International Episode" are superb examples of his focus on the clash between American and European values. And in "The Aspern Papers," "The Alter of the Dead," and "The Beast in the Jungle," the author's remarkable sense of irony, his love of plot twists, and his view of male-female relationships find exquisite expression. With an Introduction by Fred Kaplan

**Henry James and the Turn of the Screw** Apr 17 2021 Research Paper (Pre-University) from the year 2010 in the subject English - Literature, Works, grade: 1, language: English, abstract: Henry James's title of his novel could not have been more allusive. He writes "The Turn of the Screw" at the turn of the century when people were both excited and nervous about what to expect of the new century. He gives the ghost-story another turn of the screw as the tale involves a second child. And even the author is at a turning point, because he decided, for the first time, to rent an old house, where he stays until his death. What happens if one turns the screw? Does it all get worse or does giving the screw two turns produce a status that restores its former orientation? Certainly a turn alters something. She and the ghosts will be analysed and carefully interpreted in order to understand James's narrative and the problems of human doubts and awareness.

The Turn of the Screw Nov 12 2020 The Turn of the Screw is an 1898 horror novella by Henry James that first appeared in serial format in Collier's Weekly magazine (January 27 - April 16, 1898). In October 1898 it appeared in *The Two Magics*, a book published by Macmillan in New York City and Heinemann in London. Classified as both gothic fiction and a ghost story, the novella focuses on a governess who, caring for two children at a remote estate, becomes convinced that the grounds are haunted. In the century following its publication, *The Turn of the Screw* became a cornerstone text of academics who subscribed to New Criticism. The novella has had differing interpretations, often mutually exclusive. Many critics have tried to determine the exact nature of the evil hinted at by the story. However, others have argued that the brilliance of the novella results from its ability to create an intimate sense of confusion and suspense within the reader. The novella has been adapted numerous times in radio drama, film, stage, and television, including a 1950 Broadway play, and the 1961 film *The Innocents*. On Christmas Eve, an unnamed narrator listens to Douglas, a friend, read a manuscript written by a former governess whom Douglas claims to have known and who is now dead. The manuscript tells the story of

how the young governess is hired by a man who has become responsible for his young nephew and niece after the deaths of their parents. He lives mainly in London but also has a country house, Bly. He is uninterested in raising the children. The boy, Miles, is attending a boarding school, while his younger sister, Flora, is living at a summer country house in Essex. She is currently being cared for by Mrs. Grose, the housekeeper. Miles and Flora's uncle, the governess' new employer, gives her full charge of the children and explicitly states that she is not to bother him with communications of any sort. The governess travels to her new employer's country house and begins her duties. Miles soon returns from school for the summer just after a letter arrives from the headmaster stating that he has been expelled. Miles never speaks of the matter, and the governess is hesitant to raise the issue. She fears there is some horrible secret behind the expulsion but is too charmed by the adorable young boy to want to press the issue. Soon thereafter, around the grounds of the estate, the governess begins to see the figures of a man and woman whom she does not recognise. These figures come and go at will without ever being seen or challenged by other members of the household, and they seem to the governess to be supernatural. She learns from Mrs. Grose that the governess' predecessor, Miss Jessel, and another employee, Peter Quint, had had a sexual relationship. Before their deaths, Jessel and Quint spent much of their time with Flora and Miles, and this fact has grim significance for the current governess when she becomes convinced that the two children are secretly aware of the ghosts' presence. Later, without permission, Flora leaves the house while Miles is playing music for the governess. The governess notices Flora's absence and goes with Mrs. Grose in search of her. They find her in a folly on the shore of the lake, and the governess is convinced that Flora has been talking to the ghost of Miss Jessel. When the governess finally confronts Flora, the girl denies seeing Miss Jessel and demands never to see the governess again. At the governess' suggestion, Mrs. Grose takes Flora away to her uncle, leaving the governess with Miles, who that night at last talks to her about his expulsion the ghost of Quint appears to the governess at the window. The governess shields Miles, who attempts to see the ghost. The governess tells Miles he is no longer controlled by the ghost and then finds that Miles has died in her arms, and the ghost has gone.

