presumably secure institution begin to make chilling sense—they are, in fact, horrifying predictions. Yet how can a barely functional psychotic locked behind asylum walls possibly know such vivid details of crimes committed in the outside world? Drawn into a labyrinth of secrets, revenge, sex, and manipulation, Dr. Alex Delaware and Detective Milo Sturgis set out to unlock this enigma and put an end to the brutal killings—before the madman predicts their own demise. . . .

When the Bough Breaks Sep 28 2022 Seven-year-old Melody Quinn is the only witness of a horrific double murder but she can't or won't talk about what she saw. Child psychologist Alex Delaware is brought in to try and get through to her and to the truth of what happened that night. But it soon becomes clear that Melody isn't just traumatised by the murders. Alex is only too aware that LA is a city which spawns ugliness. But is he prepared for the seemingly bottomless pit of perversion and violence that

Blood Test Feb 09 2021 Dr. Alexander Delaware, a child psychologist in Los Angeles, is called in to evaluate the case of a leukemia patient whose parents want to discontinue chemotherapy. When the boy disappears from the hospital and his parents are found dead, the only leads are the boy's sensual older sister and a holistic-meditative cult called The Touch. Delaware's search for the child takes him to a small town near the Mexican border where he finally unearths the dark secrets kept by the boy's family and the townspeople. He also uncovers drugs and group sex in the commune and survives a few harrowing attempts on his life. (Particularly well-drawn is a failed assassination at the tale's end, which has intriguing mythic echoes.) As in his praised first novel, **WHEN THE BOUGH BREAKS**, Kellerman draws on his experience as a clinical psychologist to enrich and broaden his considerable storytelling talents. Imbued with a vivid sense of place and

The Web Feb 27 2020 Psychologist-detective Dr. Alex Delaware finds terror in the heart of paradise in this relentlessly sinister novel by America's premier writer of psychological suspense. Three months in paradise, all expenses paid. It's an invitation Alex Delaware can't refuse. Dr. Woodrow Wilson Moreland, a revered scientist and philanthropist on the tiny Pacific island of Aruk, has invited Alex to his home to help him organize his papers for publication--a light workload leaving Alex plenty of time to enjoy a romantic interlude with Robin Castagna. Quickly, however, secretive houseguests, frightening nocturnal visitors, and the elusive Dr. Moreland himself dim the pleasures of deep blue water and white sand. The cases Moreland chooses to share--a patient driven to madness by a cruel, unspeakable act; a

man who succumbed forty years ago to radiation poisoning after a nuclear blast; a young woman, brutally murdered, whose mutilated body was found on the beach just six months before--seem unconnected. And yet Alex can't help wondering what the good doctor is trying to tell him... and what Moreland's real reason for inviting him to Aruk is. As Alex probes--with a little long-distance help from his friend LAPD detective Milo Sturgis--he comes to believe the answer lies hidden somewhere on Moreland's vast estate. Yet when he finally discovers the truth, the revelation will be more shocking than he could have imagined. And it will come too late to stem the tide of violence that threatens guilty and innocent alike on the lovely lost island of Aruk. With his brilliant characterizations and rapid-fire pace, Jonathan Kellerman has redefined the boundaries of suspense, probing real-life horrors and innermost fears in a novel that transfixes from first page to last.

depths of the criminal mind and the darkest side of a glittering city fuel #1 New York Times bestselling author Jonathan Kellerman's brilliant storytelling. And no one conducts a more harrowing and suspenseful manhunt than the modern Sherlock Holmes of the psyche, Dr. Alex Delaware. A tipsy young woman seeking aid on a desolate highway disappears into the inky black night. A retired schoolteacher is stabbed to death in broad daylight. Two women are butchered after closing time in a small-town beauty parlor. These and other bizarre acts of cruelty and psychopathology are linked only by the killer's use of luxury vehicles and a baffling lack of motive. The ultimate whodunits, these crimes demand the attention of LAPD detective Milo Sturgis and his collaborator on the crime beat, psychologist Alex Delaware. What begins with a solitary bloodstain in a stolen sedan quickly spirals outward in odd and unexpected directions, leading Delaware and Sturgis from the well-heeled center of L.A. society to its

pretty people. The scene they encounter is anything but. A naked young man lies dead in the street, the apparent victim of a collision with a moving van hurtling through suburbia in the darkness. But any thoughts of accidental death vanish when a blood trail leads to a nearby home. Inside, a young woman lies butchered. The identity of the male victim and his role in the horror remain elusive, but that of the woman creates additional questions. And adding to the shock, Alex has met her while working a convoluted child custody case. Cordelia Gannett was a self-styled internet influencer who'd gotten into legal troubles by palming herself off as a psychologist. Even after promising to desist, she's found a loophole and has continued her online career, aiming to amass clicks and ads by cyber-coaching and cyber-counseling people plagued with relationship issues. But upon closer examination, Alex and Milo discover that her own relationships are troublesome, including a tortured family history and a dubious personal

