[The Portable Thoreau](#) Apr 27 2020 An updated edition of Thoreau's most widely read works Self-described as "a mystic, a transcendentalist, and a natural philosopher to boot," Henry David Thoreau dedicated his life to preserving his freedom as a man and as an artist. Nature was the fountainhead of his inspiration and his refuge from what he considered the follies of society. Heedless of his friends' advice to live in a more orthodox manner, he determinedly pursued his own inner bent—that of a poet-philosopher-in prose and verse. Edited by noted Thoreau scholar Jeffrey S. Cramer, this edition promises to be the new standard for those interested in discovering the great thinker's influential ideas about everything from environmentalism to limited government. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

[Thoreau on Nature](#) Jul 19 2019 "How important is a constant intercourse with nature and the contemplation of natural phenomena to the preservation of moral and intellectual health!" "Henry David Thoreau Since his death in 1862, Henry David Thoreau has left an indelible mark on the American mind. A vocal champion of simple living and social equality, he is revered for his tempered prose, gentle words, and wise observations. His most well-known work, *Walden*, is still read around the world, cherished for both its beautiful writing style and its timeless musings on life, simple living, and nature. Collected in *Thoreau on Nature: Sage Words on Finding Harmony with the Natural World* are some of Thoreau's most impactful musings—drawn from the many writings he completed over his lifetime. His work touched on every aspect of living a harmonious life, from respecting your neighbors, whether human or animal, to the joys of a simplified life, free of clutter and distractions. *Thoreau on Nature* will undoubtedly be an essential resource for anyone seeking to find peace and balance in life.

[Walden and Other Writings](#) Dec 04 2020 With their call for "simplicity, simplicity, simplicity!", for self-honesty, and for harmony with nature, the writings of Henry David Thoreau are perhaps the most influential philosophical works in all American literature. The selections in this volume represent Thoreau at his best. Included in their entirety are *Walden*, his indisputable masterpiece, and his two great arguments for nonconformity, *Civil Disobedience* and *Life Without Principle*. A lifetime of brilliant observation of nature—and of himself—is recorded in selections from *A Week On The Concord And Merrimack Rivers*, *Cape Cod*, *The Maine Woods* and *The Journal*.

[The Great Mental Models: General Thinking Concepts](#) Dec 24 2019 The old saying goes, "To the man with a hammer, everything looks like a nail." But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. *The Great Mental Models: General Thinking Concepts* is the first book in *The Great Mental Models* series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet—ignore them. Upgrade your mental toolbox and get the first volume today. AUTHOR BIOGRAPHY Farnam Street (FS) is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and mental models that history's brightest minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They're not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning. AUTHOR HOME Ottawa, Ontario, Canada

[The Journal of Henry David Thoreau, 1837-1861](#) May 21 2022 *Henry David Thoreau's Journal* was his life's work: the daily practice of writing that accompanied his daily walks, the workshop where he developed his books and essays, and a project in its own right—one of the most intensive explorations ever made of the everyday environment, the revolving seasons, and the changing self. It is a treasure trove of some of the finest prose in English and, for those acquainted with it, its prismatic pages exercise a hypnotic fascination. Yet at roughly seven thousand pages, or two million words, it remains Thoreau's least-known work. This reader's edition, the largest one-volume edition of Thoreau's *Journal* ever published, is the first to capture the scope, rhythms, and variety of the work as a whole. Ranging freely over the world at large, the *Journal* is no less devoted to the life within. As Thoreau says, "It is in vain to write on the seasons unless you have the seasons in you."