*The Turn of the Screw* by Henry James Mar 05 2020 Henry James was born in the United States, in New York City, on April 15, 1843 and is considered an American writer, though he spent most of his life in England and, a year before his death in London on February 28, 1916, became a British citizen. He is regarded as one of the key literary figures of the 19th century. James is known especially for the novels in which he portrays Americans encountering Europeans. His style of writing, often verbose and indirect, can make him difficult to read. Often, too, he writes from the point of view of the characters within a tale, exploring issues related to consciousness and perception. His imaginative use of point of view, interior monologue, and narrators who were not necessarily reliable, brought depth and interest to his fiction. *The Aspern Papers* is one of his most notable short novels, along with *The Turn of the Screw*. In addition to fiction he published articles, books of travel, autobiography, biography, criticism, and plays. Among his masterpieces are *Daisy Miller* (1879), *The Portrait of a Lady* (1881), *The Bostonians* (1886), *What Maisie Knew* (1897), *The Wings of the Dove* (1902),

and *The Golden Bowl* (1916), several of which are available in this series, Classics Condense by Cowley.

Penguin English Library Daisy Miller and the Turn of the Screw Jul 21 2021 The Penguin English Library Edition of *Daisy Miller and The Turn of the Screw* by Henry James "I'm a fearful, frightful flirt! Did you ever hear of a nice girl that was not?" This edition contains two of Henry James's most popular short works. Travelling in Europe with her family, Daisy Miller, an exquisitely beautiful young American woman, presents her fellow-countryman Winterbourne with a dilemma he cannot resolve. Is she deliberately flouting social convention in the outspoken way she talks and acts, or is she simply ignorant of those conventions? In *Daisy Miller* Henry James created his first great portrait of the enigmatic and dangerously independent American woman, a figure who would come to dominate his later masterpieces. Oscar Wilde called James's chilling *The Turn of the Screw* 'a most wonderful, lurid poisonous little tale'. It tells of a young governess sent to a country house to take charge of two orphans, Miles and Flora. Unsettled by a sense of intense evil within the houses, she soon becomes obsessed with the belief that malevolent forces are stalking the children in her care. The Penguin English Library - 100 editions of the best fiction in English, from the eighteenth century and the very first novels to the beginning of the First World War.

The Turn of the Screw and Other Ghost Stories May 19 2021 A chilling new collection of Henry James's short stories exploring the uncanny, including "The Turn of the Screw," the basis for the new Netflix series *The Haunting of Bly Manor* In "The Turn of the Screw," one of the most famous ghost stories of all time, a governess becomes obsessed with the belief that malevolent forces are stalking the children in her care. It is accompanied here by several more of the very best of Henry James's short stories, all exploring ghosts and the uncanny. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Turn of the Screw Oct 12 2020 "[James] is the most intelligent man of his generation." -T. S. Eliot "The economy of horror is carried to its last degree."-Edith Wharton "The most hopelessly evil story that we could have read in any literature"-The Independent Henry James' *The Turn of the Screw* (1898) is one of the most gripping psychological novellas ever written; a grim tale that could equally be a tale of madness or a tale of the supernatural. The depths and meaning of this story has been one of the most fascinating literary debates in all of literature. The intriguing asymmetry of *The Turn of the Screw*, between the seen vs. unseen, the internal v. the external, and good vs. evil, rises this book beyond what can be described as a simple ghost story. The novella begins on Christmas Eve with the recitation of a letter. The story quickly shifts to the perspective of a governess, who is the subject of the strangely ambiguous story. She had been employed by a dashing bachelor to take care of his niece and nephew in a remote country home. To her surprise, she is requested not to reach the uncle of the children under any circumstance. She is smitten by Flora, the little girl, but receives a letter that the boy, Miles, has been expelled from his school and would not be able to return. One evening, strolling outside, the

governess is shocked to see a man in the tower of the house, and later in a window. When she describes him to Mrs. Grouse, the maid, she is informed that the description matches that of a former valet, who had died. Later, while at the lake with Flora, the governess sees a second apparition, that of the governess who preceded her. As the ghosts eventually occupy the house, the governess develops a fearful obsession of the corruption of the children by the terrifying spirits. This gripping work of the unknown and moral decline is one of the most haunting pieces of fiction in the western canon. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Turn of the Screw* is both modern and readable.

