How to Teach Now Apr 23 2022 In this book, William Powell and Ochan Kusuma-Powell provide a practical map to navigate some of today's most complicated instructional challenges: How do you help all students succeed when every classroom is, in effect, a global classroom? And what does a successful education look like in a world that is growing smaller and flatter every day? Drawing on research and years of experience in international schools, the authors identify five critical keys to personalizing learning for students who have wildly different cultural, linguistic, and academic backgrounds: * Focus on your students as learners through systematic examination of their cultural and linguistic identities, learning styles and preferences, and readiness. * Focus on yourself as a teacher and investigate your own cultural biases, preferred teaching style and beliefs, and expectations. * Focus on your curriculum to identify transferable concepts that will be valuable and accessible to all students and further their global competence. * Focus on your assessments to ensure cultural sensitivity and improve the quality of the formative data you gather. * Focus on your collegial relationships so that you can effectively enlist the help of fellow educators with different experiences, backgrounds, skills, and perspectives. The way to teach now is to focus on your students both as individuals and as members of a multifaceted, interdependent community. Here, you'll learn how to design and deliver instruction that prepares students not just to meet standards but to live and work together in our complicated, 21st century world.

Just Do It Now! Mar 22 2022 What makes Lynda Field's major new work so different from those of her competitors is her unique voice. Accessible, humorous yet thought-provoking, she has an extraordinary ability to simplify new ideas and ensure you can put them into practice. Just Do It Now is about how to create the reality you want, overcome obstacles and realise the powerful effects of your own thoughts. It also shows how you can overcome a natural fear of change by going ahead anyway and just doing whatever you secretly would love to do. In this way you can transform yourself, your relationships, your body, your self image, your bank balance and your spiritual context. With the author's track record and high sales, her many fans will be waiting for this new book - which will appeal to mass market readers everywhere, and both women and men.

What Matters Now May 12 2021 This is not a book about one thing. It's not a 250-page dissertation on leadership, teams or motivation. Instead, it's an agenda for building organizations that can flourish in a world of diminished hopes, relentless change and ferocious competition. This is not a book about doing better. It's not a manual for people who want to tinker at the margins. Instead, it's an impassioned plea to reinvent management as we know it--to rethink the fundamental assumptions we have about capitalism, organizational life, and the meaning of work. Leaders today confront a world where the unprecedented is the norm. Wherever one looks, one sees the exceptional and the extraordinary: business newspapers decrying the state of capitalism. Once-innovative companies struggling to save themselves. Next gen employees shunning blue chips for start-ups. Corporate miscreants getting pilloried in the blogosphere. Entry barriers tumbling in what were once oligopolistic strongholds. Hundred year-old business models being rendered irrelevant overnight. Newbie organizations crowdsourcing their most creativerwork. National governments lurching towards bankruptcy. Investors angrily confronting greedy CEOs and complacent boards. Newly omnipotent customers eagerly wielding their power. Social media dramatically transforming the way human beings connect, learn and collaborate. Obviously, there are lots of things that matter now. But in a world of fractured certainties and battered trust, some things matter more than others. While the challenges facing organizations are limitless, leadership bandwidth isn't. That's why you have to be clear about what really matters now. What are the fundamental, make-or-break issues that will determine whether your organization thrives or dives in the years ahead? Hamel identifies five issues that are paramount: values, innovation, adaptability, passion and ideology. In doing so he presents an essential agenda for leaders everywhere who are eager to... move from defense to offense reverse the tide of commoditization defeat bureaucracy astonish their customers foster extraordinary contributions capture the moral high ground outrun change build a company that's truly fit for the future Concise and to the point, the book will inspire you to rethink your business, your company and how you lead.

Jan 08 2021 Offers a reference guide designed to help readers become confident English speakers and writers.