Breaking the News Dec 27 2019 From the editor in chief of Breitbart News, a firsthand account of how the establishment media became weaponized against Donald Trump and his supporters on behalf of the political left. Alex Marlow was just a twenty-one-year-old UC Berkeley student when renowned media mogul Andrew Breitbart hired him as his first employee. Breitbart began mentoring Marlow on how to fight the culture war one headline at a time and to remain resilient in the face of personal attacks. Now, in this eye-opening and timely book, Marlow explains how the establishment press destroyed its own credibility with a relentless stream of “fake news” designed to smear Donald Trump and his supporters while advancing a leftist agenda. He also reveals key details on how our information gatekeepers truly operate and why America’s “fake news” moment might never end. Breitbart—and Trump—began banging the drum about “fake news” during the 2016 election, and it resonated with millions of

voters because they intuitively knew the corporate media was willing to say or write anything to achieve their political ends. It's a battle cry that continues to this day. Alex and his team of researchers elucidate the stunning details of the key "fake news" moments of the Trump era and take a deep dive into some of the right's favorite media targets: from Bloomberg, CNN, The Washington Post, and The New York Times to the tech elite in Silicon Valley. Deeply researched and eye-opening, *Breaking the News* rips back the curtain on the inner workings of how the establishment media weaponizes information to achieve their political and cultural ends.

material From the creator of the acclaimed Alex Delaware series comes a tour de force standalone novel that illustrates perfectly why “Jonathan Kellerman has justly earned his reputation as a master of the psychological thriller” (People). A brilliant, deeply dedicated psychologist, Grace Blades has a gift for treating troubled souls and tormented psyches—perhaps because she bears her own invisible scars: Only five years old when she witnessed her parents’ deaths in a bloody murder-suicide, Grace took refuge in her fierce intellect and found comfort in the loving couple who adopted her. But even as an adult with an accomplished professional life, Grace still has a dark, secret side. When her two worlds shockingly converge, Grace’s harrowing past returns with a vengeance. Both Grace and her newest patient are stunned when they recognize each other from a recent encounter. Haunted by his bleak past, mild-mannered Andrew Toner is desperate for Grace’s renowned therapeutic expertise and

more than willing to ignore their connection. And while Grace is tempted to explore his case, which seems to eerily echo her grim early years, she refuses—a decision she regrets when a homicide detective appears on her doorstep. An evil she thought she’d outrun has reared its head again, but Grace fears that a police inquiry will expose her double life. Launching her own personal investigation leads her to a murderously manipulative foe, one whose warped craving for power forces Grace back into the chaos and madness she’d long ago fled. expose before it claims another innocent victim. *Bones* Jul 22 2019 When it comes to writing deftly layered, tightly coiled novels of suspense, #1 New York Times bestselling author Jonathan Kellerman reigns supreme as "master of the psychological thriller" (People). Kellerman has worked his magic again in this chilling masterpiece. The anonymous caller has an ominous tone and an unnerving message about something "real dead . . . buried in your marsh." The eco-volunteer on the other end of the phone thinks it's a prank, but when a young woman's body turns up in L.A.'s Bird Marsh preserve no one's laughing. And when the bones of more victims surface, homicide detective Milo Sturgis realizes the city's under siege to an insidious killer. Milo's first move: calling in psychologist Alex Delaware. The murdered women are prostitutes—except the most recent victim; a brilliant young musician from the East Coast, employed by a wealthy family to tutor a musical prodigy, Selena Bass seems out of place in the

marsh's grim tableau. Conveniently—perhaps ominously—Selena's blueblood employers are nowhere to be found, and their estate's jittery caretaker raises hackles. But Milo's instincts and Alex's insight are too well-honed to settle for easy answers, even given the dark secrets in this troubled man's past. Their investigation unearths disturbing layers—about victims, potential victims, and suspects alike—plunging even deeper into the murky marsh's enigmatic depths. Bizarre details of the crimes suggest a devilish serial killer prowling L.A.'s gritty streets. But when a new murder deviates from

the pattern, derailing a possible profile, Alex and Milo must look beyond the suspicion of madness and consider an even more sinister mind at work. Answers don't come easy, but the darkest of drives and desires may fuel the most devious of foes. *Bones* is classic Kellerman—relentlessly peeling back the skin and psyches of its characters and revealing the shadows and sins of the souls beneath. With jolt after jolt of galvanizing suspense, it drives the reader through its twists and turns toward a climax as satisfying as it is shattering.