[The Daily Henry David Thoreau](#) Jun 22 2022 "Live in each season as it passes; breathe the air, drink the drink, taste the fruit, and resign yourself to the influence of each." Modernity rules our lives by clock and calendar, dividing the stream of time into units and coordinating every passing moment with the universal globe. Henry David Thoreau subverted both clock and calendar, using them not to regulate time's passing but to open up and explore its presence. This little volume thus embodies, in small compass, Thoreau's own ambition to "live in season"—to turn with the living sundial of the world, and, by attuning ourselves to nature, to heal our modern sense of discontinuity with our surroundings. Ralph Waldo Emerson noted with awe that from flowers alone, Thoreau could tell the calendar date within two days; children remembered long into adulthood how Thoreau showed them white waterlilies awakening not by the face of a clock but at the first touch of the sun. As Thoreau wrote in *Walden*, "Time is but the stream I go a-fishing in. I drink at it; but while I drink I see the sandy bottom and detect how shallow it is." Drawn from the full range of Thoreau's journals and published writings, and arranged according to season, *The Daily Henry David Thoreau* allows us to discover the endless variation and surprise to be found in the repetitions of mundane cycles. Thoreau saw in the kernel of each day an earth enchanted, one he honed into sentences tuned with an artist's eye and a musician's ear. Thoreau's world lives on in his writing so that we, too, may discover, even in a fallen world, a beauty worth defending.

[Expect Great Things](#) Aug 20 2019 Now in paperback, this thrilling, meticulous biography by naturalist and historian Kevin Dann fills a gap in our understanding of Henry Thoreau, one modern history's most important spiritual visionaries by capturing the full arc of his life as a mystic, spiritual seeker, and explorer in transcendental realms. This acclaimed, epic biography of Henry David Thoreau sees Thoreau's world as the mystic himself saw it: filled with wonder and mystery; Native American myths and lore; wood sylphs, nature spirits, and fairies; battles between good and evil; and heroic struggles to live as a natural being in an increasingly synthetic world. Above all, *Expect Great Things* critically and authoritatively captures Thoreau's simultaneously wild and intellectually keen sense of the mystical, mythical, and supernatural.

Other historians have skipped past or undervalued these aspects of Thoreau's life. In this groundbreaking work, historian and naturalist Kevin Dann restores Thoreau's esoteric visions and explorations to their rightful place as keystones of the man himself.

Henry David Thoreau Jul 31 2020

Walden Feb 06 2021 In July 1845, Henry David Thoreau built a small cottage in the woods near Walden Pond in Concord, Massachusetts. During the two years and two months he spent there, he began to write *Walden*, a chronicle of his communion with nature that became one of the most influential and compelling books in American literature. As the favorite book of generations of readers, *Walden* has become part of the American landscape. Its message of living simply, in harmony with nature, is needed now more than ever. Here are select passages that provide a perfect introduction to *Walden*, along with woodblock engravings by Michael McCurdy and two audio CDs with samples of the text read aloud.

Henry David Thoreau May 29 2020 A collection of three great works by the naturalist, writer, philosopher, and leading thinker of the American Transcendentalist movement includes *Walden*, *The Maine Woods*, and *Cape Cod*.

Meditations of Henry David Thoreau Jan 17 2022 A selection of 60 thoughtful Thoreau quotations and placed them alongside the wisdom words of writers, philosophers, and teachers from around the world. Bound in a lovely and compact format, the book totes easily along in your pocket, backpack, or picnic basket. Solitude never felt so cozy.

The Spiritual Journal of Henry David Thoreau Aug 12 2021 This title explores the religious nature of "Thoreau's Journal". Most people who care about nature cannot help but use religious language to describe their experience of it. We can trace many of these conceptions of nature and holiness directly to influential nineteenth-century writers, especially Henry David Thoreau (1817-1862). In *Walden*, he writes that 'God himself culminates in the present moment', and that in nature we encounter, 'the workman whose work we are'. But what were the sources of his religious convictions about the meaning of nature in human life? As the most comprehensive study of Thoreau's spirituality from a Christian perspective, "The Spiritual Journal of Henry David Thoreau" is the first to seriously examine connections between Thoreau's religious practices and those of his Protestant forebears. While a few writers have considered the relation between Thoreau's thought and Christian doctrine, this book instead outlines the links between Thoreau's religious practices (such as keeping a spiritual journal, studying nature, and walking) and those of earlier New England Protestants. This work is also the first study to compare his journal with the spiritual journals of prominent Puritans, Anglicans, Methodists, and Quakers. It is also one of the first books to treat spiritual journals as a distinct literary genre, while comparing theological expectations of nature ranging from the American Puritan Jonathan Edwards to nineteenth-century Romantic walkers and Thoreau's fellow Transcendentalists.