**The Aspern Papers** Jun 19 2021 James, The Aspern Papers

*The Turning (Movie Tie-In)* Mar 17 2021 One of the greatest ghost stories ever told, *The Turn of the Screw* is now a feature film from Universal Pictures premiering January 24th, produced by Steven Spielberg and starring Finn Wolfhard and Mackenzie Davis This unsettling collection brings together eight of Henry James's tales exploring ghosts and the uncanny, including his infamous ghost story, "The Turn of the Screw," a work saturated with evil. James's haunting masterpiece tells of a nameless young governess sent to a country house to take charge of two orphans, Miles and Flora. Unsettled by a dark foreboding of menace within the house, she soon comes to believe that something malevolent is stalking the children in her care. But is the threat to her young charges really a malign and ghostly presence or something else entirely? This collection also includes "The Jolly Corner," "Owen Wingrave," and further tales of visitations, premonitions, madness, grief, and family secrets, where the living are just as mysterious and unknowable as the dead. In these chilling stories, Henry James shows himself to be a master of haunting atmosphere and unbearable tension.

**The Turn of the Screw & In the Cage** Jul 01 2022 This Modern Library Paperback Classics edition brings together one of literature's most famous ghost stories and one of Henry James's most unusual novellas. In *The Turn of the Screw*, a governess is haunted by ghosts from her young charges past; Virginia Woolf said of this masterpiece of psychological ambiguity and suggestion, We are afraid of something unnamed, of something, perhaps, in ourselves...Henry James...can still make us afraid of the dark. In his rarely anthologized novella *In the Cage*, James brings his incomparable powers of observation to the story of a clever, rebellious heroine of Britain's lower middle class. Hortense Calisher, in her Introduction, calls it a delicious story, the more so because it confounds what we expect from James.

*The Turning (Movie Tie-In)* Dec 26 2021 One of the greatest ghost stories ever told, *The Turn of the Screw* is now a feature film from Universal Pictures premiering January 24th, produced by Steven Spielberg and starring Finn Wolfhard and Mackenzie Davis This unsettling collection brings together eight of Henry James's tales exploring ghosts and the uncanny, including his infamous ghost story, "The Turn of the Screw," a work saturated with evil. In these chilling stories, Henry James shows himself to be a master of haunting atmosphere and unbearable tension.

The Turn of the Screw and Other Short Fiction May 31 2022 To read a story by Henry James is to enter a fully realized world unlike any other—a rich, perfectly crafted domain of vivid language and splendid, complex characters. Devious children, sparring lovers, capricious American girls, obtuse bachelors, sibylline spinsters, and charming Europeans populate these five fascinating nouvelles, which represent the author in both his early and late phases. From the apparitions of evil that haunt the governess in “The Turn of the Screw” to the startling self-scrutiny of an egotistical man in “The Beast in the Jungle,” the mysterious turnings of human behavior are coolly and masterfully observed—proving Henry James to be a master of psychological insight as well as one of the finest prose stylists of modern English literature.

*The Turn of the Screw* Nov 05 2022 The Turn of the Screw', first published in 1898, is a novella written by Henry James, who was considered a master of creating best psychological fiction. It is a gothic novel, work of great horror, by one of the most acclaimed authors of the modern European literature.

The Turn of the Screw Jan 15 2021

**Analysis: Henry James ? The Turn of the Screw** Oct 31 2019 Seminar paper from the year 2003 in the subject American Studies - Literature, grade: 1,5, University of Hannover (Englisches Seminar Universität Hannover), course: Literature and Photography in the 19th Century America: Spectacles of the Body, 7 entries in the bibliography, language: English, abstract: The "Turn of the Screw" was originally published as a serialized novel in a magazine called *Colliers Weekly*. Henry James finished the work on the story in 1897 and published the text which consisted of twelve chapters plus a prologue between January and April of 1898. James agreement to publish his story in *Colliers Weekly* was connected to the precondition that he would publish it also as a book. In 1908, James published his complete works under the title "The Turn of the Screw: The New York Edition." The Turn of the Screw was published at a time during which the interest in Psychical Research and supernatural phenomena was very predominant. The Society for Psychical Research had been founded in 1882 of which James ? brother and father where both members of. Thus, James was not only familiar with the cases of ghost apparitions but used these informations for his ghost stories among which The Turn of the Screw surely became the most important to date. In the preface of his 1908 edition he stressed however the fact that Peter Quint and Miss Jessel were not ghosts in the traditional sense as the Society of Psychical Research where observing. He pointed out that "(...) Peter Quint and Miss Jessel are not "ghosts" at all, as we know the ghost, but goblins, elves, imps, demons as loosely constructed as those of the old trials of witchcraft; if not, more pleasingly, fairies of the legendary order, wooing their victims forth to see them dance under the moon." 1 This

and other passages in the preface of his New York edition from 1908 caused great controversy over the true meaning of *The Turn of the Screw*: The question was and still is: Is *The Turn of the Screw* a ghost st