How to Read Now Jul 26 2022 'Castillo's How to Read Now took my breath away. Energetically brilliant, warmly humane, incisively funny' Andrew Sean Greer, Pulitzer Prize -winning author of Less 'I gasped, shouted, and holler-laughed while reading these essays... Phenomenal' R.O. Kwon, author of The Incendiaries How many times have we heard that reading builds empathy? That we can travel through books? How often have we heard about the importance of diversifying our bookshelves? Or claimed that books saved our lives? These familiar words - beautiful, aspirational - are sometimes even true. But award-winning novelist Elaine Castillo has more ambitious hopes for our reading culture, and in this collection of linked essays, she moves to wrest reading away from the aspirations of uniting people in empathetic harmony and reposition it as thornier, ultimately more rewarding work.

How to Read Now explores the politics and ethics of reading, and insists that we are capable of something better: a more engaged relationship not just with our fiction and our art, but with our buried and entangled histories. Smart, funny, galvanizing, and sometimes profane, Castillo attacks the stale questions and less-than-critical proclamations that masquerade as vital discussion: reimagining the cartography of the classics, building a moral case against the settler colonialism of lauded writers like Joan Didion, taking aim at Nobel Prize winners and topping indie filmmakers, and celebrating glorious moments in everything from popular TV like The Watchmen to the films of Wong Kar-wai and the work of contemporary poets like Tommy Pico. At once a deeply personal and searching history of one woman's reading life, and a wide-ranging and urgent intervention into our globalized conversations about why reading matters today. How to Read Now empowers us to embrace a more complicated, embodied form of reading, inviting us to acknowledge complicated truths, ignite surprising connections, imagine a more daring solidarity, and create space for a riskier intimacy - within ourselves, and with each other.

Brand Now Jul 22 2019 Capture their attention- and keep it! With the rise of digital media, you'd think it would be easier than ever to be heard. Yet, most messages fail to cut through the clutter. Consumers are overwhelmed. Ads alone aren't effective. And you can't just churn out content and connect on every social network. To stand out today, you need to start with your brand. Brand Now uncovers the new rules of branding in our complex and chaotic world. Written by the author of Get Scrappy, the digital marketing bible for business, this latest book explains how to build brands that resonate both online and off. The book helps you: Create a brand with meaning * Reinforce it with the right touchpoints * Hone your brand's unique story * Share it through engaging content * Cultivate a sense of community * Craft a coherent experience * Stand out with simplicity and transparency The world may be growing louder, but with Brand Now's big ideas and practical toolbox, you can break through the noise- and win a place in the hearts and minds of your customers.

How to Survive Your Childhood Now That You're an Adult Sep 16 2021 As children, we learned to get approval by creating facades to help us get our emotional and psychological needs met, but we also rebelled against authority as a way of individuating. As adults, these conflicting desires leave many of us feeling anxious or depressed because our authentic selves are buried deep beneath glitzy or rebellious exteriors or some combination thereof. In this provocative book, eclectic teacher and therapist Ira Israel offers a powerful, comprehensive, step-by-step path to recognizing the ways of being that we created as children and transcending them with compassion and acceptance. By doing so, we discover our true callings and cultivate the authentic love we were born deserving.

A Savage Presence May 24 2022 Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex's connections save them this time? All bets are off when it's every man for themselves in this series' finale.

How to Snare a Millionaire Now Dec 19 2021 "It's just as easy to fall in love with a rich man as a poor man." Maybe even a little easier. We all fantasize about a life of luxury--why not use your natural talents and assets to make your dream come true? Relationship expert Lisa Johnson Mandell, author of the original 'How to Snare a Millionaire' and co-author of 'Become Your Own Matchmaker' with Bravo TV's Millionaire Matchmaker, writes from her own personal experience. Lisa received more than 50 marriage proposals before she finally settled down in a blissful marriage to the successful man of her dreams. Her experience as a professional journalist helped her in interviewing myriad millionaires and their wives, as well as experts in every related field. The result of her efforts is 'How to Snare a Millionaire NOW, The Sequel to the Ultimate Guide on Marrying for Love and Money.' In it, Lisa gives up-to-the-minute information on all things necessary to marry a knight in shining platinum armor. She tells you what he's looking for, where to find him, and how to approach him. Then she fills you in on his care and feeding, and explains what you need to do if you want to keep him, legally and forever. You can start picking out your bridesmaids' dress colors now.