Henry David Thoreau Jun 29 2020 Profiles the life and career of the nineteenth-century writer and analyzes his works

Walden Oct 26 2022

Where I Lived, and What I Lived For Mar 27 2020 Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are. Thoreau's account of his solitary and self-sufficient home in the New England woods remains an inspiration to the environmental movement - a call to his fellow men to abandon their striving, materialistic existences of 'quiet desperation' for a simple life within their means, finding spiritual truth through awareness of the sheer beauty of their surroundings.

Civil Disobedience Jul 23 2022 A Book that Transformed America "Friendship is first, Friendship last. But it is equally impossible to forget our Friends, and to make them answer to our ideal." - Civil Disobedience, Henry David Thoreau Civil Disobedience was Thoreau's first published book and continues to transform American discourse. It is unusual for its symbolism and structure, its criticism of Christian institutions, and its many-layered storytelling. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes.

The Natural History Essays Sep 13 2021 Celebrate the tradition of literary naturalists and writers who embrace the natural world as the setting for some of our most euphoric and serious experiences. These books map the intimate connections between the human and the natural world. Literary naturalists transcend political boundaries, social concerns, and historical milieus; they speak for what Henry Beston called the "other nations" of the planet. Their message acquires more weight and urgency as wild places become increasingly scarce. HENRY DAVID THOREAU was an American author, poet, abolitionist, naturalist, tax resister, development critic, surveyor, historian, philosopher and leading transcendentalist. His writings on natural history and philosophy have become two sources of modern-day environmentalism.

A Week on the Concord and Merrimack Rivers Jan 05 2021

Walden Oct 14 2021 Henry David Thoreau (1817-1862) nació en Concord, Massachusetts, y estudió en Harvard. Seguidor y amigo de Emerson se definió a sí mismo como un místico, un trascendentalista y un filósofo de la naturaleza. «Walden» está considerada como una obra literaria maestra y como uno de los libros semanales de su siglo. Antiesclavista militante, toda su obra se centra en la búsqueda de la «vida con principios», principios que serán el criterio de cómo debe ser vivida —con la honradez del trabajo como medio para ganarse la vida—, una vida que él explora y experimenta a través del estudio y la comprensión de la Naturaleza. El 4 de julio de 1845, Thoreau se traslada a vivir en la cabaña que él mismo había construido en Walden Pond. Durante dos años escribe allí la obra homónima en la que describe su economía doméstica, sus experimentos en agricultura, sus visitas y vecinos, las plantas y la vida salvaje. La obra de Thoreau es la historia de un experimento original, sin precedentes literarios. «Walden» es un modo de escribir, de ponerse a «disposición de las palabras», pero también es una Escritura, una forma de aprender lo que la vida tiene que enseñar.

Henry David Thoreau Oct 22 2019 Selected writings from the influential and inspirational essays of an early American transcendentalist, poet, and independent thinker.

Henry David Thoreau - Walden Sep 20 2019 Henry David Thoreau was born on July 12th, 1817 on Virginia Road in Concord, Massachusetts. Thoreau studied at Harvard between 1833 and 1837 taking classes in rhetoric, classics, philosophy, mathematics, and science. On graduating the normal professions left him unmoved and, after a period teaching at his own school, a growing friendship with Ralph Waldo Emerson moved his career onto that of writer and observer of nature. Thoreau was a philosopher of nature and how it affected the human condition. He was deeply influenced by Nature and especially the Walden woods. Eventually his published writings were to celebrate this area and his own philosophies. A noted Abolitionist Thoreau was a man to stand by his principles regardless of the minority view he might be holding. Tragically his life and career were short. In 1859, following a late-night excursion to count the rings of tree stumps during a rain storm, he fell ill with bronchitis. His health now fell into an irreversible decline with only short periods of remission. Thoreau spent his last years revising and editing his unpublished works. In the decades that followed he would be regarded as one of America's greatest writers. Henry David Thoreau died on May 6th, 1862 at the tragically early age of just 44.

The Cambridge Companion to Henry David Thoreau Jun 17 2019 Presenting essays by a distinguished array of contributors, the Companion is a valuable resource for historical and contextual material, whether on early writings such as "A Week on the Concord and Merrimack Rivers," on the monumental *Walden*, or on Thoreau's assorted journals and later books. It also serves in some ways as a biographical guide, offering new insights into his turbulent publishing career, and his brief but extraordinarily original life.