*The Turn of the Screw* Oct 24 2021 This volume presents the text of the New York Edition of James's classic 1898 short novel, along with documents that place the work in historical context and critical essays that read *The Turn of the Screw* from several contemporary critical perspectives. The text and essays are complemented by biographical and critical introductions, bibliographies, and a glossary of critical and theoretical terms. In this third edition, a new section details in unique depth the revisions James made from the serialized *Colliers Weekly* edition to the New York Edition. New documents and illustrations enhance the historical contexts section, and new psychoanalytic essay with a Lacanian perspective appears in the section of contemporary criticism.

Henry James' "The Turn of the Screw" - Place in Fiction Jun 27 2019

**Turn of the Screw** Dec 14 2020 Designed to appeal to the book lover, the Macmillan Collector's Library is a series of beautifully bound pocket-sized gift editions of much loved classic titles. Bound in real cloth, printed on high quality paper, and featuring ribbon markers and gilt edges, Macmillan Collector's Library are books to love and treasure. A young governess is employed to look after two orphaned children in a grand country house. Isolated and inexperienced, she is at first charmed by her young charges but gradually she suspects that they may not be as innocent as they seem. And do the sinister figures that she sees at the window exist only in her imagination or are they ghosts intent on a terrible and devastating task? *The Turn of the Screw* is one of the most famous and eerily equivocal ghost stories ever written. *Owen Wingrave* is the story of the son of a long line of military heroes who refuses to follow tradition, yet proves his bravery in a haunted room. This Macmillan Collector's Library edition features an afterword by award winning novelist, Kate Mosse.

**The Divine Comedy of Dante Alighieri** May 07 2020

The Governess in Henry James's *The Turn of the Screw* - Heroic Savior or Possessive Neurotic Dec 02 2019 Seminar paper from the year 2001 in the subject American Studies - Literature, grade: 1,0, Catholic University Eichstätt-Ingolstadt, course: Nineteenth-Century American Short Stories, 10 entries in the bibliography, language: English, abstract: Henry James's short story (or novella, as it's also sometimes labeled) "*The Turn of the Screw*," which was first published in installments in *Collier's Weekly Magazine* in 1898, is at the same time one of his most popular works of fiction and also the one that has been most controversially discussed. In fact, the question whether the apparitions the governess sees are real ghosts haunting and trying to corrupt the children or merely hallucinations of a neurotic woman "blessed" with an overactive imagination has stirred so much controversy that it has even led to the formation of two opposing critical camps sometimes referred to as the apparitionists, i.e. those who believe that the ghosts are real, and the non-apparitionists, i.e. those who believe that the ghosts are just a product of the governess's overactive imagination. This question of the ghosts' reality is of course closely linked to the role of the governess as the main character and also narrator of the story, as well as her personality, aims, and motives. Therefore, even apart from the question of the ghosts' reality, which probably will never be solved to

everybody's satisfaction anyway, one aspect of the story seems to be worth having a closer look at: is the governess rather a heroic woman unselfishly and selfsacrificingly attempting to save the children from the evil influence the ghosts exert on them, or a hysterical and overly protective character wanting to possess her charges and control their every move? In order to shed some light on this conflict (which, just like the aforementioned question of the ghosts' reality, probably can never be definitely solved), I will first try to sum up the basic information on the governess as provided in the prologue to the actual story, then briefly talk about the point of view from which the action is presented in the narrative proper as well as the effects it has on the reader, and finally discuss various possibilities of characterizing and assessing, based mainly on her actions and statements, the governess and her motives, which I will do in connection with a brief outline of the position some more or less influential critics or critical schools have taken in this matter in the time since the story came out. [...]