Selections from Walden Mar 07 2021 Selected portions of Thoreau's classic writings done at Walden Pond.

Henry David Thoreau Sep 25 2022 "Walden. Yesterday I came here to live." That entry from the journal of Henry David Thoreau, and the intellectual journey it began, would by themselves be enough to place Thoreau in the American pantheon. His attempt to "live deliberately" in a small woods at the edge of his hometown of Concord has been a touchstone for individualists and seekers since the publication of *Walden* in 1854. But there was much more to Thoreau than his brief experiment in living at Walden Pond. A member of the vibrant intellectual circle

centered on his neighbor Ralph Waldo Emerson, he was also an ardent naturalist, a manual laborer and inventor, a radical political activist, and more. Many books have taken up various aspects of Thoreau's character and achievements, but, as Laura Dassow Walls writes, "Thoreau has never been captured between covers; he was too quixotic, mischievous, many-sided." Two hundred years after his birth, and two generations after the last full-scale biography, Walls renews Henry David Thoreau for us in all his profound, inspiring complexity. Drawing on Thoreau's copious writings, published and unpublished, Walls presents a Thoreau vigorously alive, full of quirks and contradictions: the young man shattered by the sudden death of his brother; the ambitious Harvard College student; the ecstatic visionary who closed Walden with an account of the regenerative power of the Cosmos. We meet the man whose belief in human freedom and the value of labor made him an uncompromising abolitionist; the solitary walker who found society in nature, but also found his own nature in the society of which he was a deeply interwoven part. And, running through it all, Thoreau the passionate naturalist, who, long before the age of environmentalism, saw tragedy for future generations in the human heedlessness around him. "The Thoreau I sought was not in any book, so I wrote this one," says Walls. The result is a Thoreau unlike any seen since he walked the streets of Concord, a Thoreau for our time and all time.--Dust jacket.

**The Heart of Thoreau's Journals** Oct 02 2020 The conflict between scientific observation and poetry, reflections on abolition, transcendental philosophy, other concerns are explored in this superb general selection from Thoreau's voluminous Journal.

**Faith in a Seed** Nov 22 2019 *Faith in a Seed* contains the hitherto unpublished work *The Dispersion of Seeds*, one of Henry D. Thoreau's last important research and writing projects, and now his first new book to appear in 125 years. With the remarkable clarity and grace that characterize all of his writings, Thoreau describes the ecological succession of plant species through seed dispersal. *The Dispersion of Seeds*, which draws on Charles Darwin's theory of natural selection, refutes the then widely accepted theory that some plants spring spontaneously to life, independent of roots, cuttings, or seeds. As Thoreau wrote: "Though I do not believe a plant will spring up where no seed has been, I have great faith in a seed. Convince me that you have a seed there, and I am prepared to expect wonders." Henry D. Thoreau's *Faith in a Seed*, was first published in hardcover in 1993 by Island Press under the Shearwater Books imprint, which unifies scientific views of nature with humanistic ones. This important work, the first publication of Thoreau's last manuscript, is now available in paperback. *Faith in a Seed* contains Thoreau's last important research and writing project, *The Dispersion of Seeds*, along with other natural history writings from late in his life. Edited by Bradley P. Dean, professor of English at East Carolina University and editor of the *Thoreau Society Bulletin*, these writings demonstrate how a major American author at the height of his career succeeded in making science and literature mutually enriching.

Walden Aug 24 2022

Henry David Thoreau Feb 24 2020

**On the Duty of Civil Disobedience** Apr 20 2022 *On the Duty of Civil Disobedience*, called *Civil Disobedience* for short, is an essay by American transcendentalist Henry David Thoreau that was first published in 1849. In it, Thoreau argues that individuals should not permit governments to overrule or atrophy their consciences, and that they have a duty to avoid allowing such acquiescence to enable the government to make them the agents of injustice. Thoreau was motivated in part by his disgust with slavery and the Mexican-American War (1846-1848). Famous essay of the author Henry David Thoreau: "The Service", "A Walk to Wachusett", "Paradise (to be) Regained", "Sir Walter Raleigh", "Herald of Freedom", "Wendell Phillips Before the Concord Lyceum", "Reform and the Reformers", Thomas Carlyle and His Works, *Resistance to Civil Government (Civil Disobedience)*, "Slavery in Massachusetts", *A Plea for Captain John Brown*, *The Last Days of John Brown*, "Walking", "Life Without Principle", *Excursions* anthology.

**Henry David Thoreau for Kids** Dec 16 2021 Hands-on nature activities for the budding transcendentalist Author and naturalist Henry David Thoreau is best known for living two years along the shores of Walden Pond in Concord, Massachusetts. He is also known for spending a night in jail for nonpayment of taxes, which he discussed in the influential essay "Civil Disobedience." More than 150 years later, people are still inspired by his thoughtful words about individual rights, social justice, and nature. His detailed plant observations have even proven to be a useful record for 21st-century botanists. *Henry David Thoreau for Kids* chronicles the short but influential life of this remarkable thinker. In addition to learning about Thoreau's contributions to our culture, young readers will participate in engaging, hands-on projects that bring his ideas to life. Activities include building a model of the Walden cabin, keeping a daily journal, planting a garden, baking trail-bread cakes, going on a half-day hike, and starting a rock collection. The book also includes a time line and list of resources—books, websites, and places to visit—which offer even more opportunities to connect with this fascinating man.

**Henry David Thoreau in Context** Feb 18 2022 Well known for his contrarianism and solitude, Henry David Thoreau was nonetheless deeply responsive to the world around him. His writings bear the traces of his wide-ranging reading, travels, political interests, and social influences. *Henry David Thoreau in Context* brings together leading scholars of Thoreau and nineteenth-century American literature and culture and presents original research, valuable synthesis of historical and scholarly sources, and innovative readings of Thoreau's texts. Across thirty-four chapters, this collection reveals a Thoreau deeply concerned with and shaped by a diverse range of environments, intellectual traditions, social issues, and modes of scientific practice. Essays also illuminate important posthumous contexts and consider the specific challenges of contextualizing Thoreau today. This collection provides a rich understanding of Thoreau and nineteenth-century American literature, political activism, and environmentalist thinking that will be a vital resource for students, teachers, scholars, and general readers.

**The Journal of Henry D. Thoreau** May 09 2021 Deluxe hardcover edition! Volume 1 covers the years 1837 to 1855. These journals are sourcebooks for many of Thoreau's works including "Walden." Hundreds of entries on nature and philosophical topics. An extraordinary record of Thoreau's life and thought.

**Henry David Thoreau: Collected Essays and Poems (LOA #124)** Nov 03 2020 A single-volume collection of essential writings features Thoreau's best poetry and essays on nature, materialism, conformity, and politics, including such works as "Slavery in Massachusetts," "Civil Disobedience," "A Winter Walk," "Life Without Principle," and others.

**The Essays of Henry D. Thoreau** Nov 15 2021 Fully annotated and arranged in the order of their composition, presents thirteen of the author's essays, including "Walking" and "Civil Disobedience."

**Bibliography of Henry David Thoreau** Apr 08 2021

**Twelve Henry David Thoreau Bookmarks** Jul 11 2021 "Nature is full of genius, full of divinity; so that not a snowflake escapes its fashioning hand." Pithy, pleasing and sometimes profound sentiments by Thoreau are beautifully enhanced by the lovely watercolor illustrations on these bookmarks. A dozen 2" x 5¾" bookmarks on 6 plates; quotations printed on backs.

**Now Comes Good Sailing** Jun 10 2021 "An anthology of original reflections on Henry David Thoreau's life and work"--

**Henry David Thoreau** Jan 25 2020 Henry David Thoreau was a naturalist, transcendentalist, philosopher, and essayist. His views on civil disobedience and nature have become a part of the American character. This updated volume of the Bloom's Modern Critical Views series is a keenly detailed chronicle of the great thinker who will forever be known for his experiment in simple living documented in his work *Walden*.

**Walden** Mar 19 2022 "In 1845, Henry David Thoreau moved into a cabin by Walden Pond. With the intention of immersing himself in nature and distancing himself from the distractions of social life, Thoreau sustained his retreat for just over two years. ...'Walden' is a paean to the virtues of simplicity and self-sufficiency." -- p. [4] of cover.
